REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

Print Student Edition

100 Questions & Answers About Prostate Cancer provides authoritative and practical answers to the most common questions asked by patients and their loved ones. Providing both doctor and patient perspectives, this easy-to-read book is a comprehensive guide to the basics of prostate cancer, risk factors and prevention, diagnosis, treatment, survivorship, and life after diagnosis.

Written by Dr. Pamela Ellsworth, a prominent urologist and best-selling author, *Questions & Answers About Prostate Cancer* is an invaluable resource for anyone interested in learning what to expect after being diagnosed with prostate cancer. David Stevenson's widely acclaimed history of World War I changes forever our understanding of that pivotal conflict. Countering the commonplace assumption that politicians lost control of events, and that the war, once it began, quickly became an unstoppable machine, Stevenson contends that politicians deliberately took risks that led to war in July 1914. Far from being overwhelmed by the unprecedented scale and brutality of the bloodshed, political leaders on both sides remained very much in control of events throughout. According to Stevenson, the disturbing reality is that the course of the war was the result of conscious choices -- including the continued acceptance of astronomical casualties. In fluid prose, Stevenson has written a definitive history of the man-made catastrophe that left lasting scars on the twentieth century. *Cataclysm* is a truly international history, incorporating new research on previously undisclosed records from governments in Europe and across the world. From the complex network of secret treaties and alliances that eventually drew all of Europe into the war, through the bloodbaths of Gallipoli and the Somme, to the arrival of American forces, and the massive

political, economic, and cultural shifts the conflict left in its wake, *Cataclysm* is a major revision of World War I history.

National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

PLAZAS: LUGAR DE ENCUENTROS, 5th Edition, is a two- or three-semester introductory Spanish program designed to support and enhance your students' language learning experience. PLAZAS transports your students to a Spanish-

speaking country or region for an authentic and personalized cultural language-learning experience. Culture is embedded into every page of PLAZAS, giving your students an appreciation of different cultural practices and perspectives. Thanks to an exclusive partnership with the National Geographic Society, the fifth edition facilitates multi-modal interactions with cultural information in new and revised sections. The program's pedagogy continues to be firmly rooted in the research of the National Standards for Foreign Language Learning, or the Five Cs--Communication, Cultures, Connections, Comparisons, and Communities. The new A explorar! section draws upon all five standards in an engaging manner while previewing the content of the lesson. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"Online companion site: Supersite, vhlcentral.com; Vistas Supersite includes: Your instructor's assignments and messages, Video and audio programs, Online tests, Extra practice, Reference material, Practice Partner mobile app"-- Preliminary pages.

This carefully crafted ebook: "The Great Gatsby - The Original 1925 Edition" is formatted for your eReader with a functional and detailed table of contents. The Great Gatsby is a novel written by American author F. Scott Fitzgerald and first published in 1925. It follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious

millionaire Jay Gatsby and his quixotic passion for the beautiful Daisy Buchanan. Considered to be Fitzgerald's magnum opus, *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Francis Scott Key Fitzgerald (1896 – 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.
