From award-winning comedian, director, writer, and producer David Steinberg comes the totally original, utterly blasphemous, and hysterically funny memoir of a young man who emerged from a traditional Jewish childhood to become an international star -- all because, it seems, he kept God in stitches. David Steinberg was raised in Winnipeg, Canada, by parents who expected little from him. And no wonder. Instead of studying Talmud in order to become a rabbi, he chose to major in Martin and Lewis with a minor in basketball. As David imagines the story of his life (since his success otherwise makes no sense), God one day spotted him on the playground and decided that this young man with no ambition could go far with His help. Sure enough, God soon had David on network TV and Broadway, and selling out nightclubs across the country -- as well as being pursued by hot starlets. The Book of David is David Steinberg's hilarious trip down memory lane, assuming that the lane has a biblical address. This wild riff on the Old Testament is guaranteed laughter.

Satan is always at work breeding sadness and anxiety while providing obstacles that prevent souls from making spiritual progress. In this concise yet powerful book, author Dan Burke presents the venerable, time-tested wisdom of Catholic mystics to help you understand the influence of the Enemy on your mind and heart, and the tactics you need to combat him. With St. Ignatius as his guide, Burke presents here an indispensable, authoritative manual for engaging in daily battle with the Adversary—combat that is both inevitable and winnable. Burke will help you recognize the ebbs and flows of consolation and desolation, and distinguish between the voices of God and of Satan. Best of all, you'll come to see the spiritual life not as a science to be learned, but as an intuitive art to be practiced as you move with increasing success from habitual sin to sanctity. The battle for our souls is unavoidable. The saints won theirs by learning how to be spiritual warriors and by recognizing that we become stronger through

battle and grow weaker from avoidance. With this book as your guide, you'll grow in strength and contentment as you learn: -How to take captive every negative thought and make it obedient to Christ -St. Ignatius's revelations exposing how the Devil seeks to influence us -The Paradigm of Ascent and the Five Steps to Sanctity -The three ways you can discern "Good Spirits" from "Bad Spirits" -The three principal causes of desolation—and what you must do when it afflicts your soul -Proven methods for moving away from sin and toward self-giving love of God and neighbor.

While praying and fasting for the local churches, God gave us the answers we had been seeking. It was not what we expected. Have you ever wondered why we do not see the works of the Holy Spirit in the Church? Have you ever wondered why Christians seemed to be so vexed and smitten? I know I have. Before we can see the good fruit Jesus told us to bear, we have to uproot the bad fruit. We have to seek him in Spirit and in truth. We have to die to self. I feel it is impossible for God to dump great authority and anointing in a people, when we have been unfaithful to him in the small matters. I believe he is looking for people like you and me, who will sacrifice and seek. When we seek, we must then obey. This book is an act of obedience to the Lord on my part, knowing full well there will be persecution and opposition. You can fill the sea with the things I do not know or understand, but one thing I do know is about deliverance and warfare. I pray this word is deposited into the right hearts and people and we will have a spiritual awakening. As my group was roused from a deep spiritual slumber, so I am praying that for you as well.

One of the main reasons that the Jezebel spirit is able to successfully attack churches, marriages, families and any united front is because of our ignorance regarding that spirit. Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

"Through the spiritual attacks I learned how to pray on another level, declare the Word of the Lord and teach my son that he had a host of heavenly help ready to be deployed on his behalf." *A Parent's Guide to Raising Spiritual Warriors* Night after night, Sharee Dorsett's three-year-old son was tormented by frightening dreams and visions. She would turn on the lights to show him that nothing was there, and yet he still woke with marks and scratches. Exhausted and crying out to God for answers, Sharee heard the Holy Spirit say, "Why are you lying to him? There is something in his room." She questioned: "God, what do you want me to do, tell my little boy that there are monsters in his room?" The Lord responded "No! Teach his hands to war." Sharee began seeking God's strategy for equipping children to know their own spiritual authority, to walk in spiritual discernment, and to wield supernatural weapons for spiritual warfare. In *Small but Mighty*, she imparts these strategies to you. Empower your children to... Overcome bullying dark forces. Discover their identity as children of the King. Walk in peace and confidence because of a relationship with God. Guard their gates connected to the supernatural realm. Pray Scripture to activate angelic assistance. Now more than ever, we must equip this generation for victory over the enemy. Start training your children for victorious spiritual warfare today!

an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair – Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD Speaker, Pastor, Author www.keepbelieving.com

We are in the middle of a spiritual war, and prayer is our most powerful weapon. So why do we often treat it like a last resort? Why do we struggle to prioritize our prayer life? God wants us to speak to Him, to draw closer to Him, to gain His wisdom and understanding, and even to change the world through our prayers. A Prayer Warrior's Guide to Spiritual Battle, edited by John Bornschein, the vice chairman of the National Day of Prayer Task Force and an executive member of the National Prayer Committee, explores the depth and power of a praying life. Contributors discuss obstacles to prayer, include inspirational stories, and provide resources to help everyone gain a greater understanding of this powerful tool God has given us.

'If you don't love and honour yourself with every fiber of your being, if you struggle with owning your power and passion, then it is time for an inner revolution! It is time to claim your Warrior Goddess energy.' This is a book that teaches women to see themselves as perfect just the way they are, to resist society's insistence that they seek value, wholeness and love through something outside themselves, such as a husband, children, boyfriend, career or a spiritual path. Author HeatherAsh Amara has written this book as a message for women struggling to find themselves under these false ideals. Amara challenges women to be 'warrior goddesses', to be a woman who: • Ventures out to find herself • Combats fear and doubt • Reclaims her power and vibrancy • Demonstrates her strength of compassion and fierce love Her approach draws on the wisdom from Buddhism, Toltec wisdom and ancient earth-based goddess spirituality, and combines them all with the goal of helping women become empowered, authentic and free. Included here are personal stories, rituals and exercises that encourage readers to begin their own journey towards becoming warrior goddesses.

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

There is a world within and a world without. Seamlessly knitting the two together can be tricky at times. As we make our way in the world, we often find ourselves unconsciously traversing our day to day lives. We tend to go on automatic pilot, living life in a way that is almost unconscious; the way we think, interact with people, our jobs, family life, and what we spend our free time doing. There are times when we stop and contemplate on life and what can we do to get more out of it. It's in these moments when we realize - this moment, this is all I truly have. What can I do to make the most out of life? During this moment of awakening one thinks about what and how can they change in order to reconnect with themselves and the things that are truly important to them. This book's aim is to help readers follow this voice of the soul and to develop the ability to live our lives more consciously and vividly. Finding yourself is a beautiful thing. We learn to look at the good, the bad, the painful, and the beautiful - what we need to accept and what we need to manage. A Warrior in the World is filled with timeless tales and real life stories that help you look at life on a multi-dimensional level. In this book, I point out things and ask you important questions that help you rediscover, and uncover your inner being, what is most important to you in life, and how you can live a life that is more in harmony with your true self. I will guide you through this process without sugarcoating anything. I will keep it very real with you along this inner journey. I will help you become more mindful of how you are unconsciously impacted by the world around you and how that affects you on many levels. Reconnecting with your true self is the journey that we will be going on together. I hope you are ready for this life changing journey. With this awakening you will make the impossible possible.

The Way of the Spiritual Warrior is the Original Path for humanity, but it has been forgotten. So this noble path has degenerated so that the modern-day warrior is a fighter, a soldier, a person skilled in killing. But this is a long way from being a Spiritual Warrior, an infinitely long way. The Way of the Spiritual Warrior starts with self-knowledge, learning to harmonize your personality, bringing the several parts of you together so that your body, emotions and thoughts are coordinated and function as a unit. Here you practise physical techniques, emotional control techniques and mind control techniques so that you are integrated in yourself and in your environment. This is the stage where most modern martial arts schools stop. The next stage of the Spiritual Warrior Path is Self-knowledge, also called the stage of withdrawal. Here you use meditation and other spiritual techniques to withdraw your awareness slowly inside you, deeper and deeper, until you make a connection with your
