AUGUST IS HELP-A-PET month! The Scouts decide that the best way to help homeless animals is to raise money at a yard sale. It's going to mean a lot of hard work. But, in the end, the Pee Wees might be lucky enough to get a pet of their own!

The Highway Man is a riveting collection of short stories.

Orphans Besieged After a violent attack makes all too clear that the Lands Born from Smoke and Sacrifice are willing to invade, the indigenous magical traditions of Earth turn against the Thirteen Orphans. Pearl Bright, the Tiger, realizes the fight must be taken into the Lands—but she can't do this alone, and her allies are increasingly

untrustworthy. Shaken from her close encounter with death by violence, Brenda Morris is uncertain about her place among the Orphans, an uncertainty not helped by being forced to accept that that Flying Claw, once known as “Foster,” the man she thought she loved, is, by training and tradition, a skilled killer. Yet, despite numerous complexities, if the Orphans hope to meet their enemies from a position of strength, they must open the Nine Gates: a feat that will begin with the revelation of dark secrets and extend to demanding the cooperation not only of barely cooperating living allies, but also of the resentful dead. Bonus material includes the newly expanded essay “Disappointment Evaded.” “The system of magic is complex, the direction the series is taking is mysterious, and the correspondence to Chinese myth and mah-jong are thought-provoking.” Booklist on Nine Gates “Contrasting themes of love and duty, loyalty and ambition, family and otherness lend a sense of universality to this urban fantasy.” Library Journal on Nine Gates

Distributed by the University of Nebraska Press for Caxton Press Historian Bill Gulick, uses the accounts of newspaper reporters who covered the chase to paint a fascinating portrait of the criminal Harry Tracy- the first of a new breed of publicity seeking badmen that surfaced at the beginning of the 20th century.

Strengthen the qualities in your Taoist astrological chart with Inner Alchemy techniques and Universal Healing Tao exercises • Describes how to interpret your Taoist astrology birth chart and discover the unique combination of Five Elements underlying your personality, health, and destiny • Reveals how to strengthen your birth chi with Inner Alchemy techniques and Universal Healing Tao exercises • Explains how to calculate your wealth phase, organ health, and luck cycles Each of us is born with a unique combination of heavenly and earthly energies dictated by the stars overhead and the season on Earth at the moment you take your first breath. Known in Taoist astrology as the Four Pillars of Destiny, this “birth chi” can be calculated using the year, month, day, and time of your birth. Master Mantak Chia and astrologer Christine Harkness-Giles reveal how to interpret your birth chi and strengthen weaknesses within your astrological energies. They explain how each of us is ruled by one of the Five Elements--Wood, Fire, Earth, Metal, and Water--in a Yin or Yang state. For each Element and Yin or Yang combination, the authors describe personality traits, ideal career paths, and emotional and health issues. They reveal how to discover your levels of success, wealth, and power; how your astrological strengths will manifest; and how to understand your relationships with partners, friends, and family. They also explain how to use your chart to calculate your organ health and annual luck cycles. The authors show how to use Inner Alchemy techniques, such as color therapy and feng shui, and Universal Healing Tao exercises, such as the Healing Sounds and Chi Kung,

to harmonize and strengthen the inborn imbalances and weaknesses in your chart. This hands-on method of astrology allows you to take control of your health and destiny by connecting your personal energy with the energies of the cosmos.

A three-novel anthology that wallows in dark, twisted humour, sexual obsession and the latent violence of the male animal. Book 1: Looking For Sarah Jane Smith Marty's living in a Welsh town he hates, doing a job he's lost interest in and so bored he can't even be bothered with sex. But a new life beckons in Australia. It's also a chance to get away from his stupid mates, the loveable loser John and the ultra-macho Wasp Boy. Maybe he'll even meet an exquisite girl like his Doctor Who heroine, Sarah Jane Smith, and live happily ever after... Looking for Sarah Jane Smith – For anyone who suspects life's a bit rubbish. Part road trip and part celebration of idiotic male friendship, Looking for Sarah Jane Smith is sure to strike a chord with those who appreciate Withnail & I, Peep Show and Bill Hicks. '...if there's one thing that stands out about this, it's how bloody funny it is. I actually packed Looking for Sarah Jane Smith for a long-haul flight and such a page-turner did it prove to be that I finished it within a couple of hours.' - Living Abroad Magazine '...A bitter, crude, but funny book... These boys are not particularly likeable, but their story is raw, honest, unsophisticated and rooted in bittersweet reality.' - Post Newspapers 'An agreeably raucous novel that touches on Dr Who and men behaving badly. Its strong language and adult scenes make it the perfect Christmas gift for that impressionable nephew.' - The West Australian Book 2: Girls Like Funny Boys

Part coming of age story, part exploration of the maddening nature of dreams, *Girls Like Funny Boys* is a potent mix of sexual obsession, guilt and fame. "Gina crouched, resting on her haunches to continue the conversation. Her legs were too far apart. There was a hole in her black tights just above the left knee. Johnny felt a hot urge to poke a finger in it. He wished she'd leave him alone. He wished she wasn't wearing tights. He stared at her lopsided mouth and the way her fat lower lip jutted out. It was so red it bordered on purple, the colour of strawberries on the turn." Meet Johnny Goodwin. He's grown up in a quiet Brisbane suburb with loving parents, a faithful dog and an unrequited yearning for his teenage sweetheart, Angie Everson. Now in his last year at school, he's finally caught her eye by starring in a teacher-baiting pantomime. Dreams are already taking shape of a career in entertainment, perhaps with Angie by his side. All he's got to do is pass his exams, get to uni and keep away from Gina Wood, that weird girl who once let him touch her... 'Girls Like Funny Boys wasn't what I expected - and that's simply not fair as Dave Franklin's not meant to be writing to a formula. But I really didn't expect to find this as engaging, involving and quite as emotional as I did. I loved Johnny, rode the waves of his life every step of the way. Most of all I just loved this book.' - Australian Crime Fiction Book 3: To Dare A Future A van driver with abduction and murder on his mind. An eleven-year-old girl snatched on her way home from ballet. A tortured reporter, happy to use her death and the terrifying reign of a child killer to help make his name... To Dare A Future – We all have black

thoughts. It's just some of us act on them. 'Don't let the rather bland title put you off – this is an impressive read, spiced with ethical dilemmas as well as earthy dialogue and humour.' – Sunday Times

Drake Ramsey is a successful author who has just moved to New Orleans to be with his love, the brilliant and now pregnant Zuri Manyika. While Zuri works as a professor at Loyola University, Drake spends his days in Treme Coffeehouse, contemplating a sequel without a clue his world is about to be turned upside down. Drake's horizons expand when his new friend, Adam Boateng, relays stories of life in early New Orleans that strangely hint he may have been there himself. After Drake invites his old buddy, Gerard Schleiermacher, to join them for Halloween, he looks forward to experiencing New Orleans at its most outrageous. But just as they learn that Zuri's old Zimbabwean adversary has escaped from prison, Adam becomes a suspect in a murder. Now Drake is left to speculate if Adam is capable of killing, if the vengeful prisoner is guilty, or if a voodoo priest is responsible. As Drake, Zuri, and Gerard risk their lives in pursuit of the truth, bayous and beignets interweave with second lines and graveyards as a vampire lurks in the shadows. Will Drake ever find the killer? In this gripping mystery, a best-selling author transforms into an amateur sleuth intent on finding a murderer after a wild Halloween in New Orleans.

'Here's one of the most niche Bond Books I've read recently and it's very good.' Prof Neil Martin. 'It's a wonderfully researched and well-written book.' @MyBudgetBond 'Wonderfully Informative as usual from Mr Thomas.' Reader review from Literary 007. 'The quality and variety is endlessly fascinating.' Reader review from Literary 007.' An excellent and much needed insight into the once mysterious Mr Saito!' Reader review from Literary 007. This is the fan's guide to the writing and filming of You Only Live Twice, bringing you much that you might have never known before. Now over fifty years old it remains one of Fleming's most fascinating stories whether in book or film form. It is also the story with the longest and most interesting gestation that started when Fleming first visited Japan in 1959, and then only came to some sort of finale when the film was released in 1968. This is the definitive story of the story; a story that is a literary history, a film history, a travel book, and is definitely more than just a film location guide. The reader will be taken on a unique 007 journey. If you love James Bond you'll love the insights and details; if you love Japan, you will find it equally enjoyable and will want to follow in the same footsteps as Fleming and Bond. Written by

Two ingenuous young people as lovers, with a whimsical tiger as the hero of the fable.

The story of three teenagers, bereft of Harry Potter stories and suddenly swept into a conflict between The Quintessence and The Needful One. They inhabit a world afflicted by the crenellations and creases of space-time where Isaac Newton, Andrew Carnegie and J.K.Rowling can co-exist. They teeter on the edge of defeat, but are gifted powers to use for a world's salvation from evil. 285 pages of fantastic adventures.
