Wyatt My name is Wyatt Blake. I'm a cardiothoracic surgeon in Phoenix. When I was 17, I had a heart transplant that saved my life. That's not something I tell just anyone, because I hate being defined by the illness that ruled the first half of my life. The average life expectancy for a transplant patient is 11 years. I'm 34, and in case math isn't your thing, that puts me about six years past my expiration date when I spend a weekend at my buddy Jason's wedding in Miami and meet the sexiest bridesmaid in the history of sexy bridesmaids. Dee Giordino. She's sweet, kind, loving and drop-dead gorgeous. I love every minute I spend with her. We had so much fun together at the wedding, and when I invited her back to my room after, we had the best night I've ever had with anyone. And now I can't stop thinking about her or texting her or wishing our one-night stand could somehow be more, even though "more" isn't in my vocabulary. When Jason tells me there's an opening in my specialty at his hospital, I come running back to Miami to interview for the job. And to see Dee again, even though I know that's completely unfair to her. In light of my situation, I've become the king of the one-night stand. It wouldn't be fair to drag someone else into my reality when my future is so uncertain. But Dee, she's different from the beginning, and maybe, just maybe, I

might have to break all my rules for her... Fair or not.

The moment the demon King Thorne of the Third Realm set eyes on the mortal huntress Sable, he knew she was his fated one. The fiery, dangerous female awakened hungers he had never experienced before, a dark craving and passion that has consumed him in their time apart. As the lunar cycle wanes, she enters his world again and nothing will stand in the way of him claiming his forever with her—not the relentless assault from the Fifth Realm or the dark elf male determined to seduce her out of his grasp. Intent on achieving the coveted position of commander at Archangel, Sable leads her small team into the dark underworld and the Third Realm, to a war where her allies are the very creatures she normally hunts—vampires, werewolves, and demons. Her eagerness to lead the deadly mission has everything to do with winning her promotion, and nothing to do with the kingdom's brash, lethally seductive demon king—a king who stirred fierce desire and wildfire heat in her with just a look and an innocent touch when they first met, and has been in her wicked dreams ever since. As the gathering storm between rivals unleashes irresistible passion that flares white-hot and the heat of the battle brings life-shattering realisations, can Sable place her duty before her heart? Or will she surrender to her deepest desires and be claimed by a demon king? If you like Kresley Cole's *Immortals After Dark*, Sherrilyn Kenyon's

Armed with a deadpan wit that finds humor in even the lowest of nadirs, Brontez Purnell—a widely acclaimed underground writer, filmmaker, musician, and performance artist—writes with the peerless zeal, insight, and horniness of a gay punk messiah. From dirty warehouses and gentrified bars in Oakland to desolate farm towns in Alabama, Purnell indexes desire, desperation, race, and loneliness with a startling blend of levity and vulnerability. Together, the slice-of-life tales that writhe within *100 Boyfriends* are a singular and uncompromising vision of an unexposed queer underbelly. Holding them together is the vision of an iconoclastic storyteller, as fearless as he is human.
