English Grammar book

A beautifully designed edition of one of the most beloved science fiction novels of all time... First published in 1895, The Time Machine won author H.G. Wells immediate recognition and has been regarded ever since as one of the great masterpieces in the literature of science fiction. It popularized the concept of time travel and introduced the concept of a "time machine" device that could travel forwards and backwards through the years. It is the story of one man's astonishing journey beyond the conventional limits of the imagination. One of the most renowned works of science fiction, The Time Machine reflects on the adventures of The Time Traveller - a man who constructs a machine which allows him to explore what the future has to offer. When he courageously steps out of his machine for the first time, he finds himself in the year 802,701—and everything has changed. In this unfamiliar utopian age, creatures seem to dwell together in

perfect harmony. Thinking he can study these marvelous beings and unearth their secret then return to his own time, he discovers that his only avenue of escape, his invention, has been stolen. Wells is generally credited with the popularization of the concept of time travel by using a vehicle that allows an operator to travel purposefully and selectively. The term "time machine", which was coined by Wells, is now universally used to refer to such a vehicle. The book has been adapted for a number of films and television shows, as well as inspiring other science fiction writers. Some of the key benefits of studying from Oswaal Solved Papers are: • Strictly based on the latest CISCE Curriculum issued for Academic Year 2020-2021 • Board Questions for in depth study • Answering Tips and Examiner's Comments • Answers strictly as per the ICSE Marking Scheme • All Typology of Questions included for exam-oriented study • Revision Notes for comprehensive study • 'Mind Maps' in each chapter for making learning simple. • Suggested videos at the end of each chapter for a Digital Learning Experience

This book includes the Chapterwise MCQs & Subjective Questions of ICSE English Paper-I Class 10. This book is beneficial for both the semesters.
