

The Other Side Of Truth Beverley Naidoo

Will the truth harm them -- or save them? When Nigeria's corrupt military government kills their mother, twelve-year-old Sade and her brother Femi think their lives are over. Out of fear for their safety, their father, an outspoken journalist, decides to smuggle the children out of Nigeria and into London, where their uncle lives. But when they get to the cold and massive city, they find themselves lost and alone, with no one to trust and no idea when -- or if -- they will ever see their father again. *The Other Side of Truth* is a gripping adventure story about courage, family, and the power of truth.

From the award-winning and New York Times bestselling author of *Once and for All* Expect the unexpected. Macy's got her whole summer carefully planned. But her plans didn't include a job at Wish Catering. And they certainly didn't include Wes. But Macy soon discovers that the things you expect least are sometimes the things you need most.

"Dessen gracefully balances comedy with tragedy and introduces a complex heroine worth getting to know."

—Publishers Weekly Sarah Dessen is the winner of the Margaret A. Edwards Award for her contributions to YA literature, as well as the Romantic Times Career Achievement Award. Books by Sarah Dessen: *That Summer Someone Like You* *Keeping the Moon* *Dreamland* *This Lullaby* *The Truth About Forever* *Just Listen* *Lock and Key* *Along for the Ride* *What Happened to Goodbye* *The Moon and More* *Saint Anything* *Once and for All*

Betty O'Neill grew up knowing very little about her father, Antoni. She knew that he had fled Poland after World War Two, that he had disappeared overnight when she was just an infant, and that his brief reappearance when she was a

Acces PDF The Other Side Of Truth Beverley Naidoo

young adult had been a harrowing, painful ordeal. Fifty-five years after he deserted her family, Betty is determined to find out more. What drove him to abandon them, twice? What was his story? Who was Antoni Jagielski? Her search for truth takes Betty to Poland, where she unexpectedly inherits a family apartment from the half sister she never knew – a time capsule of her father's life. Sifting through photos and letters she begins to piece together a picture of her father as a Polish resistance fighter, a survivor of Auschwitz and Gusen concentration camps, an exile in post-war England, and a migrant to Australia. But the deeper she searches, the darker the revelations about her father become, as Betty is faced with disturbing truths buried within her family. Honest, compelling, and meticulously researched, *The Other Side of Absence* is an elegant debut memoir of resilience and strength, and of a daughter reconciling the damage that families inherit from war.

In 2003, Susan Nathan moved from her comfortable home in Tel Aviv to Tamra, an Arab town in the northern part of Israel. Nathan had arrived in Israel four years earlier and had taught English and worked with various progressive social organizations. Her desire to help build a just and humane society in Israel took an unexpected turn, however, when she became aware of Israel's neglected and often oppressed indigenous Arab population. Despite warnings from friends about the dangers she would encounter, Nathan settled in an apartment in Tamra, the only Jew among 25,000 Muslims. There she discovered a division between Israeli Jews and Israeli Arabs as tangible as the concrete wall and razor-wire fences that surround the Palestinian towns of the West Bank and Gaza. From her unique vantage point, Nathan examines the history and the present-day political and cultural currents that have created a situation little recognized in the ongoing debates about the future of Israel and the Middle East. With

Acces PDF The Other Side Of Truth Beverley Naidoo

warmth, humor, and compassion, she portrays the daily life of her neighbors, the challenges they encounter, and the hopes they harbor. She introduces Arab leaders fighting against entrenched segregation and discrimination; uncovers the hidden biases that undermine even the most well-intentioned Arab-Jewish peace organizations; and describes the efforts of dedicated individuals who insist that Israeli Arabs must be granted the same rights and privileges as Jewish citizens. Through her own courageous example, Nathan proves that it is possible for Jews and Arabs to live and work peacefully together. *The Other Side of Israel* is more than the story of one woman's journey; it is a road map for crossing a divide created by prejudices and misunderstandings.

Exiled from the LAPD, Harry Bosch must clear his name, uncover a ring of prescription drug abuse, and outwit a clever killer before it's too late. Harry Bosch, exiled from the LAPD, is working cold cases for the San Fernando Police Department when all hands are called out to a local drugstore, where two pharmacists have been murdered in a robbery. Bosch and the tiny town's three-person detective squad sift through the clues, which lead into the dangerous, big-business world of prescription drug abuse. To get to the people at the top, Bosch must risk everything and go undercover in the shadowy world of organized pill mills. Meanwhile, an old case from Bosch's days with the LAPD comes back to haunt him when a long-imprisoned killer claims Harry framed him and seems to have new evidence to prove it. Bosch left the LAPD on bad terms, so his former colleagues are not keen on protecting his reputation. But if this conviction is overturned, every case Bosch ever worked will be called into question. As usual, he must fend for himself as he tries to clear his name and keep a clever killer in prison. The two cases wind around each other like strands of barbed wire. Along the way, Bosch discovers that there are two kinds

Acces PDF The Other Side Of Truth Beverley Naidoo

of truth: the kind that sets you free and the kind that leaves you buried in darkness. Tense, fast-paced, and fueled by this legendary detective's unrelenting sense of mission, *Two Kinds of Truth* is proof positive that "Connelly writes cops better than anyone else in the business" (New York Post). An NPR Best Book of 2017A Times Critics' Top Book of 2017 A Barnes & Noble Best Book of 2017A South Florida Sun-Sentinel Best Mystery of 2017 An Amazon Book of the Month "Hope and insight and empathy spring from every page. . . . [McKesson] stares down the faces of bigotry and unfreedom and cynicism and doesn't flinch in writing out our marching orders toward freedom." --Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* From the internationally recognized civil rights activist/organizer and host of the podcast *Pod Save the People*, a meditation on resistance, justice, and freedom, and an intimate portrait of a movement from the front lines. In August 2014, twenty-nine-year-old activist DeRay Mckesson stood with hundreds of others on the streets of Ferguson, Missouri, to push a message of justice and accountability. These protests, and others like them in cities across the country, resulted in the birth of the Black Lives Matter movement. Now, in his first book, McKesson lays down the intellectual, pragmatic, and political framework for a new liberation movement. Continuing a conversation about activism, resistance, and justice that embraces our nation's complex history, he dissects how deliberate oppression persists, how racial injustice strips our lives of promise, and how technology has added a new dimension to mass action and social change. He argues that our best efforts to combat injustice have been stunted by the belief that racism's wounds are history, and suggests that intellectual purity has curtailed optimistic realism. The book offers a new framework and language for understanding the nature of oppression. With it, we can begin charting a course

Acces PDF The Other Side Of Truth Beverley Naidoo

to dismantle the obvious and subtle structures that limit freedom. Honest, courageous, and imaginative, *On the Other Side of Freedom* is a work brimming with hope. Drawing from his own experiences as an activist, organizer, educator, and public official, Mckesson exhorts all Americans to work to dismantle the legacy of racism and to imagine the best of what is possible. Honoring the voices of a new generation of activists, *On the Other Side of Freedom* is a visionary's call to take responsibility for imagining, and then building, the world we want to live in.

A collection of short stories - four previously published and three new - linked by the theme of young people experiencing personal dilemmas. All are set in South Africa, first under apartheid and then after the first democratic elections. They cover the period from 1950 to 2000 and reflect the lives of a range of young people, black and white, living in what was for many years seen as the world's most openly racist society. Mr. Elives's magic shop is back, and this time it is on the other side of Tucker's Swamp. And Tucker's Swamp is where Charlie Eggleston heads to escape a beating-for lying. Charlie can't seem to keep from lying, though sometimes his lies are for a good cause. When Charlie stumbles into Mr. Elives's magic shop, his eyes light upon *The Skull*. Charlie steals *The Skull* and it puts him under some sort of spell-he can only tell the truth. Trouble is, now no one believes him. . .

I am a humble but very earnest seeker after truth. Even if you are a minority of one, the truth is the truth.--Mahatma Gandhi" It seems presumptuous to pick holes in Gandhi's campaigns and strategies, and appear to belittle a man of epic dimensions, especially when the nationalist mythologies render it sacrilegious to re-evaluate his achievements. Great men of action, who perform great deeds, do commit great mistakes. And there is no harm in pointing these out. In one

Acces PDF The Other Side Of Truth Beverley Naidoo

sense it is a Gandhian duty, as he equated truth with God." --S.S. Gill There is an ocean of books eulogising Gandhi. This book has consciously chosen not to be yet another drop in that ocean. This is also not a 'balanced' book. It does not attempt to offset good with the bad, or vice versa. This book looks hard, but only at the other side."Truth stands, even if there be no public support. It is self-sustained," said the 'Apostle of Truth' Gandhi; and this book looks hard at the truth about Gandhi.This book brings out the fact that most of the Gandhian thoughts and ideas were regressive, backward, irrational, illogical, impractical, and products of faulty comprehension. They were founded on very limited study, and on stubborn egoism born out of 'I know best'. No wonder the 'Mahatma' has no legacy worth the name! Most of his ideas were discarded soon after his death--actually, much before his death: from 1944 onwards he stood sidelined. His only visible relevance that we see today is in 'Swachh Bharat'. True, he advocated cleanliness, but then millions too have been advocating it!It was Gandhi who won us our freedom--so it is claimed. If it were true one would generously ignore all acts of omission and commission, and shortcomings of Gandhi. But, it is not true. Please refer to the chapter 'What Really Led to Freedom?' Gandhi had himself admitted: "I see it as clearly as I see my finger: British are leaving not because of any strength on our part but because of historical conditions and for many other reasons." Most likely, without Gandhi India would have won its freedom, or at least self-government, many years before 1947.Apart from the history of India's freedom struggle, and Gandhi's role in it, this book brings out Gandhi's detailed biography, his beliefs, and the principal aspects of his character and personality. Grace could get any man she wanted physically, but obtaining love seemed to be impossible for her. Although she appeared to be very strong, independent, and very charming,

she was empty on the inside. Grace had a great career and achieved many accomplishments. However, when it came to her love life, she felt like a complete failure.

As recently seen on ABC's Nightline, channeler Paul Selig presents the second work in his acclaimed Mastery Trilogy. The Book of Truth casts your relationships--and what they reveal about you--in a dramatic and radical new light. The channeled literature of Paul Selig--who receives clairaudient dictation from unseen intellects called the Guides--has quickly become the most important and celebrated expression of channeling since A Course In Miracles rose to prominence in the 1970s. Selig's previous trilogy of channeled wisdom--I Am the Word, The Book of Love and Creation, and The Book of Knowing and Worth--won a large following around the world for its depth, intimacy, and psychological insight. The first book of his new Mastery Trilogy, The Book of Mastery, likewise attained popularity and praise. Now, Selig continues the "Teachings of Mastery" with the widely anticipated second volume in his new series: The Book of Truth.

The Other Side of Ego explores a mans attempt to confront his mortality and the kind of lies we tell ourselves about what is really precious in life. Jonathan writes about his intimate journey with a deadly disease. But he also tells a bigger story about how the disease launched him on a pilgrimage to become a better man.

John Jagamarra grew up at the Pearl Bay Mission for Aboriginal children in the far north-west. It was beautiful there, but it wasn't home. This is a tale for everyone about the pain of separation, and the strength of the human spirit.

George Orr discovers that his dreams possess the remarkable ability to change the world, and when he falls into the hands of a power-mad psychiatrist, he counters by dreaming up a perfect world that can overcome his nightmares, in a new edition of the classic science fiction

novel. Reprint. 20,000 first printing.

Chiefly on the partition of Punjab, 1947.

This hilarious middle-grade novel with illustrations throughout sees Tomas discover that he can grow dragons in his own garden! When Tomas discovers a strange old tree at the bottom of his grandfather's garden, he doesn't think much of it. But he takes the funny fruit from the tree back into the house and gets the shock of his life when a tiny dragon hatches! The tree is a dragon fruit tree, and Tomas now has his very own dragon, Flicker! While Tomas finds out that life with Flicker is fun, he also finds that it is very...unpredictable. Yes, dragons are wonderful, but they also set fire to your toothbrush and leave your underwear hanging from the TV antenna. Tomas has to learn how to look after Flicker---and quickly! And then something extraordinary happens: More dragon fruits appear on the tree! Now it's official, Tomas is growing dragons.

In this thoroughly revised and updated classic, a renowned psychologist shows that mourning is far from predictable, and all of us share a surprising ability to be resilient The conventional view of grieving--encapsulated by the famous five stages of grief: denial, anger, bargaining, depression, and acceptance--is defined by a mourning process that we can only hope to accept and endure. In *The Other Side of Sadness*, psychologist and emotions expert George Bonanno argues otherwise. Our inborn emotions--anger and denial, but also relief and joy--help us deal effectively with loss. To expect or require only grief-stricken behavior from the bereaved does them harm. In fact, grieving goes beyond mere sadness, and it can actually deepen interpersonal connections and even lead to a new sense of meaning in life. What sort of life would you live if you no longer feared the dying process? Do you want to understand? ? Where do we go when we die? ? How does the crossover happen? ? Can

our loved ones in spirit make contact with us? ? Should we be afraid of dying, and what happens next? Life, Death, and the Birth of Truth is a journey through Caroline Byrds experiences as she communicates and works with souls and spirit on both sides of the veil. Life, Death, and the Birth of Truth begins with the death of a close family member, sharing in detail how we can understand and connect with those who have crossed over. Learn how and why loved ones who pass may continue to play a role in your life today. Deep insights are uncovered, showing you how a soul has the opportunity, prior to death, to reveal their final moments. Life, Death, and the Birth of Truth will lead you through the doorways of existence, exposing the truth behind the veil. This is an opportunity for you to understand how the process of dying is not a single moment but a journey of healing, sharing innovative and revolutionary experiences that can help you understand the dying process. In The Other Side of Truth, filmmaker Paul Kimball crosses the Rubicon of the imagination to explore the idea that what we call the 'paranormal' is actually a form of artistic expression created by an advanced non-human intelligence to inspire us to think about who we are, where we have been, and where we are going. Using his own journey of discovery as the starting point, Kimball presents the 'other side of truth' - the world not as we have been told it is, but as we are being encouraged to imagine that it could become.

A Pulitzer Prize-winning critic takes a penetrating look at the cultural forces that contributed to the gathering storm of fake news and presents a path forward for truth-challenged times. Frightened that their baby sister Dineo will die, thirteen-year-old Naledi and her younger brother Tiro run away from their grandmother to Johannesburg to find their mother, who works there as a maid. Their journey illustrates at every turn the grim realities of apartheid - the pass laws, bantustans, racism, the breakdown of family life. The opulence of the white

Acces PDF The Other Side Of Truth Beverley Naidoo

"Madam's" house contrasts starkly with the reality that Naledi and Tiro face - that their baby sister is suffering from starvation, not an incurable disease.

The Other Side of Midnight is Sidney Sheldon at his best.

This page-turner is full of tortured romantic entanglements, reverses of fortune, thrilling suspense, and ultimate justice. In Paris, Washington, and a fabulous villa in Greece, an innocent American becomes a bewildered, horror-stricken pawn in a game of vengeance and betrayal. She is Catherine Douglas, a woman caught in a web of four lives intertwined by passion as her handsome husband pursues an incredibly beautiful film star . . . and as Constantin Demeris, a legendary Greek tycoon, tightens the strands that control them all.

The Mau Mau - the name of a secret society that once struck terror into the hearts of British settlers in Kenya. An episode in history that ended in a State of Emergency, with violent and brutal acts dividing a nation. This is an intensely personal and vivid story of two boys: one black, one white. Once they were friends even though their circumstances are very different. But in a country driven by fear and prejudice, even the best of friends can betray one another . . . Internationally acclaimed and award-winning author Beverley Naidoo explores new territory in this beautifully realized and moving story set in Britain's colonial past.

Burned by love in the past, Jemistry Daniels has decided to have strictly physical relationships, until Dr. Tevin Harris, who has his own relationship scars, asks her out after a poetry slam.

A sixty-year history of Afro–South Asian musical collaborations From Beyoncé’s South Asian music–inspired Super Bowl Halftime performance, to jazz artists like John and Alice Coltrane’s use of Indian song structures and spirituality in their work, to Jay-Z and Missy Elliott’s high-profile collaborations with diasporic South Asian artists such

Acces PDF The Other Side Of Truth Beverley Naidoo

as the Panjabi MC and MIA, African American musicians have frequently engaged South Asian cultural productions in the development of Black music culture. Sounds from the Other Side traces such engagements through an interdisciplinary analysis of the political implications of African American musicians' South Asian influence since the 1960s. Elliott H. Powell asks, what happens when we consider Black musicians' South Asian sonic explorations as distinct from those of their white counterparts? He looks to Black musical genres of jazz, funk, and hip hop and examines the work of Miles Davis, John Coltrane, Rick James, OutKast, Timbaland, Beyoncé, and others, showing how Afro–South Asian music in the United States is a dynamic, complex, and contradictory cultural site where comparative racialization, transformative gender and queer politics, and coalition politics intertwine. Powell situates this cultural history within larger global and domestic sociohistorical junctures that link African American and South Asian diasporic communities in the United States. The long historical arc of Afro–South Asian music in Sounds from the Other Side interprets such music-making activities as highly political endeavors, offering an essential conversation about cross-cultural musical exchanges between racially marginalized musicians.

A brave and captivating book that takes you into the heart where Love is stronger than death. This is the amazing true story of how one young woman, survived the sudden and unexpected deaths of 3 partners, all vibrant men in their 40s. How she picked herself off the floor and asked for help. And how she gazed into the eyes of her soul and questioned why she was surrounded by so much death. For 5 long years, the author Dee Delaney struggles to make sense of her life as she pushes, screams and battles with the dark shadows of grief that weave their way into the fabric of her very being, until one day on March 21st, 2015, she stops everything and

Acces PDF The Other Side Of Truth Beverley Naidoo

surrenders. In this honest, raw and sometimes humorous account, Dee explains how she finds the way back to her true self, through the richness of Eastern spirituality, and the wisdom of Western psychotherapy. As her story unfolds, Dee realises this suffering didn't happen to her, it happened for her, and her 'ordinary' life is transformed forever. Dee leaves her comfortable middle class life in England and starts a new life for herself and her little boy, in Goa India, where she discovers that her story is really only just beginning..... The Truth - My Journey to the Other Side is part of an exciting trilogy of inspirational books called The Truth is Within. Books 2 & 3 will be released later this year.

A shot. Two shots at the gate in the early morning and a car screeches away down an avenue of palm trees. A tragedy - and a terrible loss for Sade and her younger brother, Femi, children of an outspoken Nigerian journalist. Now terror is all around them and they must flee their country. At once. And alone. Plans for their journey have to be hastily arranged. Everything must be done in secret. But once Sade and Femi reach England, they will be safe - won't they?

This is the story of 12 year-old Sade and her brother Femi who flee to Britain from Nigeria. Their father is a political journalist who refuses to stop criticising the military rulers in Nigeria. Their mother is killed and they are sent to London, with their father promising to follow. Abandoned at Victoria Station by the woman paid to bring them to England as her children, Sade and Femi find themselves alone in a new, often hostile, environment. Seen through the eyes of Sade, the novel explores what it means to be classified as 'illegal' and the difficulties which come with being a refugee.

Arming Americans to defend the truth from today's war on facts Disinformation. Trolling. Conspiracies. Social media pile-ons. Campus intolerance. On the surface, these recent additions to our daily vocabulary appear to have little in

Acces PDF The Other Side Of Truth Beverley Naidoo

common. But together, they are driving an epistemic crisis: a multi-front challenge to America's ability to distinguish fact from fiction and elevate truth above falsehood. In 2016 Russian trolls and bots nearly drowned the truth in a flood of fake news and conspiracy theories, and Donald Trump and his troll armies continued to do the same. Social media companies struggled to keep up with a flood of falsehoods, and too often didn't even seem to try. Experts and some public officials began wondering if society was losing its grip on truth itself. Meanwhile, another new phenomenon appeared: "cancel culture." At the push of a button, those armed with a cellphone could gang up by the thousands on anyone who ran afoul of their sanctimony. In this pathbreaking book, Jonathan Rauch reaches back to the parallel eighteenth-century developments of liberal democracy and science to explain what he calls the "Constitution of Knowledge"—our social system for turning disagreement into truth. By explicating the Constitution of Knowledge and probing the war on reality, Rauch arms defenders of truth with a clearer understanding of what they must protect, why they must do—and how they can do it. His book is a sweeping and readable description of how every American can help defend objective truth and free inquiry from threats as far away as Russia and as close as the cellphone.

The Other Side of Truth Harper Collins

You may have read books about teaching before, but you've never read one as honest, gritty and down to earth as this one. Sara Snowball has a unique perspective on teaching at the elementary level because she has worked at disadvantaged schools and also well-funded schools, enabling her to see not only the socioeconomic differences, but its impact on society and our world. She shares her love of teaching, while also revealing the heartache of trying to

Acces PDF The Other Side Of Truth Beverley Naidoo

make a difference in a child's life when the cards are stacked against them. Pregnant at thirteen, yes, she's seen it. Only one pair of shoes and they are flip flops, yes again. Students show up with all sorts of issues: anxiety, ADHD, neglect, poor nutrition, early onset puberty, abuse, and more. This teacher speaks candidly about how she deals with it and divulges her creative ways to reach every student while keeping herself sane. Every teacher who needs solutions, everyone thinking about being a teacher, and every parent should read this. It will show a picture of the reality of education that you will never get if you are not in the midst of it. You will also realize how one passionate teacher can make a difference.

Two years after their flight from Nigeria, 14-yr-old Sade, her younger brother Femi and her father are living in a council flat in London, waiting for their claim for asylum to be approved. Sade is upset when Femi is drawn into a violent possibly drug-dealing gang, and even more upset when their father doesn't seem to notice. He's too taken up with his new friend Mrs Wallace, a refugee from Sierra Leone. But when Femi is arrested for murder, and the gang set fire to their flat, the family has to pull together to get through this most difficult time.

"Between laughs, readers will be prompted to think — about what constitutes truth, how the media massages it, and the importance of ethics, fairness, and getting the facts right." — Publishers Weekly (starred review) Adam Canfield has to be the most overprogrammed middle-school student in America. So when super-organized Jennifer coaxes him to be coeditor of their school newspaper, THE SLASH, he wonders if he's made a big mistake. But when a third-grader's article leads to a big scoop, Adam and

his fellow junior journalists rise to the challenge of receiving their principal's wrath to uncover some scandalous secrets. From a Pulitzer Prize-winning author and New York Times columnist comes a funny, inspiring debut that sneaks in some lessons on personal integrity — and captures the rush that's connected to the breaking of a really great story. Two girls, one white and one black, gradually get to know each other as they sit on the fence that divides their town.

Bestselling author Alex Kotlowitz is one of this country's foremost writers on the ever explosive issue of race. In this gripping and ultimately profound book, Kotlowitz takes us to two towns in southern Michigan, St. Joseph and Benton Harbor, separated by the St. Joseph River. Geographically close, but worlds apart, they are a living metaphor for America's racial divisions: St. Joseph is a prosperous lakeshore community and ninety-five percent white, while Benton Harbor is impoverished and ninety-two percent black. When the body of a black teenaged boy from Benton Harbor is found in the river, unhealed wounds and suspicions between the two towns' populations surface as well. The investigation into the young man's death becomes, inevitably, a screen on which each town projects their resentments and fears. *The Other Side of the River* sensitively portrays the lives and hopes of the towns' citizens as they wrestle with this mystery--and

Acces PDF The Other Side Of Truth Beverley Naidoo

reveals the attitudes and misperceptions that undermine race relations throughout America. Everything You Always Wanted to Know About Ghosts, but Were Too Afraid to Ask From a very young age James Van Praagh was aware of a dimension that most of us cannot see, and he has dedicated his life to explaining it to the rest of us. The New York Times bestseller Ghosts Among Us takes us on an incredible journey into the spirit world that brings to light one of our greatest mysteries—what happens to us after we die? An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

Geralt the Witcher—revered and hated—holds the line against the monsters plaguing humanity in this collection of adventures, the first chapter in the New York Times bestselling series that inspired the hit Netflix show and the blockbuster video games. Geralt is a Witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary killer. His sole purpose: to destroy the monsters that plague the world. But not everything monstrous-looking is evil and not everything fair is good . . . and in every fairy tale there is a grain of truth. And look out for The Tower of Fools, book one of Andrzej Sapkowski's

Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial persona she created on social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within, as she searches
