

The Pig Who Sang To The Moon

Jonathan Safran Foer meets Jeffrey Moussaieff Mason in a poignant, provocative memoir of survival, compassion, and awakening to the reality of our food system. Jenny Brown was just ten years old when she lost a leg to bone cancer. Throughout the ordeal, her constant companion was a cat named Boogie. Years later, she would make the connection between her feline friend and the farm animals she ate, acknowledging that most of America's domesticated animals live on industrialized farms, and are viewed as mere production units. Raised in a conservative Southern Baptist family in Kentucky, Brown had been taught to avoid asking questions. But she found her calling and the courage to speak out. She left a flourishing career as a film and television producer after going undercover and exposing horrific animal abuse in Texas stockyards. Bringing to life this exhilarating transformation, *The Lucky Ones* introduces readers to Brown's crowning achievement, the renowned Woodstock Farm Animal Sanctuary she established with her husband in 2004. With a cast of unforgettable survivors, including a fugitive slaughterhouse cow named Kayli; Albie, the three-legged goat; and Quincy, an Easter duckling found abandoned in New York City, *The Lucky Ones* reveals shocking statistics about the prevalence of animal abuse throughout America's agribusinesses. Blending wry humor with unflinching honesty, Brown brings a compelling new voice to the healthy-living movement—and to the vulnerable, voiceless creatures among us.

Practice makes perfect in this kick-butt fractured fairy tale. Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons---he'll make mincemeat out of that wolf! His brother learns a little jujitsu--he'll chop that guy to pieces! But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA! Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch!

Meet Penny, the sweet and curious mouse, in Caldecott Medalist and bestselling author Kevin Henkes's instant classic story for young readers, perfect for fans Lilly's Purple Plastic Purse, Owen, and Chrysanthemum. When Penny comes home from school, she is ready to sing her song. But the babies are sleeping, and Mama and Papa are worried that Penny will wake them up. Oh, but it is a good song, a really wonderful song . . . and Penny wants more than anything to sing it. Will it ever be the right time to sing it? *Penny and Her Song* is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. Kevin Henkes is a master at creating beautifully illustrated books that resonate with young children. The Penny books are new classics for beginning readers and will appeal to fans of *Frog and Toad*, *Little Bear*, and *Henry and Mudge*. Don't miss Penny's newest adventures in *Penny and Her Sled*!

In the tradition of *Lord of the Flies*, *Pigs* is an exquisitely wrought fable about the excesses of the contemporary world.

The Pig Who Sang to the Moon
The Emotional World of Farm Animals
Ballantine Books
When everyone in the barnyard is too busy to listen to young Peter Pig's song, he leaves in search of a sympathetic soul, and finds one in a friendly frog.

A hilarious book about learning to share from the much-loved, award-winning author and illustrator Aaron Blabey.

When his grandmother dies, and his grandfather is removed to a home, fifteen-year-old Danny determines to look after their elderly pig and ramshackle garden. Here, on the ragged edge of a blighted new town, Danny and his Indian girlfriend Surinder create a fragile haven from the enclosing world of racist neighbours and stifling families, a summer's refuge from the

precariousness of their future.

The adventures of Perfect the pig begin when his wish for a pair of wings is granted. Freddy the pig does some detective work in order to solve the mystery of the missing toy train. The delightful detective story about the beloved animal characters on Mr. Bean's farm, whose adventures have entertained so many children. Freddy the Pig has been reading Sherlock Holmes and knows that he, too, can apply his brain to solving mysteries. beginning with Farmer Bean's son's loss of a toy train Freddy becomes very efficient in the apprehension of criminals. In the end he not only solves the case of the murdered crow, but successfully acts as defense attorney for the falsely accused Jinx the cat. How often did Sherlock do that?

Based on award-winning scientist Marc Bekoff's years studying social communication in a wide range of species, this important book shows that animals have rich emotional lives. Bekoff skillfully blends extraordinary stories of animal joy, empathy, grief, embarrassment, anger, and love with the latest scientific research confirming the existence of emotions that common sense and experience have long implied. Filled with Bekoff's light humor and touching stories, *The Emotional Lives of Animals* is a clarion call for reassessing both how we view animals and how we treat them.

Reveals the remarkable depth of canine emotional complexity, explaining how dogs' sense of smell shapes their perception of reality and how they express such emotions as gratitude, loneliness, and love. Reprint. 100,000 first printing. Tour.

Dog lovers get ready – Jeffrey Moussaieff Masson, international bestselling author of *Dogs Never Lie About Love* (which the *San Francisco Chronicle* calls "winning and wise," and "a charming paean to our best friends"), is back with an inspiring, heart-warming, and deeply personal exploration of the unique relationship between humans and dogs. As in *When Elephants Weep*, *The Face on Your Plate*, and *The Pig Who Sang to the Moon*, Masson blends cultural mythology, scientific research, and stories of his own experiences to tackle deep questions about the emotional lives of humans and animals. His compelling, elegant, and often humorous narrative about the love people feel for dogs (perfect for fans of John Grogan's *Marley & Me*) gives a new perspective on the extraordinary relationship between our species.

This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in *Charlotte's Web*, high up in Zuckerman's barn. *Charlotte's spiderweb* tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to

come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books.

From Caldecott Medalist Arnold Lobel (1933-1987) comes another brand-new collection of rhyming stories-this time featuring a unique assortment of owls and pigs. Discovered by his daughter, Adrienne Lobel, *Odd Owls and Stout Pigs: A Book of Nonsense* is full of the same humor and wit that is found in Lobel's beloved *Frog and Toad* stories. This new collection will tickle kids once more and create another generation of Arnold Lobel devotees. Ages: 4 - 7

Can't a wolf just get some bacon? Authored by YouTuber Kyle Exum, *Trap 3 Little Pigs* is a modern twist of the original *Three Little Pigs* tale. Complimented by the "Trap 3 Little Pigs" song, the story involves a hungry wolf who just needs an entree for his dinner date, as well as three intelligent and athletic pigs.

Although the story is structured as a children's book, the mixture of modern pop culture references and relatable humor is meant to be enjoyed by all ages. The words in this version of the story are modified from the lyrics in the "Trap 3 Little Pigs" song to be friendlier to young readers.

Feeling that something is wrong with her life, a successful, but dissatisfied pig discovers happiness with other pigs in the country.

This national bestseller exploring the complex emotional lives of animals was hailed as "a masterpiece" by Elizabeth Marshall Thomas and as "marvelous" by Jane Goodall. The popularity of *When Elephants Weep* has swept the nation, as author Jeffrey Masson appeared on *Dateline NBC*, *Good Morning America*, and was profiled in *People* for his ground-breaking and fascinating study. Not since Darwin's *The Expression of Emotions in Man and Animals* has a book so thoroughly and effectively explored the full range of emotions that exist throughout the animal kingdom. From dancing squirrels to bashful gorillas to spiteful killer whales, Masson and coauthor Susan McCarthy bring forth fascinating anecdotes and illuminating insights that offer powerful proof of the existence of animal emotion. Chapters on love, joy, anger, fear, shame, compassion, and loneliness are framed by a provocative re-evaluation of how we treat animals, from hunting and eating them to scientific experimentation.

Forming a complete and compelling picture of the inner lives of animals, *When Elephants Weep* assures that we will never look at animals in the same way again.

Jeffrey Moussaieff Masson's groundbreaking bestseller, *When Elephants Weep*, was the first book since Darwin's time to explore emotions in the animal kingdom, particularly from animals in the wild. Now, he focuses exclusively on the contained world of the farm animal, revealing startling, irrefutable evidence that barnyard creatures have feelings too, even consciousness. Weaving history, literature, anecdotes, scientific studies, and Masson's own vivid experiences observing pigs, cows, sheep, goats, and chickens over the course of five years, this important book at last gives voice, meaning, and dignity to these gentle beasts that are bred to be milked,

shorn, butchered, and eaten. Can we ever know what makes an animal happy? Many animal behaviorists say no. But Jeffrey Masson has a different view: An animal is happy if it can live according to its own nature. Farm animals suffer greatly in this regard. Chickens, for instance, like to perch in trees at night, to avoid predators and to nestle with friends. The obvious conclusion: They cannot be happy when confined twenty to a cage. From field and barn, to pen and coop, Masson bears witness to the emotions and intelligence of these remarkable farm animals, each unique with distinct qualities. Curious, intelligent, self-reliant—many will find it hard to believe that these attributes describe a pig. In fact, there is much that humans share with pigs. They dream, know their names, and can see colors. Mother cows mourn the loss of their calves when their babies are taken away to slaughter. Given a choice between food that is nutritious or lacking in minerals, sheep will select the former, balancing their diet and correcting the deficiency. Goats display quite a sense of humor, dignity, and fearlessness (Indian goats have been known to kill leopards). Chickens are naturally sociable—they will gather around a human companion and stand there serenely preening themselves or sit quietly on the ground beside someone they trust. For far too long farm animals have been denigrated and treated merely as creatures of instinct rather than as sentient beings. Shattering the abhorrent myth of the “dumb animal without feelings,” Jeffrey Masson has written a revolutionary book that is sure to stir human emotions far and wide.

MAGIC IS DYING;CAN I SAVE IT?IF THE PRICE IS MY HAPPINESS;CAN I PAY IT?In the last few generations, only one in a hundred female witches are born with power. So when I came into mine, my grandmother helped me hide it so I wouldn't be swept away by the ISC, our magical government. The price of discovery was steep; becoming an ISC drone and being paired with their choice of mate for my coven. So I hid in plain sight working days at Maggie's Pet Wash, and nights piecing together the mythical Words of Power. The only thought that keeps me going is figuring out a way to beat the ISC and hopefully fall in love with a coven of my own... maybe even raise a few little witchlings. So when my familiar, a pug named Mrs. Pig, screws up my one shot at obtaining the Words of Power, I figure everything is ruined. That is until Pierce, Sam, and their own talking dogs walk into my life. Now that I have them, can I give them up? Even to save magic? The ISC is coming for me. What they don't know is: I'M COMING FOR THEM, TOO.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted

against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

Bestselling author Jeffrey Masson shows us what the animals at the top of the food chain-orca whales, big cats, etc.-can teach us about the origins of good and evil in ourselves. In his previous bestsellers, Masson has showed us that animals can teach us much about our own emotions-love (dogs), contentment (cats), and grief (elephants), among others. In *Beasts*, he demonstrates that the violence we perceive in the "wild" is a matter of projection. Animals predators kill to survive, but animal aggression is not even remotely equivalent to the violence of mankind. Humans are the most violent animals to our own kind in existence. We lack what all other animals have: a check on the aggression that would destroy the species rather than serve it. In *Beasts*, Masson brings to life the richness of the animal world and strips away our misconceptions of the creatures we fear, offering a powerful and compelling look at our uniquely human propensity toward aggression.

Can a pig become a princess? There's been a dreadful mix-up in the royal nursery. Priscilla the princess has switched places with Pigmella, the farmer's new piglet! The kindly farmer and his wife believe it's the work of a good witch. The ill-tempered King and Queen squarely blame a bad witch. It's the sort of thing that happens all the time in fairy tales! Priscilla grows up on the farm, poor but very happy. Things are less straightforward for a pig princess, but if kissing a frog can work, surely the same applies to pigs... Witty, inventive and bursting with fairy tale fun. From the creators of the award-winning *The Santa Trap*.

Pigling sets off from home and, among his adventures, helps Pig-wig escape from Mr. Piperson. Copyright © Libri GmbH. All rights reserved.

"In loving yet unsentimental prose, Sy Montgomery captures the richness that animals bring to the human experience. Sometimes it takes a too-smart-for-his-own-good pig to open our eyes to what most matters in life." —John Grogan, author of *Marley & Me: Life and Love with the World's Worst Dog* A naturalist who spent months at a time living on her own among wild creatures in remote jungles, Sy Montgomery had always felt more comfortable with animals than with people. So she gladly opened her heart to a sick piglet who had been crowded away from nourishing meals by his stronger siblings. Yet Sy had no inkling that this piglet, later named Christopher Hogwood, would not only survive but flourish—and she soon found herself engaged with her small-town community in ways she had never dreamed possible. Unexpectedly, Christopher provided this peripatetic traveler with something she had sought all her life: an anchor (eventually weighing 750 pounds) to family and home. *The Good Good Pig* celebrates

Christopher Hogwood in all his glory, from his inauspicious infancy to hog heaven in rural New Hampshire, where his boundless zest for life and his large, loving heart made him absolute monarch over a (mostly) peaceable kingdom. At first, his domain included only Sy's cosseted hens and her beautiful border collie, Tess. Then the neighbors began fetching Christopher home from his unauthorized jaunts, the little girls next door started giving him warm, soapy baths, and the villagers brought him delicious leftovers. His intelligence and fame increased along with his girth. He was featured in USA Today and on several National Public Radio environmental programs. On election day, some voters even wrote in Christopher's name on their ballots. But as this enchanting book describes, Christopher Hogwood's influence extended far beyond celebrity; for he was, as a friend said, a great big Buddha master. Sy reveals what she and others learned from this generous soul who just so happened to be a pig—lessons about self-acceptance, the meaning of family, the value of community, and the pleasures of the sweet green Earth. The Good Good Pig provides proof that with love, almost anything is possible.

Three Singing Pigs has a bright new cover! This baker's dozen of traditional tales retold by the wonderful Kaye Umansky is a much-loved resource of musical fun through stories. Interweaving the stories are songs with familiar melodies and specially rewritten words which carry the action along. Instantly performable pieces of classroom magic. The music activities which accompany each story will be familiar in concept to everyone who uses Music Express.

Roland the pig plays the lute and sings so sweetly that his friends never have enough of listening to him. He has bigger dreams, though, so he decides to take his show on the road and share his music with the world. He has a hard time finding an audience and is lonely at first, but then a fox named Sebastian appears and offers to take him to perform before the King. Little does Roland know, Sebastian actually plans on eating him. Just as Sebastian starts to lower Roland over a firepit to roast him and all seems lost, the King appears to save the day, and both Sebastian and Roland get the ending they deserve. Roland the Minstrel Pig is a classic picture book by Shrek creator William Steig.

The ten pigs in bed are all tucked in, but one little piggy is a bed hog. As the piggy rolls over, the other pigs fall out of the bed.

NEW YORK TIMES BESTSELLERAMAZON BEST BOOK OF THE YEAR Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, ESTHER THE WONDER PIG follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals.

The first adventure of this NEW YORK TIMES best-selling porcine wonder is now available as an e-book. (Ages 6 - 8) Features an audio read-along! To Mr. and Mrs. Watson, Mercy is not just a pig – she's a porcine wonder. And to the portly and good-natured Mercy, the Watsons are an excellent source of buttered toast, not to mention that buttery-toasty feeling she gets when she snuggles into bed with them. This is not, however, so good for the Watsons' bed. BOOM! CRACK! As the bed and its occupants slowly sink through the floor, Mercy escapes in a flash – "to alert the fire department," her owners assure themselves. But could Mercy possibly have another emergency in mind – like a sudden craving for their neighbors' sugar cookies? Welcome to the wry and endearing world of Mercy Watson – an ebullient new character for early chapter-book readers in a series that's destined to be a classic.

Weaving history, literature, anecdotes, scientific studies, and his own vivid experiences observing pigs, cows, sheep, goats, and chickens over the course of five years, Masson gives voice, meaning, and dignity to these gentle beasts that are bred to be milked, shorn, butchered, and eaten.

Coloring fun that's perfect for Peppa Pig's youngest fans. Join Peppa Pig, George Pig, Suzy Sheep, and all their friends for a coloring adventure! With nearly 200 pages of big, bold Peppa Pig pictures to color, this book will provide boys and girls ages 2-5 with hours of entertainment. Peppa Pig is a loveable little piggy who lives with her younger brother, George, Mummy Pig, and Daddy Pig. Peppa loves playing games, dressing up, visiting exciting places, and making new friends--but her absolute favorite thing is jumping up and down in muddy puddles!

The Pig Said Woof!, a children's book appropriate for ages 2 to 8, is a cleverly illustrated book of verse that tells the story of an unusual day in the life of a farmer and the animals on his farm. The animals' voices are all mixed up! All the illustrations are fabric collages on watercolor background.

Piggies rock! So does Boynton. Through her eyes, her words, her music, and above all her art, we see the world with whimsy and pleasure, appreciating round noses and curly tails, floppy ears and pleasing plumpness. And we're lucky to give that gift to our youngest children. A member of the amazing Boynton on Board series that has over 21 million copies in print, Perfect Piggies! also comes with a free downloadable song. Reminiscent of a cappella swing, it's a celebration of the homey—of beauty in the eye of the beholder, of sunshine and fresh air, and a place to put up our hooves when the day is done. And, of course, the catching energy and rhythmic language of a beloved original: We are all perfect piggies and we know what we need. It's really very simple, very simple indeed: a troughful of food, a place in the sun, and a little bit of comfort when the day is done. That goes for the rest of us, too.

A translation of an ancient Greek manuscript written by Gryllus, a talking pig who was once a man, which describes the many adventures that he and his companions--a junior prophetess named Sybil and a bumbling goatherd--experience while traveling to Delphi to try to prevent the universe from coming to an end.

George Orwell's celebrated novella, Animal Farm, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all

prestigious bestseller lists for the past many years.

Presents the classic nursery rhyme about the little pig who went to market and his friends. On board pages.

When a pig discovers a magical box can make 27 copies of anything thrown in it, his life is turned upside down with excitement. As word spreads about his new toy, he finds it's not as easy as it seems to be in charge of endless possibilities.

'An unbelievably inspiring book' Peter Wohlleben, author of *The Hidden Life of Trees* Did you know that pigs frequently throw tantrums? That chickens are capable of complex communication? That sheep know their own names? That cows grieve when their calves are taken away from them? Jeffrey Masson delves deep into the mysterious world of farm animals and reveals just how sophisticated these creatures truly are - capable of joy, sadness, love and friendship - just like us.

With this music player and storybook, you can read three fun stories about Peppa Pig while playing oinktastic tunes! The worldwide children's sensation Peppa Pig stars in this full-color, hardcover book that finds the curious pig looking for muddy puddles to jump in with her brother George, her parents, grandparents, and a menagerie of other pals. Best of all, kids can get musical, because this book includes a player and three discs that each contain five tunes! Each disc corresponds with one of three different stories included in these pages, and each story has prompts that let kids know when to play the appropriate accompanying tune. Tune titles include... "Peppa's Theme" "Muddy Puddles Song" "Clickety Clack" "Bobbin' Boat" "Sun, Sea and Snow" Plus 10 more Peppa Pig sing-along classics! Perfect for children ages 3 to 5.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.
