

This Daniel

The Anchor Bible series offers new, book-by-book translations of the Old and New Testament and the Apocrypha, with commentary. This volume on the Book of Daniel has been prepared by two distinguished biblical scholars from the faculty of the Catholic University of America: Alexander A. Di Lella, Professor of Old Testament, and the late Louis F. Hartman, Professor of Semitic Languages. The Book of Daniel was written as resistance literature, to strengthen and console loyal Jews of the second century B.C. who had to endure religious, economic, and social oppression at the hands of Antiochus I. The inspiring stories in which Daniel and his companions Shadrach, Meshach and Abednego survive the ordeals of the lions' den and the fiery furnace dramatize for believers of all time the ultimate test of faith--the willingness to risk one's life for one's beliefs. The Book of Daniel also includes the famous incident of the handwriting on the wall and recounts the four vivid dream-visions or apocalypses which, through symbols and signs, offered interpretations of history and predictions of future deliverance. Louis F. Hartman and Alexander A. Di Lella have revealed the profound religious and human dimensions of the Daniel stories. They present Daniel as a colorful and dramatic hero unique in biblical literature--an enduring symbol of hope and salvation for all men and women of faith who must suffer for their beliefs.

Delcor (1919-1992) is responsible for a translation of the Book of Daniel, which is the only Catalan version of a book of the Bible produced by a North Catalan author to be included in Fundació Bíblica Catalana's 1968 Bible. This unique circumstance was the inspiration to recover this translation and publish it in a scientific edition collated with the original texts from which Delcor worked. The introduction situates this singular work in the context of the long history of biblical translations in Catalan and offers an exegetical approach to this work that tradition has transmitted in three languages of the ancient world: Hebrew, Aramaic and Greek. English equivalents of all of the texts have been added as a further point of comparison.

With bright, colorful illustrations and a memorable lesson, this fun-to-read Bible story comes to life for toddlers aged three to six. DANIEL OBEYS GOD introduces toddlers to one of the most popular Bible stories. This special book will turn reading time into cherished moments of learning and love – for it is never too early to begin a lifetime of reading God's Word.

One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter--all at the same time.

In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage--and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship--with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful--but also valuable and meaningful and important.

In *Preaching Christ from Daniel* Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel. Using the most up-to-date biblical scholarship, Greidanus addresses foundational issues such as the date of composition, the author(s) and original audience of the book, its overall message and goal, and various ways of preaching Christ from Daniel. Throughout his book Greidanus puts front and center God's sovereignty, providence, and coming kingdom. Each chapter contains building blocks for constructing expository sermons and lessons, including useful information on the context, themes, and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more!

Deronda, a high-minded young man searching for his path in life, finds himself drawn by a series of dramatic encounters into two contrasting worlds: the English country-house life of Gwendolen Harleth, a high-spirited beauty trapped in an oppressive marriage, and the very different lives of a poor Jewish girl, Mirah, and her family. As Deronda uncovers the long-hidden secret of his own parentage, Eliot's moving and suspenseful narrative opens up a world of Jewish experience previously unknown to the Victorian novel.

A new generation of children love Daniel Tiger's Neighborhood, inspired by the classic series Mister Rogers' Neighborhood! Daniel Tiger meets an autistic boy named Max in this 8x8 storybook that celebrates inclusivity and people's differences! Daniel has a new friend at school! His name is Max, and he loves buses and bugs. Max is autistic, so sometimes he needs different things than Daniel. Max and Daniel might be different in some ways, but they always have fun playing together! © 2021 The Fred Rogers Company

Presents a selection of recipes that includes classic French dishes, seasonal specialties, ethnic foods, and vegetarian dishes

A tour de force, Aaron Smith's fourth collection of poetry, *The Book of Daniel*, resists the easy satisfactions of Beauty while

managing the contemporary entanglements of art, sex, and grief. Part pop-thriller, part queer rage, and part mourning, these poems depict not only the complications of representation in the age of social media but a critique of identity. Taking on subjects as diverse as the literary canon, his mother's incurable cancer diagnosis, gay bashing, celebrity gossip, bigotry, violence on TV, and Alexander McQueen's suicide, Smith proves that the confessional lyric is not dead. In tangents as wild as they are reigned, with his characteristic blend of directness, vulnerability and humor, these poems take on the world as it is, a world we love even as it resists all intimacy.

Born into a farming family in Indiana, Jay Edwards, along with his wife and family, has been a missionary and agricultural businessman in South America since 1987. Challenged by the difficulty of dealing first-hand with decisions pertaining to bribes, extortion, threats, unfair bidding processes, political favoritism, blackmail, kickbacks, and other unethical practices, Edwards realized that the Daniel of the Bible, in all probability, faced these issues also. If God could guide Daniel in ancient Babylon, the cradle of perversity, then He could surely guide the author through the labyrinth of politically charged ethical dilemmas so often encountered in South American bureaucracy. How did Daniel do it? How can one adhere to Christian values in a corrupt world? How does one determine the most expedient path when choosing the lesser of the evils? This fast-paced historical fiction poses possible solutions for Daniel and his friends. The book includes as an appendix, Issues Daniel Faced, which provides interesting questions and themes which may be used as a discussion guide for similar issues in our world today.

A one-of-a-kind, uplifting picture book about a Jewish boy and a Palestinian boy who bond on the soccer field—translated into English, Hebrew, and Arabic. Daniel and Ismail, one Jewish and the other Palestinian, don't know each other yet, but they have more in common than they know. They live in the same city and have the same birthday, and this year they get the same presents: a traditional scarf—for Daniel a tallit and for Ismail a keffiyeh—and a soccer ball. Taking their gifts out for a spin, they meet by chance on a soccer field, and they soon begin to play together and show off the tricks they can do. They get so absorbed in the fun that they lose track of time and mix up their gifts: Daniel picks up Ismail's keffiyeh and Ismail takes Daniel's tallit. When they get home and discover their mistake, their parents are shocked and angry, asking the boys if they realize who wears those things. That night, Daniel and Ismail have nightmares about what they have seen on the news and heard from adults about the other group. But the next day, they find each other in the park and get back to what really matters: having fun and playing the game they both love. Daniel and Ismail is a remarkable multilingual picture book that confronts the very adult conflicts that kids around the world face, and shows us that different cultures, religions, societies, and languages can all share the same page.

The ancient Hebrew prophet Daniel lived in the fifth century BC and accurately predicted the history of the nation of Israel from 536 BC to AD 1948. He also predicted the date of the death of the Messiah to occur in AD 32, the date of the rebirth of the nation of Israel to occur in AD 1948, and the Israeli capture of the Temple Mount to take place in AD 1967! Commentary from the ancient rabbis and the first century church reveals how the messianic rabbis and the disciples of the apostles interpreted his prophecies. Daniel also indicated where the Antichrist would come from, where he would place his international headquarters, and identified

the three rebel nations that will attack him during the first three-and-a-half years of the Tribulation. Brought to you by Biblefacts Ministries, Biblefacts.org

This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. THE PROPHECIES OF DANIEL are among the most remarkable Predictions of THE ELDER COVENANT. They are not confined within either a limited time or a contracted space. They relate to the destinies of mighty Empires, and stretch forward into eras still hidden in the bosom of the future. The period of their delivery was a remarkable one in the history of our race. The Assyrian hero had long ago swept away the Ten Tribes from the land of their fathers, and he in his turn had bowed his head in death, leaving magnificent memorials of his greatness in colossal palaces and gigantic sculptures. The Son of the renowned SARDANAPALUS, the worshipper of ASSARAC and BELTIS, had already inscribed his name and exploits on those swarthy obelisks and enormous bulls which have lately risen from the grave of centuries. The glory of NINEVEAH, passed away, to be restored again in these our days by the marvelous excavations at KOYUNJIK, KHORABAD, and NIMROUD. Another capital had arisen on the banks of the Euphrates, destined to surpass the ancient splendor of its ruined predecessor on the banks of the Tigris. The worshipper of the eagle-headed NISROCH — a mighty leader of the Chaldean hordes — had arisen, and gathering his armies from their mountain homes, had made the palaces and halls of NINEVE a desert, had marched southwards against the reigning PHARAOH of Egypt — had encountered him at CARCHEMISH — hurried on to THE HOLY CITY, and carried away with him to his favorite capital the rebellious people of the Lord. Among them was a captive of no ordinary note. He was at that time a child, yet he lived to see this descendant of the hardy Chasdim grow great in power and fame — to hear the tale of the fall of TYRE, and “the daughter of the ZIDONIANS,” and of the triumph over PHARAOH HOPHRA, whom modern researches have discovered in the twenty-sixth dynasty of Egypt’s kings. At length the haughty conqueror returns, and dreams mysteriously. This forgotten prisoner becomes the only interpreter of wondrous visions of Empires about to arise and spread over distant centuries. The dreamer is at length gathered to his fathers, yet the interpreter lives on through the reign of the grandson, and explains a mysterious writing on the palace wall, amidst revelry which ends in the city’s overthrow. Cyrus and his Persians, Darius and his Medes rise rapidly to power, and the Prophet rises with them — till envy throws the aged Seer into a lion’s den. But he perishes not till he has seen visions of the “future history of mankind. The triumphs of PERSIA and MACEDON are revealed — the division of ALEXANDER’S Empire — the wars of his successors — the wide-spread dominion of ROME — the overthrow of the Sacred Sanctuary by Titus — and THE COMING OF MESSIAH to regenerate and to rule the world when the seventy weeks were accomplished. This book covers Calvin's commentaries on Daniel 1 - 6.

Dyamonde is angry at her mother for not buying her the shoes she wants, but when she finds out that a classmate has it a lot worse, she is determined to help.

The central figure of this novel is a young man whose parents were executed for conspiring to steal atomic secrets for Russia. His name is Daniel Isaacson, and as the story opens, his parents have been dead for many years. He has had a long time to adjust to their deaths. He has not adjusted. Out of the shambles of his childhood, he has constructed a new life—marriage to an adoring girl who gives him a son of his own, and a career in scholarship. It is a life that enrages him. In the silence of the library at Columbia University, where he is supposedly writing a Ph.D. dissertation, Daniel composes something quite different. It is a confession of his most intimate relationships—with his wife, his foster parents, and his kid sister Susan, whose own radicalism so reproaches him. It is a book of memories: riding a bus with his parents to the ill-fated Paul Robeson concert in Peekskill; watching the FBI take his father away; appearing with Susan at rallies protesting their parents' innocence; visiting his mother and father in the Death House. It is a book of investigation: transcribing Daniel's interviews with people who knew his parents, or who knew about them; and logging his strange researches and discoveries in the library stacks. It is a book of judgments of everyone involved in the case—lawyers, police, informers, friends, and the Isaacson family itself. It is a book rich in characters, from elderly grand- mothers of immigrant culture, to covert radicals of the McCarthy era, to hippie marchers on the Pen-tagon. It is a book that spans the quarter-century of American life since World War II. It is a book about the nature of Left politics in this country—its sacrificial rites, its peculiar cruelties, its humility, its bitterness. It is a book about some of the beautiful and terrible feelings of childhood. It is about the nature of guilt and innocence, and about the relations of people to nations. It is *The Book of Daniel*.

We all know the story of the Christmas wise men, but do we know the story behind them? Could it be that Daniel, the chief magus of Babylon, set the stage for their journey to the nativity? Is he the reason behind one of the great enigmas of history? And who can forget the epic story of Daniel?the lion?s den, the handwriting on the wall, or his friends in the fiery furnace? In *Daniel?s Star* we have a universally appealing biblical story of Daniel and his three friends as they face the danger, mystery and intrigue of palace life in a strange land?and yet remained true to their God.

Dr. Zdravko Stefanovic lets the Bible explain itself. This ist the only war the book of Daniel can be clearly understood. Its life-changing message will leave you not just astonished but completely transformed by an awesome God who speaks even today through the book of Daniel.

He was never mine to keep. I was entrusted to bear him, raise him, and delight in him for 24 years and 40 days before God called him home. This is the sweet, inspiring story of the ordinary and extraordinary life of Daniel Hyde. His mother shares her wonderful journey with her son, and the solemn honesty of the horrific difficulty faced by any parent who loses a child. Filled with memories, but determined to keep his spirit alive without regret, Glenda and her family join those who knew and loved him to celebrate Daniel's life. This is my commandment: Love one another, as I have loved you. There is no greater love than this, that a man should lay down his life for his friends. John 15: 12,13

Dyamonde Daniel is excited about the local library?s poetry contest, and so is her friend Free. The prize is one hundred dollars?just think what they could buy with that much money! But when they find out that Damaris, one of their

classmates, has been living in a homeless shelter, their ideas about what it means to be rich or poor start to change. And when they get to know Damaris, they realize the one who could use the prize money the most also happens to be the best poet in class. In this fantastic follow-up to *Make Way for Dymonde Daniel*, Nikki Grimes tackles big issues like homelessness in a sensitive, kid-friendly way. Dymonde's can-do attitude and lively spirit will endear her to readers. We know neither the day nor the hour when the Lord Jesus will return, but only that His return is certain. Lying to oneself and to others is also a salient sin of the last days. Already we can see across cultures an avoidance of the Holy Spirit, Who is called the Spirit of Truth in John 15:26. This is reflected in the avoidance of the Holy Bible, the written Word of Truth. It is also reflected in the denigration of the names of God and of Jesus, Who is the living Truth (John 14:6). Revelation 9:21 lists four sins to which humanity clings even through the Great Tribulation: murders, sorceries (Greek *pharmakos*, indicating drug-induced origin), fornication (I understand this as a general terms that includes all form of sexual sin outside of monogamy) and thefts. Are the foundations for world-wide sins of these sorts already well laid? ... I suspect that world-wide judgment may arrive before my normal life span would be completed, although I do not know this. ... God has the power to speed up, slow down or even stop time, as He did for Joshua and Israel in Joshua 10:12-13. As a sign He even reversed time for King Hezekiah as recorded in 2 Kings 20:9-11. So we must be prepared either to live a normal life span ... or to face the full fury of humanity whipped up by Satan as part of his futile struggle to overthrow God as the Sovereign Lord over all Creation. Therefore I believe it prudent to dust off Old Testament prophecy written just before and during the judgments of Israel and Judah as miniature analogies to [the future] struggle and to the Last Judgment to come. Daniel wrote concerning the judgment and lived through the Exile himself. Zephaniah and then Habakkuk wrote shortly before the judgment of Judah. I hope and pray that the reader will reflect on the similarities between the times of these prophets and our own times, even though our technologies are far more advanced ... A heightened interest in prophetic scriptures today necessitates clear Bible teaching. The Old Testament book of Daniel is full of prophetic language and visions. In it, the Lord has written important details regarding the future of the world. Topics addressed include the destiny of nations, the place of Israel in God's eternal plan, and truths about the glorious kingdom of our Lord and Saviour, Jesus Christ. In *This Daniel*, Mr. Paisley seeks to unfold what is revealed about future events. This section-by-section commentary is an indispensable guide for young and old Bible students alike. All will profit from the simple exposition of the prophetic chapters. Chapter nine is particularly foundational to understanding God's prophetic program.

International experts offer fresh insights into: (1) Review of Scholarship and Context; (2) Near Eastern Milieu; (3) Interpretation of Specific Passages; (4) Social Setting; (5) Literary Context, Including Qumran; (6) Reception in Judaism

and Christianity; (7) Textual History; and (8) Theology of Daniel.

This is the second edition of a 1979 commentary on the book of Daniel. The commentary is completely revised, and the introduction in particular is here much extended and addresses fundamental questions regarding the book of Daniel and the apocalyptic movement it inaugurates (with 1 Enoch). Daniel is an indispensable trove and reference about issues like the apocalyptic vision of world's periodized history, the notion of Son of Man, messianism without a messiah, the belief in resurrection, the kingdom of God, the centrifugal spread of divine revelation, and the positive role of the Jewish diaspora. This edition is meant for scholars, college and university researchers, and students of the Bible (of the Old Testament and New Testament) in general.

Dyamonde knows it's what's on the inside that counts! Dyamonde loves eating her mom's pancakes. Free loves eating . . . period. But lately Damaris just pushes her food around her plate, and Dyamonde suspects it has something to do with the mean things classmates have been saying about people's weight. Damaris wonders if they might be talking about her too. Dyamonde knows that Damaris doesn't have a weight problem and is perfect just the way she is--so now it's time for her to make sure Damaris knows that, too. In this fourth installment of the award-winning series, Coretta Scott King Award winner Nikki Grimes's lovable Dyamonde Daniel is back, with a timely message about self-acceptance and healthy eating habits--delivered with her trademark spunk.

Daniel, more than any other book in the Bible, gives an overview of prophecy and the times of the Gentiles. At no time in history is its thrilling message more necessary than at the present hour. Dr. Showers' commentary is clear, concise, logical, nontechnical, and thoroughly biblical. The total exposition, from chapter one to chapter twelve, is consistently premillennial and sheds tremendous light on other portions of the prophetic Word. This clear and insightful exposition is one of the finest commentaries on the book of Daniel available today.

The most comprehensive English-language commentary on Daniel in 65 years. Collins situates the Old Testament in its historical context and offers a full explanation of the text, especially its religious imagery.

Between 1940 and 1974, the number of African American farmers fell from 681,790 to just 45,594--a drop of 93 percent. In his hard-hitting book, historian Pete Daniel analyzes this decline and chronicles black farmers' fierce struggles to remain on the land in the face of discrimination by bureaucrats in the U.S. Department of Agriculture. He exposes the shameful fact that at the very moment civil rights laws promised to end discrimination, hundreds of thousands of black farmers lost their hold on the land as they were denied loans, information, and access to the programs essential to survival in a capital-intensive farm structure. More than a matter of neglect of these farmers and their rights, this "passive nullification" consisted of a blizzard of bureaucratic obfuscation, blatant acts of discrimination and cronyism, violence, and intimidation. *Dispossession* recovers a lost chapter of the black experience in the American South, presenting a counternarrative to the conventional story of the progress achieved by the civil rights movement.

Publisher's description: Jordan unravels the imagery of God's prophecies revealed in Daniel, events that were dawning in Daniel's lifetime. It is late September, and Anna Kiehl, a student of anthropology and a single mother, does not return from her evening run in the forest. The
