Someone's bound to get... burned. ~ Red's Wolf An incendiary short story series. Who said Red's afraid of the big bad wolf? Inside an ordinary middle school in an ordinary city, a small redheaded eighth grader is doing something very ordinary, indeed. Ever since Charlotte Mielswetzski and her cousin, Zee, saved the world, life has been rather ordinary. Ordinary, that is, if you call being ultramegagrounded (in Charlotte's case) or treated as if you might fall to pieces (in Zee's case) ordinary. Either way, heroes deserve better. Of course, no one knows Charlotte and Zee are heroes. It's not like they can simply announce that Greek myths are real or proclaim they have returned from the Underworld, where they rescued all of mankind from Philonecron, a deranged demigod with delusions of grandeur. Instead, they are forced to keep this terrible knowledge to themselves, and are stuck in a state of extraordinary ordinariness. But things aren't quite as ordinary as they seem. For Philonecron is the grandson of Poseidon, and you don't mess with the progeny of the second most powerful god in the universe. And Philonecron himself isn't so happy about having all of his delicious plans thwarted by mortal children. He wants revenge, and with his grandfather to help him, he is going to get what he wants. For Charlotte and Zee, their not-so-ordinary lives are about to be disrupted once again. This time it's not the world they must save -- it's themselves. In the thrilling second installment of the Cronus Chronicles trilogy, author Anne Ursu brings her trademark wit to a spectacular adventure on the high seas. Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her. A matchless warrior is pitted against a near-God in the second epic installment of the Raven's Blade series. It has long been our lot in life, brother, to do what others can't. Vaelin Al Sorna was known across the realm as the greatest of warriors, but he thought battles were behind him. He was wrong. Prophecy and rumor led him across the sea to find a woman he once loved, and drew him into a war waged by the Darkblade, a man who believes himself a god—and one who has gathered a fanatical army that threatens all of the known world. After a costly defeat by the Darkblade, Vaelin's forces are shattered, while the self-proclaimed

immortal and his army continue their terrible march. But during the clash, Vaelin regained some of the dark magic that once gave him unrivaled skill in battle. And though the fight he has been drawn into seems near unwinnable, the song that drives him now desires the blood of his enemy above all else...
