It's just a scratch - a scratch that transforms the witch forever. Already a witch at breaking point, I really can't be dealing with the latest scandal affecting my life. I'm busy selling spells from my shop when my brother accidentally almost kills a werewolf, attracting the wrath of my enemy, the Brighton Pack alpha, Malone. His attack leaves me with a scratch that turns me into the first ever hybrid-witch and solidifies my expulsion from the coven, leaving me all alone. I'm not sure how much more I can take. When Malone smells his toxins in me, he vows to help me through the first shift. As alpha, his responsibility is to his pack and turning a witch is against sacred wolf laws. His pack will disown him if he doesn't get rid of me. He's ready to rectify his wrong, threatening to end my life, until I shift and the mating bond is evoked. Can Malone reject the forbidden pull towards me in order to keep his pack? Or will I be able to escape before he claims me and jeopardises his position as alpha?

CEO and alpha werewolf Drake Wilder has given up the search for his one true love. When he discovers that she's a secretary in his company, Drake's primal instincts kick into overdrive. What he wouldn't give to have her fingers rake over his body instead of the keyboard... Free-spirited bartender Emelia Hudson wants nothing more than to make her Seattle-based bar succeed. But when profits decline, she slips into a dress suit and secures a nine-to-five. After learning that her bar has become property of Wilder Financial, Emelia is determined to get some answers. Two can play the ruthless business game. If only her attraction to the boss wasn't so intense... When Drake's twin brother senses that Drake has found his match—and now inherits their father's billion dollar estate—he hatches a plan to take Emelia out. Drake vows to protect her at all costs, but he might have to pay with his own life. Each book in the Seattle Wolf Pack series is a standalone, full-length story that can be enjoyed out of order. The Wolf's Demand: an Alpha Shifter Romance

Liam Conway is a wolf shifter who left his pack many years ago, to live life by his own rules. He wanted more nothing more than to stick around the small town of Boulder Junction, Wisconsin, hiding in plain sight amongst humans while waiting to take over the pack. Liam finally has returned, having made his fortune, at the request of his Father. The only reason he moved back was to be close to his ill mother. Now, he is running his multi-billion-dollar business from the small town and is being pressured by his father to be prepared to take over as Alpha soon. Skylar Moore was raised by her Mother, who wanted the best for her, always ensuring that she was well-educated and had the skills to survive on her own. Although when her gambling addicted father gets into trouble with the wrong people, Skylar is once again dragged into his mess and sees that the only option is to move thousands of miles away from Miami to escape. Cayden Benet comes from a long lineage of hunters. He arrives in the town of Boulder Junction and assumes the guise of a new police officer, where he comes across Skylar. Although high on his list of priorities is ridding the world

Helen and Bill Thayer, accompanied by their part-wolf, mostly Husky dog, Charlie, set out to live among wild wolf packs—first in the Canadian Yukon and then in the Arctic. When they set up camp within 100 feet of a wolf den, they were greeted with apprehension. But they establish trust over time because the wolves accept Charlie as the alpha male of the newly arrived "pack." Readers travel with the Thayers as they learn about wolf family structure, view the intricacies of the hunt, the wolves' finely honed survival skills, and playfulness.

Terra is shiftless --- a werewolf uncomfortable in her own animal skin. A decade after learning to squash her wolf and flee the repressive village where she grew up, the packless ache still gnaws at Terra's insides. But despite her yearnings, she struggles against being reeled back into her old life. To Terra's dismay, her father and half a dozen of his henchmen finally ambush her and demand her return. Yet they do offer one way out --- hunt down her nephew Keith, teach him to shift, and bring the youngster back into the fold in her place. Problem upon problem piles up as Terra strives to do her father's bidding. The female shifter has hidden from her wolf for so long that she finds herself unable to change back into canine form, and she also realizes that her nephew is too good-natured to survive for a minute walking in his grandfather's footsteps. Plus, there's an alpha standing in her way who's equal parts enticing and terrifying. Will Terra be able to relearn her werewolf abilities --- and overcome her morals --- before her father steals away her hard-earned independence? And as that tantalizing alpha reels her in closer and closer, the question becomes --- does she really

I only have one rule - Mess with the innocent and you mess with me. I'm not a man you want to cross My family does not seek forgiveness Rules are made to be broken, but break this one and you will pay And there is but one price – your life. Our mission is simple. Our code unbreakable. To those who cross our bloodline, be warned. For we are judge, jury and executioner. To those who come under our protection, we are more than brothers, more than men whose souls are stained by sin. We are the kings of the underworld.

Only one omega can give the king an heir needed to save his kingdom...and save himself... Wolf king Edric Rylan is forced to marry, not for love, but to avoid the destruction of his family's dynasty. A prophecy he doesn't entirely believe has forced his hand. Either he marries a werewolf from the Silvius bloodline and produces an heir, or his kingdom is finished. Edric rules the most powerful wolf kingdom in the U.S., and he's not about to watch everything he's built fall to pieces. But he faces big problems. First, the Silvius royal family was completely wiped out in his grandfather's era. Second, he's gay. That complicates things when it comes to the nitty-gritty of making an heir. Fortunately, an eccentric old wolf seer has found a solution: a male omega wolf named Julian Wilson—the offspring of a werewolf and a human—who can have a

child. The omega is illegitimate, born on the wrong side of the sheets, and grew up around humans, but he has Silvius blood in his veins. Edric knows his duty. He must mate this omega and produce his heir to stop the prophecy...and then he'll decide whether to keep the omega or exile him back to the human world. But Julian is like no wolf he's ever met—not only hauntingly beautiful but unassuming, genuine...and kind. The omega is dangerous, but he's only a threat to Edric's rigid way of seeing the world...and to his heart. Julian Wilson feels like a nobody. He works the drive-thru window at a fast-food joint, struggling to pay for night classes at the community college. So when a limo rolls up and he's offered money to meet with a king, he's sure it's a scam or a joke. Then he loses his job. Desperate, he agrees to meet King Edric...and immediately regrets it. The alpha wolf is so handsome and sexy that Julian has to stop himself from drooling over a man who could star in his fantasies. When the king asks for Julian's hand in marriage to avoid a ruinous prophecy, he nearly falls over. Julian doesn't believe in prophecy, and this might turn out to be a loveless arranged marriage, but he's at the end of his rope. At least sex with Edric will be hot, Julian will live in a palace, and he can do more good in the world as mate to a king than he ever could alone. Julian knows his duty. He must give this king his heir, doing his best to protect the child he carries inside. Soon Julian is pregnant and discovers far more depth and passion to his mate than he first realized, even if the alpha doesn't like humans. Edric would be an easy man to fall in love with... But there are wolves within the royal court seeking to end the union of a king and a tainted-blood omega and will stop at nothing to rip their love apart. Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

An unwanted alpha and omega long-presumed dead... fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, "Thirteen" has spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A few have disappeared over the years, but twelve remain. An even dozen omegas, each with a secret superpower. Working together under the light of the full moon, their combined gifts help Thirteen escape-he's their only hope of finding outside help to rescue them all. Except Thirteen is injured and nearly dies as he flees into the night. Collapsing on the side of a desert highway with the sound of a rumbling motorcycle in his ears, Thirteen is sure all hope is lost. Until it's not... Found by his true mate, Thirteen is saved-and mated-before the full moon begins to wane. Buckle in for a heart-filled adventure. Omegas are rescued, babies are made, a pack finds its heart, and a birth family is reunited with the one miracle they never could've dared imagine possible. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. The second in series, this 50k full-length novel is Lucian's story. Prepare yourself for a few tissue moments, lots of laughter, and a birth scene you won't soon forget. But then again, this is a Susi Hawke book so what else can you expect? Possible trigger for child abduction, betrayal from a medical provider, and off-page mention of stillbirth.

Before he claims his mate, she must be brought to heel. Skylar Owen is not used to taking orders from anyone and the last thing she wants in her life is an alpha who will demand her submission, but her world is turned upside down after a band of rogue wolves attacks her small, all-female pack. Ordered to disband her pack so that she can be matched with a mate, Skylar defies the Ruling Council, only to be hunted down and captured. Though he can tell Skylar will be trouble the moment he sets eyes on her, Dylan Grainger knows how to tame a wayward woman, and it isn't long before the beautiful, feisty redhead is tearfully promising obedience as her bare bottom is soundly spanked. But Dylan quickly realizes that Skylar is much more than just a headstrong female in need of an alpha's firm-handed correction. With each passing day, he grows more certain that she is his mate, and he knows that soon he must claim her, mark her, and take her hard and thoroughly. But will she resist her instincts, or will her body's response to his bold dominance leave her in no doubt that she belongs to him? Publisher's Note: Brought to Heel includes spankings and sexual scenes. If such material offends you, please don't buy this book. Also note that Brought to Heel is a stand-alone novel which shares its setting with Adaline Raine's previously published books Marked by the Alpha and Rules of the Pack, and it was written only after receiving Adaline's permission and support.

Avoidables have defects ranging from looks to unexplained gifts. Some of us are half breeds. Dragons and animals were known to have bred with the human race thousands of years ago. We all live in cities, usually divided in two. The Perfects live on the Upper Side, while the Avoidables inhabit the Lower Side. We've been consumed by hate for a race that rejects us so heartlessly. We've become dangerous. All we want is the Perfects to love and respect us. Follow Hope, Purple and Jason on their individual journeys. Hope uncovers a great secret about herself when she meets Jason, a Perfect that brings out the best in her. Purple tries to rescue a kidnaped Hope, but soon realises that she's in better company than they knew. When he meets Alia, he's determined not to follow his best friends footsteps in love. Jason needs to prove himself. Avoidables view him as the Perfect mummy's boy, but he will find a way to show Hope that he is perfect for her.

What Happens Under a Full Moon... When naturalist Maya Everton travels to Washington State, she is nearly attacked by a pack of wolves—until another wolf arrives to drive them off. Later, she discovers Lieutenant Ryan Blaidinger shifting and realizes he is her mysterious protector. Ryan is a member of the elite unit of shapeshifters known as Alpha Force, whose mission is at cross-purposes with hers... But as news of the attacks spreads in the small community, the scientist and soldier unite to protect area wolves from locals who will stop at nothing to decimate the perceived threat. And close together in the moonlit woods, they may not be able to resist their own natural instincts...

I BOUGHT HER. I OWN HER. BUT SHE'LL NEVER BE MINE... A Vampire King... The moment she stepped on stage, I had to have her in my bed. My submissive, kneeling at my feet. But this captive virgin is more than what she seems... A spy in my kingdom. A weapon honed by my enemy. She hates me, but hate is a passion perilously close to love... A captured queen... All my life I've trained for one purpose. One ultimate goal: kill the Vampire King. I expected a fight. Pain. Torture. I didn't expect to want him. My body is a weapon he turns against me. But I can't forget my fallen pack. My quest for revenge. My mission is simple: Seduce him. Earn his trust. Bring him down. Above all: don't fall in love. This is a stand-alone romance, HEA guaranteed, no cheating. This enemies-to-lovers story contains a cool, collected vampire and the she-wolf sent to bring him down. If such material

A fierce alpha who gets everything he wants, and an omega who only wants to belong... Years ago, shifters and humans were driven from Detroit by a savage hybrid of hyena and reptile created in a government lab. The once-proud city is now in ruins, but Jacob Kross intends to change that. Jake is wealthy, powerful, and an alpha wolf shifter leading one of the largest packs in New Detroit. He is building an alliance to fulfill his late father's dream of reclaiming their territory. Only Jake has a problem. The other pack alphas demand that he produce an heir or lose his place as head of the shifter council. Jake grudgingly agrees, but he rejects any political betrothal to a female from the other packs. If he has to breed, he might as well do it with a male, the gender he prefers between the sheets. Besides, an omega—the result of a genetic shifter mutation that allows a male to carry a child—will guarantee him the heir he needs. Only he never counted on one vulnerable, wide-eyed omega stealing his way into Jake's guarded heart... Gavin is an omega wolf without a pack. He grew up on the streets of New Detroit as a homeless refugee. For him, life has always been a struggle made worse by his inherently submissive nature. So when a wealthy alpha suddenly promises him a huge amount of money to give birth to his heir, Gavin sets aside his reservations and signs the contract. Jacob Kross is just as dominant, fierce, and intense as he imagined. The alpha intends to breed Gavin the old-fashioned way, and that has him both terrified and excited. But as he comes to know Jake, it grows harder to avoid falling in love with the alpha whose ferocity and ambition hides a kind, generous heart. He knows that after he gives Jake an heir, the contract is over, and his time with the alpha is done. Gavin only wants a pack of his own and someone to love him, but politics and Jake's ambitions make that impossible...and time is running out. “YOU BROKE THE RULES, LITTLE HUMAN. I OWN YOU NOW.” I am an alpha wolf, one of the youngest in the States. I can pick any she-wolf in the pack for a mate. So why am I sniffing around the sexy human attorney next door? The minute I catch Amber's sweet scent, my wolf wants to claim her. Hanging around is a bad idea, but I don't play by the rules. Amber acts all prim and proper, but she has a secret, too. She may not want her psychic abilities, but they're a gift. I should let her go, but the way she fights me only makes me want her more. When she learns what I am, there's no escape for her. She's in my world, whether she likes it or not. I need her to use her gifts to help recover my missing sister—and I won't take no for an answer. She's mine now. Publisher's Note: Alpha's Danger is a stand-alone book in the Bad Boy Alpha's series. HEA guaranteed, no cheating. This book contains a hot, demanding alpha wolf with a penchant for protecting and dominating his female. If such material offends you, do not buy this book.

Publisher's Note: Alpha's Temptation is a stand-alone book in the Bad Boy Alphas series. HEA guaranteed, no cheating. As one of the final surviving members of a brutal shifter clan, I've been chained and imprisoned for my entire life by my human uncle for the sole purpose of keeping other humans safe from me. At least that's his excuse. Solitude and pain are all I've known, so when four men show up claiming to be my saviors I'm not exactly receptive to the idea. Sure, I'm grateful that they've busted me out of my own personal brand of hell, but that's about as far as the gratitude goes. Now I have no money, no pack, and nowhere to go unless I take them up on their offer to transport me safely to Newhaven, a sanctuary for omega wolves deep in the woodlands of Alaska. With no other choice left, I take it while vowing to keep my distance for the week-long trip. But as time passes my guard falls, leaving me conflicted and suddenly vulnerable to the charismatically handsome group of men. Will I make it to Newhaven without falling for them, and do I really want to? This is a reverse harem wolf shifter romance with themes of abuse trauma, overcoming it, and learning to trust the ones you love.

"As much as I felt bad for this Elisha person-God, my heart was breaking for the young man and all he'd been through-I was also angry. I'd left that pack in my rearview ten years ago for a good reason." Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live in. Then Matt gets a call from an old childhood buddy. He's being called back-begged to return-to reclaim his birthright and save a life in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die. Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha Whitetail to tilt his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs? They're wolves. Strong, proud, and willing to do what it takes when their community needs them... whatever it takes. This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same heart you'd expect. Plus a dose of my irreverent humor and all the naughty, knotty heat that comes with true mates. It wouldn't be a Susi Hawke book without it. Be sure to read the author's note at the beginning for possible trigger warnings.

A werewolf, an owl shifter, and a scientist walk into a bar... Sam I was born in a lab, fostered out to humans, then tortured in a cage. Fate allowed me to escape, and I know why. To balance the scales of justice. Right the misdeeds of the harvesters. Nothing matters but taking down the man who made me what I am: A monster driven by revenge, whatever the cost. Then I meet Layne. She thinks I'm a hero. But she doesn't understand—If I don't follow this darkness to its end, it will consume me. Layne I've spent my life in the lab, researching the cure for the disease that killed my mom. No late nights out, no dates, definitely no boyfriend. Then Sam breaks into my lab, steals my research, and kidnaps me. He's damaged. Crazy. And definitely not human. He and his friends are on a mission to stop the company that's been torturing shifters, and now I'm a part of it. Sam promises to protect me. And when he touches me, I feel reborn. But he's hellbent on revenge. He won't give it up. Not even for me.

NEW YORK TIMES BESTSELLER - OPRAH'S BOOK CLUB PICK - The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human

divisions. "An instant American classic."--Dwight Garner, The New York Times "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power--which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people--including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others--she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

MORE THAN A CENTURY IN THE MAKING... When his twenty-five-year-old wife Hannah's quest to be the perfect army spouse becomes so stressful that his needs start falling to the wayside, Major Brett Griffin decides it is time to take her in hand and remind her who is in charge. Soon enough, Hannah is blushing crimson as she is ordered to remove her panties in the middle of a restaurant during their anniversary dinner, and her protests merely earn her a thorough spanking on her bare bottom upon their return home. Though Hannah is shocked and embarrassed by Brett's insistence that she call him daddy as she is punished like a naughty little girl, his firm-handed correction arouses her deeply. Before she knows it, she is delighting in her husband's stern dominance and bold mastery of her body as he teaches her how hot it can be to surrender herself completely to what daddy commands. Publisher's Note: Daddy Commands includes spankings and sexual scenes. If such material offends you, please don't buy this book.

Every werewolf knows the meek won't inherit the earth. Fen Young is a half-shifter whose inner beast is more mouse than wolf. Home is her castle, the only place she's ever felt safe. Enter Hunter Green, an uber-alpha strong enough to stop traffic with a single look. He's handsome and enticing and seems like just the ticket to broaden Fen's horizons...until the uber-alpha brushes off his admirer and summarily rejects her from her home pack. Now treading water in the no-man's land of outpack territory, Fen must confront a missing pack mate, a tantalizing stranger, and a serial killer targeting half-werewolves. breeds everywhere...before it's too late? USA Today bestselling author Aimee Easterling's new urban fantasy novel is chock full of adventure, romance, and danger bound to leave readers craving more.

The first addictive novel in New York Times bestselling author Katie Reus's Moon Shifter series. Ana Cordona has been a strong leader for the lupine shifters who survived after all the males and most of the females in her pack were mysteriously poisoned. As tough as she is, with no Alpha male, the pack is vulnerable to the devious shifter Sean Taggart, who wants to claim both their ranch and Ana as his own. When Connor Armstrong comes back into her life, promising protection, it's almost enough to make Ana forget how he walked out on her before—and reluctantly accept his offer to mate. The minute Connor sees Ana again, it reawakens a raw hunger. He must have her for his bondmate—his wolf cries out for it. But his human side knows he must proceed with caution because of their complicated past. If he is to truly have her body and soul, he must go beyond his burning desire and win back her heart. Whatever it takes, he is determined not to leave her side again. But Taggart and his rival pack are not their only enemies. A human element in town is targeting shifters. Their plan not only threatens Ana and Connor's future, but the lives of the entire pack...

He'd rather fight enemy wolves and rogue humans than face his own heart. When Aaron took down a violent, power-crazed wolf and inherited half a pack, he knew being Alpha wasn't going to be easy. A week later, he's finding out what an understatement that was. Other werewolves are calling for the extermination of his pack's gay wolf, or for Aaron's own death, and the risk of exposure to humans is growing. Aaron can't afford to let his long-suppressed sexuality escape his rigid control. When one of his younger wolves is in trouble, it's simply Aaron's job as Alpha to help and protect him. But keeping a cool distance from a young man who appeals to all his senses could be Aaron's toughest challenge.

A female Wolf in danger. Four Sexy Dragons determined to protect her. A Reverse Harem Paranormal Romance. Elizabeth is certain she's not meant to rule the Southeastern White Tooth Pack. Since birth, she's been told she was the wolf pack's fated leader. She is, after all, the first-born of the pack Alpha. But how can she lead them if she's never shifted? She doubts herself, but her fate is tied to the moon and Elizabeth is honor-bound to fulfill her destiny. To help Elizabeth, her mother presents her with a secret diamond necklace, magical jewels that have adorned the neck of every female in her family for hundreds of years. But evil forces lurk in the shadows. Not every wolf shifter in the pack wants Elizabeth to take power. When the Wolf Council sanctions Elizabeth as the official Fated Alpha, enemies attack her family, killing her parents. When they discover that Elizabeth survived, she must flee for her life. With nowhere to go, help comes in the form of four sexy and powerful Dragon shifters. The fierce warriors offer her their protection in their secluded mountain home. As Elizabeth mends, it's clear the four Dragon shifters crave more from her. All four men desire her. Each wants to claim her body and heart and soul. As her enemies close in, can the men keep Elizabeth safe by their side and help her reclaim her place as leader of her pack? Elizabeth and the Clan of Dragons is Book One of the Fated Alpha Series. Each book features a paranormal romance, reverse harem with one woman and four sexy, demanding and protective shifters.
