## Welcome To The Family What To Expect Now That Youre A Christian

“A beautifully observed and thrillingly honest novel about the dark corners of family life and the long, complicated search for understanding and grace.” —Jenny Offill, author of *Dept. of Speculation* and *Weather* “The Fourth Child is keen and beautiful and heartbreaking—an exploration of private guilt and unexpected obligation, of the intimate losses of power embedded in female adolescence, and of the fraught moments of glancing divinity that come with shouldering the burden of love.” —Jia Tolentino, *New York Times* bestselling author of *Trick Mirror* “A remarkable family saga . . . The Fourth Child is a balm—a reminder that it is possible for art to provide a nuanced exploration of life itself.” —Rumaan Alam, author of *Leave the World Behind* and *Rich and Pretty* The author of *Break in Case of Emergency* follows up her “extraordinary debut” (*The Guardian*) with a moving novel about motherhood and marriage, adolescence and bodily autonomy, family and love, religion and sexuality, and the delicate balance between the purity of faith and the messy reality of life. Book-smart, devoutly Catholic, and painfully unsure of herself, Jane becomes pregnant in high school; by her early twenties, she is raising three children in the suburbs of western New York State. In the fall of 1991, as her children are growing older and more independent, Jane is overcome by a spiritual and intellectual restlessness that leads her to become involved with a local pro-life group. Following the tenets of her beliefs, she also adopts a little girl from Eastern Europe. But Mirela is a difficult child. Deprived of a loving caregiver in infancy, she remains unattached to her new

parents, no matter how much love Jane shows her. As Jane becomes consumed with chasing therapies that might help Mirela, her relationships with her family, especially her older daughter, Lauren, begin to fray. Feeling estranged from her mother and unsettled in her new high school, Lauren begins to discover the power of her own burgeoning creativity and sexuality—a journey that both echoes and departs from her mother's own adolescent experiences. But when Lauren is confronted with the limits of her youth and independence, Jane is thrown into an emotional crisis, forced to reconcile her principles and faith with her determination to keep her daughters safe. *The Fourth Child* is a piercing love story and a haunting portrayal of how love can shatter—or strengthen—our beliefs.

This book is designed to be used by children who have professed faith in Christ and who need to understand the meaning and ramifications of their decision. - p. [2].

If you ask Nicholas Borelli II--better known as Nicky Deuce--winter in New Jersey is awfully boring compared to summertime in Brooklyn, where he had the best two weeks of his life. Now it's cold out, he's back in school, and he has to live without Grandma Tutti's home cooked Italian meals and Uncle Franklie's funny tough-guy attitude. But not for long! Nicky's father is throwing a New Year's Eve party and the whole family is going to stay at their house and the gang from Brooklyn is coming to visit. By Christmas, Nicky's home is brimming with Brooklyn accents. Grandma Tutti wastes no time taking over the kitchen while Uncle Frankie charms the neighbors and cousin Tommy beats up Dirk Van Allen, the biggest jer in the neighborhood. Suddenly Tommy becomes a local hero but he and Nicky also become the prime target of a bully's revenge. Nicky Deuce is about to find out that winter in New Jersey is anything but boring.

A delightful crash course in all things Italian-American.

An examination of the "evangelical branch" of the church. Intended as a college-level introduction to the Christian faith.

How do you go about caregiving for an ill and elderly parent with a lifelong history of abuse and control, intertwined with expressions of intense love and adoration?

How do you reconcile the resulting ambivalence, fear, and anger? Welcome to Wherever We Are is a meditation on what we hold onto, what we let go of, how we remember others and ultimately how we're remembered.
