to use all of their senses to read the environment and enter into a state of “greater aliveness.” When we learn to find and follow our inner tracks, we learn to see what is deeply important to us. DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before

the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

As the widely-admired CEO of Tyco International, Dennis Kozlowski grew a little-known New Hampshire conglomerate into a global giant. In a stunning series of events, Kozlowski suddenly lost his job along with his favored public status when he was indicted by legendary Manhattan DA Robert Morgenthau—it was an inglorious end to an otherwise brilliant career. Kozlowski was the face of corporate excess in the turbulent post-Enron environment; he was pictured under headlines that read "Oink Oink," and publicly castigated for his extravagant lifestyle. "Deal-a-Day Dennis" was transformed into the "poster child for corporate greed." Kozlowski was ultimately convicted of grand larceny and other crimes that, in sum, found the former CEO guilty of wrongfully taking \$100 million from Tyco. Taking Down the Lion shines a bright light on former CEO Dennis Kozlowski and the Tyco corporate scandal—it is the definitive telling of a largely misunderstood episode in U.S. business history. In an unfiltered view of corporate America, Catherine Neal pulls back the curtain to reveal a world of big business, ambition, money, and an epidemic of questionable ethics that infected not only business dealings but extended to attorneys, journalists, politicians, and the criminal justice system. When the ugly truth is told, it's clear the "good guys" were not all good and the "bad guys" not all bad. And there were absolutely no heroes.

animals, birds, and insects to communicate messages of direction, hope, health & wellness, safety and character building This children's book series was inspired by a recently published book: The Talking Birds, by the same author and photographer of this book. This children's book #1 is part of a series of twelve children's books that have been produced to communicate messages of direction, hope, safety and character building. These books feature a variety of candid photographs of wildlife animals, birds, and insects in different natural settings. These photos were photo-captured by International Nature Photographer, Mr. Youli Xia, a native of Beijing, China. Each photograph highlights a distinctive expression. Using the imagination, the expressions conveyed in the photos will set the stage for long talks with the animals, birds, and insects. This book series interactively shares twelve short, simple, easy-to-read, and easy-to-understand stories. These stories are designed to capture the interest and attention of young children from the ages of 4-9. They will be fascinated by the vibrant colors and the dramatic candid facial or body expressions of the subjects in the photographs. The intended educational value for this book series and the other future books is to offer effective tools for character building. These stories are sure to include the mention and discussion of core values like respect, responsibility, self-esteem, compassion, making good choices, health and wellness, love, manners, friendships/relationships patience, accountability, leadership, trustworthiness, thoughtfulness and safety, to name a few. This book series will serve as a responder to help fill a void that

With the spread of negative energy through all forms of media, compounded with the lack of positive role models-from the top down, many of our children are denied exposure to strong core values that could help establish and build healthy foundations for one's character. The hope is that these animal, bird, and insect subject short stories will effectively communicate messages that will help to turn matters around. The vision is that our young children will grow to become productive, respectful, responsible, patient, accountable, thoughtful and safe. Each story will feature at least one key word to be noted and remembered. Also, each story will highlight a moral or life lesson. Finally, each story encourages a discussion with follow-up questions.

First it was a media sensation. Then it became the #1 international bestseller *A Long Way Home*. Now it's *Lion*, the major motion picture starring Dev Patel, Nicole Kidman, and Rooney Mara—nominated for six Academy Awards! This is the miraculous and triumphant story of Saroo Brierley, a young man who used Google Earth to rediscover his childhood life and home in an incredible journey from India to Australia and back again... At only five years old, Saroo Brierley got lost on a train in India. Unable to read or write or recall the name of his hometown or even his own last name, he survived alone for weeks on the rough streets of Calcutta before ultimately being transferred to an agency and adopted by a couple in Australia. Despite his gratitude, Brierley always wondered about his origins. Eventually, with the advent of Google Earth, he had the opportunity to look for the needle in a haystack he once called home, and pore over satellite images for landmarks he might recognize or mathematical equations that might further narrow down the labyrinthine map of India. One day, after years of searching, he miraculously found what he was looking for and set off to find his family. *Lion* is a moving, poignant, and inspirational true story of survival and triumph against incredible odds. It celebrates the importance of never letting go of what drives the human spirit: hope. Previously published as *A Long Way Home* From rising star Sanne Dufft comes a richly illustrated picture book about nighttime fears, a grandmother's love, and the power of a child's imagination. Morgan, an endearing tousle-haired little boy, feels big and strong during the day with his tall hat and his toy sword. But at

night, when he dreams that a robber is coming through the woods to take these precious possessions, all of Mom's assurances that "there is no robber" are not enough to ease his fears. Then Nana brings Morgan a stuffed toy lion, because everybody needs a lion sometimes - and because sometimes, fears in a child's mind can only be conquered with the imagination. That night, Morgan rides a life-sized Night Lion into the woods and together they drive the robber far away. Comforting watercolour illustrations soothe any scary scenes, and the magical Night Lion will find an instant welcome in young readers' hearts.

When they finally meet their lion, they have to run, run, run through it all again to get back home. Young readers will enjoy the playful language and beautiful paintings that reset a familiar story in a far-off part of the world.
