Vegan chef of one of the top 50 food blogs on the Web, HappyHerbivore.com, Lindsay Nixon, gives hundreds of thousands of her followers recipes each month, showing that the vegan diet is not only healthy but delicious, too. Now, Nixon combines some of her tastiest recipes in *The Happy Herbivore Cookbook*, each made with no added fats, using only whole, plant-based foods. It's easy to make great food at home using the fewest number of ingredients and ones that can easily be found at any store, on any budget. *The Happy Herbivore Cookbook* includes:

- A variety of recipes from quick and simple to decadent and advanced
- Helpful hints and cooking tips, from basic advice such as how to steam potatoes to more specific information about which bread, tofu or egg replacer works best in a recipe
- An easy-to-use glossary demystifying any ingredients that may be new to the reader
- Healthy insight: Details on the health benefits and properties of key ingredients
- Pairing suggestions with each recipe to help make menu planning easy and painless
- Allergen-free recipes, including gluten-free, soy-free, corn-free, and sugar-free

With a conventionally organized format; easy-to-follow, step-by-step instructions; nutritional analyses, colorful photographs; funny blurbs at the beginning of each recipe; helpful tips throughout; and chef's notes suggesting variations for each dish, even the most novice cook will find healthy cooking easy—and delicious!

The No 1 bestselling cookery book in Ireland - for two years running! 'These lovely boys always create incredibly tasty food.' Jamie Oliver Let's face it: while we want to eat more fruit and veg and things we know are good for us, we sometimes fall short because we're not sure how to turn all that great produce into great food. Well, welcome to the Happy Pear way of eating - healthy but never worthy, easy but never dull, and packed with mind-blowing flavour, exciting texture and vibrant colour. The Happy Pear opened ten years ago when twins David and Stephen Flynn, passionate about starting a food revolution in their home town, took over their local fruit and veg shop and later opened a café. Their revolution has not only succeeded, but it is spreading, and The Happy Pear's fans range from young parents to pensioners, ladies-who-lunch to teens-on-the-run, hipsters to Hollywood stars. David and Stephen's first cookbook is full of irresistible recipes for everything from everyday breakfasts, lunches and dinners, to scrumptious - and yes, still wholesome! - cakes and sweet treats, to special occasion splurges. David and Stephen also tell their story (how they transformed from jocks to hippies before finally finding their groove), share their top tips for maximizing taste and goodness in food, and explain how they've succeeded in building a food business based on flavour, health and community. 'The poster boys for a healthy way of life' Sunday Times 'Proper good food ... hearty, decent and delicious' Russell Brand 'I love The Happy Pear ... genuinely good food that brings healthy eating in from the cold' Irish Times 'My favourite [vegetarian cookbook] ... packed with recipes, health advice and inspirational stories.' Huffington Post 'A

beautifully presented book with mouthwatering photography' Woman's Way 'A healthy eating phenomenon' Mail on Sunday 'These Irish twins are on a roll' Time Out '[They] couldn't look healthier or happier ... the poster boys for vegetarianism in Ireland' The Times

towards a better and healthier life! When you start any diet, you usually have an end goal in mind, which serves as motivation. Unlike with most diets, a whole foods plant-based diet is not something you commit to with the mindset that you will only stick to it until that goal is met. It is more of a lifestyle change that will benefit you for years. Having an end goal of losing weight can help you get started, but you need to dive deeper into what will keep you motivated and committed to this lifestyle. Finding a deeper 'why' in terms of what precisely you want to get from this diet will help remind you that you aren't just eating healthy to fit into your skinny jeans but are doing it to have more energy, fewer medical issues, and a better quality of life. Before you begin your journey with a whole food plant-based diet, you need to clearly state why you are doing it and then commit to sticking with your 'why' for the long term. This book covers: Appetizer and Snack Recipes Breakfast, Dessert, and Smoothie Recipes Main Dish Recipes Side and Salad Recipes Vegetable Recipes Soup and Stew Recipes ...And much more Making a lifestyle change is often challenging. Hence, making all these changes all at once can become overwhelming or seem impossible. Instead of trying to dive right into this diet, give yourself time to adjust to the different foods.

New York Times Bestseller A whole-foods, plant-based diet that has never been easier or tastier—learn to cook the Forks Over Knives way with more than 300 recipes for every day! Lose weight, lower cholesterol, significantly reduce the risk of disease, and become physically fit--in just 4 weeks. Professional athlete-turned-firefighter Rip Esselstyn is used to responding to emergencies. So, when he learned that some of his fellow Engine 2 firefighters in Austin, TX, were in dire physical condition-several had dangerously high cholesterol levels (the highest was 344!)-he sprang into action and created a life-saving plan for the firehouse. By following Rip's program, everyone lost weight (some more than 20 lbs.), lowered their cholesterol (Mr. 344's dropped to 196), and improved their overall health. Now, Rip outlines his proven plan in this book. With Rip as your expert coach and motivator, you'll transform your body and lifestyle in a month. His plant-powered eating plan is based on a diet of whole foods, including whole grains, fresh fruits, vegetables, legumes, nuts, and seeds. This invaluable guide features: Dozens of easy, mouthwatering recipes-from pancakes to pizza, Tex-Mex favorites to knockout chocolate desserts-that will keep you looking forward to every bite Pantry-stocking tips will take the panic out of inevitable cravings and on-the-fly meals Guidelines on menu choices that will allow you to eat out, wherever and whenever you want Rip's simple, firefighter-inspired exercise program that will boost your metabolism and melt your fat away. Medically approved, easy-to-follow, and amazingly effective, this diet is designed for anyone who wants to make heroic strides in his or her health, weight, and well-being-all without heroic effort. "Want to be as strong as a Texas firefighter? Or as healthy as a professional triathlete? Then follow the wonderful advice of Rip Esselstyn, who is both. His book can save your life--whether you're a man or a woman. Highly recommended!" -Dean Ornish, M.D., Founder and President, Preventive Medicine Research Institute, Clinical Professor of Medicine, U of California, SF, author, Dr. Dean Ornish's Program for Reversing Heart Disease

Harness the power of whole-plant foods to lead a long and vibrant life—whether you're vegan, vegetarian or omnivorous. Eat more whole plants. This simple recommendation is at the heart of a building consensus: The healthiest diet is a plant-based diet. Plants have spent millions of years evolving their defenses against disease. Now, studies indicate that by eating whole, minimally processed plant foods, humans too can gain protection—against everyday illness, diabetes, obesity, depression, mental decline, heart disease, and even cancer. In *The Plant-Powered Diet*, registered dietitian Sharon Palmer marshals the most up-to-date findings in nutrition to explain both why you should fill more of your plate with whole-plant foods and how to do so, whether you're a longtime vegan or a committed omnivore. Here is: • Essential information on the healthiest plant foods—whole grains, vegetables, fruits, nuts, legumes, and even herbs, spices, chocolate, coffee, tea, and wine • Advice for navigating the supermarket, kitchen, restaurant menus, on-the-go meals, exercise, and more • A 14-day meal plan, plus daily action alerts to get you started • And 75 original plant-based recipes for every meal—all with complete nutritional data. *The Plant-Powered Diet* is not a diet you'll go “on” today and “off” tomorrow. It is a simple, satisfying, and thoroughly delicious way of eating that can not only last your lifetime—but lengthen it.

The Saving Power of the Plant-Based Diet A revolution in food-politics. When John Robbins released an early version of this book in 1987, he took the first steps in launching the food revolution. His viewpoint and insight on the harms of America's eating habits was a wake-up call for many. By bringing to our attention fundamental issues in our eating habits, such as our dependence on animal products, Robbins provokes our awareness and promotes change. Making conscious food choices. It is obvious to us that what we eat affects our own bodies, but what we may not realize is that what we eat also affects our world. In fact, most of the foods that are bad for us (think: genetically modified products) also negatively impact our environment. By approaching our eating habits with intentionality, we benefit our own health and that of the world we live in. The value of a plant-based diet. Robbins' arguments for a plant-based diet are compelling and backed by over 20 years of work focused on the subject of conscious eating. Through exposing the dangers in our factory farming system, Robbins makes a definitive case for solely plant-based eating. This timely read on healthy eating will enlighten those curious about plant-based diets and fortify the mindsets of the already converted.
