At extreme personal risk, Shirazi undertakes his assignment. A native Farsi speaker whose family escaped from Iran in 1979, he couldn't be better prepared for the mission. Israeli leaders fear Tehran, under the Twelfth Imam's spell, will soon launch a nuclear attack that could bring about a second Holocaust and the annihilation of Israel. The White House fears Jerusalem will strike first, launching a preemptive attack against Iran's nuclear facilities that could cause the entire Middle East to go up in flames, oil prices to skyrocket, and the global economy to collapse. With the stakes high and few viable options left, the president of the United States orders CIA operative David Shirazi and his team to track down and sabotage Iran's nuclear warheads before Iran or Israel can launch a devastating first strike. Damascus Countdown All eyes are on the Middle East. U.S. President William Jackson threatens to support a U.N. Security Council resolution condemning the Jewish State for unprovoked and unwarranted acts of aggression. Meanwhile, CIA operative David Shirazi has infiltrated the Iranian regime and intercepted information indicating that two Iranian nuclear warheads survived the attack and have been moved to a secure and undisclosed location. In danger not only from the ongoing

missile strikes on Iran but also from the increasingly hostile and suspicious governments of multiple countries, David and his team are in a race against time to find the remaining nuclear warheads before disaster strikes.

History's final chapter will be written in Jerusalem. When an Iranian president thunders a murderous threat or an obscure Turkish drunkard has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Aviv's Ben Gurion airport, these events might seem disconnected. But they're not. In *Dateline Jerusalem*, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalem's powerful draw has always transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: "The Arab Spring doesn't lead to democracy, it leads to Jerusalem." Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. *Dateline Jerusalem* untangles and chronicles all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Today's news might focus on Washington, New York, London, or Moscow, but history's final chapter will be written in Jerusalem. Chris Mitchell's

firsthand experiences and reporting uniquely qualify him to expound on and explain the major trends and developments sweeping the Middle East and affecting the world.

Mitchell has served as the bureau chief for CBN News since August 2000.

“Poison Tea shines a spotlight on the shadowy Koch brother network and reveals hidden connections between the tobacco industry, the reclusive billionaire brothers, and the Tea Party movement. It's a major story that for too long has been underreported and poorly understood.”—REP. HENRY WAXMAN, a former chairman of the House Energy and Commerce Committee

How did today's Tea Party movement really come to be? Did it suddenly appear in 2009 as a spontaneous response to Barack Obama and health-care reform? Or was its true purpose and history something far different. Was it in fact a careful, strategic effort by two of the planet's wealthiest individuals, the tobacco industry, and other corporate interests to remake the government and seize control of one of our two national parties, ultimately gaining both the White House and Congress? Jeff Nesbit was in the room at the beginning of the unholy alliance between representatives of the world's largest private oil company and the planet's largest public tobacco company. There, they planned for a grassroots national political movement—one that would later be known as the Tea Party—that would promote their own corporate interests and political goals. Drawing from his own

experience as well as from troves of recently released internal tobacco industry documents, Nesbit reveals the long game that these corporate giants have played to become a dominant force in American politics.

In a card game with a white Indian named Featherstone, Will wins – for a brief moment – a mysterious girl named Claire, and his passion and desire for her spans this novel. As Will’s destiny intertwines with the fate of the Cherokee Indians – including a Cherokee Chief named Bear – he learns how to fight and survive in the face of both nature and men, and eventually, under the Corn Tassel Moon, Will begins the fight against Washington City to preserve the Cherokee’s homeland and culture. And he will come to know the truth behind his belief that “only desire trumps time.” Brilliantly imagined, written with great power and beauty by a master of American fiction, *Thirteen Moons* is a stunning novel about a man’s passion for a woman, and how loss, longing and love can shape a man’s destiny over the many moons of a life. The New York Times best seller *Inside the Revolution* takes you inside the winner-take-all battle for the hearts, minds, and souls of the people of the Middle East. It includes never-before-seen profiles of the Radicals, the Reformers, and the Revivalists. It explains the implications of each movement and the importance of each leader, not only through the lenses of politics and economics, but through the third lens of Scripture as well. Today, wars and revolutions define the modern Middle East, and many believe the worst is yet to come.
