#1 Wall Street Journal Best Seller USA Today Best Seller Amazon Best Book of the Year TED Talk sensation - over 3 million views! The counterintuitive approach to achieving your true potential, heralded by the Harvard Business Review as a groundbreaking idea of the year. The path to personal and professional fulfillment is rarely straight. Ask anyone who has achieved his or her biggest goals or whose relationships thrive and you'll hear stories of many unexpected detours along the way. What separates those who master these challenges and those who get derailed? The answer is agility—emotional agility. Emotional agility is a revolutionary, science-based approach that allows us to navigate life's twists and turns with self-acceptance, clear-sightedness, and an open mind. Renowned psychologist Susan David developed this concept after studying emotions, happiness, and achievement for more than twenty years. She found that no matter how intelligent or creative people are, or what type of personality they have, it is how they navigate their inner world—their thoughts, feelings, and self-talk—that ultimately determines how successful they will become. The way we respond to these internal experiences drives our actions, careers, relationships, happiness, health—everything that matters in our lives. As

humans, we are all prone to common hooks—things like self-doubt, shame, sadness, fear, or anger—that can too easily steer us in the wrong direction. Emotionally agile people are not immune to stresses and setbacks. The key difference is that they know how to adapt, aligning their actions with their values and making small but powerful changes that lead to a lifetime of growth. Emotional agility is not about ignoring difficult emotions and thoughts; it's about holding them loosely, facing them courageously and compassionately, and then moving past them to bring the best of yourself forward. Drawing on her deep research, decades of international consulting, and her own experience overcoming adversity after losing her father at a young age, David shows how anyone can thrive in an uncertain world by becoming more emotionally agile. To guide us, she shares four key concepts that allow us to acknowledge uncomfortable experiences while simultaneously detaching from them, thereby allowing us to embrace our core values and adjust our actions so they can move us where we truly want to go. Written with authority, wit, and empathy, Emotional Agility serves as a road map for real behavioral change—a new way of acting that will help you reach your full potential, whoever you are and whatever you face. begins. *City Love* captures the essence of summer love, self-discovery, and sisterhood, a perfect fit for fans of Sarah Dessen, Jenny Han, and Jennifer E. Smith. This summer will change everything for Sadie, Darcy, and Rosanna. Sadie is all about dreaming big and following her heart, hoping her soul mate is right around the corner. Darcy wants a summer of boy adventures with New York City as her playground. Rosanna is running from dark secrets of her past, desperate to reinvent herself. With no parents, no rules, and an entire city to explore, these three girls are on the verge of the best summer of their lives. Told from alternating points of view, *City Love* resonates with the moments when everything is thrilling, amazing, and terrifying all at once . . . in a way it will never be again.

In this magically evocative novel, William Maxwell explores the enigmatic gravity of the past, which compels us to keep explaining it even as it makes liars out of us every time we try. On a winter morning in the 1920s, a shot rings out on a farm in rural Illinois. A man named Lloyd Wilson has been killed. And the tenuous friendship between two lonely teenagers—one privileged yet neglected, the other a troubled farm boy—has been shattered. Fifty years later, one of those boys—now a grown man—tries to reconstruct the events that led up to the murder. In doing so, he is inevitably drawn back to his lost friend Cletus, who has the misfortune of

dazzling Roaring Twenties. Parties, bad boys, speakeasies—life in Manhattan has become a woozy blur for Clara Knowles. If Marcus Eastman truly loved her, how could he have fallen for another girl so quickly? Their romance mustn't have been as magical as Clara thought. And if she has to be unhappy, she's going to drag everyone else down to the depths of despair right along with her. Being a Barnard girl is the stuff of Lorraine Dyer's dreams. Finding out that Marcus is marrying a gold digger who may or may not be named Anastasia? A nightmare. The old Lorraine would have sat by and let the chips fall where they may, but she's grown up a lot these past few months. She can't bear to see Marcus lose a chance for true love. But will anyone listen to her? Now that the charges against her have been dropped, Gloria Carmody is spending the last dizzying days of summer on Long Island, yachting on the sound and palling around with socialites at Forrest Hamilton's swanky villa. Beneath her smile, though, Gloria's keeping a secret. One that could have deadly consequences . . .

Tracy Flick is back and, once again, the iconic protagonist of Tom Perrotta's *Election*—and Reese Witherspoon's character from the classic movie adaptation—is determined to take high school politics by storm. Tracy Flick is a hardworking assistant principal at a public high school in suburban New Jersey. Still ambitious but feeling a little stuck and underappreciated in midlife, Tracy gets

a jolt of good news when the longtime principal, Jack Weede, abruptly announces his retirement, creating a rare opportunity for Tracy to ascend to the top job. Energized by the prospect of her long-overdue promotion, Tracy throws herself into her work with renewed zeal, determined to prove her worth to the students, faculty, and School Board, while also managing her personal life—a ten-year-old daughter, a needy doctor boyfriend, and a burgeoning meditation practice. But nothing ever comes easily to Tracy Flick, no matter how diligent or qualified she happens to be. Among her many other responsibilities, Tracy is enlisted to serve on the Selection Committee for the brand-new Green Meadow High School Hall of Fame. Her male colleagues' determination to honor Vito Falcone—a star quarterback of dubious character who had a brief, undistinguished career in the NFL—triggers bad memories for Tracy, and leads her to troubling reflections about the trajectory of her own life and the forces that have left her feeling thwarted and disappointed, unable to fulfill her true potential. As she broods on the past, Tracy becomes aware of storm clouds brewing in the present. Is she really a shoo-in for the Principal job? Is the Superintendent plotting against her? Why is the School Board President's wife trying so hard to be her friend? And why can't she ever get what she deserves? In classic Perrotta style, *Tracy Flick Can't Win* is a sharp, darkly comic page-turner, and a

But it is in the aftermath of war, as Hamilton becomes one of the country's most important figures, that she truly comes into her own. In the new capital, Eliza becomes an adored member of society, respected for her fierce devotion to Hamilton as well as her grace. Behind closed doors, she astutely manages their expanding household, and assists her husband with his political writings. Yet some challenges are impossible to prepare for. Through public scandal, betrayal, personal heartbreak, and tragedy, she is tested again and again. In the end, it will be Eliza's indomitable strength that makes her not only Hamilton's most crucial ally in life, but also his most loyal advocate after his death, determined to preserve his legacy while pursuing her own extraordinary path through the nation they helped shape together.

A status-obsessed senior unexpectedly falls for a freshman because of his Danny Zuko audition in their high school's production of Grease in this outrageously funny epistolary novel set in 1991. "Matt Boren brilliantly captures the voices of students way back in 1992 with humor and wit and a unique ability to shift from freshman to senior, boy to girl, cheerleader to theater geek. In this hilarious novel, Boren adeptly proves that the more things change, the more things stay the same." --Kelly Ripa The folded notes collected for this book represent correspondence surrounding one Tara Maureen Murphy, senior at South High c. 1991-1992. It's 1991, and Tara Maureen Murphy is finally on top. A frightening cross between Regina George and Tracy Flick, Tara Maureen Murphy is any high school's worst nightmare, bringing single-minded ambition, narcissism, manipulation, and jealousy to new extremes in this outrageous, satirical twist on the coming-of-age novel. She's got a hot jock boyfriend in Christopher Patrick Caparelli, her best friend Stef Campbell by her side, and she's a SENIOR, poised to star as Sandy in South High's production of Grease. Clinching the role is just one

teensy step in Tara's plot to get out of her hometown and become the Broadway starlet she was born to be. She's grasping distance from the finish line--graduation and college are right around the corner--but she has to remain vigilant. "This dumb town, as we know, can be a very tricky place." --Tara Maureen Murphy It gets trickier with the arrival of freshman Matthew Bloom, whose dazzling audition for the role of Danny Zuko turns Tara's world upside down. Freshmen belong in the chorus, not the spotlight! But Tara's outrage is tinged with an unfamiliar emotion, at least to her: adoration. And what starts as a conniving ploy to "mentor" young Matt quickly turns into a romantic obsession that threatens to topple Tara's hard-won status at South High....

Fifteen-year-old high school sophomore Marisa, who has an anxiety disorder, decides that this is the year she will get what she wants--a boyfriend and a social life--but things do not turn out exactly the way she expects them to.

This award winning book tells a mother's story of raising her son Michael, who was born missing a submicroscopic piece of chromosome 22. That tiny missing fragment of DNA affected every aspect of his life physically, mentally, and spiritually. Michael's mother describes her adventures and misadventures with the medical system, educational system, and legal system during his growing up years. While Michael and his mother were both yearning for normal through their struggles, they were also learning acceptance of life as it is with all its glory and imperfections.

E. R. Frank's seminal first novel weaves together the stories of eleven teenagers in one city over seven years in this groundbreaking and "impressive debut" (Publishers Weekly, starred review). Why does Gingerbread always have a smile on his face? "Because life is funny," he tells Keisha. But for her—and almost everyone else in her Brooklyn neighborhood—there doesn't seem to be much to laugh about. China, Ebony, and Grace are best friends, but Grace's mother isn't crazy about her being friends with two girls who aren't white, and each cut Ebony makes on her wrist seems to drive them even further apart. Just across the schoolyard there's Eric who has to raise his younger brother Mickey, even though no one expects him to amount to anything. Meanwhile, Sonia's Muslim parents expect everything of her, and it may be more than she is able to give after she suffers a shattering loss. When Drew brings his father's Jaguar into Sam's family's auto body shop across town they seem to be from opposite sides of the tracks, but Drew's the one hiding a dark family secret. And he's not the only one.

She's trying to make ends meet. He's out for a bit of fun. Cordelia is busy, focused, worried about the future of her fledgling bookbinding business. When a handsome man stops her on the street to pester her with questions, she gives him the consideration he deserves: none. That handsome man happens to be the Duke of Stroud, and he finds Cordelia's hostility hilarious. He gives chase, if only for the pleasure of provoking her again. He thinks life is a game. She doesn't play around. Within days of meeting Cordelia, Stroud sets a marching band on a matchmaking mama, defaces a local monument, and ropes Cordelia into a round of his favorite game. In that same time, Cordelia stitches together the complete works of Mary Wollstonecraft, enthusiastically devotes herself to a petition demanding expanded legal rights for married women, and beats Stroud at his own game. She defies all expectations. So does he. Most people dismiss Stroud as a fool—himself included. When Cordelia sees past his lighthearted facade, he's terrified and also... in love? Stroud barges into Cordelia's life, offering her all the material and sensual temptations she's learned to do without. She usually has willpower to spare, but turning him down takes all of it, and then some. He's oddly irresistible. Or maybe they're perfect for one another.

In the twenty-first century there is increasing global recognition of pain relief as a basic human right. However, as Susan Honeyman argues in this new take on

child pain and invisible disability, such a belief has historically been driven by adult, ideological needs, whereas the needs of children in pain have traditionally been marginalised or overlooked in comparison. Examining migraines in children and the socially disabling effects that chronic pain can have, this book uses medical, political and cultural discourse to convey a sense of invisible disability in children with migraine and its subsequent oppression within educational and medical policy. The book is supported by authentic migraineurs' experiences and first-hand interviews as well as testimonials from a range of historical, literary, and medical sources never combined in a child-centred context before.

Representations of child pain and lifespan migraine within literature, art and popular culture are also pulled together in order to provide an interdisciplinary guide to those wanting to understand migraine in children and the identity politics of disability more fully. *Child Pain, Migraine, and Invisible Disability* will appeal to scholars in childhood studies, children's rights, literary and visual culture, disability studies and medical humanities. It will also be of interest to anyone who has suffered from migraines or has cared for children affected by chronic pain.
