YOU CAN BELIEVE THE BIBLE. WITHOUT ANY DOUBT. As American society becomes more secularized, Christians need to know all the facts about the Bible. Dr. Grant R. Jeffrey has spent decades researching history, science, archaeology, medicine, and prophecy--finding that each discipline confirms the truth of Scripture. This revised and updated edition of *The Signature of God* proves that the Bible is not only accurate in its spiritual claims, but is completely reliable as well on matters of origins, medicine, history, and science. Historians of the ancient world--as well as recent archaeological finds--confirm the names of kings and kingdoms, and the dates of wars and mass migrations mentioned in the Bible. Recent breakthroughs in astronomy, physics, and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up. And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people. No matter how loudly the skeptics argue against Christian faith, only one conclusion makes sense: the Bible is God-breathed. You can believe every word, every claim, every prophecy, and every miracle. With no doubts.

Every one of us will experience suffering. Many of us are experiencing it now. As we have seen in recent years, evil is real in our world, present and close to each one of us. In such difficult times, suffering and evil beg questions about God--Why would an all-good and all-powerful God create a world full of evil and suffering? And then, how can there be a God if suffering and evil exist? These are ancient questions, but also modern ones as well. Atheists such as Richard Dawkins, Christopher Hitchens, and even former believers like Bart Ehrman answer the question simply: The existence of suffering and evil proves there is no God. In this captivating new book, best-selling author Randy Alcorn challenges the logic of disbelief, and brings a fresh, realistic, and thoroughly biblical insight to the issues these important questions raise. Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering, and yet whose faith in God burns brighter than ever. He reveals the big picture of who God is and what God is doing in the world--now and forever. And he equips you to share your faith more clearly and genuinely in this world of pain and fear. "As he did in his best-selling book, *Heaven*, Randy Alcorn delves deep into a profound subject, and through compelling stories, provocative questions and answers, and keen biblical understanding, he brings assurance and hope to all." -Publishers Weekly

A one-world government will be presented as the solution, followed by the arrival of the Antichrist. Your liberty is at stake. Now is the time to learn all you can about the socialist-Marxist elite that is advancing the false threat of global warming—the most deadly deception in history.

The Signature of Jesus challenges the gospel of "cheap grace" and calls the church to radical discipleship. With passion and boldness, author Brennan Manning invites readers to risk living life as Jesus lived—committed to simplicity, purity of heart, and obedience to the gospel. As a radical alternative this book is offered to Christians who want to live by faith and not by mere "religion," for those who recognize that many of the burning theological issues in the church today are neither burning nor theological; who see Christianity neither as a moral code or a belief system but as a love affair; who have not forgotten that they are followers of a crucified Christ; who know that following him means living dangerously; who want to live the gospel without compromise; who have no greater desire than to have his signature written on the pages of their lives. "Behold," Jesus proclaims, "I stand at the door and knock." You may have already met him at the door...but do you truly know him? Have you been transformed by His furious, passionate, unexplainable love? Join Brennan Manning, the bestselling author of *The Ragamuffin Gospel*, on a personal journey to experience Christ's love and live with His passion.

Scientists choose whether they will believe God's word or discount it. Explore over 101 biographies of groundbreaking, influential scientists with their Christian testimonies. See how the belief in a Creator inspired the earliest explorations of science and still impacts the work of Bible-believing scientists today. Science and faith are often considered incompatible in the academic world today. One is seen as representing truth, while the other is viewed as fanciful according to the skeptical, science-centered culture. But the reality is that thousands of scientists, in fact, many of science's greatest "founding fathers," believed openly in God as they worked and studied His created world. Learn how their discoveries led them to even greater depths of faith and how their beliefs influenced and inspired their work. There is nothing in science that can ever prove that God does not exist and, therefore, no way that science can disprove Creation. For so many in the past, the answer was that their faith was inseparable from their science, a powerful point to encourage believers and challenge the skeptics.

The Armor of God, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.

Jesus is God and we are not. Most of us get that. But what we don't always understand is that God loves us just as much as He does His son. Many times in the Old Testament, God refers to human beings as His "beloved." But when God called Jesus His beloved, Jesus did something truly remarkable: He believed Him. He lived every moment of His life fully convinced of His identity. And unlike every other person in history . . . He never forgot. In Prototype, Jonathan Martin creates a vivid understanding of what it means to be beloved by God. To completely trust, as Jesus did, that God loves you. To live life without fear, confident in your identity and purpose. To handle life's wounds as Jesus did, and to wake every day with a deep awareness of God's presence. Martin reveals a startling truth at the heart of the gospel: Jesus is our prototype. And as we discover how the knowledge of being God's beloved changed everything for Jesus—how it set Him free to live out his purpose and love God, others, and the world—it will begin to do the same for us.
