From USA Today bestselling author K Webster comes a steamy and emotional MM romance! When you're the sheriff of Brigs Ferry Bay, certain things are expected of you. Marry a local girl, settle down, have a few kids. You know, the small-town dream. But I've got a secret I'm terrified will get out. I'm gay. Not bi. Not curious. Not confused. Just gay. So, settling for that dream won't be happening. If this secret gets out, the people I serve and protect, especially my father, won't be accepting. I'm not brave like my high school sweetheart, Kian. The day he came out was the day I had to let him go, and with it, love. I've done a great job of pretending I'm perfectly fine being single. Until a villainous and annoyingly charming new B&B owner, Dante Kincaid, rolls into town. The spark between us is electric and undeniable. He wants to give me a taste of what he has to offer, and better yet, he vows to be discreet. I'm too selfish to refuse. But my secret is still a heavy burden, leaving me handcuffed to expectations and unable to fully grasp what I want—him. History has a way of repeating itself, but this time around, with Dante, it'll hurt a lot worse. I have to decide if I'm going to let love slip away again or if I'm going to finally fight for it. ***Brigs Ferry Bay is a steamy MM romance series. While each book can be read as a standalone, in order to get the full experience, they're best read in order. Enemies to lovers, friends to lovers, hurt comfort, age-gap romance, and so much more. Drive down almost any street in Webster Groves and one is filled with a sense of timelessness. Entire neighborhoods are in the National Register of Historic Places, and there are lovingly preserved century homes, beautiful old churches, avenues lined with gardens, and shopping districts more reminiscent of small-town America than a thriving suburb next door to the city of St. Louis. History runs deep here, as it is home to the first chapter of the Red Cross and the first Boy Scout Troop west of the Mississippi, the oldest women's organization in Missouri, the first professional fire department, and the first public library in St. Louis County. North Webster once held the only accredited high school for African American students in St. Louis County. Beginning as a site of country homes for St. Louis professionals, growing through a post-World War II boom that expanded into new neighborhoods, Webster Groves has remained true to its heritage and history.

Public health officials and organizations around the world remain on high alert because of increasing concerns about the prospect of an influenza pandemic, which many experts believe to be inevitable. Moreover, recent problems with the availability and strain-specificity of vaccine for annual flu epidemics in some countries and the rise of pandemic strains of avian flu in disparate geographic regions have alarmed experts about the world's ability to prevent or contain a human pandemic. The workshop summary, *The Threat of Pandemic Influenza: Are We Ready?* addresses these urgent concerns. The report describes what steps the United States and other countries have taken thus far to prepare for the next outbreak of "killer flu." It also looks at gaps in readiness, including hospitals' inability to absorb a surge of patients and many nations' incapacity to monitor and detect flu outbreaks. The report points to the need for international agreements to share flu vaccine and antiviral stockpiles to ensure that the 88 percent of nations that cannot manufacture or stockpile these products have access to them. It chronicles the toll of the H5N1 strain of avian flu currently circulating among poultry in many parts of Asia, which now accounts for the culling of millions of birds and the death of at least 50 persons. And it compares the costs of preparations with the costs of illness and death that could arise during an outbreak.

In *Only in St. Louis!*, Charlie Brennan shares the most incredible, strange and inspiring stories he has come across in his three decades talking about the Gateway City. Readers will learn: Wilt Chamberlain was traded in a St. Louis restaurant. Jesus Christ Superstar was first staged in St. Louis, not New York. A St. Louis Cardinal pitcher beat

Randy Johnson while drinking vodka. A St. Louis mayor was buried three times. Supreme Court Justices laughed aloud while hearing a St. Louis case. A St. Louis woman woke up when she heard an intruder...who turned out to be a national celebrity. Kenny Wayne Shepherd's worst moment on stage was in St. Louis. A St. Louis man found \$1,200 in his ceiling. J.S. Bach's personal bibles are in St. Louis. A St. Louis high school name is actually misspelled. Why Kurt Warner listed his name and address in the phone book. The Air Force's biggest weapon is made in St. Louis. John Lennon's song "Imagine" has a St. Louis connection. The NFL's "lowest blow" has ties to St. Louis. Twinkies were named in St. Louis. A lost wallet led to one of the best-selling songs of the 1960s. The woman who injected John Belushi with a fatal dose hid in St. Louis. A St. Louis man swam 292 miles of the Mississippi River without stopping. Why General William Tecumseh Sherman could defeat the south but not City Hall. The only company to prepare cocaine for medicinal use is in St. Louis. A St. Louis barista became a billionaire. A man was attacked by a shark in downtown St. Louis. A St. Louis man played basketball for St. Louis Community College, football for Yale and is now a top national journalist. Brennan, host of "The Charlie Brennan Show" on KMOX and provocateur of "Donnybrook" on KETC-TV, curates these and other stories for the first time in one volume.

This well-researched, lavishly illustrated book documents the growth of Webster Groves High School throughout the twentieth century and celebrates 100 years of excellence in education.

The long-awaited new novel from one of America's most highly regarded contemporary writers, *The Committed* follows the unnamed Sympathizer as he arrives in Paris in the early 1980s with his blood brother Bon. The pair try to overcome their pasts and ensure their futures by engaging in capitalism in one of its purest forms: drug dealing. Traumatized by his reeducation at the hands of his former best friend, Man, and struggling to assimilate into French culture, the Sympathizer finds Paris both seductive and disturbing. As he falls in with a group of left-wing intellectuals whom he meets at dinner parties given by his French Vietnamese "aunt," he finds stimulation for his mind but also customers for his narcotic merchandise. But the new life he is making has perils he has not foreseen, whether the self-torture of addiction, the authoritarianism of a state locked in a colonial mindset, or the seeming paradox of how to reunite his two closest friends whose worldviews put them in absolute opposition. The Sympathizer will need all his wits, resourcefulness, and moral flexibility if he is to prevail. Both literary thriller and novel of ideas, *The Committed* is a blistering portrayal of commitment and betrayal that will cement Viet Thanh Nguyen's position in the firmament of American letters.

In this town, I'm free from shame
A place where everyone knows my name
Glamorizing corpses to feed a need
That's why they call me Skeleton King
They all worship me, but they don't know the real me
All they see is my painted face
Truth is, I'm terrified, all the hope inside me died
Death and cold will forever be my morbid fate
Then she showed me something more
Somehow stealing death's allure

Sometimes, the lessons of childhood are damaging enough that, by eighteen, you've figured out some rules so you don't repeat your parents' mistakes. For Mandy, that meant finishing her last year of high school, going to college, and then returning to small-town Sugar Creek to live a solitary life as a writer. That was the plan, and her main rule for avoiding complications and staying on track was to never, ever, EVER let someone get too close. That was before she met Gabe. And when Gabe starts to awaken emotions she's never experienced, Mandy suddenly begins to question every belief she's ever had. She can't be falling in love, can she? That would be the biggest mistake of her life, wouldn't it? Could she break one of her most important rules-for Gabe?

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

This fully re-edited, modernised play text is accompanied by insightful commentary notes, while its lively introduction provides an essential contextual grounding in the court scandals, anti-Catholic sentiment and Senecan drama that formed a backdrop to Webster's tragedy. Exploring the challenges of staging this highly melodramatic play, Karen Britland guides you through the most interesting points of its rich performance history, and analyses recent productions such as Dominic Dromgoole's version at the Sam Wanamaker Playhouse, starring Gemma Arterton. Analysing its masterful poetry,

she shows how the work can be harnessed to engage in contemporary social debates about privacy, torture, surveillance, and personal freedom, and empowers you to do likewise. Supplemented by a plot summary, annotated bibliography and a companion website providing thought-provoking podcasts, production images, useful web links and sample questions and essay ideas, this edition is the most enlightening and engaging you will find.

A move to Webster Grove introduces her to a new school, new friends, and new experiences—including a few tender glances from her sexy English teacher. After signing up for a costuming position on the school production of *Romeo and Juliet*, co-directed by none other than the gorgeous Mr. Rivera, Steph soon learns the difficulties of withstanding the pursuit of forbidden love. From the intersection of public and private fear, Kerri Webster's award-winning collection speaks of anxiety and awe, vanishings and reappearances. A city both rises and falls; worlds are simultaneously spoken into being and torn down by words. "This is how time sounds," Webster writes; this is the hum and click of bodies "desirous of believing we're all vehicle, every wet atom of us," even as the saved seeds root in the fallen brickwork and the artifacts pile up: wisdom teeth, hummingbird skulls, plumb bobs, icons, antlers, incandescent bulbs. *Grand & Arsenal* begins "Bless me I am not myself," but it is not long before the probability of being blessed is revealed to be as remote as the concept of a whole self. Thus begins the book's defining struggle, enacted by a multitude of voices which move from rush to stumble and back again—meanwhile using all the tools we as a culture use to hold fear at arm's length. We hear a familiar irony, as in "On a trip West, porn in the hotel room. I can take or leave it. The climax that puts me in the seats? World's end." We hear humor, as in "I believed in . . . / . . . a certain apocalypse not so much foretold as crafted / by large-brained monkeys." We hear

understatement, as in “knowing it does not matter / in the grand—she would say scheme, I would say / mishap—.” Most importantly, though, these poems allow for the fleeting triumph of an undefended voice, which appears often to emerge tentatively from a sort of exhausted collapse.

Wallace Neff may have been the preeminent architect of Spanish colonial-revival houses in Southern California, but surprisingly little has been written about him, despite the publicity he received for designing great estates for Hollywood legends such as Mary Pickford. "I just build California houses for California people," this exceedingly private architect told friends and clients. In fact, Neff was an ambitious and inventive designer who was not only adept at manipulating traditional styles to please famous, wealthy clients like Cary Grant, Claudette Colbert, and Darryl Zanuck; he was also a pioneer in low-cost housing and pneumatic building. The Bubble House, as his best-known Airform structure was fondly nicknamed, had a social vision as compelling as that of any modernist housing project. Wallace Neff and the Grand Houses of the Golden State tells the life story of this significant architect, who was raised as Southern California aristocracy -- an heir to one of the founders of Rand McNally & Company -- and grew up to influence the course of architectural history in California. Illustrated throughout with lush black-and-white archival photographs that document Neff's family life and professional accomplishments, journalist Diane Kanner's compelling narrative offers a behind-the-scenes look at the development of residential architecture in Southern California. The first comprehensive analysis of the life and work of this undiscovered master, it is sure to become a classic. Pilar Viladas is the design editor of the New York Times Magazine.
