

The Walking Dead 179

"Originally published in The walking dead #1-50, Volumes 1-8, Books 1-4, deluxe hardcover #1-2"--Indicia.

Read it again! It's time to revisit the historic independent series that took the entertainment world by storm 17 years ago! Follow Rick Grimes's journey again, from the very beginning, but this time in STUNNING FULL COLOR by the masterful DAVE McCAIG. This deluxe version will feature a memorable array of variant covers commemorating major character introductions and the series' most memorable twists and turns. Each issue will include a new installment of "The Cutting Room Floor," featuring ROBERT KIRKMAN's original handwritten plots along with commentary on abandoned storylines and things that may have changed along the way. This deluxe, definitive presentation of the story in full color will NOT be collected any time soon, so these single issues will be the only way to experience this.

Explores the intersection of the vampire and zombie with 21st Century dystopian and post-apocalyptic cinema
Twenty-first century film and television is overwhelmed with images of the undead. Vampires and zombies have often been seen as oppositional: one alluring, the other repellant; one seductive, the other infectious. With case studies of films like I Am Legend and 28 Days Later, as well as TV programmes like Angel and The Walking Dead, this book challenges these popular assumptions and reveals the increasing interconnection of undead genres. Exploring how the figure of the vampire has been infused with the language of science, disease and apocalypse, while the zombie text has increasingly been influenced by the trope of the areluctant vampire, Stacey Abbott shows how both archetypes are actually two sides of the same undead coin. When considered together they present a dystopian, sometimes apocalyptic, vision of twenty-first century existence.
Key features
Rather than seeing them as separate or oppositional, this book explores the intersection and dialogue between the vampire and zombie across film and television
Much contemporary scholarship on the vampire focuses on Dark Romance, while this book explores the more horror-based end of the genre
Offers a detailed discussion of the development of zombie television
Provides a detailed examination of Richard Mathesons I Am Legend, including the novel, the script, the adaptations and the BBFCs response to Mathesons script

The fourth season of Walking Dead picks up with the group settled into their new lives in the prison. Rick has given up leadership and the Woodbury survivors have joined the new peaceful community but as ever in the post apocalyptic world of the Walking Dead, threats old and new are on the horizon. Inside this book are 200 questions of varying difficulty so batten down the hatches and prepare to test your knowledge on the actions of the survivors of the zombie apocalypse in the latest chapter of this series of quiz books about one of the best shows on television.

The issue that started it all. Rick Grimes, Sheriff of a small town in Kentucky awakes in a hospital. Comatose after being

shot while on duty, Rick finds the world abandoned of all things living and is faced with walking undead, who attack him on sight. He returns home to find his family, son Carl and wife Lori, gone. He meets his new neighbor, who points him towards Atlanta. After retrieving supplies from the abandoned Police Station, Rick sets off to Atlanta to search for his family.

Face to face.

Rick and Glenn venture outside the prison, and what they find will change this series FOREVER.

'SOMETHING TO FEAR' CONTINUES! This extra-sized chapter contains one of the darkest moments in Rick Grimes' life, and one of the most violent and brutal things to happen within the pages of this series. 100 issues later, this series remains just as relentless as the debut issue. Do not miss the monumental 100th issue of THE WALKING DEAD!

On guard. Things are quiet at the Hilltop, but there is a storm brewing on the horizon.

If you missed out on the first issues of The Walking Dead, Girls, Sea Of Red and Strange Girl, now's your chance to sample each in a specially-priced introductory volume.

Could a human being really come back from the dead to feed on human flesh and brains? If myths about zombies and other walking dead are just fictional stories, why have so many people claimed to have witnessed the return of the dead from the grave? What would it be like to become a zombie, and how can you tell if the person stumbling toward you with glassy eyes and outstretched arms is one of the living dead? In *Zombies and Other Walking Dead*, children will read historical stories and modern-day accounts of zombie encounters and get all the information they need to protect themselves from these frightening creatures. Children will also investigate the truth behind zombie stories and examine how the fears and superstitions of different cultures might explain the origins of zombie myths. Kids will also look at the scientific facts that might explain the seemingly unexplainable. If you love a spine-tingling horror story but also want to investigate the truth behind these myths, this is the book for you!

"NEW WORLD ORDER," Part One NEW FRIENDS. NEW ENEMIES. NEW THREATS. IT'S A WHOLE NEW WORLD.

NEW FRIENDS. NEW ENEMIES. NEW THREATS. IT'S A WHOLE NEW WORLD. Collects THE WALKING DEAD #175-180

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Rick Grimes is not prepared for this. A couple months ago he was a small town cop who had never fired a shot and only ever saw one dead body. Separated from his family he must now sort through the death and confusion to try and find his wife and son. Collects issues #1-6.

At long last, the survivors of Robert Kirkman and Charlie Adlard's acclaimed post-apocalyptic survival adventure find the hope they've longed look for. Can a town not yet ravaged by the horrors unleashed on Earth possibly be all it's hoped for? Is there a far more sinister secret behind their newfound safe haven? Even worse, can people forever changed by the worst in humanity ever hope to get back to their old selves? The next chapter of the Walking Dead is set to change everything. Collects The Walking Dead #67-72.

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

In 1968, George Romero's film *Night of the Living Dead* premiered, launching a growing preoccupation with zombies within mass and literary fiction, film, television, and video games. Romero's creativity and enduring influence make him a worthy object of inquiry in his own right, and his long career helps us take stock of the shifting interest in zombies since the 1960s. Examining his work promotes a better understanding of the current state of the zombie and where it is going amidst the political and social turmoil of the twenty-first century. These new essays document, interpret, and explain the meaning of the still-budding Romero legacy, drawing cross-disciplinary perspectives from such fields as literature, political science, philosophy, and comparative film studies. Essays consider some of the sources of Romero's inspiration (including comics, science fiction, and Westerns), chart his influence as a storyteller and a social critic, and consider the legacy he leaves for viewers, artists, and those studying the living dead.

"NEW WORLD ORDER," Part Five The journey home. There's nothing worse than returning with fewer people than you left with.

The Walking Dead #179 Image Comics

Out in the open.

As the survivors settle into their prison home something has drawn them out into the open... out of the prison... out of their sanctuary. This is a major turning point for the over-all story of THE WALKING DEAD and it sets the stage for years to come.

Collects issues 25-30.

This deluxe hardcover includes 24 issues of the hit series THE WALKING DEAD, along with the covers for the issues, all in one massive, oversized slipcased volume. Collects THE WALKING DEAD #145-168.

"THE ROAD BACK" Can Rick Grimes bring peace to the Commonwealth or will he tear it apart?

"AFTERMATH" Carl fights for the Commonwealth but who is he fighting against?

Oscar Gomez is on the hunt for a Syndicate deserter hiding out in the year 1994. Can he rely on the local Syndicate network to

track the deserter down? This standalone story features art by series co-creator DECLAN SHALVEY!

Just in time for the new season of The Walking Dead on AMC, the fan-favorite, New York Times bestseller series returns with its third massive paperback collection! From the Whisperers to the Commonwealth, Rick Grimes meets new allies and enemies on the way to reclaiming the world from the dead. Wars are started, and dear friends fall. Collects THE WALKING DEAD #145-192

For once, Joanne Walker's not out to save the world. She's come to terms with the host of shamanic powers she's been given, her job as a police detective has been relatively calm, and she's got a love life for the first time in memory. Not bad for a woman who started out the year mostly dead. But it's Halloween, and the undead have just crashed Joanne's party. Now, with her mentor Coyote still missing, she has to figure out how to break the spell that has let the ghosts, zombies and even the Wild Hunt come back. Unfortunately, there's no shamanic handbook explaining how to deal with the walking dead. And if they have anything to say about it—which they do—no one's getting out of there alive.

Michonne's arrival has disrupted the balance within the newfound prison community. While life within its walls is becoming more bearable, it's still far from safe. This deluxe presentation in STUNNING FULL COLOR also features another installment of Cutting Room Floor and creator commentary.

BONUS: This edition contains an excerpt from Greg Rucka's The Last Run. Atticus Kodiak knows where people go to hide. That's why he and Alena Cizkova have come to a secluded Georgian town in the former U.S.S.R. What he doesn't know is what his friend and neighbor Bakhar Lagidze was hiding from. Bakhar and his entire family have been viciously murdered—all except for Lagidze's fourteen-year-old daughter, whose nightmare is just beginning. To rescue her, Atticus must enter a lethal web that stretches from Russia to Istanbul, from Dubai to Las Vegas, and into the very heart of evil. But what troubles Atticus the most is that Alena, once one of the world's most fearless assassins, is clearly terrified of what Atticus will uncover—and what he'll become when he does.

Since the emergence of on-demand streaming platforms, television as a storytelling medium has drastically changed. The lines between TV and cinema are blurred. Traditionally, television relied on narrative forms and genres that were highly formulaic, striving to tease the viewer onward with a series of cliffhangers while still maintaining viewer comprehension. Now, on platforms such as Netflix, the lack of commercial breaks and the practice of "binge-watching" have led to a new type of television flow that

urges viewers to see and consume a series as a whole and not as a fragmented narrative. This book examines the structuring methods of 13 Netflix original horror series, including Chilling Adventures of Sabrina, Stranger Things, Hemlock Grove, The Haunting of Hill House, and Santa Clarita Diet. Although these shows use television as the medium of storytelling, they are structured according to the classical rules of film.

"THE ROAD'S END" Nothing is more damaging than misplaced trust.

"NEW WORLD ORDER," Part Four Princess unleashed It's possible Princess doesn't quite fit in at the Commonwealth.

The powder keg: once it goes off, it can't be contained.
