

Unsinkable Titanic No 1

Are you fascinated with the Titanic? Have you wondered what it must have been like to work in those hot boiler rooms, or as a maid to a First Class passenger? Have you wondered what it would have been like if you actually were a First Class passenger? Did you watch James Cameron's Titanic and think, "How would I have survived the sinking?" Well, this book is for you. Inside, you will find over 200 facts about the Titanic. There are facts about:

- Building the Titanic
- Crew of the Titanic
- Passengers of the Titanic
- Interior of the Titanic
- Maiden voyage of the Titanic
- Sinking of the Titanic
- Survivors of the Titanic
- Museums of the Titanic
- Movies about the Titanic
- Titanic's legacy

Ready? Let's go back to Titanic...

It has been more than one hundred years since the RMS Titanic sank to the bottom of the North Atlantic ocean. The disaster has captivated history buffs and non-history buffs alike, and it is easy to see why.

Some of the most illustrious people of the day were on board: some survived, and some did not.

Legends abound about whether the ship's maiden voyage was cursed. And then there is the ship itself: arguably the most luxurious vessel to ever travel oversea. Inside you will read about... ? Conceiving of and Building the Titanic ? The Ship of Dreams ? Setting Sail ? The Passengers ? The Iceberg and the

Sinking ? The Aftermath ? The Titanic Remembered and Re-Discovered The disaster holds secrets and stories of love and bravery, cowardice and greed. Explore these and other themes that surround the sinking of the grand ship, Titanic.

Pets face danger on the Titanic in the first thrilling installment of the Survival Tails, perfect for readers of the I Survived and Ranger in Time series! When loyal dog Mutt discovers that his owner and best friend Alice is set to board the RMS Titanic without him, he is determined to follow her across the ocean. With the help of King Leon the rat, Mutt sneaks aboard, but it isn't long before the Captain's cat, Clara, discovers the stowaway. Reluctantly, Clara agrees to help Mutt find Alice, on the condition that he help her look after a trio of abandoned kittens she found in a lifeboat. But when the unthinkable happens and the so-called unsinkable ship hits an iceberg, Mutt and his new friends have to race against the clock to reunite with their humans--and to survive. Survival Tails: The Titanic is the first in a series of heart-stopping, action-packed, animal-starring adventure stories that will captivate and educate young readers.

In the bestselling tradition of Indianapolis and In Harm's Way comes a "captivating...gripping" (Kirkus Reviews, starred review) account of the USS Plunkett—a US Navy destroyer that sustained the most harrowing attack on any Navy ship by the

Germans during World War II, later made famous by John Ford and Herman Wouk. “A reflection on the nature of storytelling itself” (The Wall Street Journal), *Unsinkable* traces the individual journeys of five men on one ship from Casablanca in North Africa, to Sicily and Salerno in Italy and then on to Plunkett’s defining moment at Anzio, where a dozen-odd German bombers bore down on the ship in an assault so savage, so prolonged, and so deadly that one Navy commander was hard-pressed to think of another destroyer that had endured what Plunkett had. After a three-month overhaul and with a reputation rising as the “fightin’est ship” in the Navy, Plunkett (DD-431) plunged back into the war at Omaha Beach on D-Day, and again into battle during the invasion of Southern France—perhaps the only Navy ship to participate in every Allied invasion in the European theatre. Featuring five incredibly brave men—the indomitable skipper, who will receive the Navy Cross; the gunnery officer, who bucks the captain every step of the way to Anzio; a first lieutenant, who’s desperate to get off the ship and into the Pacific; a seventeen-year-old water tender, who’s trying to hold onto his hometown girl against all odds, and another water tender, who mans a 20mm gun when under aerial assault—the dramatic story of each plays out on the decks of the Plunkett as the ship’s story escalates on the stage of the Mediterranean. Based on Navy logs, war diaries,

action reports, letters, journals, memoirs, and dozens of interviews with the men who were on the ship and their families, *Unsinkable* is a timeless evocation of young men stepping up to the defining experience of their lives. “If you were moved by Norman Maclean’s *A River Runs Through It*, by William Kent Krueger’s *This Tender Land*...by the values we hold dear, decency, sacrifice, steadfastness, then *Unsinkable* will take you to a place long dead in your soul, and flood it with light” (Doug Stanton, #1 New York Times bestselling author of *Horse Soldiers*).

Sharks, shipwreck, and sunken treasure in the latest adventure trilogy from Gordon Korman. Four kids are on a marine expedition for the summer, diving to explore an underwater habitat that's just been altered by a seismic event. What they find, though, is much more than fish - it's sunken treasure. Can they salvage it without anyone else getting to it first? Will the prospect of wealth set them against one another? And what about those sharks . . . *DIVE* is another action-packed trilogy from Gordon Korman. The narrative will shift between an account of two kids caught in the shipwreck and the story of the four kids fighting over and desperately trying to get the treasure.

This tale of an Irish teenager aboard the doomed ship, from a Caldecott Medal winner, is a “taut disaster story . . . nearly impossible to put down”

(Publishers Weekly). Fifteen-year-old Barry O'Neill is journeying to New York to reunite with his parents on the maiden voyage of the great ship Titanic. He's homesick, and worried about the Flynn boys traveling in steerage, who have threatened to throw him overboard. Little does Barry know that a struggle with the Flynns is the least of the dangers that await him. This "fast-paced" and suspenseful young adult adventure story is based on the true and terrible events that occurred as the Titanic sank, and "immerses readers in the many human tragedies" (Booklist).

Titanic It has been more than one hundred years since the RMS Titanic sank to the bottom of the North Atlantic ocean. Conceiving of and Building the Titanic- "The Ship of Dreams"- Setting Sail- The Passengers- The Iceberg and the Sinking- The Aftermath- The Titanic Remembered and Re-DiscoveredThe disaster holds secrets and stories of love and bravery, cowardice and greed. Explore these and other themes that surround the sinking of the grand ship, Titanic.

Unsinkable Scholastic Paperbacks

The ultimate action/adventure trilogy begins, with #1 bestselling author Gordon Korman plunging readers into the heart of the Titanic. The Titanic is meant to be unsinkable, but as it begins its maiden voyage, there's plenty of danger waiting for four of its young passengers. Paddy is a stowaway, escaping a deadly past. Sophie's mother is delivered to the ship by police - after she and Sophie have been arrested. Juliana's father is an eccentric whose riches can barely hide his madness. And Alfie is hiding a secret that could get him kicked off the ship immediately. The lives of these four passengers will be forever linked with the fate of Titanic. And the farther they get from shore, the more the danger looms. . . .

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart from other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

From the critically-acclaimed author of *The Downstairs Girl* comes the richly imagined story of Valora and Jamie Luck, twin British-Chinese acrobats traveling aboard the Titanic on its ill-fated maiden voyage. Valora Luck has two things: a ticket for the biggest and most luxurious ocean liner in the

Online Library Unsinkable Titanic No 1

world, and a dream of leaving England behind and making a life for herself as a circus performer in New York. Much to her surprise though, she's turned away at the gangway; apparently, Chinese aren't allowed into America. But Val has to get on that ship. Her twin brother Jamie, who has spent two long years at sea, is there, as is an influential circus owner, whom Val hopes to audition for. Thankfully, there's not much a trained acrobat like Val can't overcome when she puts her mind to it. As a stowaway, Val should keep her head down and stay out of sight. But the clock is ticking and she has just seven days as the ship makes its way across the Atlantic to find Jamie, perform for the circus owner, and convince him to help get them both into America. Then one night the unthinkable happens, and suddenly Val's dreams of a new life are crushed under the weight of the only thing that matters: survival.

Sailing to America on board the Titanic, young Albert faces grown-up decisions about life and death when the magnificent ship is struck by an iceberg and begins to sink. Reprint.

Although the Titanic ship is meant to be unsinkable, there is plenty of danger waiting on its maiden voyage for four of its passengers--Paddy, a stowaway; Sophie, under police custody; rich yet troubled Juliana; and Alfie, who hides a secret.

The "Titanic" is meant to be unsinkable, but as it begins its maiden voyage, there's plenty of danger waiting for four of its young passengers. First in a new trilogy.

The complete story day by day of the fateful voyage with facsimile newspaper headlines and columns reporting the history of the construction, launch and aftermath as events unfolded. Prolifically illustrated with rare contemporary photographs.

Dragon Girls is a super collectible new series that celebrates

Online Library Unsinkable Titanic No 1

the inner fire of everyday girls. We are Dragon Girls, hear us roar! Willa and her friends have a powerful magic inside of them—they each have the ability to transform into a Glitter Dragon Girl. They can breathe glittery fire, soar through the air, and communicate with all the creatures who live in the Magic Forest. The troublesome Shadow Sprites are after the Tree Queen's magic again, and it can only be saved by a special potion. The Dragon Girls must work together to gather all of the ingredients. Willa is leading their quest, but she's scared of what might happen if they don't succeed. Can she embrace her inner fire in time—or will the forest be lost forever?

The first critical analysis of the Titanic as modern myth, this book focuses on the second of the two Titanics . The first was the physical Titanic , the rusting remains of which can still be found twelve thousand feet below the north Atlantic. The second is the mythical Titanic which emerged just as its tangible predecessor slipped from view on 15 April 1912. It is the second of the two Titanics which remains the more interesting and which continues to carry cultural resonances today. The Myth of the Titanic begins with the launching of the 'unsinkable ship' and ends with the outbreak of the 'war to end all wars'. It provides an insight into the particular culture of late-Edwardian Britain and beyond this draws far greater conclusions about the complex relationship between myth, history, popular culture and society as a whole.

Each book in this new series is a high interest,

adventure-packed story that follows a girl who discovers that she has an amazing power—she can change into a magical dragon! We are Dragon Girls, hear us roar! Naomi loves being a Glitter Dragon Girl. She can fly above treetops and roar glittery bursts of magic. Best of all, she and the other Glitter Dragons are keeping their beloved Magic Forest safe from the Shadow Sprites. But all is not as it seems in this special place. The Shadow Sprites' power is growing. . . and they may not be alone. Naomi must harness all the dragon magic she's learned to lead the Glitter Dragon Girls against this new threat.

From bestselling author Gordon Korman, a second heart-stopping adventure aboard the unluckiest ship of all. The Titanic has hit the high seas—and moves steadily toward its doom. Within the luxury of the cabins and the dark underbelly of the ship, mysteries unfold—a secret killer who may be on board, a legacy that may be jeopardized, and a vital truth that will soon be revealed. For Paddy, Sophie, Juliana, and Alfie, life on the Titanic brings both hiding and seeking, as their lives become irrevocably intertwined. And then, of course, an iceberg appears, and the stage is set for the final scene.

Delving deep into Titanic's legacy, Allen Gibson presents a comprehensive history with a refreshing argument, that Titanic represented a considerable achievement in maritime architecture. He determines the true causes of the disaster, telling the story of the

'unsinkable' ship against a backdrop of a tumultuous and rapidly emerging technological world. The book exposes the true interests of the people involved in the operation, regulation and investigation into Titanic, and lays bare the technology so dramatically destroyed. Juxtaposing the duelling worlds of economics and safety, this study rationalises the mindset that wilfully dispatched the world's largest ship out to sea with a deficient supply of lifeboats. Using original material, this fascinating book explores not only how the sinking occurred but also examines the significance and allure of Titanic as well as boldly establishing a future for the wreck itself.

A super collectible series that celebrates the inner fire of everyday girls! Mei, Aisha, and Quinn are Treasure Dragon Girls. They draw on the power of precious gems to transform into mighty dragons. Tasked with keeping the the Magic Forest safe from harm, the Treasure Dragon Grls must come together as a team, embrace their clawsome new abilities, and save the day. The Shadow Sprites have stolen the Heartstring Violin. Aisha must harness the power of sapphires to rescue the violin, and return it to its rightful home in the Magic Forest's secret vault. An absorbing, minute-by-minute account of the demise of the "unsinkable" Titanic, the massive luxury liner that housed a French "sidewalk cafe" and a grand staircase, among other extravagances,

but failed to provide enough lifeboats for the 2,207 passengers on board. Reissue.

Here is the exciting true story about the "unsinkable" Titanic! Dramatic accounts, white-knuckle suspense, and fast-paced action of how the world's biggest, safest ship sank on its maiden voyage. Includes black-and-white photos and full-color underwater photos of the wreck.

In this New York Times bestseller, the author of *A Night to Remember* and *The Miracle of Dunkirk* revisits the Titanic disaster. Walter Lord's *A Night to Remember* was a landmark work that recounted the harrowing events of April 14, 1912, when the British ocean liner RMS Titanic went down in the North Atlantic Ocean, a book that inspired a classic movie of the same name. In *The Night Lives On*, Lord takes the exploration further, revealing information about the ship's last hours that emerged in the decades that followed, and separating myths from facts. Was the ship really christened before setting sail on its maiden voyage? What song did the band play as water spilled over the bow? How did the ship's wireless operators fail so badly, and why did the nearby Californian, just ten miles away when the Titanic struck the iceberg, not come to the rescue? Lord answers these questions and more, in a gripping investigation of the night when approximately 1,500 victims were lost to the sea. A revised series provides detailed overviews of devastating

Online Library Unsinkable Titanic No 1

world disasters, weaving together important background information with gripping accounts from survivors and victims. Two teenagers discover true love aboard the doomed ocean liner Elizabeth Farr never wanted to return to America. During her family's vacation abroad, she has fallen in love with England, and is despondent when her father refuses to let her stay. Returning to New York means having her debut into society, and that means a swiftly arranged marriage. Elizabeth will never go to college, never learn to be a reporter—as she sees it, her life is over as soon as the Titanic reaches port. Of course, if she's unlucky, her life will be over far sooner than that. As Elizabeth and her family settle into their first-class cabins, Katie Hanrahan, a young Irish girl with dreams of finding fortune in America, makes her way to a steerage berth. Both girls have plans for the future, but love and death are about to intervene. This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.

The first modern work to give a comprehensive picture of the RMS Titanic and the people intertwined with her fate, from disaster to recovery. Drawn from primary sources and contemporary accounts and updated to coincide with the April 2012 anniversary, this new heart-rending narrative allows readers to come to their own conclusions about this legendary vessel. Daniel Allen Butler spend more than 30 years researching the work, delving into the lives of every principal participant. In addition to examining the roles played by individual, he also looks into the problems of equipment and errors in technical data that resulted in the deaths of 1502 people. Rather than focussing on the night of the tragedy alone, he also investigates the events leading up to and following the fateful night.

A vivid account of Margaret Brown's remarkable life follows

Online Library Unsinkable Titanic No 1

her move to a Colorado boomtown, her rise to social prominence, her fight for the rights of others, her run for U.S. Congress, and her bravery and compassion during the tragic sinking of the Titanic.

Four children aboard the Titanic--Sophie, Paddy, Juliana, and Alfie--believe the famed killer Jack the Ripper is on the ship with them, and the urgency of their mystery deepens as the "unsinkable" ship hits an iceberg.

Online Library Unsinkable Titanic No 1

"The year is 1912. Theodore Weiss, a German scientist, has discovered a strange new plague that ravages its victims, transforming them into soulless, flesh-hungry monsters"--P. [4] of cover.

Transported back to the Titanic shortly after the collision, Tucker and Maya have to try and convince people that the supposedly unsinkable ship is actually sinking--can they find Liam and his parents and get them and the other third-class passengers to the lifeboats in time?

This original and "meticulously researched retelling of history's most infamous voyage" (Denise Kiernan, New York Times bestselling author) uses the sinking of the Titanic as a prism through which to examine the end of the Edwardian era and the seismic shift modernity brought to the Western world. "While there are many Titanic books, this is one readers will consider a favorite" (Voyage). In April 1912, six notable people were among those privileged to experience the height of luxury—first class passage on "the ship of dreams," the RMS Titanic: Lucy Leslie, Countess of Rothes; son of the British Empire Tommy Andrews; American captain of industry John Thayer and his son Jack; Jewish-American immigrant Ida Straus; and American model and movie star Dorothy Gibson. Within a week of setting sail, they were all caught up in the horrifying disaster of the Titanic's sinking, one of the biggest news stories of the century. Today, we can see their stories and the Titanic's voyage as the beginning of the end of the established hierarchy of the Edwardian era. Writing in his signature elegant prose and using previously unpublished sources, deck plans, journal entries, and surviving artifacts, Gareth Russell peers through the portholes of these first-class travelers to immerse us in a time of unprecedented change in British and American history. Through their intertwining lives, he examines social, technological, political, and economic forces such as the nuances of the British class

Online Library Unsinkable Titanic No 1

system, the explosion of competition in the shipping trade, the birth of the movie industry, the Irish Home Rule Crisis, and the Jewish-American immigrant experience while also recounting their intimate stories of bravery, tragedy, and selflessness. Lavishly illustrated with color and black and white photographs, this is “a beautiful requiem” (The Wall Street Journal) in which “readers get the story of this particular floating Tower of Babel in riveting detail, and with all the wider context they could want” (Christian Science Monitor).

From bestselling author Gordon Korman, the thrilling conclusion to the adventure aboard the unluckiest ship of all. The Titanic was supposed to be unsinkable - the largest passenger steamship in the world, one of the biggest and most luxurious ships ever to operate. For Paddy, Sophie, Juliana, and Alfie, the Titanic is full of mysteries - whether they're to be found in the opulent first-class cabins and promenade decks or the shadows in the underbelly of the ship. Secrets and plans are about to be revealed - only now disaster looms, and time is running out. The four of them need to find the truth, unmask the killer...and try not to go down with the ship.

Offers a detailed account of the luxury liner's plunge into the ocean and discusses the people involved in the tragedy and the re-discovery and exploration of the vessel

“Veronica Hinke has taken a story that we all know so well and interwoven delicious recipes that are historic and old, but classic and worthy of any modern-day table. She has unearthed a vibrant culinary subtext that often left me breathless and dreamy-eyed. She skillfully captures the magical avor of a fascinating era in our history. Two spatulas raised in adulation.” — CHEF ART SMITH, James Beard award winner, Top Chef Masters contestant, former personal chef to Oprah Winfrey April 14, 1912. It was an unforgettable

Online Library Unsinkable Titanic No 1

night. In the last hours before the Titanic struck the iceberg, passengers in all classes were enjoying unprecedented luxuries. Innovations in food, drink, and de'cor made this voyage the apogee of Edwardian elegance. Veronica Hinke's painstaking research and deft touch bring the Titanic's tragic but eternally glamorous maiden voyage back to life. In addition to stirring accounts of individual tragedy and survival, *The Last Night on the Titanic* offers tried-and-true recipes, newly invented styles, and classic cocktails to reproduce a glittering world of sophistication at sea. Readers will experience: Recipes for Oysters a` la Russe, Chicken and Wild Mushroom Vol-au-Vents, and dozens of other scrumptious dishes for readers to recreate in their own kitchens A rare printed menu from the last first class dinner on the Titanic Drink recipes from John Jacob Astor IV's luxury hotels, including the original Martini The true story of "The Unsinkable Molly Brown" An extraordinary eyewitness testimony to Captain Edward Smith's final moments Intimate and captivating stories about select passengers—from millionaires to third class passengers.

"Time is no more for the fifteen hundred souls who perished with them; but Honour and Glory, by strange ways and unlooked-for events, have come into their own. It was not Time, nor the creatures and things of Time, that received their final crown there; but things that have nothing to do with Time, qualities that, in their power of rising beyond all human limitations, we must needs call divine." "To say that all the men who died on the Titanic were heroes would be as absurd as to say that all who were saved were cowards. There were heroes among both groups and cowards among both groups, as there must be among any large number of men." "In such moments all artificial bonds are useless. It is what men are in themselves that determines their conduct; and discipline and conduct like this are proofs, not of the superiority of one race

over another, but that in the core of human nature itself there is an abiding sweetness and soundness that fear cannot embitter nor death corrupt." The story of the sinking of the Titanic based on first hand accounts collected in the days and weeks following the disaster. The story of the Titanic is now well known, but in the months following the disaster wild speculation was rife. On Thursday 22 May 1912, a mere 37 days after the sinking, respected London publisher Grant Richards, delivered Filson Young's book to booksellers around the capital. It was the first attempt to plot the demise of the unsinkable ship from a well-respected writer who had already argued in the light of the Oceana sinking, for proper use of the wireless on board ships. Both Filson and Grant knew victims of the sinking and both worked hard to gather first-hand testimony to use in the book. Much of his telling of the story still stands today and his speculations about the feeling of daily life aboard the doomed ship are used in books and films on the subject.
