This book explores the social life of Muslim women and Christian minorities amid Islamic and Christian movements in urban Java, Indonesia. Drawing on anthropological perspectives and 14 months of participant observation between 2009 and 2013 in the multi-religious Javanese city of Salatiga, this ethnography examines the interrelations between Islamic piety, Christian identity, and gendered sociability in a time of multiple religious revivals. The novel encounters between multiple forms of piety and customary sociality among "moderate" Muslims, puritan Salafists, born-again Pentecostals, Protestants, and Catholics require citizens to renegotiate various social interactions. En-Chieh Chao argues that piety has become a complex phenomenon entangled with gendered sociality and religious others, rather than a preordained outcome stemming from a self-contained religious tradition. Adelle Blackett tells the story behind the International Labour Organization's (ILO) Decent Work for Domestic Workers Convention No. 189, and its accompanying Recommendation No. 201 which in 2011 created the first comprehensive international standards to extend fundamental protections and rights to the millions of domestic workers laboring in other peoples' homes throughout the world. As the principal legal architect, Blackett is able to take us behind the scenes to show us how Convention No. 189 transgresses the everyday law of the household workplace to embrace domestic workers' human rights claim to be both workers like any other, and workers like no other. In doing so, she discusses the importance of understanding historical forms of invisibility, recognizes the influence of the domestic workers themselves, and weaves in poignant experiences, infusing the discussion of laws and standards with intimate examples and sophisticated analyses. Looking to the future, she ponders how international institutions such as the ILO will address labor market informality alongside national and regional law reform. Regardless of what comes next, *Everyday Transgressions* establishes that domestic workers' victory is a victory for the ILO and for all those who struggle for an inclusive, transnational vision of labor law, rooted in social justice.

From the Hoover vacuum cleaner to the fax machine, from the pill to reproductive rights, from Rosie the Riveter to Martha Stewart and Hillary Rodham Clinton, American women have grappled with a sometimes dizzying rate of social and economic change and continually shifting conceptions of gender. This collection of documents seeks to chronicle the exciting and tumultuous recent history of American women, beginning with the watershed event of World War II and the lasting impact of the war effort on women's social and economic opportunities. Subsequent documents speak to the ideas and changes brought about by the women's movement; the challenges to and defense of reproductive rights; the backlash against feminism in the name of family values; and new visions for women's lives in the twenty-first century. Accompanying DVD contains videos & PowerPoint presentations on different aspects of hotel housekeeping .

This book, an essential text for hospitality management students, examines the relevance and applications of general management theory and principles to hospitality organizations. Using contemporary material and case studies, the book indicates ways in which performance may be improved through better use of human resources. Rigorous academic theory is related to hospitality practice, based on the authors' great knowledge of the hospitality industry. The text takes a vocational basis and the illustration of the theory with the real-life examples of hospitality management in action provides a solid and stimulating introduction to the subject.

Thank you ... Muchas gracias ... Tusen tak ... Merci beaucoup. No matter what language you speak you can own and operate a Rent-A-Maid business. The boundaries of how large or how many areas in which you operate are only in your dreams. **WHAT YOU THINK YOU BECOME!** Always think positive thoughts; your thoughts control you right down to your next step. Never give up. Take a vacation yes, but remember you need to get back up some day. The sooner the better: get started and get back to work. It may sound like I am writing this to myself, and I am. I closed my Rent-A-Maid office in Oklahoma City in the fall of 1997. I enjoyed running Rent-A-Maid; it was fun, exciting, challenging and sometimes it was a heartbreaking job, but it was easy. So, ten years later, I'm starting again. I'm a strong believer in God, the Holy Spirit and Jesus. I believe that those who believe in him succeed in ways that the secular world would not believe. If you are a believer, that was the biggest step that you have ever made. No one is perfect, but we can strive in that direction. Your next big step is to make up your mind that you're going to do this. As Napoleon Hill once said, "Do it now". Please understand my friend, that where you find yourself tomorrow is a function of the positive decisions and actions you take today. Opportunities are like sunrises - if you wait too long, you miss them. Progress always involves risks. You can't steal second base and keep your foot on first. To solve any problem, here are three questions to keep in mind. First, what could I do? Second, what could I READ? And third, who could I ask? Don't wish it were easier, wish you were better. Take advantage of every opportunity. The wonderful thing about the game of life is that winning and losing are only temporary...unless you quit. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved. **TABLE OF CONTENTS** 1. This book is written in faith 2.
