Sheila Munro is the daughter of one of the world's most admired fiction writers: Alice Munro, three-time winner of Canada's prestigious Governor General's Award. In *Lives of Mothers and Daughters*, she reveals what it was like to grow up with a mother of such tremendous renown. At the core of the book lies a loving and intimate biography of Alice, presented as only a daughter can. Sheila traces the story back to her ancestors, who left Scotland in the early 19th century, before telling of Alice's birth in 1931, her youth growing up on an Ontario farm, and her two marriages, and two grandchildren--Sheila's own children. Sheila has a tale to tell that's her own as well, involving her writerly aspirations and her efforts to forge a unique path while following in her mother's footsteps. And so, from her perspective as both an author and a mother, Sheila writes frankly about her mother and her mother's writing. The legions of devoted Alice Munro fans will glimpse real-life settings, situations and characters that have worked their way into her fiction as Sheila offers a behind-the-scenes tour (replete with Munro family snapshots) of the inspirations for the tales Munro fans know and love.

A novel in the bestselling quartet about two very different women and their complex friendship: "Everyone should read anything with Ferrante's name on it" (The Boston Globe). WWII Naples, Italy. In *The Story of a New Name*, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, "one of the great novelists of our time" (*The New York Times*), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner and an intense, generous-hearted family saga. "Imagine if Jane Austen got angry and you'll have some idea of how explosive these works are." —The Australian "Brilliant . . . captivating and insightful . . . the richness of her storytelling is likely to please fans of Sara Gruen and Silvia Avallone." —Booklist (starred review)

From the author of *My Brilliant Friend*, a powerful new novel set in a divided Naples. Soon to be adapted into a NETFLIX original series. *The Story of the Lost Child* is the long-awaited fourth volume in the Neapolitan novels (*My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*). The quartet traces the friendship between Elena and Lila, from their childhood in a poor neighbourhood in Naples, to their thirties, when both women are mothers but each has chosen a different path. Their lives are still inextricably linked, for better or worse, especially when it comes to the drama of a lost child. Elena Ferrante was born in Naples. She is the author of seven novels: *The Days of Abandonment*, *Troubling Love*, *The Lost Daughter*, and the quartet of Neapolitan novels: *My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*, and *The Story of the Lost Child*. *Frantugmalia*, a selection of interviews, letters and occasional writings by Ferrante, will be published in 2016. She is one of Italy's most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the *New Yorker* and a recipient of the PEN Renato Poggioli Translation Prize. Praise for Ferrante and the Neapolitan novels '[Ferrante's] charting of the rivalries and sheer inscrutability of female friendship is raw. This is high stakes, subversive literature.' *Sunday Telegraph* 'Ferrante is an expert above all at the rhythm of plotting...Whether it's work, family, friends or sex—and Ferrante, perhaps thanks to her anonymity as an author, is blisteringly good on bad sex—our greatest mistakes in life aren't isolated acts; we rehearse them over and over until we get them as badly wrong as we can.' *Independent* 'Great novels are intelligent far beyond the powers of any character or writer or individual reader, as are great friendships, in their way. These wonderful books sit at the heart of that mystery, with the warmth and power of both.' *Harper's* 'Elena Ferrante is one of the great novelists of our time. Her voice is passionate, her view sweeping and her gaze basilisk...In these bold, gorgeous, relentless novels, Ferrante traces the deep connections between the political and the domestic. This is a new version of the way we live now—one we need, one told brilliantly, by a woman.' *New York Times Sunday Book Review* 'When I read [the Neapolitan novels] I find that I never want to stop. I feel vexed by the obstacles—my job, or acquaintances on the subway—that threaten to keep me apart from the books. I mourn separations (a year until the next one—how?). I am propelled by a ravenous will to keep going.' *New Yorker* 'The best thing I've read this year, far and away...She puts most other writing at the moment in the shade. She's marvellous.' *Richard Flanagan* 'The Neapolitan series stands as a testament to the ability of great literature to challenge, flummox, enrage and excite as it entertains.' *Sydney Morning Herald* 'The depth of perception Ms. Ferrante shows about her character's conflicts and psychological states is astonishing...Her novels ring so true and are written with such empathy that they sound confessional.' *Wall Street Journal* 'The older you get, the harder it is to recapture the intoxicating sense of discovery that comes when you first read George Eliot, Nabokov, Tolstoy or Colette. But this year it came again when I read Elena Ferrante's remarkable Neapolitan novels.' *Jane Shilling*, *New Statesman* 'There is nothing remotely tiring or trying about the experience of reading the Neapolitan novels, which I, and a great many

others, now rank among our greatest book-related pleasures...it is writing that holds honesty dear.' Weekend Australian 'Dickens gave working people a voice. Ferrante, whoever she might be, presents a new paradigm for being female in the world...Ferrante's great literary creations, Lenu and Lila, have the same emotional weight as Anne in Persuasion, Jo in Little Women, Maggie in The Mill on the Floss, Jane in Jane Eyre.' Helen Elliott in the Monthly 'This stunning conclusion further solidifies the Neapolitan novels as Ferrante's masterpiece and guarantees that this reclusive author will remain far from obscure for years to come.' Publishers Weekly 'The Neapolitan novels are smart, thoughtful, serious literature. At the same time, they are violent, suspenseful soap operas populated with a vivid cast of scheming characters...Ferrante's novels are deeply personal and intimate, getting to the very heart of what it means to be a woman, a friend, a daughter, a mother.' Debrief Daily 'Shattering and enthralling, intimate and vicious...The Neapolitan Novels are the kind of books that swallow me whole. As soon as I pick one up, I don't want to breathe or move lest I break the spell...The Neapolitan Novels are among the most important in my reading life. I can't recommend them highly enough.' Readings 'Ferrante captures the complexities of women, friendship and motherhood in ways that make your heart soar and ache in equal measures. If you haven't already, treat yourself to this series.' ELLE Australia '[Ferrante's] Neapolitan novels contain real life – recognisable anxiety, joy, love and heartbreak. This is an incredibly difficult feat to achieve in the first place, let alone sustain, over four books. We will be talking about Elena and Lila for years to come.' Sydney Morning Herald 'There's a bright, sinewy humanness to Ferrante's writing that is so alive it's alarming...The Story of the Lost Child is a full emotional experience, and a fitting end to a huge, arresting series.' New Zealand Listener 'I was one of the many who wept and wondered over Elena Ferrante's The Story of the Lost Child. I plan to re-read the entire series soon.' "Fifty-one columns, short in length but long on wisdom" from the bestselling author of My Brilliant Friend, an HBO

original series (Minneapolis Star-Tribune). Collected here for the first time are the seeds of future novels, the timely reflections of this internationally beloved storyteller, the abiding preoccupations of a writer who has been called “one of the great novelists of our time” (The New York Times). “This is my last column, after a year that has scared and inspired me . . . I have written as an author of novels, taking on matters that are important to me and that—if I have the will and the time—I’d like to develop within real narrative mechanisms.” With these words, Elena Ferrante bid farewell to her year-long collaboration with the Guardian newspaper. For a full year, she wrote weekly articles, the subjects of which had been suggested by Guardian editors, making the writing process a sort of prolonged interlocution. The subjects ranged from first love to climate change, from enmity among women to the experience of seeing her novels adapted for film and TV. Translated by Ann Goldstein, the acclaimed translator of Ferrante’s novels, and accompanied by Andrea Ucini’s intelligent, witty, and beautiful illustrations, this volume is a must for all curious readers. “A masterclass in style: direct and clear and all the more resonant for it.” —The Saturday Paper “If you are interested in the experience of having a drink with the author and listening to her muse on various subjects . . . here’s your answer.” —Vulture

NEW YORK TIMES BESTSELLER • From an award-winning journalist at The Atlantic, these searing essays make a damning case that cruelty is not merely an unfortunate byproduct of the Trump administration but its main objective and the central theme of the American project. “No writer better demonstrates how American dreams are so often sabotaged by American history. Adam Serwer is essential.”—Ta-Nehisi Coates “Trump summoned the most treacherous forces in American history and conducted them with the ease of a grand maestro.” Like many of us, Adam Serwer didn’t know that Donald Trump would win the 2016 election. But over the four years that followed, the Atlantic staff writer became one of our most astute analysts of the Trump presidency and the volatile powers it harnessed. The shock that greeted Trump’s victory, and the subsequent cruelty of his presidency, represented a failure to confront elements of the American past long thought vanquished. In this searing collection, Serwer chronicles the Trump administration not as an aberration but as an outgrowth of the inequalities the United States was founded on. Serwer is less interested in the presidential spectacle than in the ideological and structural currents behind Trump’s rise—including a media that was often blindsided by the ugly realities of what the administration represented and how it came to be. While deeply engaged with the moment, Serwer’s writing is also haunted by ghosts of an unresolved American past, a past that torments the present. In bracing new essays and previously published works, he explores white nationalism, myths about migration, the political power of police unions, and the many faces of anti-Semitism. For all the dynamics he examines, cruelty is the glue, the binding agent of a movement fueled by fear and exclusion. Serwer argues that rather than pretending these four years didn’t happen or dismissing them as a brief moment of madness, we must face what made them possible and

continues to endure. Unless we confront these toxic legacies, the fragile dream of American multiracial democracy will remain vulnerable to the forces that have nearly destroyed it time and again.

Part of the bestselling saga about childhood friends following different paths by “one of the great novelists of our time” (The New York Times). In the third book in the New York Times–bestselling Neapolitan quartet that inspired the HBO series *My Brilliant Friend*, Elena and Lila have grown into womanhood. Lila married at sixteen and has a young son; she has left her husband and the comforts her marriage brought and now works as a common laborer. Elena has left the neighborhood, earned her college degree, and published a successful novel, all of which has opened the doors to a world of learned interlocutors and richly furnished salons. Both women are pushing against the walls of a prison that would have seen them living a life of misery, ignorance, and submission. They are afloat on the great sea of opportunities that opened up for women during the 1970s. And yet, they are still very much bound to each other in a book that “shows off Ferrante’s strong storytelling ability and will leave readers eager for the final volume of the series” (Library Journal).

A major new collection of stories by one of the most exciting and creative voices in contemporary Chinese literature Can Xue’s stories observe no obvious conventions of plot or characterization. That is the only rule they follow. Instead, they tend to limn a disordered and poetic state given structure by philosophical wonder and emotional rigor. Combining elements of both Chinese materiality—the love of physical things—and Western abstract thinking, Can Xue invites her readers into an immersive landscape that blends empirical fact and illusion, mixes the physical and spiritual, and probes the space between consciousness and oblivion. She brings us to a place that is both readily familiar yet unmappable and can make us hyperaware of the inherent unreliability in our relationship to the world around us. Delightful, enchanting, and filled with secrets, Can Xue’s newest collection shines a light on the forces that give contours to the visible terrain we acknowledge as reality.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. “Wild nights are my glory,” the unearthly stranger told them. “I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I’ll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract.” A tesseract (in case the reader doesn’t know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L’Engle’s unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O’Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg’s father, a scientist who disappeared while

engaged in secret work for the government on the tesseract problem.

Like few other works of contemporary literature, Elena Ferrante's Neapolitan novels found an audience of passionate and engaged readers around the world. Inspired by Ferrante's intense depiction of female friendship and women's intellectual lives, four critics embarked upon a project that was both work and play: to create a series of epistolary readings of the Neapolitan Quartet that also develops new ways of reading and thinking together. In a series of intertwined, original, and daring readings of Ferrante's work and her fictional world, Sarah Chihaya, Merve Emre, Katherine Hill, and Jill Richards strike a tone at once critical and personal, achieving a way of talking about literature that falls between the seminar and the book club. Their letters make visible the slow, fractured, and creative accretion of ideas that underwrites all literary criticism and also illuminate the authors' lives outside the academy. The Ferrante Letters offers an improvisational, collaborative, and cumulative model for reading and writing with others, proposing a new method the authors call collective criticism. A book for fans of Ferrante and for literary scholars seeking fresh modes of intellectual exchange, The Ferrante Letters offers incisive criticism, insouciant riffs, and the pleasure of giving oneself over to an extended conversation about fiction with friends.

Dance on the Volcano tells the story of two sisters growing up during the Haitian Revolution in a culture that swings heavily between decadence and poverty, sensuality and depravity. One sister, because of her singing ability, is able to enter into the white colonial society otherwise generally off limits to people of color. Closely examining a society sagging under the white supremacy of the French colonist rulers, Dance on the Volcano is one of only novels to closely depict the seeds and fruition of the Haitian Revolution, tracking an elaborate hierarchy of skin color and class through the experiences of two young women. It is a story about hatred and fear, love and loss, and the complex tensions between colonizer and colonized, masterfully translated by Kaiama L. Glover.

The daughter of a British Foreign Service officer, Moira Hodgson spent her childhood in many a strange and exotic land. Today, Hodgson has a well-deserved reputation as a discerning critic whose columns in the New York Observer were devoured by dedicated food lovers for two decades. A delightful memoir of meals from around the world—complete with recipes—It Seemed Like a Good Idea at the Time reflects Hodgson's talent for connecting her love of food and travel with the people and places in her life. Whether she's dining on Moroccan mechoui, a whole lamb baked for a day over coals, or struggling to entertain in a tiny Greenwich Village apartment, her reminiscences are always a treat.

From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show Pose; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's Kinky Boots; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to "fix" his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter's Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

Here is a dazzling collection from Joan Acocella, one of our most admired cultural critics: thirty-one essays that consider the life and work of some of the most influential artists of our time (and two saints: Joan of Arc and Mary Magdalene). Acocella writes about Primo Levi, Holocaust survivor and chemist, who wrote the classic memoir, *Survival in Auschwitz*; M.F.K. Fisher who, numb with grief over her husband's suicide, dictated the witty and classic *How to Cook a Wolf*; and many other subjects, including Dorothy Parker, Mikhail Baryshnikov, and Saul Bellow. *Twenty-Eight Artists and Two Saints* is indispensable reading on the making of art—and the courage, perseverance, and, sometimes, dumb luck that it requires.

Following her mother's untimely and mysterious death, Delia embarks on a voyage of discovery through the streets of her native Naples searching for the truth about her family. Reality is buried somewhere in the fertile soil of memory, and Delia is determined to find it. This stylish fiction is set in a beguiling but often hostile Naples, whose chaotic, suffocating streets become one of the book's central motifs. A story about mothers and daughters, and the complicated knot of lies and emotions that binds them. Elena Ferrante was born in Naples. She is the author of seven novels: *The Days of Abandonment*, *Troubling Love*, *The Lost Daughter*, and the quartet of Neapolitan Novels: *My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*, and

Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the New Yorker and a recipient of the PEN Renato Poggioli Translation Award. 'Ferrante's polished language belies the rawness of her imagery, which conveys perversity, violence, and bodily functions in ripe detail.' New Yorker 'It's the first time a novel ever made me get physical, and it was the first good mood I'd been in for weeks.' New York Times 'Like Joyce's Ulysses, this journey draws vigorously on its cityscape. Naples is one of those sun-drenched spooky cities, thrumming with life and populated by ghosts, spastic with impermeable local culture.' Time Out New York 'A brutally frank tale about the dangerous intersection of rage and desire.' Booklist 'Both The Days of Abandonment and Troubling Love are tour de forces, and harrowing tours of a feminine psyche under siege. They both confirm Ferrante's reputation as one of Italy's best contemporary novelists.' Seattle Times 'There is an increasingly hallucinatory quality to the prose, a vulgarity and grotesqueness, too. Ferrante's novels are regarded as brilliant. Gritty and confronting, they are about an underbelly of southern Italy tourists rarely see.' New Zealand Herald 'Ferrante's uncompromising directness and her unflinching gaze cannot be faulted.' Age/Sydney Morning Herald 'The most erratic of the three novellas, its unhinged, broken quality matching the psyche of both Delia and her mother, whose violent history is hinted at in the character of a half-drawn child...It's brave to write a protagonist who at turns shames and exalts her mother with such cruelty and tenderness.' The new grand theory of leadership by Ram Charan . . . The breakthrough book that links know-how—the skills of people who know what they are doing— with the personal and psychological traits of the successful leader. How often have you heard someone with a commanding presence deliver a bold vision that turned out to be nothing more than rhetoric and hot air? All too often we mistake the appearance of leadership for the real deal. Without a doubt, intelligence, vision, and the ability to communicate are important. But something big is missing: the know-how of running a business—the capacity to take it in the right direction, do the right things, make the right decisions, deliver results, and leave the people and the business better off than they were before. For well over four decades, Ram Charan has been learning in the most visceral way the underlying reasons why leaders succeed and fail. As one of the most influential advisers to top management teams of leading companies around the world, he has had a front-row seat to observe the cause and effect of leadership practices and behaviors. Ram Charan's insight into the real content of leadership provides you with the eight fundamental skills needed for success in the twenty-first century:

- Positioning (and, when necessary, repositioning) your business by zeroing in on the central idea that meets customer needs and makes money
- Connecting the dots by pinpointing patterns of external change ahead of others
- Shaping the way people work together by leading the social system of your business
- Judging people by getting to the truth of a person
- Molding high-energy, high-powered, high-ego people into a working team of leaders in which they equal more than the sum of their parts
- Knowing the destination where you want to take your business by developing goals that balance what the business can become with what it can realistically achieve
- Setting laser-sharp priorities that become the road map for meeting your goals
- Dealing creatively and positively with societal pressures that go

beyond the economic value creation activities of your business. Know-How is the missing link of leadership. By showing how the eight know-hows link to, interact with, and reinforce personal and psychological traits, Ram Charan provides a holistic and innovative portrait of successful leaders of the twenty-first century.

One of the Millions's Most Anticipated Books of 2021 America's modern culinary history told through the lives of seven pathbreaking chefs and food writers. Who's really behind America's appetite for foods from around the globe? This group biography from an electric new voice in food writing honors seven extraordinary women, all immigrants, who left an indelible mark on the way Americans eat today. *Taste Makers* stretches from World War II to the present, with absorbing and deeply researched portraits of figures including Mexican-born Elena Zelayeta, a blind chef; Marcella Hazan, the deity of Italian cuisine; and Norma Shirley, a champion of Jamaican dishes. In imaginative, lively prose, Mayukh Sen—a queer, brown child of immigrants—reconstructs the lives of these women in vivid and empathetic detail, daring to ask why some were famous in their own time, but not in ours, and why others shine brightly even today. Weaving together histories of food, immigration, and gender, *Taste Makers* will challenge the way readers look at what's on their plate—and the women whose labor, overlooked for so long, makes those meals possible.

In fierce, textured voices, the women of Ovid's *Metamorphoses* claim their stories and challenge the power of myth I am the home of this story. After thousands of years of other people's tellings, of all these different bridges, of words gotten wrong, I'll tell it myself. Seductresses and she-monsters, nymphs and demi-goddesses, populate the famous myths of Ovid's *Metamorphoses*. But what happens when the story of the chase comes in the voice of the woman fleeing her rape? When the beloved coolly returns the seducer's gaze? When tales of monstrous transfiguration are sung by those transformed? In voices both mythic and modern, *Wake, Siren* revisits each account of love, loss, rape, revenge, and change. It lays bare the violence that undergirds and lurks in the heart of Ovid's narratives, stories that helped build and perpetuate the distorted portrayal of women across centuries of art and literature. Drawing on the rhythms of epic poetry and alt rock, of everyday speech and folk song, of fireside whisperings and therapy sessions, Nina MacLaughlin, the acclaimed author of *Hammer Head*, recovers what is lost when the stories of women are told and translated by men. She breathes new life into these fraught and well-loved myths.

This compelling account concludes Nobel Prize-winner Aleksandr Solzhenitsyn's literary memoirs of his years in the West after his forced exile from the USSR following the publication of *The Gulag Archipelago*. The book reflects both the pain of separation from his Russian homeland and the chasm of miscomprehension between him and Western opinion makers. In *Between Two Millstones*, Solzhenitsyn likens his position to that of a grain that becomes lodged between two massive stones, each grinding away—the Soviet Communist power with its propaganda machine on the one hand and the

Western establishment with its mainstream media on the other. Book 2 picks up the story of Solzhenitsyn's remarkable life after the raucous publicity over his 1978 Harvard Address has died down. The author parries attacks from the Soviet state (and its many fellow-travelers in the Western press) as well as from recent émigrés who, according to Solzhenitsyn, defame Russian culture, history, and religion. He shares his unvarnished view of several infamous episodes, such as a sabotaged meeting with Ronald Reagan, aborted Senate hearings regarding Radio Liberty, and Gorbachev's protracted refusal to allow *The Gulag Archipelago* to be published back home. There is also a captivating chapter detailing his trips to Japan, Taiwan, and Great Britain, including meetings with Margaret Thatcher and Prince Charles and Princess Diana. Meanwhile, the central themes of Book 1 course through this volume, too—the immense artistic quandary of fashioning *The Red Wheel*, staunch Western hostility to the historical and future Russia (and how much can, or should, the author do about it), and the challenges of raising his three sons in the language and spirit of Russia while cut off from the homeland in a remote corner of rural New England. The book concludes in 1994, as Solzhenitsyn bids farewell to the West in a valedictory series of speeches and meetings with world leaders, including John Paul II, and prepares at last to return home with his beloved wife Natalia, full of misgivings about what use he can be in the first chaotic years of post-Communist Russia, but never wavering in his conviction that, in the long run, his books would speak, influence, and convince. This vibrant, faithful, and long-awaited first English translation of *Between Two Millstones*, Book 2, will fascinate Solzhenitsyn's many admirers, as well as those interested in twentieth-century history, Russian history, and literature in general.

This book invites readers into Elena Ferrante's workshop. It offers a glimpse into the drawers of her writing desk, those drawers from which emerged her three early standalone novels and the four installments of *My Brilliant Friend*, known in English as the Neapolitan Quartet. Consisting of over twenty years of letters, essays, reflections, and interviews, it is a unique depiction of an author who embodies a consummate passion for writing. In these pages Ferrante answers many of her readers' questions. She addresses her choice to stand aside and let her books live autonomous lives. She discusses her thoughts and concerns as her novels are being adapted into films. She talks about the challenge of finding concise answers to interview questions. She explains the joys and the struggles of writing, the anguish of composing a story only to discover that it isn't good enough for publication. She contemplates her relationship with psychoanalysis, with the cities she has lived in, with motherhood, with feminism, and with her childhood as a storehouse of memories, material, and stories. The result is a vibrant and intimate selfportrait of a writer at work.

Rarely have the foundations upon which our ideas of motherhood and womanhood rest been so candidly questioned. This compelling novel tells the story of one woman's headlong descent into what she calls an 'absence of sense' after

being abandoned by her husband. Olga's 'days of abandonment' become a desperate, dangerous freefall into the darkest places of the soul as she roams the empty streets of a city that she has never learned to love. When she finds herself trapped inside the four walls of her apartment in the middle of a summer heat wave, Olga is forced to confront her ghosts, the potential loss of her own identity, and the possibility that life may never return to normal again. Elena Ferrante was born in Naples. She is the author of seven novels: *The Days of Abandonment*, *Troubling Love*, *The Lost Daughter*, and the quartet of Neapolitan Novels: *My Brilliant Friend*, *The Story of a New Name*, *Those Who Leave and Those Who Stay*, and *The Story of the Lost Child*. *Fragments*, a selection of interviews, letters and occasional writings by Ferrante, will be published in early 2016. She is one of Italy's most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the *New Yorker* and a recipient of the PEN Renato Poggioli Translation Award. 'Her novels are intensely, violently personal, and because of this they seem to dangle bristling key chains of confession before the unsuspecting reader.' *New Yorker* 'Everything Olga encounters becomes part of her pattern of thinking, and is accommodated as though it had always existed. This, rather than any graphic 'candour', is what makes Ferrante's writing extraordinary.' *London Review* 'Ferrante puts hammer to flesh and invites her reader to penetrate the page.' *Financial Times* 'Every now and again, an author comes along who dares to remind us that the very pain of abandonment can ratchet us back a few evolutionary notches, knock us to the ground and leave us crawling, babbling like beasts.' *San Diego Union-Tribune* 'If that's not a great literary novel, I don't know what is.' *Elle* 'Ferrante is unflinching in drawing a mental landscape that is irrational and cruel...She writes like a rampage, her truth telling implacable and her fury kinetic. The tension in the pages is almost unbearable. The book is a startling treatise on how to stay alive when your world falls apart.' *New Zealand Listener*

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader

the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

A “beautifully written” dark fable from a doll’s point of view—by the New York Times–bestselling author of *The Lost Daughter* and the Neapolitan Novels (*The Washington Post*). One of NPR’s Best Books of the Year. Readers of Elena Ferrante’s *The Lost Daughter* may recall the little doll—lost or stolen—around which that novel revolves. Here, Ferrante retells the tale from the doll’s perspective. Celina is having a terrible night, one full of jealousy for the new kitten, Minù; feelings of abandonment and sadness; misadventures at the hands of the beach attendant; and dark dreams. But she will be happily found by Mati, her child, once the sun rises . . . “Everyone should read anything with Ferrante’s name on it.” —The Boston Globe

2015 Washington Post Notable Book *The Complete Works of Primo Levi*, which includes seminal works like *If This Is a Man* and *The Periodic Table*, finally gathers all fourteen of Levi’s books—memoirs, essays, poetry, commentary, and fiction—into three slipcased volumes. Primo Levi, the Italian-born chemist once described by Philip Roth as that “quicksilver little woodland creature enlivened by the forest’s most astute intelligence,” has largely been considered a heroic figure in the annals of twentieth-century literature for *If This Is a Man*, his haunting account of Auschwitz. Yet Levi’s body of work extends considerably beyond his experience as a survivor. Now, the transformation of Levi from Holocaust memoirist to one of the twentieth century’s greatest writers culminates in this publication of *The Complete Works of Primo Levi*. This magisterial collection finally gathers all of Levi’s fourteen books—memoirs, essays, poetry, and fiction—into three slip-cased volumes. Thirteen of the books feature new translations, and the other is newly revised by the original translator. Nobel laureate Toni Morrison introduces Levi’s writing as a “triumph of human identity and worth over the pathology of human destruction.” The appearance of this historic publication will occasion a major reappraisal of “one of the most valuable writers of our time” (Alfred Kazin). *The Complete Works of Primo Levi* features all new translations of: *The Periodic Table*, *The Drowned and the Saved*, *The Truce*, *Natural Histories*, *Flaw of Form*, *The Wrench*, *Lilith*, *Other People’s Trades*, and *If Not Now, When?*—as well as all of Levi’s poems, essays, and other nonfiction work, some of which have never appeared before in English.

In medieval times, a pilgrimage gave the average Joe his only break from the daily grind. For Gideon Lewis-Kraus, it promises a different kind of escape. Determined to avoid the fear and self-sacrifice that kept his father, a gay rabbi, closeted until midlife, he has moved to anything-goes Berlin. But the surfeit of freedom there has begun to paralyze him, and when a friend extends a drunken invitation to join him on an ancient pilgrimage route across Spain, Lewis-Kraus packs his bag, grateful for the chance to wake each morning with a sense of direction. Irreverent, moving, hilarious, and thought-provoking, *A Sense of Direction* is Lewis-Kraus’s dazzling riff on the perpetual war between discipline and desire, and its attendant casualties. Across three pilgrimages and many hundreds of miles, he completes an idiosyncratic

An ex-jazz drummer wants nothing more than to be a good father in this moving family novel by the New York Times–bestselling author of *The Dutch House*. When his lover takes away his son, he's left only with his Beale Street, Memphis bar. He hires a young waitress named Fay Taft who brings with her a desperate, dangerous brother, Carl, and the possibility of new intimacy. Nickel finds himself consumed with Fay and Carl's dead father—Taft—obsessing over and reconstructing the life of a man he never met. A stunning artistic achievement, Taft confirms Ann Patchett's standing as one of the most gifted writers of her generation and reminds us of our deepest instincts to protect the people we love. “What could be merely a literary parlor trick—keeping three stories in the air at once—becomes...as resonant as a blues song, each story harmonizing with and answering others.... Expect miracles when you read Ann Patchett’s fiction.”—New York Times “A moving emblem of fatherhood’s rarely explored passion.”—Los Angeles Times “Patchett writes with remarkable conviction and attention to telling detail.... [She] is excellent at portraying the steady love and interest that holds the family members together, even though that love and interest isn't always successful in preserving the members from danger.”—Jane Smiley, Pulitzer Prize–winning author of *Golden Age* “Strikingly original.”—Kirkus Reviews

NATIONAL BESTSELLER WINNER OF THE 2018 PEN/FAULKNER AWARD FOR FICTION WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD FOR FICTION AUTHOR IS THE WINNER OF THE 2018 PEN/MALAMUD AWARD FOR EXCELLENCE IN THE SHORT STORY Named 1 of 50 Notable Works of Fiction in 2017 by The Washington Post Named 1 of 10 Top Fiction Titles of 2017 by the Wall Street Journal A Newsday Best Book of 2017 A Kirkus Best Book of 2017 A New York Times Book Review Editor's Choice One of our most gifted writers of fiction returns with a bold and piercing novel about a young single mother living in New York, her eccentric aunt, and the decisions they make that have unexpected implications for the world around them. Reyna knows her relationship with Boyd isn't perfect, yet as she visits him throughout his three-month stint at Rikers Island, their bond grows tighter. Kiki, now settled in the East Village after a journey that took her to Turkey and around the world, admires her niece's spirit but worries that she always picks the wrong man. Little does

she know that the otherwise honorable Boyd is pulling Reyna into a cigarette smuggling scheme, across state lines, where he could risk violating probation. When Reyna ultimately decides to remove herself for the sake of her four-year-old child, her small act of resistance sets into motion a tapestry of events that affect the lives of loved ones and strangers around them. A novel that examines conviction, connection, and the possibility of generosity in the face of loss, *Improvement* is as intricately woven together as Kiki's beloved Turkish rugs, as colorful as the tattoos decorating Reyna's body, with narrative twists and turns as surprising and unexpected as the lives all around us. The *Boston Globe* says of Joan Silber: "No other writer can make a few small decisions ripple across the globe, and across time, with more subtlety and power." *Improvement* is Silber's most shining achievement yet. "Without fuss or flourishes, Joan Silber weaves a remarkably patterned tapestry connecting strangers from around the world to a central tragic car accident. The writing here is funny and down-to-earth, the characters are recognizably fallible, and the message is quietly profound: We are not ever really alone, however lonely we feel." —*The Wall Street Journal*, 1 of 10 top fiction titles of 2017 "[I]t feels vital to love Silber's work. . . Now is the moment to appreciate that she is here, in our midst: our country's own Alice Munro. Silber's great theme as a writer is the way in which humans are separated from their intentions, by desires, ideas, time. . . Like Grace Paley and Lucia Berlin, she's a master of talking a story past its easiest meaning; like Munro, a master of the compression and dilation of time, what time and nothing else can reveal to people about themselves." —*Washington Post*

Poignant, raw, and insightful, Jennifer Gilmore's third novel is an unforgettable story of love, family, and motherhood. With a "voice [that is] at turns wise and barbed with sharp humor" (*Vanity Fair*), Gilmore lays bare the story of one couple's ardent desire for a child and their emotional journey through adoption. Jesse and Ramon are a loving couple, but after years spent unsuccessfully trying to get pregnant, they turn to adoption, relieved to think that once they navigate the bureaucratic path to parent-hood they will have a happy ending. But nothing has prepared them for the labyrinthine process—for the many training sessions and approvals; for the constant advice from friends, strangers, and "experts"; for the birthmothers who contact them but don't ultimately choose them; or even, most shockingly, for the women who call claiming they've chosen Jesse and Ramon but who turn out never to have been pregnant in the first place. Jennifer Gilmore's eloquence about the human heart—its frailties and complexities—and her razor-sharp observations about race, class, culture, and changing family dynamics are spectacularly combined in this powerful novel. Suffused with passion and fury, *The Mothers* is a taut, gripping, and satisfying book that will stay with readers long after they turn the last page.
