GHOST STORIES! Optimus Prime returns to Cybertron, only to be confronted by his rival for the Matrix, Pyra Magna! As Pyra's origin, before she was part of Victorion, is finally revealed, Optimus relives his own past, the first time he met Bumblebee!

The epic finale to the "War-Torn" storyline is here! Wonder Woman faces off against Donna Troy, who's destined to become her ultimate nemesis, in a battle that will seal the fate of Paradise Island! Plus, in the backup story, discover the circumstances of Hippolyta's rise to queen as an ancient threat pits the Amazons against the Spartans!

When the newly promoted Judge Kraken, under the influence of the mysterious and evil Sisters of Death (from the 'Deadworld' dimension which was the original home of Judge Death and the other Dark Judges), kidnaps Psi-Judge Agee, all hell breaks loose in Mega-City One. The sisters use Agee's powerful psi abilities to free the Dark Judges from dimensional limbo (where they were exiled by Judge Anderson). Now it's up to Dredd, Anderson, and all the other Judges in Mega-City One to stop these extraordinarily powerful beings - before they can completely lay waste to the city, and go on to kill all the inhabitants of Dredd's future Earth.

A guide to the motion picture looks at the characters, their personalities, roles, and what they can change into.

Elita One, Windblade, and Starscream fight to gain ultimate control of Cybertron! Dark secrets will be revealed in this series finale!

With Grimlock in charge of the Autobot Earthforce we find out exactly what he thinks of the Autobot Code and the Autobots also get a lesson in how to treat the fairer sex from their resident female Transformer, Arcee.

Prime gets slimed! Crossing the streams after 35 years, this action-packed graphic novel combines two of the most popular franchises in pop-culture history. After years of civil war, the Autobots fled Cybertron, leaving their home planet in the evil clutches of Megatron and his Decepticons. Years later and millions of miles away, the Autobots pick up a Cybertronian distress signal from a mysterious planet called Earth. The ghostly signal shouldn't exist, and it'll bring Optimus Prime and his team--including brand-new Autobot ECTOTRON--face-to-face with... the GHOSTBUSTERS!

Wreck & Rule! They've been beaten up, torn apart, betrayed, and had their sins revealed. The few remaining Wreckers are more lost and lonelier than they've ever been, which makes it the perfect time for them to come under fire from an anti-Cybertronian campaigner and an old foe! Remember them fondly, because this is the 'Requiem of the Wreckers.'

HOLIDAYS IN THE STARS! Three stories about three casts and three unique holiday adventures! You'll laugh, you'll cry, and you'll never look at CYBERTRON or the holidays the same way again!

"Thanks to Harley Quinn's secret contact on the outside, the Squad has faked their deaths, leaving Harley, Deadshot, Cheetah, and Diablo free to live life on their own terms--or so it seems. But by escaping both Waller and the walls of Belle Reve Prison, they may have dug their own graves. They've fallen into the clutches of the Fist of Cain, the insane death cult that helped them play dead--and who are now trying to make their ruse a reality"--

"...the 'Busters have been defeated by the pan-dimensional demon lord Koza'Rai, Father of Gozer, and the villain has separated them across the time stream! Dr. Peter Venkman is trapped in 1886, and his only chance to find his fellow Ghostbusters and return to present-day Earth to free all of humanity from the Rule of Koza'Rai has him teaming up with a very unexpected (and very beautiful) ally!"--P. [4] of cover.

Dark Horse Comics presents classic Star Wars stories not seen in more than 20 years, which were originally printed by Marvel.

Starting in 1984, the British Transformers comic wasn't just a successful toy advert, it taught a generation of British schoolboys how to read through its exciting action packed pages. With sales that vied with 2000AD writers Simon Furman and Bob Budiansky created a generation of fan boys that have never looked back. Stuart Webb was one such reader, and in 2012 he began a journey looking through every single issue of the series, commenting on its highs and lows. He became the first person to look at every backup strip, every comedic cartoon and each editorial and how they worked together to create the most thorough exploration of a publishing phenomenon ever undertaken. It's also personal, full of humour and silliness and even the occasionally thoughtful moment. The final result is an essential read, for Transformers fans, and those interested in the history of Marvel comics in the UK and the impact this comic had on an entire generation.
