The false king is throwing a ball to secure a wife for his son, the future ruler of our lands, and I'm going to crash it and pull off the biggest heist this kingdom has ever seen. There's just one complication. A mysterious stranger who is too sexy for his-or my-own good, and who is making it impossible to stay invisible. He's given me a way into the ball, but he might be the reason I can't get out. By the time the clocks strike midnight, the kingdom of Zyndale will be forever changed, and so will my life.

Eighteen-year-old Raven was just an ordinary vampire until Fate chose her as the new vampire queen. And Fate has a twisted sense of humor because it chose Rhyland Midnitegale as king, who just happens to be her sworn enemy. Raven isn't thrilled about ruling with Rhyland, but if she doesn't step up to her title, the chaos, rebellions, and murders taking over the vampire world will only continue to get worse. So she accepts the position, but secretly hopes that maybe Fate will change its mind. She soon learns that being queen comes with many rules. Rules that bind her heart and soul to Rhyland in ways she never imagined. Rules that keep her life out of danger from outside threats. Rules that she must follow or the entire vampire kingdom pays the price. But dangers may be lurking close by, and Raven may be cursed with more than just the title of the queen.

Those inside are special, gifted with unique abilities, abilities that make them dangerous to the outside world. Since childhood, they're trained to control their powers, to show restraint, and to defend themselves. For years they practice, honing their gifts for one purpose: to be rented out to the highest bidder as a spy, to be used as a weapon against others. Sam never questions her role at the secret organization dubbed *Rent-A-Kid*. Until she meets Drake. She reads minds. He controls minds.
