a critical study of a large number of contemporary Persian texts, court chronicles, epistolary collections, and biographies of sufi mystics, *The Mughals and the Sufis* examines the complexities in the relationship between Mughal political culture and the two dominant strains of Islam's Sufi traditions in South Asia: one centered around orthodoxy, the other focusing on a more accommodating and mystical spirituality. Muzaffar Alam analyses the interplay of these elements, their negotiation and struggle for resolution via conflict and coordination, and their longer-term outcomes as the empire followed its own political and cultural trajectory as it shifted from the more liberal outlook of Emperor Akbar "The Great" (r. 1556–1605) to the more rigid attitudes of his great-grandson, Aurangzeb 'Alamgir (r. 1658–1701). Alam brings to light many new and underutilized sources relevant to the religious and cultural history of the Mughals and reinterprets well-known sources from a new perspective to provide one of the most detailed and nuanced portraits of Indian Islam under the Mughal Empire available today. Muzaffar Alam is George V. Bobrinsky Professor in South Asian Languages and Civilizations at the University of Chicago. He is the author of several books, including, *The Languages of Political Islam: India 1200–1800* and *The Crisis of Empire in Mughal North India: Awadh and the Punjab, 1707–1748*. This Volume Has Two Parts, Surveys Of All The Languages And Selections

Affectionately known as the Bard of Bengal, Rabindranath Tagore was also a celebrated novelist, short-story writer, essayist and playwright, who introduced new prose and verse forms into Bengali literature, freeing it from traditional models based on classical Sanskrit. Highly influential in introducing Indian culture to the West, Tagore is generally regarded as the outstanding creative artist of early twentieth century India, becoming the first non-European to receive the Nobel Prize for Literature. The Delphi Poets Series offers readers the works of literature's finest poets, with superior formatting. This volume presents Tagore's collected works, with related illustrations and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Tagore's life and works * Concise introduction to Tagore's life and poetry *

Few other Hindu gods guide a regional consciousness, pervade walks of everyday life and define a collective psyche the way Lord Jagannath does in Odisha and its contiguous areas. Jagannath is metonymic of Odisha and the Odia way of life, arguably much more than any other god for a particular

Download Ebook Vaishnava Songs Hindi

geography or its peoples. While not derecognising the historical and the spiritual aspects of Jagannath, Bonding with the Lord attempts to look at the deployment of Jagannath in contemporary cultural practices involving the sensorium in the widest sense. The project of a cultural Jagannath not only materialises him in people's everyday practices but also democratises scholarship on him. The expansion of the scope of research on Jagannath to cultural expressions in a more encompassing way rather than confining to 'elitist' religious/literary sources makes him an everyday presence and significantly enhances his sphere of influence. Jagannath's 'tribal' origin, his association with Buddhism and Jainism and his avatari status make him an all-encompassing, multilayered symbol and a treasure trove for multiple interpretations.
