

Undaunted Daring To Do What God Calls You To Do

Tucked into Abraham's biography is the story of Hagar, a young Egyptian slave with whom Abraham had a son named Ishmael. Hagar stood out because she was wounded—not physically, but in ways that were as emotionally and spiritually painful as any injury to a body would be. Some wounds were provoked by her own bad behavior, but others were inflicted by those who considered themselves God's people. Anne Graham Lotz too has been wounded by God's people. Some wounds have been deeper than others, some have come out of nowhere, and still others have been provoked by her own behavior, but all of the wounds have been deeply painful. They seemed to hurt even more when the wounders wrapped their behavior in a semblance of religion or piety. As Hagar's story unfolds, you will discover that wounded people often become wounders themselves. While Anne identifies with the wounded, the unpleasant reality is that she also identifies with the wounders, because she has been one, too. She knows from experience that wounding is a cycle that needs to be broken. And by God's grace, it can be. Many have had similar experiences. And perhaps you are among those who have been so deeply hurt that you have confused God's imperfect people with God. Maybe you have even run away from God as a result. Or perhaps you have been a wounder to the extent that you are living in a self-imposed exile, believing you are unworthy to be restored to a warm, loving relationship with God or with God's people. Whatever your hurts may be, *Wounded by God's People* helps you to begin a healing journey—one that enables you to reclaim the joy of God's presence and all the blessings God has for you. God loves the wounded. And the wounders.

"God is love." It's the most basic definition of God in Scriptures, but so profound that it's often misunderstood. In this probing book, a brilliant Bible expositor brings us into the very heart of God by answering such questions as: If God is love, how could He send anyone to hell? What's the difference between the loving God of the New Testament and the angry God of the Old Testament? If God is love, why did He require His Son to die such a cruel death on the Cross? How can God be both loving and jealous? The author argues against the two polar views of God as a sentimental grandfather whose doting love could not bring him to punishment of the disobedient and God as an angry tyrant who would rule by threats. "Both extremes paint a distorted picture of God and further confuse the issue of understanding God's love," Dr. MacArthur writes. He insists that what God loves is actually defined by what He hates, and that neither His love nor His wrath can be understood in isolation from the other. Although the author is clearly aware of the way great men have grappled with these issues in the history of the Church, his doctrinal presentations arise more from the biblical text than from dogmatic theology. He examines in detail the way John?"the apostle of love"?treats love in his First Epistle, then fleshes out the doctrine of God's love in vivid representations of real people interacting with divine love.

The definitive true story of Wild Bill, the first lawman of the Wild West, by the #1 New York Times bestselling author of *Dodge City*. In July 1865, "Wild Bill" Hickok shot and killed Davis Tutt in Springfield, MO—the first quick-draw duel on the frontier. Thus began the reputation that made him a marked man to every gunslinger in the Wild West. James Butler Hickock was known across the frontier as a soldier, Union spy, scout, lawman, gunfighter, gambler, showman, and actor. He crossed paths with General Custer and Buffalo Bill Cody, as well as Ben Thompson and other young toughs gunning for the sheriff with the quickest draw west of the Mississippi. Wild Bill also fell in love—multiple times—before marrying the true love of his life, Agnes Lake, the impresario of a traveling circus. He would be buried however, next to fabled frontierswoman Calamity Jane. Even before his death, Wild Bill became a legend, with fiction sometimes supplanting fact in the stories that surfaced. Once, in a bar in Nebraska, he was confronted by four men, three of whom he killed in the ensuing gunfight. A famous Harper's Magazine article credited Hickok with slaying 10 men that day; by the 1870s, his career-long kill count was up to 100. The legend of Wild Bill has only grown since his death in 1876, when cowardly Jack McCall famously put a bullet through the back of his head during a card game. Bestselling author Tom Clavin has sifted through years of western lore to bring Hickock fully to life in this rip-roaring, spellbinding true story.

In the early 1920s, Aboriginal Alaskan expeditioner Ada Blackjack survived for two years as a castaway on an uninhabited island in the Arctic Ocean before she was finally rescued. And she's just one example. *The Girl Who Rode a Shark: And Other Stories of Daring Women* is a rousing collection of biographies focused on women and girls who have written, explored, or otherwise plunged headfirst into the pages of history. *Undaunted*

In *Undaunted*, Christine challenges you to embrace the reality of God's love so you can speak it to others as you live out your own unique calling. As Christine writes, "Love like Christ's can lift you out of betrayal and hurt. It can deliver you from any mess. Love like that can release you from every prison of fear and confusion. Shame has no place in the purpose, plan, and destiny God has for us because shame lies to us, robs us of the freedom we long for, and shackles us in the prison of our past. In this five-session video Bible study (DVD/digital video sold separately), author and teacher Christine Caine weaves examples from her life with those of biblical characters who failed but overcame their shame to show how God heals us and redeems us. In her passionate style, she explains that if we want to change our futures, we have to believe God is bigger than our mistakes, our inadequacies, our pasts, and our limitations. We have to believe God created us for a unique purpose, has a specific plan for us, and has a powerful destiny he wants us to fulfill. God has already won the victory over sin and its shame, and we do not need to spend our lives believing the lies of the deceiver. Instead, we can allow ourselves to be defined by God's truth and choose to see ourselves the way God does—through the lens of his eternal perspective. So join the journey. From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

Are you ready to hope again? Are you ready to let go of doubt and sorrow? Just listen carefully. God is whispering your name. Somewhere, between the pages of this book and the pages of your heart, God is speaking. And He is calling you by name. Maybe that's hard to believe. Maybe you just can't imagine that the One who made it all thinks of you that personally -- that He keeps your name on His heart and lips. But it's true. In the Bible and in the circumstances of your life, He whispers your name lovingly. Tenderly.

Patiently but persistently. Let these stories remind you of the God who knows your name. Some of the stories are from the Bible. Some are drawn from everyday life. Most are about people who are lost ... or weary ... or discouraged -- just like you may be. If you let them, they will tell the story of your life. And the story of a God who speaks into your situation. So listen closely as you turn these pages. Listen for the Father's gentle whisper that can erase your doubt, your sorrow, your weariness, your despair. It really is your name that you hear, and the Voice that calls is more loving than your ever dared dream. Listen. And learn to hope again.

Pearl S. Buck's Pulitzer Prize-winning classic about the rise and fall of Chinese villagers before World War I comes to life in this evocative graphic novel by New York Times bestselling author Nick Bertozzi. Although more than eighty years have passed since Pearl S. Buck's *The Good Earth* won the Pulitzer Prize, it has retained its popularity and become one of the great modern classics. This indelible portrait of China in the 1920s, when the last emperor reigned and the vast political and social upheavals of the twentieth century were but distant rumblings, tells the moving story of honest farmer Wang Lung and his selfless wife O-Lan. It is must reading to fully appreciate the sweeping changes that have occurred in the lives of the Chinese people during the last century. Displaying his Eisner Award-winning talents, New York Times bestselling author Nick Bertozzi brings Buck's epic novel to life with incredible imagery in this "finely rendered showcase...that perfectly captures the story's timeless subject matter while also underscoring the antiquity of the depicted world" (Kirkus Reviews). Bertozzi retraces the whole cycle of life depicted in Buck's original novel: its terrors, its passions, its ambitions, and its rewards. Now *The Good Earth*—the universal tale of an ordinary family caught in the tide of history—offers a whole new dimension with these beautiful, evocative images.

Twenty years ago, Jerry Sittser lost his daughter, wife, and mother in a car accident. He chronicled that tragic experience in *A Grace Disguised*, a book that has become a classic on the topic of grief and loss. Now he asks: How do we live meaningfully, even fruitfully, in this world and at the same time long for heaven? How do we respond to the paradox of being a new creature in Christ even though we don't always feel or act like one? How can we trust God is involved in our story when our circumstances seem to say he isn't? While *A Grace Disguised* explored how the soul grows through loss, *A Grace Revealed* brings the story of Sittser's family full circle, revealing God's redeeming work in the midst of circumstances that could easily have destroyed them. As Sittser reminds us, our lives tell a good story after all. *A Grace Revealed* will help us understand and trust that God is writing a beautiful story in our own lives.

Bestselling author, speaker, and activist Christine Caine helps you overcome past guilt and live an unashamed life. Shame can take on many forms. It hides in the shadows of the most successful, confident and high-achieving woman who struggles with balancing her work and children, as well as in the heart of the broken, abused and downtrodden woman who has been told that she will never amount to anything. Shame hides in plain sight and can hold us back in ways we do not realize. But Christine Caine wants readers to know something: we can all be free. "I know. I've been there," writes Christine. "I was schooled in shame. It has been my constant companion from my very earliest memories. I see shame everywhere I look in the world, including in the church. It creeps from heart to heart, growing in shadowy places, feeding on itself so that those struggling with it are too shamed to seek help from shame itself." In *Unashamed*, Christine reveals the often-hidden consequences of shame—in her own life and the lives of so many Christian women—and invites you to join her in moving from a shame-filled to a shame-free life. In her passionate and candid style, Christine leads you into God's Word where you will see for yourself how to believe that God is bigger than your mistakes, your inadequacies, your past, and your limitations. I Am a Fugitive from a Georgia Chain Gang! is the amazing true story of one man's search for meaning, fall from grace, and eventual victory over injustice. In 1921, Robert E. Burns was a shell-shocked and penniless veteran who found himself at the mercy of Georgia's barbaric penal system when he fell in with a gang of petty thieves. Sentenced to six to ten years' hard labor for his part in a robbery that netted less than \$6.00, Burns was shackled to a county chain gang. After four months of backbreaking work, he made a daring escape, dodging shotgun blasts, racing through swamps, and eluding bloodhounds on his way north. For seven years Burns lived as a free man. He married and became a prosperous Chicago businessman and publisher. When he fell in love with another woman, however, his jealous wife turned him in to the police, who arrested him as a fugitive from justice. Although he was promised lenient treatment and a quick pardon, he was back on a chain gang within a month. Undaunted, Burns did the impossible and escaped a second time, this time to New Jersey. He was still a hunted man living in hiding when this book was first published in 1932. The book and its movie version, nominated for a Best Picture Oscar in 1933, shocked the world by exposing Georgia's brutal treatment of prisoners. I Am a Fugitive from a Georgia Chain Gang! is a daring and heartbreaking book, an odyssey of misfortune, love, betrayal, adventure, and, above all, the unshakable courage and inner strength of the fugitive himself.

Bestselling author, speaker, and activist Christine Caine helps readers who are feeling weary and like things somehow aren't quite right to identify how they ended up where they are and what they need to do to course-correct and anchor themselves in the only One who does not change or shift with the currents. We've all at some point looked up from the daily grind and realized we had somehow drifted off course. Maybe we've been doing all the right Christian things and saying all the right Christian words, but inside we know something is just a bit off. Like we've run out of energy, vision, passion, and feel unable to move forward. The question we're pondering is not only How did I get here? but also What do I do now? In this new book, Caine meets us all in that place of weariness and uncertainty, sharing her own journey of discovery with vulnerability, candor, and self-deprecating humor. She lays out what she has learned about staying the course when you're feeling untethered and guides us each to learn the questions to ask about our relationships with God, with others, and with our own hearts to stay continually anchored despite the world's shifting currents; discover how to trust God more deeply by moving from a "what if?" kind of faith to an "even if" kind of faith; identify nine signs we are drifting off course and learn how to reposition ourselves to get back on track; and wrestle honestly with life's hard questions so we can respond faithfully to all the ways God answers, including the times when it feels like he doesn't. Christine offers up deeply personal stories, scriptural insights, and an eye-opening admonition to start paying closer attention, helping us to stop drifting and start thriving as we place our anchor on our unchanging, trustworthy God.

Here is inspiration to go into a dark and troubled world and bring hope, create change, and live completely for Christ.

This accessibly written book illuminates the good news of healing and liberation the Bible offers survivors of sexual abuse. As an expert in pastoral ministry and a survivor of abuse herself, Elaine Heath handles this sensitive topic with compassion and grace. The book is illustrated with stories and insights from survivors, and each chapter ends with reflection questions and recommended activities. Previously published as *We Were the Least of These*, this repackaged edition includes a new contextualized introduction that explores how the book speaks into a vital cultural conversation (#MeToo).

Christine Caine offers life-transforming insights about how not only to overcome the challenges, wrong turns, and often painful circumstances we all experience, but also to actually grow from those experiences and be equipped and empowered to help others. Using her own dramatic life story, Caine shows how God rescued her from a life where she was unnamed, unwanted, and unqualified. She tells

how she overcame abuse, abandonment, fears, and other challenges to go on a mission of adventure, fueled by faith and filled with love and courage. Her personal stories inspire readers to hear their name called, just as Christine heard her own—"You are beloved. You are the hope. You are chosen"—to go into a dark and troubled world, knowing each of us possess all it takes to bring hope, create change, and live completely for Christ. Part inspirational tale, part manifesto to stir readers to lives of adventure, *Your God Is So Big!* shows the way with spiritual wisdom and insight. Her mission to fight injustice by focusing on one person at a time will inspire and awe readers to see how we are joined in a unique mission, products of eternity, positioned in time, pressed to make the most of our lives on a quest filled with adventure and drawn by faith.
