

## Unstoppable Me 10 Ways To Soar Through Life

Now available in a new format and a fresh package: the New York Times best-selling children's book by beloved spiritual teacher Dr. Wayne W. Dyer that teaches children 10 concepts for successful, passionate, self-actualized living. Newly repackaged with a fresh format and cover is Dr. Wayne W. Dyer's New York Times best-selling children's book, based on the 10 concepts from his New York Times bestseller for adults 10 Secrets for Success and Inner Peace. Wayne always said that it's never too early for children to know that they're unique and powerful beings, and that they have everything they need within themselves to create happy, successful lives. With this book, parents can introduce these important ideas to their children. The 10 concepts are numbered, titled, and set in rhyming verse, with vibrant illustrations by Melanie Siegel to bring each point to life. A reader's guide at end, offers 10 questions that kids can answer to connect these ideas to their own lives and make them realize how incredible they truly are!

What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life." Dr. Wayne W. Dyer.....INSPIRATION In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition we can choose so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration your ultimate calling.

The Little Soul and the Sun is a simple and powerful story that brings children a very profound truth: there is not absolute good or bad--that underneath all that happens in the world, all that we call "good" and all that we call "bad," is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.

New York Times bestseller Being unstoppable is about believing and achieving. It's about having faith in yourself, your talents and your purpose and, most of all, in God's great love and His divine plan for your life. Millions around the world recognize the smiling face and inspirational message of Nick Vujicic. Despite being born without arms or legs, Nick's challenges have not kept him from enjoying great adventures, a fulfilling and meaningful career, and loving relationships. Nick has overcome trials and hardships by focusing on the promises that he was created for a unique and specific purpose, that his life has value and is a gift to others, and that no matter the despair and hard times in life, God is always present. Nick credits his success in life to the power that is unleashed when faith takes action. But how does that happen? In Unstoppable Nick addresses adversity and difficult circumstances that many people face today, including:

- Personal crises
- Relationship issues
- Career and job challenges
- Health and disability concerns
- Self-destructive thoughts, emotions, and addictions
- Bullying, persecution, cruelty, and intolerance
- Balance in body, mind, heart, and

spirit • Service to others Through stories from his own life and the experiences of many others, Nick explains how anyone wanting a “ridiculously good life” can respond to these issues and more to become unstoppable. What’s standing in your way? Are you ready to become unstoppable?

Now available in a new format and a fresh package: a children's book about how the world works from a spiritual perspective, by two New York Times best-selling authors. Newly repackaged with a fresh cover, this children's book by New York Times best-selling authors Deepak Chopra and Kristina Tracy offers a simple guide to a happy, successful future. When kids understand how the world works from a spiritual point of view, it makes it easier for them to navigate life with joy and love. Vibrant illustrations by Rosemary Woods and simple rhymes help readers of all ages engage with the seven lessons on happiness, love, karma, dharma, acceptance, and more.

“Your thoughts create your life!” This is the message that Louise Hay has been teaching people throughout the world for more than 27 years. Now, children can learn and understand the powerful idea that they have control over their thoughts and words, and in turn, what happens in their life. Within the pages of *I Think, I Am!* kids will find out the difference between negative thoughts and positive affirmations. Fun illustrations and simple text demonstrate how to make the change from negative thoughts and words to those that are positive. The happiness and confidence that come from this ability is something children will carry with them their entire lives!

Now available in a new format and fresh package: a children's book by the authors of the New York Times best-selling children's book *Incredible You*. This book offers 10 lessons for children for leading fulfilled, self-actualized lives. Dr. Wayne W. Dyer believed that if children could hold on to the no-limit thinking they were born with rather than trying to fit in, they could learn to truly enjoy life and become unstoppable as they strive to attain their dreams. Newly repackaged with a fresh format and cover, *Unstoppable Me!* is based on 10 important lessons, including the value of taking risks, dealing with stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. At the end of this book, a reader's guide offers 10 questions to help spark discussion and to further reinforce Wayne's message. Whimsically illustrated by Stacy Heller Budnick.

Inspired by interviews with real-life cancer survivors and insider sports experience, this unforgettable New York Times bestseller shows a brave boy who learns what it truly means to be unstoppable. As National Ambassador for Young People's Literature emeritus Jon Scieszka said, *Unstoppable* is "absolutely heroic, and something every guy should read." If anyone understands the phrase "tough luck," it's Harrison. As a foster kid in a cruel home, he knows his dream of one day playing in the NFL is a longshot. Then Harrison is brought into a new home with kind, loving parents—his new dad is even a football coach. Harrison's big build and his incredible determination quickly make him a star running back on the junior high school team. On the field, he's practically unstoppable. But Harrison's good luck can't last forever. When a routine sports injury leads to a devastating diagnosis, it will take every ounce of Harrison's determination not to give up for good.

Moses is pictured as idealist reformer, and political manipulator as his rise to power and eventual domination of New York State politics is documented  
I am movement Heat Static electricity Fueled by food And powered by PLAY!  
*Unstoppable Me* is about the sort of energetic child we all know and love — full of fun and play...and a bit exhausting! In this book, we see an unstoppable little boy, run, jump, and soar through his day. He takes a little time to refuel, then he's back at it—zooming and zipping around. This poetic, joyful book—filled with

illustrations as bright and energetic as the boy himself— is a celebration of the active child.

Illustrations and rhyming text portray children experiencing a range of emotions, including frustration, shyness, jealousy, and pride.

Unstoppable Me! 10 Ways to Soar Through Life Hay House, Inc

Unstoppable Me, written by New York Times bestselling author and champion surfer Bethany Hamilton with husband, Adam Dirks, tells the story of Makana the lion, who loves to surf but loses her nerve when she wipes out. When her friend encourages her to go back out again, Makana summons up the courage and discovers the success that comes from believing in yourself and never giving up. As seen in the feature film Bethany Hamilton: Unstoppable, this playful book will have little ones cheering for Makana and inspire them to stay strong and keep trying, no matter what challenges might come their way.

A forensic anthropologist and a Navy SEAL find love and danger in this sexy novella, from Laura Griffin's bestselling Tracers series! Forensic anthropologist Kelsey Quinn goes to a remote Texas border region to dig up ancient bones, but ends up unearthing a deadly secret. When Kelsey's discovery jeopardizes not just her dig, but her life, she turns to US Navy SEAL Gage Brewer, who may be the only person brave enough—and lethal enough—to help. Includes a sneak preview of Griffin's next full-length Tracers novel, Scorched!

Stop thinking about who you might offend and start thinking about who you might inspire. Fans are always asking Tomi Lahren where she gained the confidence and candor that have made her who she is: a celebrated free-speech advocate, a conservative media star, and one of the most controversial pundits in America. In Never Play Dead, Tomi cheers on anyone, especially other young women willing to speak their minds. She takes readers on a tour of the internet trolls, political correctness police, campus activists, and condescending elites who never pass up a chance to quash honest debate. And she skewers the self-esteem movement that ironically discourages people from speaking up for themselves. She tells the story of how she worked her way out of South Dakota to television fame in LA, surviving social isolation, a truly terrible boyfriend, and awful workplaces. Along the way, she was tempted to follow everyone's advice to keep quiet and bide her time, but she never did. This comes at a cost. Any time Tomi posts a video or sends out a tweet, it makes headlines. A video of a stranger throwing a glass of ice water at her and her parents went viral, and the president tweeted about it. She was fired at The Blaze because she wouldn't toe the party line. However, it's fine to lose followers as long as you never lose yourself.

Whether you've been told you're not good enough by parents, lovers, frenemies, bad bosses, or social media, it's time to take Lahren's advice and fight back. Free speech isn't just saying what you want; it's hearing what you don't want to hear. Never Play Dead teaches you to shed your fear, find your inner strength, speak the truth, and never let the haters get you down.

Following in the footsteps of Dr. Wayne Dyer's first children's book, the

bestseller *Incredible You!* this work goes even further toward expressing Wayne's positive message for children. In *Unstoppable Me!* Dr. Dyer teaches children how to hold on to the no-limit thinking he believes they were born with, rather than just trying to "fit in." In doing so, they can learn to truly enjoy life and become unstoppable as they strive to attain their dreams. The 10 important lessons in this book include the value of taking risks, dealing with stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. Similar to *Incredible You!* there are questions at the end of the book to help spark discussion and to further reinforce Wayne's message.

World-famous author Wayne Dyer, the doctor who taught millions how to take charge of their own lives in the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, reveals how to help your kids take charge of their own happiness. If you have children, then you have dreams for them. You want to see them growing up happy, healthy, self-reliant, and confident in themselves and their abilities. You've also probably wondered if you'll be able to give them all this. There's good news: you can. Wayne Dyer shares the wisdom and guidance that have already helped millions of readers take charge of their lives and shows how to make all your hopes for your children come true. Learn valuable advice including Dyer's original seven simple secrets for building your child's self-esteem every day; how to give very young children all the love they need without spoiling them; how to encourage risk-taking without fear of failure; action strategies for dealing with both your own anger and your child's; the right way (and the wrong way) to improve your child's behavior; the secrets of raising kids relatively free of illness; techniques that encourage children to enjoy life, and much more. It's all here – straightforward, commonsense advice that no parent can afford to do without.

An enchanted night reveals what every little girl and boy already knows: that dreams come true, all they need is you! During a nighttime dream, three young friends lift off in a hot air balloon over the moon and past the stars to a wonderland of dolphins, islands, and the simplest of rhyming life-lessons that are easy to learn and fun to share. Presents ten lessons for children that foster confidence and self-esteem, with advice on overcoming worry, dealing with change, making choices, keeping healthy, and being creative.

From Maria Sharapova, one of our fiercest female athletes, the captivating—and candid—story of her rise from nowhere to tennis stardom, and the unending fight to stay on top. In 2004, in a stunning upset against the two-time defending champion Serena Williams, seventeen-year-old Maria Sharapova won Wimbledon, becoming an overnight sensation. Out of virtual anonymity, she launched herself onto the international stage. "Maria Mania" was born. Sharapova became a name and face recognizable worldwide. Her success would last: she went on to hold the number-one WTA ranking multiple times, to win four more Grand Slam tournaments, and to become one of the highest-grossing female athletes in the world. And then—at perhaps the peak of her career—Sharapova came up against the toughest challenge yet: during the 2016 Australian Open, she was charged by the ITF with taking the banned substance meldonium, only recently added to the ITF's list. The resulting suspension would keep

her off the professional courts for fifteen months—a frighteningly long time for any athlete. The media suggested it might be fateful. But Sharapova's career has always been driven by her determination and by her dedication to hard work. Her story doesn't begin with the 2004 Wimbledon championship, but years before, in a small Russian town, where as a five-year-old she played on drab neighborhood courts with precocious concentration. It begins when her father, convinced his daughter could be a star, risked everything to get them to Florida, that sacred land of tennis academies. It begins when the two arrived with only seven hundred dollars and knowing only a few words of English. From that, Sharapova scraped together one of the most influential sports careers in history. Here, for the first time, is the whole story, and in her own words. Sharapova's is an unforgettable saga of dedication and fortune. She brings us inside her pivotal matches and illuminates the relationships that have shaped her—with coaches, best friends, boyfriends, and Yuri, her coach, manager, father, and most dedicated fan, describing with honesty and affection their oft-scrutinized relationship. She writes frankly about the suspension. As Sharapova returns to the professional circuit, one thing is clear: the ambition to win that drove her from the public courts of Russia to the manicured lawns of Wimbledon has not diminished. Sharapova's *Unstoppable* is a powerful memoir, resonant in its depiction of the will to win—whatever the odds.

Unlock Your Potential. Become Unstoppable. Unable to overcome debilitating fatigue and depression, bestselling author and personal development expert Ben Angel set out on a 90-day mission to find and conquer the root of his rut. The result of his journey is *Unstoppable*, a highly revealing book where Ben gives you a look into the world of nootropics, wearable devices, and nutrition and delivers a guide to help you reduce stress, increase focus, improve physical performance, and eliminate your fears. You'll hear from world-leading biohackers, neuroscientists, doctors, and New York Times bestselling author Dave Asprey as Ben helps you: Identify the seven triggers causing your brain fog Discover the key to better health, more energy, and a better mood Optimize your mental performance and feel more alert with six nootropics Form new behaviors and break old patterns (the real secret to your success) Interrupt your stress response through breathing Align your biochemistry with your soul's purpose in three easy steps Use progressive overload to become an upgraded version of yourself Plus, gain access to the *Unstoppable* Assessment to discover your identity type, pinpoint your energy levels, and create a plan to break through your own limits and become unstoppable. When we look at the most successful people, we usually look at their habits—their behaviors, their day-to-day rituals, their dedication. But what about the mind? Ben Angel hits this idea head-on in *Unstoppable*, tackling peak performance with biohacking strategies that will blow your mind. —Dr. Ivan Misner, founder of BNI and New York Times bestselling author

A #1 New York Times Bestseller "This book will change lives." --Elizabeth Gilbert, author of *Eat, Pray, Love* Now in paperback with a new prologue, the indispensable handbook for becoming the creative force of your own life by the host of the award-winning MarieTV and The Marie Forleo Podcast. While most self-help books offer quick fixes, *Everything is Figureoutable* will retrain your brain to think more creatively and positively in the face of setbacks. In the words of Cheryl Strayed, it's "a must-read for anyone who wants to face their fears, fulfill their dreams, and find a better way forward."

If you're having trouble solving a problem or reaching a dream, the problem isn't you. It's that you haven't yet installed the one belief that changes everything. Marie's mom once told her, "Nothing in life is that complicated. You can do whatever you set your mind to if you roll up your sleeves. Everything is figureoutable." Whether you want to leave a dead end job, break an addiction, learn to dance, heal a relationship, or grow a business, Everything is Figureoutable will show you how. In this revised and updated edition, you'll learn:

- The habit that makes it 42% more likely you'll achieve your goals.
- How to overcome a lack of time and money.
- How to deal with criticism and imposter syndrome.

It's more than just a fun phrase to say. It's a philosophy of relentless optimism. A mindset. A mantra. A conviction. Most important, it's about to make you unstoppable.

Millions around the world recognize the smiling face and uplifting messages of Nick Vujicic. Born without arms or legs, Nick has not allowed his physical challenges to keep him from enjoying great adventures, a meaningful career, and loving relationships. In this inspirational booklet, Nick offers his keys to a fulfilled life powered by a faith that cannot be stopped.

A lyrically told, beautifully illustrated book that brings comfort to children--and adults--who have lost someone they love After Old Turtle swims his last swim and breathes his last breath, and the waves gently take him away, his friends lovingly remember how he impacted each and every one of them. As the sea animals think back on how much better Old Turtle made their lives and their world, they realize that he is not truly gone, because his memory and legacy will last forever. Jago's gorgeous illustrations accompany Cece Meng's serene text in a book that will help children understand and cope with the death of a loved one. Praise for Always Remember:

"Without mentioning a deity or religion, the text discusses how people remember those who have died and how their lives live on beyond them. Understated, unsentimental, and gently done."--Kirkus Reviews "A sweet and poignant story with multiple layers for delving deeper."--School Library Journal "This makes a comforting choice for families dealing with loss."--Booklist

The revealing, no-holds-barred memoir of Toni Holt Kramer captures the glamour of Hollywood and the power of Washington. The drive and determination of this warrior in five inch heels, the men in her life, and the unbreakable bond between mother and daughter are just a few of the ingredients that make up UNSTOPPABLE ME. Born to a mother that cherished her and a father who deserted her, Toni became a Hollywood news reporter and television personality as famous and dynamic as the people she interviewed. Frank Sinatra, Rock Hudson, Dean Martin and Cary Grant are just a few of the stars who befriended her, while Aristotle Onassis and Richard Burton were interested in more than just being her friend. Torn between her friendship with Hillary Clinton and the man she believed in, Toni introduced the Trumpettes USA to the world with the goal of helping Donald Trump become President. Toni's story of perseverance and how she endured her son's tragic descent into drugs are an inspiration to all. Her relentless resolve in the face of adversity is remarkable. Toni Holt Kramer truly defines the word "UNSTOPPABLE!"

Pippi Longstocking meets Heidi meets Anne Shirley in this tale of an irrepressible girl in a mountain village who navigates unexpected changes with warmth and humor. Speed and self-confidence, that's Astrid's motto. Nicknamed "the little thunderbolt," she loves to spend her days racing down the hillside on her sled, singing loudly as she goes, and visiting Gunnvald, her grumpy, septuagenarian best friend and godfather, who makes hot chocolate from real chocolate bars. She just wishes there were other children to share her hair-raising adventures

with. But Astrid's world is about to be turned upside down by two startling arrivals to the village of Glimmerdal: first a new family, then a mysterious, towering woman who everyone seems to know but Astrid. It turns out that Gunnvald has been keeping a big secret from his goddaughter, one that will test their friendship to its limits. Astrid is not too happy about some of these upheavals in Glimmerdal — but, luckily, she has a plan to set things right.

In *Good-bye, Bumps!*, Dr. Wayne W. Dyer and his daughter Saje tell a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of this story Saje and Wayne teach children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This book will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible.

**The Challenge Built to Last**, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? **The Standards** Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. **The Comparisons** The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. **The Findings** The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: **Level 5 Leaders**: The research team was shocked to discover the type of leadership required to achieve greatness. **The Hedgehog Concept (Simplicity within the Three Circles)**: To go from good to great requires transcending the curse of competence. **A Culture of Discipline**: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. **Technology Accelerators**: Good-to-great companies think differently about the role of technology. **The Flywheel and the Doom Loop**: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

*I AM*, the newest children's book by Dr. Wayne W. Dyer, is taken from his latest book for adults, *Wishes Fulfilled*. *I AM* teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words, we are not separate from God—we are God! Knowing that God's love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special

section at the end that teaches the important meaning and way to use the words I am to create love, happiness, and greatness in their own lives and the world

This humorous picture book answers the question all kids want to know?what do teachers do when the bell rings at three? Once the students go home, teachers finally have the run of the school. They skate down the halls, have a food fight in the cafeteria, even mix up wild concoctions in the science lab with disastrous results! All night long, teachers are busy goofing off at school. Kids will never look at their teachers the same way after reading this book!

10 Powerful Tips for Training Unstoppable Children is a must have book for parents, teachers, grandparents and anybody who is involved in training children. Unstoppable children are children who will not be stopped by the enemy, but by the power of God will push through and obtain the victorious life. Use these ten powerful tips to help give children the opportunity to live the life God has planned for them. Powerful tips like love, honor, and salvation are so essential for kids to succeed in this world. Buy this book today - for yourself, your children and other people that you love. You will not regret it!

More than 25,000 copies sold in three languages! Updated and Expanded with New Content However your past has shaped you, your future is yours to shape, and if you want to shape it for success, you'll find no better coach than Alden Mills. Using the power of a parable and his own experiences as a Navy SEAL and accomplished entrepreneur, Mills shares his proven framework for success as embodied by the action-based acronym UPERSIST: Understand the why; Plan in three dimensions; Exercise to execute; Recognize your reason to believe; Survey your habits; Improvise to overcome; Seek expert advice; and Team up. At the core of Be Unstoppable is the parable of a young skipper who meets a remarkable, seasoned captain. This chance meeting changes the young skipper's direction in life, setting him on course to identify and achieve his dreams. Each chapter concludes with action steps distilled from the story and from Alden's experiences as a U.S. Navy SEAL Commander and a business leader and entrepreneur. You see others who have the things you want money, joy, success and suppose that they were born with special talent or into a family which made these things easy to attain. They are just lucky. What you don't know is that there is a methodology to success. BE UNSTOPPABLE contains a system to gain this vital skillset.

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has a new message for his youngest readers. In his latest children's book, Wayne teaches kids about excuses: what they are, where they come from, and how to eliminate them so boys and girls can reach their full potential. Playfully illustrated once again by Stacy Heller Budnick, No Excuses! tells the story of a boy with a seemingly impossible dream who almost lets excuses stand in his way. Luckily, he learns some important lessons that allow him to attain his goals--lessons that just about all children will be able to understand and apply to their lives. No Excuses! will be available shortly after the publication of Wayne's book for adults, Excuses Begone!

Never Stop Learning The ticket to a successful and fulfilling life is a significant upgrade to everyone's ability to learn. Visionary teacher and lifelong learner Patricia McLagan views learning ability as software for processing daily life. And like all software, learning software require upgrades—and regular reboots! In Unstoppable You: Adopt the New Learning 4.0 Mindset and Change Your Life, McLagan shares her method for keeping learning powers sharp, ensuring that we can continuously advance and adapt in a nonstop world. We're born with basic programming, which is learning 1.0. We then evolve and upgrade as we make

our way through the education system in learning 2.0, and we start to self-manage how we learn as we integrate our diverse experiences and master skills in learning 3.0. That brings us to learning 4.0—learning mastery. This final upgrade equips us with survival skills for the 21st century— skills essential to meeting our goals in a world that's always in motion. Discover McLagan's seven practices for effective lifelong learning—from hearing and heeding calls to learn, to taking steps to translate new skills into action. Unstoppable You also includes a complete toolkit of supporting templates, guides, and tips. Unstoppable You is the handbook to your dynamic future. Begin actively shaping your success in fast-changing times today.

Chris P. Bacon, a disabled pig that became a YouTube sensation, describes his life living with a veterinarian's family, enjoying his popularity, and inspiring people the world over with his perseverance.

Instant Wall Street Journal bestseller! From the first female real estate broker on Million Dollar Listing LA, a no-nonsense guide to analyzing big egos, deflecting power plays, and taking control of any room. Behind Tracy Tutor's on-screen persona is an uncanny knack for projecting confidence in the most intimidating of circumstances. The breezy, tough-talking, utterly inimitable businesswoman has rivaled her male co-stars to land increasingly high-profile deals in the world of LA real estate. Now, Tracy is leveraging her years of experience to write the go-to manual for any woman struggling to convince people she's in charge. If you get thrown off course by narcissistic personalities or freaked out by high-stakes situations, don't assume you're weak. When fear is running the show, you get wrapped up in your head and start missing important cues. Yes, the people you're dealing with seem scary, but they're more predictable than you think. Once you understand them, it's easy to push the right levers of influence to get what you want. Through candid, hilarious stories of her rise through a world of misogyny and cutthroat business dealings (text message screen shots from creeps included!), Tracy offers a crash course in the psychology of power dynamics and social signaling. You'll learn: • What five things you should always find out about someone before you meet them • How to choose the perfect outfit for an important meeting, even when dressing on a budget • When and how to use humor strategically to lighten the mood and command authority This book is a must-read for any ambitious woman who wants to win her next business confrontation before she even walks into the room.

"Bradley is an inspiration and a leader. He reminds each of us that we too can become consistent and unstoppable." — Deanne Welsh Brendon Burchard said, "You need, more than anything else, daily momentum. It's the secret of all life happiness." "Secret of all life happiness?" Whoa. Sounds pretty good to me. Just a little "daily momentum"? No problem, right? But what if you're stuck? Maybe you've been trying to break through but just can't seem to get ahead. Every day seems like Groundhog Day: the same disappointment as yesterday. Or worse: one step forward and two steps back. Ugh. "Every Single Day" offers a simple

prescription for building daily momentum that leads to true and powerful change that lasts. If you really want it, that is. HOW MUCH DO YOU WANT TO CHANGE? HOW BADLY DO YOU WANT SUCCESS? Bradley Charbonneau's life drastically changed when, on Nov. 1, 2012, he accepted a challenge to Write Every Day for a month. What happened next changed his life in ways he could have never imagined. "Every Single Day" tells his story--and teaches you how to achieve what you're after. If you're ready to do the same, get your copy of "Every Single Day" now. Because you are after something. You know it. We all know it. I'm rooting for you.

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. You're Not What You've Got addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout their lives. The concepts presented in this beautifully illustrated book include: Money does not define who you are; it doesn't matter what others have, and abundance comes in many forms. Unlike most books on this subject, It's Not What You've Got is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.
