match and work together as they battle against up to 96 other gamers. The Duos and Squads game play modes are permanent features built into the game, and they've proven to be extremely popular, since Fortnite: Battle Royale is, for the most part, cross-platform compatible. Thus, someone experiencing the game on a PS4 can team up with a PC user, for example, to play against a random section of other gamers, in real-time. An Encyclopedia of Strategies for Fortnites: Duos and Squads Strategies will be the first book in this unofficial strategy guide series to offer in-depth coverage of Fortnite: Battle Royale's team-oriented game play modes. Thus, this unofficial strategy guide will be chock full of proven strategies and game play tips designed to help teams achieve victory in the Fortnite: Battle Royale matches they participate in. This expanded (approximately 176-page) guide will include a comprehensive overview of the Fortnite: Battle Royale game, with a special focus on the game's team-oriented game play modes. The full-color book will appeal to readers age 8 and up, regardless of which gaming platform they're using. Throughout each match, gamers must: Focus on survival Avoid the deadly storm Explore the island Gather resources Build structures and fortresses Find, collect, and utilize weapons and ammunition Acquire and use loot items Engage in combat against enemy soldiers with the goal of becoming the last person alive at the end of the match When experiencing any of the team-oriented game play modes, cooperative gameplay (teamwork) and communication with team members become vital. An Encyclopedia of Duos and Squads Strategies will soon be an indispensable resource for gamers experiencing the Duos or Squads game play modes (or any of the other team-oriented game play modes added to Fortnite: Battle Royale on a temporary basis).

President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all?
