Nothing has been the same since Noah's Daddy got cancer -except Cinnamon Roll Sunday. Every week, Noah and Daddy walk to the corner market and bring home fresh cinnamon rolls and the paper. They cuddle up on the couch and read the Sunday comics together while savoring each sweet bite. When Daddy's hair falls out, he and Mamma explain what is happening, answering the many questions popping up in Noah's mind. Noah worries Daddy will die. He imagines shredding the cancer to pieces. Noah stomps on his cinnamon roll in protest. Things aren't going the way they are supposed to! At school, Noah's counselor encourages him to draw each of his mixed-up feelings. Noah shares with his best friend, Ben, that Daddy is too sick to coach their team. Grandma walks to the market with Noah that week. Things are changing fast. Cinnamon Roll Sunday tells the story of seven-year-old Noah as he copes and adapting to the many changes implicit to a loved-one's serious illness. The story spans from just after Daddy's cancer diagnosis until after his death, and is told with tenderness, playfulness, and in a voice of resiliency. What do you do when someone is very sick and might die? Anticipatory grief is a difficult issue to address as it counters the cultural taboo of talking about death with kids, especially if it might not happen or hasn't yet happened. Cinnamon Roll Sunday answers that question for children, and in doing so, breaks the taboo, and bridge this gap in the field of grief. Cinnamon Roll Sunday demonstrates through story how to cope with the uncertainty of illness in a family and how to have healthy, age-appropriate conversations about difficult subjects. Cinnamon Roll Sunday is intended to be read aloud by a parent, teacher, helper, or therapist to school-age children who have (had) a loved-one who is seriously ill. It acts as a springboard for healthy communication and a normalizes the many mixed up thoughts and feelings indicative of anticipatory grief.

Two girls who grow up to become women. Two friends who become something worse than enemies. In this brilliantly imagined novel, Toni Morrison tells the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. "Extravagantly beautiful. . . . A howl of love and rage, playful and funny as well as hard and bitter." —The New York Times Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, *Sula* is a work that overflows with life.

Expanding on her original *New Yorker* piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran

In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

"Daddy's ten masterful, provocative stories confirm that Cline is a staggering talent."--*Esquire* - "Brilliant . . . Cline is an astonishingly gifted stylist. . . . These stories vibrate with life."--*The New York Times Book Review* **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY** An absentee father collects his son from boarding school after a shocking act of violence. A nanny to a celebrity family hides out in Laurel Canyon in the aftermath of a tabloid scandal. A young woman sells her underwear to strangers. A notorious guest arrives at a placid, not-quite rehab in the Southwest. In ten remarkable stories, Emma Cline portrays moments when the ordinary is disturbed, when daily life buckles, revealing the perversity and violence pulsing under the surface. She explores characters navigating the edge, the limits of themselves and those around them: power dynamics in families, in relationships, the distance between their true and false selves. They want connection, but what they provoke is often closer to self-sabotage. What are the costs of one's choices? Of the moments when we act, or fail to act? These complexities are at the heart of *Daddy*, Emma Cline's sharp-eyed illumination of the contrary impulses that animate our inner lives.

Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring--except for her. So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened. *Gray I* is the first novel in a series.

So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

When she suddenly shows up, pretty still on the outside, but broken on the inside, it's up to her to find her place in the world. "Written by an ex-con. Endorsed by PhD's, school principals and judges. Awesome book with an inspiring message: You are loved and you will get through this." -BERT BURYKILL, Vice Magazine There are nearly three million adults in the U.S. alone that are in prison or jail. Many of these being parents that leave behind unanswered questions with their children: What is jail? Why did this happen? Is it my fault? Is my daddy (or mommy) bad? Do they love me? My Daddy's in Jail is a story of two bears who have a father in prison. The book is narrated by a very odd cockroach.

When we were on a No Girls Allowed! holiday, my daddy's heart stopped beating and I had to find help all by myself. He was very badly broken. Not even the ambulance people could help him... This honest, sensitive and beautifully illustrated picture book is designed to help explain the concept of death to children aged 3+. Written in Alex's own words, it is based on the real-life conversations that Elke Barber had with her then three-year-old son, Alex, after the sudden death of his father. The book provides reassurance and understanding to readers through clear and honest answers to the difficult questions that can follow the death of a loved one, and carries the invaluable message that it is okay to be sad, but it is okay to be happy, too.

A propulsive, scorching modern gothic, Yes, Daddy follows an ambitious young man who is lured by an older, successful playwright into a dizzying world of wealth and an idyllic Hamptons home where things take a nightmarish turn. Life, liberty, and the pursuit of happiness are prescribed ideals in America of 2050. The Moral Authority, the nation's newest branch of government, has virtually eliminated crime, poverty, and most social ills, but it also rules the land with a tyrannical fist, championing ignorance and brandishing fear. Mark Bryan is a gay man whose existence brands him an outlaw; Isaac Montoya is a charming stranger, who entices Mark to defy moral law; and Samuel Pleasant runs the Moral Authority and plans to punish moral offenders and a rebellious uprising-no matter the cost. Will liberty and justice return for all?

My father lived an inspiring End of Life, a journey of courage, sorrow, wonder and assurances of Eternal Love. And before he passed, he encouraged me to share the story of his transition with you. Learning that he had metastatic cancer, Dad faced that fact by choosing to live fully for the rest of his days. When cancer treatments beat him down, he rallied by setting small physical goals and systematically beating them. Time and again, his doctors preserved the human body where the tumors grew with new methods of treatment... until there was nothing more they could do to prevent the inevitable. When he heard that there were no more medical options, Dad was shocked. He didn't feel like dying. He felt full of life and longing to live. He was angry and sad, disappointed and confused, scared and brave, unaccepting and, finally, accepting. With courage and amazing grace, he lovingly prepared our family for his passing. As our time together came to an end, I was grateful to be present. Although death is an inevitable part of life,

how we choose to be-with the dying and the bereaved is up to us. I encourage you to prepare and to embrace the possibility of a lovingly supported transition and, to that end, include some resources that may help you. Being ready to be-with is a wonderful way to live.

Tells the story of little boy's journey of discovery after the loss of his father In an easily understood, beautifully illustrated style, "Daddy's Disease" helps families to navigate the difficult waters of alcoholism. Tommy doesn't know why his father doesn't show up for dinners, or soccer games or why he acts funny sometimes. Tommy thinks it's because his father doesn't want to be with him, that he hasn't been the best boy he can be, that he should try harder. But, Mommy tells Tommy that Daddy has a disease called "alcoholism." She helps Tommy, and his faithful dog Murphy, understand what this disease is and how it affects Daddy, and the whole family. She teaches Tommy that he is not responsible for Daddy's behavior and that gives Tommy the peace he needs to foster a healthy childhood. We also have dirty hospitals, troops without proper equipment and schools that provide an appalling standard of education. So what went wrong and what can we do about it? This book provides an introduction in straightforward English to the Real Economics of real resources and real people's lives. First in the USA-Today bestselling Leigh Koslow Mystery Series! "A funny, fast-paced, clever, and unusual mystery that will have readers clamoring for more. Sheer delight." --Carolyn Hart The truth about what happened in 1949 went to Paul Fischer's grave... Too bad his body didn't! Advertising copywriter Leigh Koslow doesn't pack heat -- just a few extra pounds. And she doesn't go looking for trouble. When she moved into her cousin Cara's refurbished Victorian house, she wasn't planning on discovering a corpse -- certainly not one that had been embalmed ten years before. But as anyone in the small Pittsburgh borough of Avalon could tell her, her cousin's house has a history attached. A history dating back to two mysterious deaths in the summer of 1949. Someone wants Leigh and Cara out of the house -- someone who has something to hide. But that someone doesn't know Leigh's impetuous cousin, and when Cara digs her heels in, Leigh looks to her old college chum, local policewoman Maura Polanski, for help. But the answers the trio find only point to more questions. Were the scandalous deaths of fifty years ago really an accident and a suicide? Or were they murder? The nearer the women get to the truth, the more desperate someone becomes. Because some secrets are better off kept. Especially when they hit close to home! "A thoroughly delightful debut. Bright, breezy, and witty. I couldn't put it down." --Tamar Myers Originally published in mass market paperback by NAL/Penguin, Putnam, Inc. in 1999.
