USA TODAY Bestseller! “I need you to keep these girls safe . . .” Kate Mason has devoted herself to caring for her family’s blueberry barrens. But after her fields stop producing fruit, she’s forced to come up with alternative ways to make a living. Renting out the small cottage on her property seems an obvious choice, but it won’t be enough. When entrepreneur Drake Newham shows up looking not only for a place to rent but also for a nanny for his two nieces, it’s almost too good to be true. And maybe it is—because Drake brings with him dangerous questions about who might be out to kill his family. The more time Kate spends with Drake and the girls, the more difficult it becomes to hide her attraction to him. But a family crisis isn’t exactly the ideal time to pursue a romance. Meanwhile, Kate learns that her uncle—in prison for murder—has escaped. Add to that a local stalker who won’t leave her alone, and Kate is looking over her shoulder at every turn. With threats swirling from multiple directions, she wonders if her blueberry fields will ever flourish again . . . or if this twilight is her last. Set on the beautiful coast of Maine, *Twilight at Blueberry Barrens* brings together suspense, romance, and the hope that one day new life will come again. It feels like paradise, but deadly secrets lie beneath the waves off the coast of Kauai. Sometimes Kaia Oana thinks her dolphins are more humane than humans. As a mammal intelligence researcher, Kaia has learned a thing or two about the goodness and intelligence of dolphins—and as a natural scientist in close proximity to weapons developers, she’s learned a thing or two about humans as well. When a tourist catamaran explodes off the coast of the Hawaiian island of

Kauai, Kaia and her trained dolphin, Nani, rush to aid the search and rescue effort. After hours of searching, an exhausted Kaia is pulled from the water by Lieutenant Commander Jesse Matthews of the U.S. Navy. Lieutenant Matthews is accustomed to following protocol—and a civilian-dolphin rescue is not typical operating procedure. But when his colleagues ignore the possibility that missile research had something to do with the sunken catamaran, Jesse recruits Kaia and her dolphin to help him conduct his own investigation. The olive-skinned mermaid had impressed him—in more ways than one. As their rogue investigation takes them into the waters surrounding the sunken boat—and their personal chemistry takes them into other uncharted territory—Kaia and Jesse discover that they have become targets themselves. Someone doesn't want them snooping around that wreckage . . . someone desperate enough to kill. Elegance and wealth. Privilege and politics. Do you ever question God's ability to catch you when you fall? Do shame, fear, and brokenness keep you from fully trusting God? Do you secretly believe your dreams are unreachable? Do you secretly believe your dreams are unreachable? You are not alone. This is a book about trust. How we fight it. How we learn to do it. How it transforms us. Life is not safe. That reality slips over us as we grow. Our response to the Father in that reality allows us either to swing higher and higher with the trust of a child . . . or fearfully shrink back from the swing set altogether. As we weigh that choice, God whispers: Trust me. In a remarkably transparent account, author and speaker Sheila Walsh opens wide her lifelong battle with trust and the moment-by-moment choices she made to follow where God led. Sheila has lived a life ruled by the "hidden places" of insecurity and brokenness and knows the overwhelming beauty of a life wholly handed over to Christ. As you encounter her struggles and triumphs, you also meet ten of the Bible's transformed—Tabitha, David, Paul, and others—who teach us that in spite of overwhelming circumstances, just one trusting encounter with Christ sets beautiful things in motion. It can resurrect dreams, instill purpose, and ignite hope. Can a secret be kept forever? Five years ago, Shannon Astor left the beautiful high-mountain

Wary of each other's intentions, Shannon and Jack reluctantly join forces to untangle a deep mystery that swirls around Shannon's parents, a lost Spanish treasure, and a legendary black stallion. If Shannon can learn to entrust her secrets to the man falling in love with her, the truth just might set her free.
