Visit the author's Web site at www.ourinnerape.com It's no secret that humans and apes share a host of traits, from the tribal communities we form to our irrepressible curiosity. We have a common ancestor, scientists tell us, so it's natural that we act alike. But not all of these parallels are so appealing: the chimpanzee, for example, can be as vicious and manipulative as any human. Yet there's more to our shared primate heritage than just our violent streak. In *Our Inner Ape*, Frans de Waal, one of the world's great primatologists and a renowned expert on social behavior in apes, presents the provocative idea that our noblest qualities—generosity, kindness, altruism—are as much a part of our nature as are our baser instincts. After all, we share them with another primate: the lesser-known bonobo. As genetically similar to man as the chimpanzee, the bonobo has a temperament and a lifestyle vastly different from those of its genetic cousin. Where chimps are aggressive, territorial, and hierarchical, bonobos are gentle, loving, and erotic (sex for bonobos is as much about pleasure and social bonding as it is about reproduction). While the parallels between chimp brutality and human brutality are easy to see, de Waal suggests that the conciliatory bonobo is just as legitimate a model to study when we explore our primate heritage. He even connects humanity's desire for fairness and its morality with primate behavior, offering a view of society that contrasts markedly with the caricature people have of Darwinian evolution. It's plain that our finest qualities run deeper in our DNA than experts have previously thought. Frans de Waal has spent the last two decades studying our closest primate relations, and his observations of each species in *Our Inner Ape* encompass the spectrum of human behavior. This is an audacious book, an engrossing discourse that proposes thought-provoking and sometimes shocking connections among chimps, bonobos, and those most paradoxical of apes, human beings. From abdabs to zit From pillock (14th century) to couch potato (20th century) From She'll be apples (Australia) to the pits (USA) This new collection brings together some 5,000 contemporary slang expressions originating in all parts of the English-speaking world. It gives clear and concise definitions of each word, supplemented by examples of their use and information about where and when they came into being. This entertaining reference work will be of use to students of English at all levels and a source of fascination to word-lovers throughout the world.

ADVANCED ENGLISH is a short, no-nonsense, reader-friendly bank of academic "expressions" written for both graduate and undergraduate students who already

know the basics of academic English but find difficulty using a higher level phrases or words. **ADVANCED ENGLISH** is a collection of the most common and essential idioms, phrasal verbs, vocabulary and phrases which are indispensable for every student in terms of using English effectively whether for speaking or writing purposes or taking academic tests such as Toefl, Ielts, Gre and the like. The book is designed in a very practical and effective fashion to both facilitate and accelerate the mastery of the terms by providing 3 effective examples for each expression in addition to a wide range of exercises and tests. You will never have true mastery of English as a second language until you understand its non-literal meanings, until you really know how and when to use idioms, metaphors and multiple meaning words and until you can pronounce these words correctly so that you are easily understood. Get the "inside story" in four areas: **Playing with Words**, **Painting with Words**, **Grappling with Grammar** and **Pronouncing Words** and have fun with short chapter quizzes (answers provided)!

The Slangman Guide to **STREET SPEAK 3** continues the book series with even more popular slang and idioms that will help you understand any American! The 3rd book in the series introduces you to popular slang and idioms used in a variety of situations including dating & everything from the pick up (& beginning of a relationship) to the break up (& end of a relationship) and everything in between! Once you learn all the slang used in dating, you'll definitely know if someone is either hitting on (& flirting with) you or just not into (& not interested in) you! The Slangman Guide to **STREET SPEAK 3** contains popular chapters on slang and idioms associated with: **Dating & Relationships**, **Emergency Situations**, **Television & Entertainment**, **Teens & Students (Jr. High through University)**, **Being Politically Correct**, **Sports (Popular Terms Used in Daily Conversations)**, **Foreign Words that Americans Use Every Day**, **Alliterations & Repeating Words**. The Slangman Files & a special section in each chapter with slang & idioms used in categories

As high frequency words, prepositions are one of the most dynamic parts of speech. **Perfect Prepositions** shows the meanings and usage of prepositions in Modern English. Used in unstressed syllables and pronounced fast and softly in oral speech, prepositions are often barely distinguishable to the listener.

Prepositions can also pose communication problems for English learners and even native speakers. Author Galina Kimber provides general and specific information on the meanings of prepositions as well as ideas on usage as they are applied today. Living languages constantly evolve over time, and reference books like **Perfect Prepositions** reflect these changes. **Perfect Prepositions** details different ways of defining the meanings of almost one hundred prepositions written in semantic categories and subcategories that are easy to understand and use in daily life. It's a useful resource for those desiring to improve their communication skills.

Business people and consumers can trade jargon with everyone from doctors

and computer programmers to politicians and car mechanics.

A needs-based supplementary series for adults and young adults.

DAVID BURKE is also the author of STREET SPANISH 1: The Best of Spanish Slang; STREET SPANISH 2: The Best of Spanish Idioms; STREET FRENCH 1: The Best of French Slang; STREET FRENCH 2: The Best of French Idioms STREET FRENCH 3: The Best of Naughty French STREET FRENCH SLANG DICTIONARY & THESAURUS all available from Wiley; plus STREET SPEAK & BIZ SPEAK (American slang and idioms).

This series is designed to meet the English language needs of learners in a range of vocational specialisations.

This short book focuses on standard probability distributions commonly encountered in biomedical engineering. Exponential, Poisson, and Gaussian distributions are introduced, as well as important approximations to the Bernoulli PMF and Gaussian CDF. Many important properties of jointly Gaussian random variables are presented. Also discussed are methods for determining the probability distribution of a function of a random variable. Authors Enderle, Farden, and Krause first evaluate the probability distribution of a function of one random variable using the CDF and then the PMF. Next, the probability distribution for a single random variable is determined from a function of two random variables using the CDF. Then, the joint probability distribution is found from a function of two random variables using the joint PMF and the CDF.

Gathered in a gorgeous gift package sure to be treasured for years, captivating images by one of the world's most popular print artists evoke real and mythic destinations around the world. Woven throughout is Gottlieb's "travelogue" narration of McKnight's voyage. 180 color reproductions.

Filled with dialogues, grammar and idiom studies, and practical exercises, this is probably the most delightful, useful, and comprehensive elementary book available for learning spoken and written German. In addition, the book features 28 sketches of specific scenes with pertinent items numbered and identified in both German and English. Includes 330 photographs and illustrations.

The ability to speak with confidence and deliver winning presentations can accelerate your career, earn people's great respect, and enable you to achieve your greatest-even most impossible-seeming goals. But what many people don't realize is that anyone can learn to be a great speaker, just as easily as they can learn to drive a car or ride a bike! As one of the world's premier speakers and personal success experts, Brian Tracy is the ideal instructor. In Speak to Win,

Tracy reveals time-tested tricks of the trade that readers can use to present powerfully and speak persuasively, whether in an informal meeting or in front of a large audience. Readers will learn how to: * become confident, positive, and relaxed in front of any audience * grab people's attention from the start * use body language, props, and vocal techniques to keep listeners engaged * transition smoothly from one point to the next * use humor, stories, quotes, and questions skillfully * deal with skepticism when presenting new ideas * wrap up strongly and persuasively

Brimming with unbeatable strategies for winning people over every time, Tracy lets readers in on his most powerful presentation secrets in this indispensable, life-changing guide.

This section offers helpful details on pronunciation, synonyms, variations, and special information on how to sound like an American.

Of songs artists write for themselves and those that are typically recorded by artists who do not write their own material.

Since NAFTA was signed, the interest in learning American business slang has never been greater. This reference is more than a dictionary; it is a complete guide to learning and practicing slang terms, idioms, and jargon used in American and international business. Chapter topics include popular slang and jargon in the office, in international trade, in bureaucracy, and in politics. Each chapter presents the terms in dictionary form with detailed explanations, followed by entertaining word games that help the reader understand how to correctly use business slang. Biz Talk-2 opens the door to this inside language and helps the nonnative speaker adapt to American business culture.

More bling for the buck! The #1 guide to American slang is now bigger, more up-to-date, and easier to use This new edition of McGraw-Hill's Dictionary of American Slang and Colloquial Expressions offers complete definitions of more than 12,000 slang and informal expressions from various sources, ranging from golden oldies such as . . . golden oldie, to recent coinages like shizzle (gangsta), jonx (Wall Street), and ping (the Internet). Each entry is followed by examples illustrating how an expression is used in everyday conversation and, where necessary, International Phonetic Alphabet pronunciations are given, as well as cautionary notes for crude, inflammatory, or taboo expressions. This edition also features a fascinating introduction on "What is Slang?," a Thematic Index that cross-references expressions by standard terms--such as Angry, Drunk, Food, Good-bye, Mess-up, Money, and Stupidity--and a Hidden Word Index that lets you identify and locate even partially remembered expressions and phrases. An entertaining look at current trends in the English language.

This book gathers the proceedings of the Seventh International Conference on Computational Science and Technology 2020 (ICCST 2020), held in Pattaya, Thailand, on 29–30 August 2020. The respective contributions offer practitioners and researchers a range of new computational techniques and solutions, identify emerging issues, and outline future research directions, while also showing them how to apply the latest large-scale, high-performance computational methods.

In addition to the ample opportunities for reading and writing practice contained in the Student's Book, the Workplace Plus Workbook contains further reading and writing exercises. The Workbook is valuable for homework or for in-class activities. An added feature is a test preparation activity for each unit, with CASAS-like and BEST Test-like items which ensure that learners can "bubble in" and scope with the formats of standardized language tests. Workplace Plus, an innovative four-level ESL course, readies adults for self-sufficiency in the three principal areas of their lives: the workplace, the community, and the home. Workplace Plus integrates the CASAS life skill competencies and SCANS Competencies and Foundation Skills with a complete language syllabus and relevant social language.

If you don't know idioms, you don't know English. Idioms are expressions that cannot be understood from their individual words alone, and the English language is full of them--and so is this dictionary: 17,000+ English idiom examples, plus slang words, phrases, and phrasal verbs, all compiled by the language experts at Farlex International and TheFreeDictionary.com, the award-winning reference site with 1 billion+ annual visits.
