The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers.

"The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

"Jump on the Bump" is one in a series of picture books for young children. It focuses on a specific set of sounds and letter combinations while telling a funny story. In the book, two children find a new way to play in the forest, but to their surprise, the object of their amusement turns out to be something much bigger and meaner looking. Young readers will love the colorful pictures as they read to find out how the two kids deal with a difficult situation.

National Geographic Kids Almanac 2014 National Geographic Soc Childrens books

Fraser and Franny are two Fraser Fir trees who have grown up on a tree farm in the North Carolina mountains. After spending all their days together, they don't know what to expect as Christmas approaches and each is chosen by a family to adorn their homes for the holidays.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Lizzie O'Malley is back with a purpose in life. Still flighty and unpredictable, she knows that loving and losing Teagan Gallagher has changed her life forever. As she navigates her new life in Boston as a full time working mother, she

promises herself she will never fall in love again. But can she keep that promise after meeting Nick Sawyer, the gorgeous Texan who has fallen for her? Follow Lizzie to Ireland where she struggles with tragedy and rediscovers herself all over again.

Describes in simple language how children with ADHD live in and interact with the world. The writer is an executive at an agency for the differently abled who has four adopted sons with ADHD.

Activity book that covers dancing, basic math and of course fun coloring pages.

The Almanac of American Education helps users understand and compare the quality of education at the national, state, and county levels. Compiled from official U.S. government and reliable private sources, the book contains historical and current data, insightful analysis, and useful graphs that provide compelling insights into the state of education in America.

Teaching a child to tell time is quite challenging. How can you put into words a good explanation as to why numerals are to be read in many ways? When introducing the concept, start with the use of an analog clock because it gives the concept of change through the moving hands. This educational book is perfect for little learners. Grab a copy tod

There's no one to tell you that you're creating incorrect color combinations. If there's one thing that you're doing wrong, it could be your grip and the amount of control you exhibit. But that's fine because as you continue to work on your coloring skills, your fine motor and handwriting skills will improve as well. Color today!

He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will

## Rath's evil plan doom them all?

Drawing comes with several benefits. One of these is the development of fine motor skills that will aid in the completion of tasks involving object manipulation by hand. As your child draws, he/she begins to express what he/she imagines. Objects are given careful details so features are learned. This way, you can understand what your child creates. How are your child's drawing skills now?

Larger hardcover format offers more user-friendly access to thousands of facts at increased font size to enhance readability. The World Almanac® and Book of Facts is America's top-selling reference book of all time, with more than 82 million copies sold. Published annually since 1868, this compendium of information is the authoritative source for all your entertainment, reference, and learning needs. Factual information on common diseases and disorders (including a new section on ADHD), nutrition and diet, and Medicare and insurance. • World Almanac® Editors' Picks: Memorable Winter Olympic Moments: From Tonya and Nancy to the Miracle on Ice, the editors of The World Almanac® choose their favorite moments of past Winter Olympics to prepare readers for the 2014 Games. • and much more.

Tokoda's rock 'n roll lifestyle comes to an abrupt halt when he is called back home. He climbs on his Harley and heads back to Spirit Island where Native American legends are known to come to life. Nara is intent on preserving her Ojibwa heritage, and couldn't be happier about her former crush coming back to the Island, and is even happier when the sexy musician finds his way into her bed. The rekindled lovers are thrown back in time, but in opposite directions. Tokoda and Nara must overcome the barbaric Sioux tribe to find one another and look for a way to return to their own time. \$1 from each copy of Mystified sold will go to Mark's Run for A.L.S. (Lou Gehrig's Disease)
