More controversially, it has been identified as an influence on Joseph Smith, Jr., founder of the Latter Day Saint movement, in Reed C. Durham, Jr.'s speech "Is There No Help for the Widow's Son?" What makes someone a hero? In the early 1960's, the image of a superhero was someone with a square jaw, a muscular build, and a quick smile whose biggest personal problem was trying to keep their girlfriends from guessing their secret identities. Then writer Stan Lee and artists Jack Kirby and Steve Ditko created a group of superheroes who revolutionized comics. These heroes, including The Fantastic Four, The Incredible Hulk, Spider-man, The X-men, Iron Man, Captain America and others, were not perfect heroes living in a perfect world, but fallible people with physical ailments and personal problems like our own. While the authors and artists who created them did not intend to write explicitly religious stories, their tales of imperfect heroes who try to do the right thing despite the many challenges they face, provide us with the opportunity to reflect on our own faith journeys as we strive to live heroic lives in the real world. Each chapter reflects on the heroes' most famous adventures and discusses the ways in which we are called to overcome many of the same obstacles they face as we strive to carry out the ministries to which God calls us. Each chapter ends with questions for reflection or group study.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V.
