

The Ultimate Guide To Kink By Tristan Taormino Free

Described by Salon as 'the bible of female anal sex,' The Ultimate Guide to Anal Sex for Women is a comprehensive and creative guide to anal pleasure. Tristan Taormino offers the kind of informed reassurance that can encourage even an absolute beginner to explore this nerve-rich part of the body, either alone or with a partner of any gender. Beginning by dispelling common myths about anal eroticism, Taormino goes on to illustrate anatomy, give tips on building trust and communicating desires, providing reliable, easy-to-understand information.

The Ultimate Guide to Sex and Disability is the first complete sex guide for people who live with disabilities, pain, illness, or chronic conditions. Useful for absolutely everyone, regardless of age, gender, or sexual orientation, the book addresses a wide range of disabilities — from chronic fatigue, back pain, and asthma to spinal cord injury, hearing and visual impairment, multiple sclerosis, and more. Expertly written by a medical doctor, a sex educator, and a disability activist, The Ultimate Guide provides readers with encouragement, support, and all the information they need to create a sex life that works for them. The authors cover all aspects of sex and disability, including building a positive sexual self-image; positions to minimize stress and maximize pleasure; dealing with fatigue or pain during sex; finding partners and talking with partners about sex and disability; adapting sex toys; and more.

From childhood onwards, females are encouraged into subservient roles, so that taking the lead can feel strange and unnatural, even "unfeminine" and "not nice". We are discouraged from aggressively grabbing what we want, and instead encouraged to sacrifice and nurture. We are taught to be prizes, not competitors. Surely, there has to be more to life than that. Many men -- the ones who value assertiveness (and even a little cruelty) in their female lovers would agree. Men are ready to be dominated, owned and used by the strictest, most sensual, and cruelest women? The subservient slaves get put in their places and then punished in a variety of naughty ways until they understand their place...This book is a rich resource of ideas for the woman who wants to embark upon FemDom journey with her man and is hungry for new kinky territory to conquer and in this guide, you'll learn practical steps towards becoming a professional dominatrix. Much of what is depicted about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are often times shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, "One of the most common misconceptions surrounding a woman taking a dominant role is the assumption that she needs to be a display cruel behavior towards others, for the sake of her own gain or pleasure, and without consideration for their safety or well-being," it's not surprising that any woman would feel reluctant to adopt this role in her relationship. Taking the lead in bed doesn't mean being a sadist or demeaning your partner. It doesn't mean you have to change who you are. You're simply connecting with a powerful side of yourself that was always there, and sharing it with a person who wants to make you happy. It's about closeness and connection, not cruelty.FemDoms are to lead and not follow, be confident and be yourself, say what you mean and be attractive. A Warning for the Man/Men in Her Life, this book will teach your partner how to be more dominant, controlling, learn how to train you, learn how to punish you and hold you accountable for your actions. if you buy this book for her, you might get more than you asked for. You may want to quietly set it aside and buy her a set of fuzzy handcuffs instead. You have been warned.

The Heart of Dominance is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to control them, then this book is for you.

Do you want to stay in the same vanilla sex routine forever? Or are you ready to bring more pleasure and excitement to your sex life starting today? What do you think when you hear "BDSM?" I'll tell you what most people think. Most people think whips, chains, pain, and crying. They think only "evil" or "mentally ill" people enjoy these types of things. They think of the most corrupt things they can because of the way that mainstream media misrepresents BDSM. BDSM is has become more popular than ever in recent years. Only a few decades ago only 10-15% of surveyed people reported engaging in BDSM. Since then that number has increased by nearly 90%. Even though BDSM is gaining popularity many people still feel guilty for having BDSM related fantasies. I'm here to tell you there is absolutely no reason to feel guilty. BDSM is much broader than it seems and when done correctly, is completely safe and healthy. If given the chance, BDSM can be the most sincere display of love and affection between you and your partner. Whether you are somewhat familiar with BDSM or not familiar at all, don't miss out on what could be a life-changing experience because of misconceptions and miseducation. Vanilla to Kinky will help you discover: What aspects of BDSM are best for you How to partake in BDSM the right way How to find your role How to create amazingly intense scenes How to find the dynamic you love the most How toys can enhance your BDSM experience The keys to being a good Dominant The keys to being a good submissive Helpful tips to get you started on your journey BDSM is for anybody. It does not discriminate against any ages, genders, or body type. Yes, even an average joe like you can partake in safe and healthy BDSM. BDSM is a journey that can be truly rewarding every time but will take effort, patience, and an self-examination. If you want to begin your journey then this is where you start. Gay Kink for Newbies The ultimate guide to Kink, BDSM, Roleplay and erotic edge As an erotic writer, I have been getting many questions from people showing interest in various kinds of kink. Some consider me a sex expert, but I think I learn something new about sex and myself every day. I have been having a lot sex for over 10 years, with many different men and in many different countries. My life has been mainly focused on sports and sex, in addition to some other things here and there. When I started exploring my sexuality, trying to find what I like and learn more about sex, I struggled to find useful information for gay men about more than regular sex. This book is my attempt to simplify kink and what it means to me. It covers the basics and should answer all the questions that a newbie to kink would like to know. I want to offer a book that have accurate, honest, and straightforward information about sexuality. As I have found that portrayals of kink, aka BDSM, in the media, from novels and magazines to television and movies, are generally inaccurate, misleading, one-dimensional, or just plain wrong. I use kink as a catch-all term that includes BDSM, sadomasochism, kinky sex, dominance and submission, role play, sex games, fantasy, and fetish. But that definition just leads to more terms that need defining! I will both define and expand on these words throughout this book, so for now, just relax. But what is kink really? And why do I do it? For me, Kink is an intimate experience, an exchange of power between people that can be physical, erotic, sexual, psychological, spiritual, or, most often, some combination. It makes me explore the territory between pleasure and pain eroticize the exchange of power, experience intense physical sensations and psychological scenarios, and test and push my limits. Kink can be a unique space where I feel safe enough to try new things, push my boundaries, flirt with edges, and conquer fears. The most important thing is

Two decades ago, this book (and its companion volume, The New Bottoming Book) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Topping Book gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! "Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, Sandmutopian Guardian

The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio

Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

Whether you are looking for an introduction to bondage or seeking new heights of erotic delights, The Ultimate Guide to Bondage is the perfect addition to your dungeon's bookshelf! The Ultimate Guide to Bondage is a comprehensive reference guide for any Mistress, Master, or lover of BDSM. Mistress Couple's original and insightful approach to bondage invites curious kinksters to consider and explore a myriad of practical and psychological bondage methods. Going far beyond any BDSM "starter kit" the book shows how bondage truly extends past the rope and chain restraint of your partner. From decorative applications such as wedding rings and corsets, to invisible yet potent mental bondage, to fetish applications such as balloon or nylon encasement, this book provides historical context, powerful insights, tutorials, examples, and activities for every type of bondage enthusiast.

If your sex life could use some spicing up, this is the book for you. This A to Z guide includes: how to's, safety info, tips on shopping, everything beginners need to know.

The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality.

How to get your Fifty Shades on... For anyone who's felt...inspired...after reading Fifty Shades of Grey, The Book of Kink both entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex, including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? The Book of Kink is an entertaining and enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

Highly acclaimed Decoding Your Kink - Guide to Explore Share and Enjoy Your Wildest Sexual Desires, gets rave reviews! "Visionary...Masterful...Groundbreaking...Cutting Edge...Worth its Weight in Diamonds ... Highly Recommended...A Must Read" These are some of the exclamations from prominent sex positive psychologists, therapists and Kink sex educators who offered pre-publication reviews of Decoding Your Kink. Decoding Your Kink, by leading Fetish Sex educator, researcher and sex-positive therapist Galen Fous MTP, offers ground-breaking psychological insight into the emerging global renaissance of sexual exploration, orientation and identity particularly in the realm of Kink. The book includes extensive guidelines to embrace one's authentic sexuality, decode an array of Kink fantasies, and access the ecstatic sexual depths inherent in anyone's wildest sexual desires. Techniques are offered to negotiate honestly for what one desires, create profound trust between partners, and begin to resolve old shame, trauma and fear about one's authentic sexuality. Decoding Your Kink provides easy to follow practices for individuals and partners to safely share their deepest intimacies. Once trust is built, partners may access mind shattering orgasmic states offered by conscious expression of their most taboo Kinky yearnings. Also included in the book are revealing and provocative analysis of people's kinkiest fantasies gleaned from over 2000 participants in the innovative Discover Your

Personal Erotic Myth Survey. Fous developed this anonymous 40-question survey in support of his research into the nature of a recently visible sexual identity he defines as Fetishsexuality, aka Kink. "This book conveys what I have learned about Conscious Kink and D/s-BDSM sexuality over the last 15 years as a Fetish-positive therapist, researcher and public advocate for sex-positive values. It includes reporting and case studies from the 100's of singles and couples I've supported who desired to come to terms with old experiences of shame, fear and trauma, and understand how to embody their edgiest sexual fantasies. I share hard earned insights from my personal journey into the Kink lifestyle as well." Galen Fous MTP "Galen Fous is a visionary, providing a clear and courageous roadmap for anyone looking to undo the shackles of societally induced sexual shame and go on a journey to discover his or her own Personal Erotic Myth." - Dr. Michael Aaron, NYC sex therapist. "Galen Fous smooths the path and leads you through the predicaments, pleasures, enticements and outrageous glories of Kink. His genuine, unique voice is outstanding and heartwarming. A must read!" Limor Blockman, PhD, Clinical Sex Therapist, Playboy Radio Host, www.DrLimor.com "Nobody struggles more with the feeling that their erotic desires are 'wrong' or 'broken' than the man or woman who otherwise fits easily into mainstream culture - the heterosexual man and woman into dominance and submission and BDSM. 'Decoding Your Kink' is worth its weight in diamonds to such strugglers, offering them a sensible and nurturing path to self-knowledge, self-acceptance and the erotic intensity we all crave and too few ever obtain." - Janet W. Hardy, coauthor, The Ethical Slut, The New Bottoming Book and more "Galen Fous' unique insights on a subject much maligned and misunderstood is a primer for individuals interested in exploring the world of kink. It provides guidelines, case studies and personal experiences to assist the reader in shedding their shame and discovering their authentic sexuality." - Susana Mayer, Ph.D., Clinical Sexologist, theEroticliterarysalon.com

For those turned on to giving or receiving power, the hottest fantasies are often those that are the least acceptable -- those that mirror historical oppression (Nazism, plantation slavery), crime (incest, ageplay, rape), and other "unacceptable" behaviors. Because these fantasies are deeply charged, they are among the riskiest and most challenging to enact. Yet it is possible, and often very rewarding, to do so. In this guide, Mollena Williams, a Black woman who enjoys roleplaying racism and slavery with the right person, explains ways to safeguard these difficult scenes to ensure the emotional and physical safety of all concerned. With sections on playing with sexual taboos like age and rape, cultural taboos like race and identity, and physical taboos like scat play, this is a thorough and responsible guide to BDSM's furthest regions.

Everything you've ever wanted to know about how to have a threesome—plus everything you'd never think to ask! The Ultimate Guide to Threesomes will teach you how to have ethical, consensual encounters that give pleasure to everyone involved. Fantasy exploration, finding threesome partners, making your dreams come true—sex educator Stella Harris guides you through the whole process. You'll also find plenty of positions and scenarios for beginners and veterans alike, plus information about safer sex and aftercare. And if you want threesomes to stay a fantasy? That's okay too! This book teaches how to use threesomes in dirty talk and role play. Whether you're just starting out on your threesome journey, or you've been having threesomes for years, you'll find something here to suit your needs. Harris is used to hearing, "Wow, I never thought of that!"—what new ideas will you find in these pages?

A Most-Anticipated book of 2021 as selected by * Marie Claire * O, The Oprah Magazine * Cosmopolitan * Time * The Millions * The Advocate * Autostraddle * Refinery29 * Shape * Town & Country * Book Riot * Literary Hub * Kink is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection portray love, desire, BDSM, and sexual kinks in all their glory with a bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, *Playing Well With Others* is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to:

- Examine your own motivations, needs, wants and desires
- Ease your way into established communities
- Understand etiquette in different adventurous sex communities
- Familiarize yourself with the many types of events available to you
- Care for your relationships as you explore new territory
- Negotiate for play and aftercare
- Go back to the "world at large" without ruffling feathers
- ...and, of course, answer the all-important question: What do you wear?!

The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the "community" aspect of the kink lifestyle.

A practical guide to making sexually open arrangements work outlines options for transforming monogamous relationships into effective polyamorous ones, in a reference that addresses such topics as boundary setting, child-raising, and conflict resolution. Original.

What took years for others to learn will only take you a few hours of reading this book. BDSM activity is becoming more and more mainstream. A recent sociologist report published in the *Journal of Sexual Medicine* regards this as a leisure activity; for some it is, and for others it's simply a way of life. The report states that those who engage in BDSM activity develop a sense of personal freedom, enjoyment, improved personal skills, a sense of adventure, self expression, positive emotions, and decreased stress level

Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps

embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

Many, many people have sexual interests or practices that are in some way unusual. These people may enjoy bondage or spanking, erotic role-playing, dressing in special clothes that turn them on, or a host of other activities that place them outside the sexual mainstream. Your mechanic might have an alternative sexuality, or your librarian, or your kids' teacher, or your boss.... If someone you love has a sexual kink, or if you suspect that she may, and you want to know more about what that means to her and how you can deal with what it means to you, this book is for you. "When Someone You Love Is Kinky will do more for family values than anything the right wing ever dreamed up, because it lets people communicate and love and respect each other on the basis of who they really are. A wonderful contribution towards a more sex-positive culture." - Dr. Carol Queen, author, Real Live Nude Girl "Dossie Easton and Catherine A. Liszt, both wise and compassionate women, and both players in the world of kink, welcome the reader gently into that world and answer everything anyone might have wanted to ask but was really afraid to find out." - Isadora Alman, syndicated sex and relationship columnist

The population over age 50 is larger than ever in history. According to the U.S. Census Bureau, 32.1 percent of the U.S. population were age 50 and over in 2011. This demographic is also healthier, more aware, more youthful, and more vocal than any previous older generation. Thanks to ongoing medical discoveries, the sexual revolution, and the Internet, today's seniors are also sexier than ever — or at least they're now willing to talk and ask about sex as never before. They are the generation that discovered clitoral orgasms, vibrators, and Viagra, and there's no stopping the thirst for knowledge and pleasure now. Since 2005, Joan Price has penned Better Than I Ever Expected: Straight Talk About Sex After Sixty and emerged as the go-to sexpert for the over-50 population. Price's savvy advice, honesty, helpfulness, and humor garnered awareness in the media, in professional circles of therapists and sex educators, and among the huge population of people over 50 who hunger for real information from an age appropriate author. Price tackles it all in this definitive guide to sex and aging: health, fun (and function), disability, dating, illness, orgasms, G-spots, P-spots, polyamory, kink, and much more. As an erotic writer, I have been getting many questions from people showing interest in various kinds of kink. Some consider me a sex expert, but I think I learn something new about sex and myself every day. I have been having a lot of sex for over 10 years, with many different men and in many different countries. My life has been mainly focused on sports and sex, in addition to some other things here and there. When I started exploring my sexuality, trying to learn more about sex and finding what I liked, I struggled to find useful information for gay men about more than regular sex. This book is my attempt to simplify kink and what it means to me. It covers the basics and should answer all the questions that a newbie to kink would like to know. I want to offer a book that will have accurate, honest, and straightforward information about sexuality. As I have found that portrayals of kink, aka BDSM, in the media, from novels and magazines to television and movies, are generally inaccurate, misleading, one-dimensional, or just plain wrong. I use 'kink' as a catch-all term that includes BDSM, sadomasochism, kinky sex, dominance and submission, role play, sex games, fantasy, and fetish. But that definition just leads to more terms that need defining! I will both define and expand on these words throughout this book, so for now, just relax. But what is kink really? And why do I do it? For me, kink is an intimate experience, an exchange of power between people that can be physical, erotic, sexual, psychological, spiritual, or, most often, some combination of these. It makes me explore the territory between pleasure and pain, eroticize the exchange of power, experience intense physical sensations and psychological scenarios, and test and push my limits. Kink can be a unique space where I feel safe enough to try new things, push my boundaries, flirt with edges, and conquer fears. The most important thing is "Consent" everyone is on board with what is going on and nothing happens against anyone's will. After that comes trust, communication, and safety. Kink is one area of the spectrum of sexual practices, so people do kink for as many reasons as people have sex: to give, to take, to connect, to discover, to trust, to experiment, to imagine, to learn, and to grow. Have you ever fantasized by reading fictional accounts of dominance and submission, power and lust, pleasure and pain, hot sex, and incredible orgasms? Or maybe you have been turned on by watching a porn video. Perhaps you have some reservations about these newfound fantasies. This book is a primer for gay men who are interested in kink and want to know more about it, learn how to negotiate with another guy, get some ideas, and explore different activities. It's meant to be an introduction to the world of kink from my perspective, and you will learn more about me on the way. I will talk about the truth behind common myths about kink, how to talk about your fantasies, common kinky terms and tenets, dominant/submissive role play, and sexual power games. I will also give some ideas, tips, and techniques for different kinky activities, including sensory deprivation, sensation play, bondage, spanking, flogging, and more. I hope reading this book, understanding the different types and definitions, as well as the glimpses of my own life I provide throughout the book, will give each of you a broader understanding and help to guide you further on your own journey into practicing your own version of kink.

Transform your lovemaking into erotic ecstasy with the secrets of the Kama Sutra -- the most ancient, renowned and explicit guide to sexual pleasure.

Masturbation is a many-splendored thing, but even here, all of us can get into a comfortable rut. Take what can be really good to really great with Jenny Block's guide to getting in on with yourself. Whether you are happily coupled, on your own, poly, or demonstrating your solo skills for your lover(s), Block has the very best advice on how to pleasure yourself masterfully and share the love. Replete with thorough research, Block's book covers the science of sex, wild and wonderful ideas for upping the masturbation ante, and lots of suggestions for how to incorporate toys. There are only one or two truly good books on the market about "sex for one," and those are years and even decades old. The Ultimate Guide to Solo Sex makes its entry as an instant classic that shows readers how to go from mundane to mind-blowing. Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism
