Keith Maze has inspired many people during his battle with cancer. Battle is a good way to describe it. Maze is more of a battler than a victim. Maze has always been a fan of the underdog, rooting for and helping them in any way he can. Even during the darkest days of battling the disease the talented singer organized or performed at many charity events. So who could have imagined that one of the underdogs he helped was, well, a dog? Maze found the Jack Russel named Wishbone annoying in the beginning. Between the frequent fights with another Jack Russel, and constantly dropping a plastic toy on top of Maze's shoe in an effort to get his attention, the dog was nothing more than a nuisance. But then the dog lost one of it's limbs in a tragic accident and everything changed. The two suddenly had something in common - being "Single Handed". This story will draw a tear to your eye, but have you laughing at the same time. Not only can you overcome adversity during the worst moments, you can also do it with a smile.

Meet Toaff: a lovable squirrel, and new standout character, searching for a place to call home in this gem of a story by a Newbery Medal-winning author. Toaff is a small squirrel full of big questions. Why must I stay away from the human's house? Why shouldn't I go beyond the pine trees? Why do we fight with the red squirrels across the drive? His sister shrugs--that's just the way things are. His brother bullies--because I said so. And the older squirrels scold--too many questions! Can Toaff really be the only one to wonder why? When a winter storm separates him from his family, Toaff must make his own way in the world. It's a world filled with danger--from foxes and hawks and cats to cars and chainsaws. But also filled with delight--the dizzying scent of apple blossoms, the silvery sound of singing, the joy of leaping so far you're practically flying. Over the course of a year, Toaff will move into (and out of) many different dreys and dens, make some very surprising friends (and a few enemies), and begin to answer his biggest questions--what do I believe and where do I belong? Master storyteller Cynthia Voigt offers readers a rich and rewarding story of finding one's way in the world.
