A New York Times bestselling bedtime story with a math twist from Danica McKellar (well-known for her roles on The Wonder Years and The West Wing, and acclaimed author of multiple popular math books)--which sneaks in secret counting concepts on each page to help make your child smarter This deceptively simple bedtime book, the first in the McKellar Math line, gives your child the building blocks for math success. As children say goodnight to the objects all around them--three wheels on a tricycle, four legs on a cat--they will connect with the real numbers in their world while creating cuddly memories, night after night. Actress, math whiz, and New York Times bestselling author Danica McKellar uses her proven math success to show children that loving numbers is as easy as 1, 2, 3. "The joys of counting combine with pretty art and homage to Goodnight Moon." --Kirkus "McKellar brings her enthusiasm for mathematics to a younger crowd in this gentle and well-executed counting book." --Publishers Weekly "A similarly simple, quiet feel as Margaret Wise Brown's iconic Goodnight Moon...there is a lot to count on." -Booklist "A winner for bedtimes or storytimes focusing on counting." --School Library Journal Illustrations and simple rhyming text show that while the body parts of various human and Muppet characters may look different, they have similar uses.--

The Sesame Street Potty Time with Elmo comes with a seven-button audio module that enables children to add voices and other sounds to a story about Elmo teaching his doll, Baby David, all about using the potty. The book is recommended for children ages 18 months and older. Icons on the book's pages match the buttons on the sound module. Children press a button that matches a page to activate sound. They hear words of wisdom from Elmo to Baby David about all aspects of using the potty, including washing hands afterward, and other sound effects, including a flushing toilet. The Sesame Street Potty Time with Elmo has coated, board pages that resist rips and tears, and wipe clean of spills. The book conforms to the toy safety requirements of ASTM F963-08. Three replaceable AG-13 button cell batteries that power the sound module are included.
