Kaplan's, 5-Steps, Crash Course and the others are great resources for reviewing at the end, but Tamm's Textbook Tools accompany kids all year long. This AP World History companion is filled with vocab and assignments that follow the Bentley text throughout the year, all 38 chapters. They can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be done as homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers started putting the majority of their content online, it opened a niche for traditional paper assignments, a void filled by this series. Whether the textbook itself is written in ink or electrons, students still need to write and keep notes for themselves, and portfolios still matter. These activities challenge students to apply the concepts and give examples, diagramming each chapter as it comes. "On the basis of a superficial inspection, Traditions & Encounters might look similar to several other textbooks that survey the world's past. Like other books, for example, Traditions & Encounters examines the historical development of societies in Asia, Europe, Africa, the Americas, and Oceania. Yet Traditions & Encounters differs from other works in two particularly important ways. First, it relies on a pair of prominent themes to bring a global perspective to the study of world history: it traces the historical development of individual societies in all world regions, and it also focuses attention systematically on interactions between peoples of different societies. Second, it organizes the human past into seven eras that represent distinct and coherent periods of global historical development"--Preface (Page xvi).

The blockbuster danmei/Boys' Love novels from China that inspired the animated Scumbag System series streaming in English! This hilarious story of a man reborn as a villain in a fantasy novel series who ends up romancing the male protagonist is now in English, for the very first time. Half-demon Luo Binghe rose from humble beginnings and a tortured past to become unrivaled in strength and beauty. With his harem of over three hundred wives, and dominion over both the human and demonic realms, he is truly the most powerful protagonist--in a trashy web novel series! At least, that's what Shen Yuan, online alias "Peerless Cucumber," believes as he finishes reading the final chapter in Proud Immortal Demon Way. But when a combination of rage and a poor meal choice leads to his death, Shen Yuan finds himself reborn into the world of the web novel, in the body of Shen Qingqiu--the beautiful but cruel teacher to a young Luo

Binghe. Although as Shen Qingqiu, he now has incredible power and abilities as a cultivator, he's destined to be horrifically punished for crimes against the protagonist, so this new Shen Qingqiu has only one course of action: get into Luo Binghe's good graces before the young man's rise to power. That's the only way he'll escape the awful fate of a true scum villain! This Chinese fantasy (xianxia) comedy built around the romanticized love between two men (danmei) has been translated into numerous languages and inspired the animated series Scumbag System, which amassed millions of streaming views--including the English version on YouTube through Tencent Video. As the first novel series by Mo Xiang Tong Xiu to spur a global multimedia franchise, this incredibly fun tale led the way to her future blockbusters in the danmei genre: Grandmaster of Demonic Cultivation and Heaven Official's Blessing. The Seven Seas English-language edition will include exclusive, all-new covers and interior illustrations from Xiao Tong Kong (Velinxi) and feature a translation by Faelicy (faelicy) & Lily (lily\_ocho).

As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history's stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Immaculee Ilibagiza grew up in a country she loved, surrounded by a family she cherished. But in 1994 her idyllic world was ripped apart as Rwanda descended into a bloody genocide. Immaculee's family was brutally murdered during a killing spree that lasted three months and claimed the lives of nearly a million Rwandans. Incredibly, Immaculee survived the slaughter. For 91 days, she and seven other women huddled silently together in the cramped bathroom of a local pastor while hundreds of machete-wielding killers hunted for them. It was during those endless hours of unspeakable terror that Immaculee discovered the power of prayer, eventually shedding her fear of death and forging a profound and lasting relationship with God. She emerged from her bathroom hideout having discovered the meaning of truly unconditional love—a love so strong she was able seek out and forgive her family's killers. The triumphant story of this remarkable young woman's journey through the darkness of genocide will inspire anyone whose life has been touched by fear, suffering, and loss.

If you were born between the 21st of April and the 21st of May, you will relate to many of the themes identified with your sign's characteristics and personality traits. The poems in this collection have been chosen because they reflect a Taurean attitude to life. They appeal to the interests 'ruled' by your sign; the animals, flowers, trees, plants and places celebrated by the poets and associated with the sign of Taurus over three thousand years of traditional astrology. Some have been chosen simply because we believe you will enjoy them, and that they will awaken or re-awaken your love of poetry.
