In 1976, John Maxwell was excited to receive a book as a gift. The title: The Greatest Story Ever Told. Imagine his shock when he opened it to find all the pages blank-except for a note from the giver that said, "John, your life is before you. Fill these pages with kind acts, good thoughts, and matters of your heart. Write a great story with your life." This was John's invitation to become proactive in writing his own life story. And it marked him. Now John extends that same offer to you and people you care about. It's time to become intentional about writing your own story of significance. THE GREATEST STORY EVER TOLD is the perfect companion for every milestone: Promotion Graduation Wedding New Year Begin writing your story today.

A fresh start in an old city. That was all Camille Grisham wanted. After a deadly series of events forces an abrupt end to her career as an FBI profiler, Camille returns to her hometown of Denver with the hope of starting over. But her hope is tragically short-lived. Less than 24 hours after Camille's arrival home, her best friend Julia is brutally murdered, and the answers are scarce. The police investigation eventually targets a colleague in Julia's law firm, and all signs point to his guilt. Then Camille receives a flash disk - left behind by Julia herself - that implicates someone infinitely more powerful. With the help of a rookie homicide detective, Camille must race to uncover the truth of Julia's life, and the events that led to her death. In doing so she will not only expose a high-level conspiracy involving political and financial corruption, she will also find herself in the midst of yet another deadly confrontation - this time with a killer hell-bent on preserving Julia's secret. 'The Strategist' chronicles Camille Grisham's struggle to find redemption in the face of tragedy and strength in the midst of ever-present danger. She will eventually find both, but not before colliding head-on with a past that she wants nothing more than to leave behind. Book I of the Circle Trilogy Book II 'The Second Circle' will be available Spring 2014

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

A book about the life and time of a preacher's kid who goes through life lost, even though she has grown up in church. Church is not really what she focused on throughout life. As a girl, I paid more attention to all the boys. As a woman had struggled with drugs, men, more drugs and all kinds of non-spiritual things that were not of God. In the end, it all comes to a climatic end with abuse, betrayal and a way of escape at the cost of almost losing her daughter.

Many of us share a deep seated and powerful craving to wear rough clothes, eat coarse food from a tin plate, endure cold, heat and storm. Life can be complex, burdened with a multitude of artificial needs. How sweet it is to get down to the bare necessities if only for a moment evading the never ending struggle for things of no real importance. How good it is to go when and where you please, to do what you want, where you want and when you want. Stories as told by a fugitive from the rat race.

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the

potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

In Change Your World, they show you how to Identify your cause Live out the values that make a difference Become a catalyst for change Join the right team or recruit one of your own Work together with others to make a difference Measure your impact and keep improving You'll not only be encouraged to make a difference based on the needs you see around you; you'll be equipped to take action and start making an impact today. Caution: this book is a document from the future, on how the United States finally split into two independent republics in 2029, and its aftermath. The topic is so sensitive, that its futuristic author must be identified merely as John Doe, Ph.D. Dateline: 2029. The "One Nation, Indivisible," finally divides. - A political satire.

At the heart of John C. Maxwell's brilliant and inspiring book is a simple premise: To do well in life, we must first think well. But can we actually learn new mental habits? Thinking for a Change answers that with a resounding "yes" -- and shows how changing your thinking can indeed change your life. Drawing on the words and deeds of many of the world's greatest leaders and using interactive quizzes, this empowering book helps you assess your thinking style, guides you to new ones, and step by step teaches you the secrets of: Big-Picture Thinking -- seeing the world beyond your own needs and how that leads to great ideas. Focused Thinking -- removing mental clutter and distractions to realize your full potential. Creative Thinking -- stepping out of the "box" and making breakthroughs. Shared Thinking -- working with others to compound results. - Reflective Thinking -- looking at the past to gain a better understanding of the future ...and much more. Here America's most trusted and admired motivational teacher examines the very foundation of success and self-transformation. Illuminating and life-changing, Thinking for a Change is a unique primer not on what to think, but how to best use one of your most precious possessions: your mind.

Utilizing and effectively employing the power of your mind and your brain are essential prerequisites for achieving anything great in life. However, when it comes to the development of their own mind power or brain power many people are clueless. They are not even aware that they possess the means of changing their brain's circuitry through neuroplasticity based techniques. Neuroplasticity or brain plasticity refers to the brain's ability to change and adapt as a result of experience. The brain actually has the ability to reorganize itself by creating new neural pathways. So how do you go about increasing your mind power as well as your brain power so that they are both operating at an optimal level In his book entitled Mind Power: The Never Revealed Secret Ways To Achieve Greatness Using Mind Mastery And Neuroplasticity author John Waters shows you exactly how. He gives you a thorough understanding of how your brain functions and provides you with the tricks you need to achieve your greatest self-whether that be your most creative, attractive, intelligent, intuitive, or athletic side.

John C. Maxwell, #1 New York Times bestselling author, helps readers take the first steps to living a life that matters in INTENTIONAL LIVING. We all have a longing to be significant. We want to make a contribution, to be a part of something noble and purposeful. But many people wrongly believe significance is unattainable. They worry that it's too big for them to achieve. That they have to have an amazing idea, be a certain age, have a lot of money, or be powerful or famous to make a real difference. The good news is that none of those things is necessary for you to achieve significance and create a lasting legacy. The only thing you need to achieve significance is to be intentional. And to do that, all you need to do is start. You can't make an impact sitting still and doing nothing. Every major accomplishment that's ever been achieved started with a first step. Sometimes it's hard; other times it's easy, but no matter what, you have to do it if you want to get anywhere in life. In INTENTIONAL LIVING, John Maxwell will help you take that first step, and the ones that follow, on your personal path through a life that matters.

The Ambassador of God provides exhaustive and in-depth answers to very difficult questions about our cosmic origin and the planet earth. Almost everything to do with the Sun, Moon, Stars, Water, Mars, Jupiter, Aliens... and most importantly - God About the book and author _____ God is real. And for the first time, experimental and observable science reveals his existence. Throughout history, many have argued the existence of God, yet discussions of the Divine have been limited to the realm of philosophy and religion. But what if nature could reveal its creator? And what if science could provide compelling evidences that we have never seen before? What if the identity of the creator behind the origin of our universe can be known for certain? What if... This is what The Ambassador of God, a ground breaking look at our cosmic origin, has provided. In this probing book, difficult questions are answered. As renowned scientists and thinkers challenge the biblical narratives for our cosmic origin, The Ambassador of God uncovers the mysteries that have been hidden from human eyes. Using compelling evidences from astronomy to investigate the underpinnings of the Bible, The Ambassador of God provides a 'cosmic objective certainty' for the existence of a universal Creator. Additionally, it unveils a well of exhaustive insights that eliminates ambiguities in our understanding. How is it possible that God is one and three distinct persons, but not three Gods? Why is the earth and the human body mostly water? Who created the sun, moon and stars? What about aliens and the other solar planets? What is the mystery and purpose behind human existence and other life forms on our planet earth? Why are we here and how did we first arrive on this planet? How do we come to understand divinity in the current scheme of scientific reasoning? How do we make peace with the grand designer behind it all? Readers seeking answers to these questions (and other similar questions) will find them here. They will not find dogma. Instead, they will embark on a journey-an experimental voyage through the lens of science that reveals the mind of God. In a "show" rather than "tell" fashion and a template that's more coherent than any prevailing secular science view, we shall find who God is! Who is the Author? Olumide Sanya is a contemporary poet and writer. Beside poetry and writing, Lumi, as he is affectionately known, helps others to achieve their dreams as a life coach. Unusually drawn to books between the ages of 4 - 9, Lumi neither enjoyed reading nor read books but spent his childhood years looking for abandoned tomes that he turned into a formidable collection. Despite being a non-reader, he realised the dream of becoming a writer in his tender years and for more than 12 years, he abandoned this dream. ...Until one day, God paid him a visit. But it didn't start there, it began with falling in love and writing poems about love and heartbreaks but that's another story for another year. "God has a sense of humor," says Lumi. "It's not hard to see that if you know my story-where I've been, where I'm at, and what God has planned for my tomorrow. What is most important to recognize is what God can do with a 'nobody' like me." The Ambassador of God, he notes, is not just about answers to large existential questions "It is also a road map that offers optimism and guidance in today's confused and increasingly complex modern world." You don't have to be a physics professor or a philosopher to understand Sanya's work. The Ambassador of God aims to open discussion and understanding at the broadest possible level. It is written for everyday people.
