This wildly melodramatic thriller, originally published in the August 1933 issue of DIME MYSTERY MAGAZINE, provided the template for countless pulp-hero novels published during the Thirties. Depression-era readers craved outlandish menaces to take their minds off their troubles, and The Purple Eye was at the top of the list. The Eye, maniacal criminal mastermind and leader of the ancient death cult known as the Brotherhood of Baktuun, terrorizes New York City with a series of high-profile murders accomplished by mysterious means. Seven million souls are at his mercy as his outrages mount in dizzying succession. The police, constrained by legal niceties and endless red tape, seem powerless to thwart his mad schemes. Enter Wayne Saxon, millionaire sportsman and world traveler, who devotes his life to running the Eye to earth. He works within the law when possible, but without it when necessary. Will he succeed? There's a thrill on every page of this baffling mystery.

The Pulitzer Prize-winning author of The Color Purple weaves a "glorious and iridescent" tapestry of interrelated lives in this New York Times bestseller (Library Journal). In The Temple of My Familiar, Celie and Shug from The Color Purple subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing

characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Temple of My Familiar is the 2nd book in the Color Purple Collection, which also includes The Color Purple and Possessing the Secret of Joy.

This would be the first and only book in English that reveals the secrets of the ancient Chinese Star astrology known as the Purple Star astrology. The Chinese royalty kept this knowledge secret and banned from being taught outside of the palace because of its uncanny accuracy. This powerful Purple Star astrology system which has been developed over a few thousand years and which the Chinese emperors relied in managing the state affairs was largely lost during the communist cultural revolution. But Eugene Lee meticulously has researched and brought back this guarded Chinese ancient knowledge to the English speakers. This would be the first complete book to teach readers to decipher not only their own fate but also to predict future events for others using the Purple Star astrology. This is the only book that explains the science behind the Purple Star astrology and I Ching. By studying this book meticulously, you can become a Chinese astrologer who can use the same knowledge that guided the Chinese dynasties. This book is a great text book for not only students of astrology but also for anyone who is interested in the Asian history and the ancient Chinese metaphysics.

WINNER OF THE EDGAR® AWARD • LONGLISTED FOR THE WOMEN'S PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • The Washington Post • NPR • The Guardian • Library Journal In a sprawling Indian city, a boy ventures into its most dangerous corners to find his missing classmate. . . . Through market lanes crammed with too many people, dogs, and rickshaws, past stalls that smell of cardamom and sizzling oil, below a smoggy sky that doesn't let through a single blade of sunlight, and all the way at the end of the Purple metro line lies a jumble of tin-roofed homes where nine-year-old Jai lives with his family. From his doorway, he can spot the glittering lights of the city's fancy high-rises, and though his mother works as a maid in one, to him they seem a thousand miles away. Djinn Patrol on the Purple Line plunges readers deep into this neighborhood to trace the unfolding of a tragedy through the eyes of a child as he has his first perilous collisions with an unjust and complicated wider world. Jai drools outside sweet shops, watches too many reality police shows, and considers himself to be smarter than his friends Pari (though she gets the best grades) and Faiz (though Faiz has an actual job). When a

classmate goes missing, Jai decides to use the crime-solving skills he has picked up from TV to find him. He asks Pari and Faiz to be his assistants, and together they draw up lists of people to interview and places to visit. But what begins as a game turns sinister as other children start disappearing from their neighborhood. Jai, Pari, and Faiz have to confront terrified parents, an indifferent police force, and rumors of soul-snatching djinns. As the disappearances edge ever closer to home, the lives of Jai and his friends will never be the same again. The Purple Book is a luxurious compendium of contemporary illustration that explores fantasy, sensuality, and the erotic imagination. It highlights visual art and the written word as media for representing

human desire's relationship with the dream-state, make-believe, and symbolism. The title of the book is inspired by The Yellow Book, the periodical published in the 1890s and initially art directed by Aubrey Beardsley. While the color yellow represented the daringly salacious in the 1890s, today the color purple is synonymous with opulence and sensuality.

Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically acclaimed and controversial novel, The Color Purple Alice Walker made history in 1982 when she became the first black woman to win the Pulitzer Prize and the National Book Award for The Color Purple. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. The Color Purple received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading The Color Purple at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, In Search of The Color Purple is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

Disheartened by the vitriol and extreme divisiveness of public discourse during and after the 2016 US election and by the general disintegration of honor and decency in government, a small group of Mormon women decided in January of 2017 to form a nonpartisan organization dedicated to civil discourse and effective political action. They called themselves Mormon Women for Ethical Government, and within just a few weeks had thousands of members. In this slim volume, Mormon Women for Ethical Government presents its Little Purple Book: MWEG Essentials. It includes MWEG's genesis story, explains the purpose and focus of MWEG, offers and expands on its Six Principles of Peacemaking, and shares some of its weekly "Sabbath Devotionals." Grateful for the chutzpah of their pioneer Mormon foremothers a century before them, MWEG is proud to share its institutional history, inspiration, and a look at the phenomenon of strong women standing up and speaking out for ethics and justice.

Three novels by a New York Times–bestselling author—including the Pulitzer Prizewinner The Color Purple—that speak to the African experience in America. The Color Purple is Alice Walker's stunning, Pulitzer Prize–winning novel of courage in the face of oppression. Celie grows up in rural Georgia, navigating a childhood of ceaseless abuse. Not only is she poor and despised by the society around her, she's badly treated by her family. As a teenager she begins writing letters directly to God in an attempt to transcend a life that often seems too much to bear. Her letters span twenty years and record a journey of self-discovery and empowerment through the guiding light of a few strong women and her own implacable will to find harmony with herself and her home. In The Temple of My Familiar, Celie and Shug from The Color Purple follow the lives of a brilliant cast of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. Possessing the Secret of Joy portrays Tashi's tribe, the Olinka, where young girls undergo genital mutilation as an initiation into the community. Tashi manages to avoid this fate at first, but when pressed by tribal leaders, she submits. Years later, married and living in America as Evelyn Johnson, Tashi's inner pain emerges. As she questions why such a terrifying, disfiguring sacrifice was required, she sorts through the many levels of subjugation with which she's been burdened over the years. Hailed by the Washington Post as "one of the best American writers of today," Alice Walker is a master storyteller and a major voice in modern literary fiction.
