Shooting Ladders is a book of advice written to a little girl named Tori. She was four years old when the author started writing the first topic, and she was eight years old when he finished the last topic. But he didn't write it for the Tori of then or even the Tori of now; instead he wrote it for the Tori of the future, as something to help her make the right decisions in her late childhood/early adult years and throughout her life. The book contains the author's opinions on hundreds of various subjects—some of them practical, many of them philosophical; some serious, some whimsical. On a typical subject, the author tells a story from his own personal experiences and then adds a moral lesson for her to learn from the story. Although he's not trying to tell her what to think; he is trying to guide her into making the proper decisions in life. The author hopes that she'll carefully weigh all the options and choose the paths that lead her to a good and happy life.

Retired Detective Anthony Lorenzo's life is about to take on a change after getting a late night long distance phone call. His ex-girlfriend Brenda needs his help. Someone has stolen a stack of fake Florida driver's licenses and a journal describing a drug and porno operation, naming names and places. Now Brenda is on the run. She is a witness to her best friend's murder. Still haunted by his past relationship with Brenda, Lorenzo takes his first-ever plane ride, from Worcester, Massachusetts to Palm Beach, Florida. First thing, he investigates the Castle Club, a private dance club for the rich. It's where the murder takes place. Lorenzo gets caught up in a web of deceit, an unexpected steamy romantic affair that he doesn't want to stop, and a planned blackmail scheme. He suspects a Palm Beach to Worcester drug distribution connection. Searching for more clues, he accidentally uncovers a secret society's meeting place, a club within a club, where world-changing events are hatched. Now the head of security at the Castle Club is looking for him, Brenda, and others. He wants his journal and will do anything to get it back. The Everglades, a body dumping ground, claims more victims as the mystery unravels. Choices need to be made: Does Lorenzo show his dark side and go to a place he's never been, a place outside the law? What if he doesn't? And will he and Brenda repair their long lost relationship?

December 2012. There is global paranoia surrounding the predicted event described in the ancient scrolls recently discovered in the Sphinx: the resurrection of ancient malevolence in the form of Halford. His body has been preserved for 12 millennia in such condition that reanimation might be possible using the genesis procedure.

The flagship publication of the National Parks Conservation Association, National Parks Magazine (circ. 340,000) fosters an appreciation of the natural and historic treasures found in the national parks, educates readers about the need to preserve those resources, and illustrates how member contributions drive our organization's park-protection efforts.

National Parks Magazine uses images and language to convey our country's history and natural landscapes from Acadia to Zion, from Denali to the Everglades, and the 387 other park units in between.

With a left leg shattered by a drug dealer's bullet, former Detroit homicide captain Ed McAvoy accepts a job as Police Chief of Peekamoose Heights, in New York's Catskills. He figures it will be semi-retirement, sort of like running a country club. After all, how much crime can there be? McAvoy soon discovers that his homicide skills will not atrophy from lack of use. Murder, as it turns out, is an equal-opportunity crime that not only resides in large bustling cities like Detroit, but in sleepy, little Catskill villages as well. In the sixth Ed McAvoy Mystery, the festive atmosphere of the annual Winter Carnival is shattered by an act of vandalism on a food truck during the first night of the week-long fair and accusations run rampant among rival vendors. But when the two-time National Champion is attacked and injured at the National Figure Skating pre-trials and one of the mobile chefs is found shot to death, McAvoy must get to the bottom of things quickly before the food-fight turns even deadlier.

Over seven feet tall and with a newfound ability to sense future events, Corinthia Bledsoe is far more than just another Midwestern high-school junior: she is a force of nature. When she predicts with terrifying accuracy the outcome of a tornado that will hit her high school, leaving a cow standing midcourt in the Lugo Memorial field house, Corinthia finds herself at the epicenter of another kind of storm entirely.

Three stories of fun in the sun during one unforgettable summer. In Maui Magic, Addison Bradbury can build anything, but her love life falls apart before it even gets going. Erin Williams, the owner of Maui Magic Catamaran, is more interested in having fun with a woman than building a future with one. Addison is used to getting her way and Erin simply sails through life. There's no way they'll fall in love, right? In Bahama Breeze, Samantha Recker is not a stereotypical CFO. She's into Harleys, hang gliding, and living life on the edge. When she meets Teresa Tinsdale, Sam is completely thrown. She has met her match in more ways than one. Like magnets, they are pulled together and pushed apart, and

there's no way they'll stay together, right? In Jamaican Haven, as an introvert, Cora Donaldson expects to spend her volunteer time quietly cleaning kennels and poop-scooping for a charity dedicated to rescuing stray dogs, until she spills her entire bucket of poo on beautiful, captivating Tyler Sanchez, the shelter's director. There's no way Cora is ever going to recover, right?

From the author of *Promise Me* comes another riveting story. Pope and Jules are enjoying the time of their life having a 'honeymoon-before-the-wedding' romantic rendezvous in Paris when three bombs go off in their hotel. They are forced to take action. Fortunately, they know just what to do in the event of a terror attack. Pope was ex-Delta Force. He is now a sniper instructor at Quantico for the FBI; while Jules is an agent of the Bureau's Behavioral Analysis Unit. By sheer coincidence, the son of the Vice-President of the United States is staying in the same hotel. The terrorists discover this, and now the hunt is on to find him. They need a high-profile hostage, but not if his security detail has anything to say about it. The fiasco quickly escalates. Spies, analysts, intelligence officers scramble to get to the bottom of the terror attack. "Who?" "Why?" "How?" These are just a few questions that need answers after the bombing and the hostage-taking. As they dig deeper, it becomes apparent that this incident is just the beginning, will they be able to get to the bottom of it before it is too late for the world? This is a must-read. Tensions between Pakistan and India are at an all-time high. To complicate matters, twelve American climbers have disappeared in Pakistan's Hindu Kush range. As the conflict escalates, the U.S. Secretary of State's motorcade is ambushed on the outskirts of Islamabad. When her back-up team arrives, they discover a disastrous scene: dozens are dead, including seven diplomatic security agents, and the secretary of state has vanished without a trace. In the wake of the unprecedented attack, CIA agent Ryan Kealey's operation goes into high gear. Naomi Kharmai, the British-born analyst who has taken on a daring new role with the Agency, is on his team again. But Kharmai is becoming increasingly unpredictable, and as they work their way toward the target, it becomes clear to Kealey that anyone is fair game--and no one can be trusted. Thundering to a stark and chilling climax, *The Invisible* raises the stakes on every page. A crackingly intelligent thriller, it is filled with shocking betrayal and, ultimately, revenge. (A. KEET)Toli Polatty lived quietly on her farm in the coastal Georgia woods, rescuing animals and writing children's stories. When

women began to die near veterinary clinics, their sick pets stolen, two GBI agents were dispatched from Atlanta. Rabid Agent Tebeau suspected Toli of the murders, forcing the exhumation of her recently deceased dog. Agent Max Hameyer arrived to rein in Tebeau and became smitten with Toli. His flamboyant attentions and Toli's interest in him led longtime friend and veterinarian Sam Jackson to confront his own feelings for her. Meanwhile, the investigation presented frustrating twists, indicating a second killer. One conspirator was an estranged member of Toli's family. Competition between Max and Sam escalated, provoking an act of violence against Toli. In Atlanta disgruntled Agent Tebeau, smarting from a reprimand, felt Toli had a sinister side, a proclivity for intrigue and perverse, deadly acts. Could he be right?

A New York State investigator matches wits with a devious serial killer in the New York Times bestselling author's true crime thriller. Gary C. Evans was master of disguise and career criminal who had once befriended David "Son of Sam" Berkowitz. In 1989, he started weaving a web of deadly lies in Upstate New York, telling a female friend that the father of her child had deserted her. In fact, Evans had killed the man—just before striking up a ten-year romance with the woman.

Evans first met Investigator James Horton in 1985 when Evans snitched on a childhood friend and crime partner—failing to mention that he'd murdered him. Then, two local jewelry dealers were killed. In 1997, another old friend of Evans, went missing. Was Evans responsible? Horton launched a nationwide manhunt to uncover the truth. For more than a decade, Evans and Horton maintained an odd relationship—part friendship, part manipulation—with Evans serving as a snitch while the tenacious investigator searched for the answers that would put him away. After Horton used Evans to obtain a confession from a local killer, Evans led Horton in a final game of cat-and-mouse that would culminate in the most shocking death of all . . . Sixteen pages of revealing photos!

Colt Ace By: R. N. Echols Private Investigator Conner Pennington investigates the circumstances of an apparent suicide that is now almost fifty years old. Questions have been raised over the past five decades that brings doubt to the validity – and even the competence or possible cover-up, of the original investigation. Retiring from government service, Conner has followed his childhood dream of becoming a private investigator and has been sought out by a high school classmate to look into the mysterious circumstances surrounding the death of his younger brother, Jimmy Ray. His death in 1965 had been determined by the investigating trooper to be the result of a self-inflicted gunshot wound. Conner's past experiences have honed his dogged determination to arrive at the truth and ferret out those seeking to avoid the truth. His investigation stirs the ghosts and suspicions harbored in a small Midwestern town and many of its citizens would prefer this case be left in the past. Conner is not deterred from his investigation by those wanting to wish away long hidden circumstances surrounding the death of a troubled young man. The pursuit of truth reaches across the United States and into the lives of those that may have been involved in the untimely death of Jimmy Ray. Haunted memories are revived when the investigation delves into passions, jealousies, and unwarranted assumptions. Follow the evidence as Conner unravels the threads of dark secrets and resurrects from the grave the revealing circumstances of a cold case. In spite of widespread attempts to bury the truth under the dust and memories of past intimate relationships, the truth will be brought to light.
