

Where Can I Sell Old Edition Textbooks

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farm life routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny's struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father. Take charge of your finances and achieve financial independence – the Clever Girl way Join the ranks of thousands of smart and savvy women who have turned to money expert and author Bola Sokunbi for guidance on ditching debt, saving money, and building real wealth. Sokunbi, the force behind the hugely popular Clever Girl Finance website, draws on her personal money mistakes and financial redemption to educate and empower a new generation of women on their journey to financial freedom. Monitor your expenses, build a budget, and stick with it Make the most of a modest salary and still have money to spare Keep your credit in check and clean up credit card chaos Start and succeed at your side hustle Build a nest egg and invest in your future Transform your money mindset and be accountable for your financial well-being Feel the power of real-world stories from other "clever girls" Put yourself on the path to financial success with the valuable lessons learned from Clever Girl Finance. "The country road to hell and back is paved with the good intentions and secrets of Southern women." Prodigal son Duddy Doogan has a promise to keep. He is going home, to a place where his eccentric storytelling kin await his first visit since his father went missing. Home to where a powerful river carves an age-old border between Florida and Alabama. Home to a family tree of hidden secrets, lies, memories, and skin colors-but there is nothing black and white about the mysteries buried in its roots. Haunted by the trauma of a terrifying childhood accident and the love of too many Southern women, Duddy must excavate the bones of his family history to put his own broken life back together. When tragedy suddenly strikes, a promise to return home becomes a dangerous quest to reclaim his father's remains from a long-lost psychotic uncle living deep in the Alabama swampland. For Duddy Doogan, a journey into the heart of darkness will lead him to a shattering revelation about his own past, a secret truth hiding in plain sight and powerful enough to alter the course of Perdido River history for generations to come. Note from the Author: I'm excited about my Southern fiction novel, Perdido River Bastard, a multi-generational, romantic mystery about myth and sin, memory and history, secrets and lies, family life and death, magic and illusion, rebirth and redemption, good and evil-the sublime beauty I call the Deep South. Inherent themes of race, prejudice, and bigotry kinda go with the territory, but this novel isn't about inciting revolution or calling for imposed societal atonement for past transgressions. It isn't about blaming others for things they can't possibly help, like the color of skin, the sins of fathers and mothers, or the broken pasts of their children. Simply put, this story is about finding love through forgiveness, a notion worthy of discussion to my mind, as it seems to be the one that people conveniently forget, easily ignore, and readily dismiss for being too quaint, too simple, or too idealistic. Personally, I think we all could use a little idealism in these current racially divisive times. What we're doing right now isn't working well for any of us, so my novel suggests a wholly different tactic to affect change, one espoused by few truly Great Leaders, one being a preacher from Alabama who died for a simple dream that has yet to come true. This novel is close kin to other kinds of Southern fiction I've enjoyed reading over the years - a completed jigsaw puzzle that's more than the sum of its parts. It's a fictional biography, a romance, a series of vignettes, an interracial love story, a son's quest to make peace with his missing father, and a cozy mystery about generations of powerful women, contemporary and otherwise, who haunt one man's life. GOODREADS tags: contemporary women, cozy mystery, family saga, literary romance, magic realism, multi-generational, multicultural, mystery-thriller-suspense, plot twist, quirky characters, race issues, romance, southern biography, women's fiction

The Instant-Series Presents "Instant Genius" How to Think Like a Genius to Be One Instantly! When you hear the word "genius" - what immediately pops into your mind? Perhaps, people like Albert Einstein, Isaac Newton, Leonardo da Vinci, and Thomas Edison just to name a few. What did all these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? Geniuses are, first and foremost, extraordinary individuals.. They are always somewhat ahead of their time, and their contributions to the world have shaped society into what we know it as of today with all the remarkable fleets of advanced achievements unheard of in the past - just look at how far we have come with modern medicine, science, technologies, etc. And geniuses have helped mankind evolved into more intelligent beings - pushing us to all strive for even greater possibilities. So how to become a genius? The widely-accepted notion is...you're either born with a genius IQ or not; however, being a genius has less to do with your level of intelligence. Everybody has their own form of genius. The key is how to unlock that inner genius of yours. Within "Instant Genius": * How to easily create a custom "genius trigger button" step-by-step, so you can activate it to turn on your full-intellectual mental capacity at will, at anywhere, and at anytime. * How to channel your inner genius through the power of your subconscious mind, by doing the "subconscious self-session" technique to open doors to new ways of thinking. * How to use personalized "visual mental imprints" as your sources of inspirations and motivations to spark your creative genius to generate unlimited innovative ideas. * How to develop genius reflexes to handle any complex problem and come up with ingenious solution to have people look up to you, always wanting to hear what you have to say. * How to optimize your mind to work in relentless genius mode with full concentration and inexhaustible energy where obstacles no longer exist, through an in-depth "4-stages process" you can implement whenever you want. * Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to think like a genius. ...and much more. All of us has the potential to be our own geniuses. You just only need to be guided on how to unleash that genius brain power within you - to finally realize what you're truly capable of. You will be amazed and even surprised yourself.

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting

off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

Extensively researched fictionalized account of Grandison Harris' procurement of cadavers for the Medical College of Georgia.

Life is all about risk. Sometimes you embrace it. Other times, fate forces your hand. A. C. Burch's powerful collection of eight short stories transports the reader from Private Quarters, where a young musician must negotiate the competing demands of two strong-willed women, to a luxurious yacht in the Caribbean, where an embittered detective finds himself rejecting his Last Chance at love. A Book of Revelations is all about the cliff'the tipping point'the instant we must roll the dice or succumb to the status quo. Burch's characters face life with courage and humor in a tenacious search for meaning and fulfillment. Set in Provincetown, Palm Beach, Boston, Maine, Carnegie Hall, and the Caribbean, these memorable stories span not just distance but the range of life's experiences.

Shows that knowing the principles of selling is a prerequisite for success of any kind, and explains how to put those principles to use. This title includes tools and techniques for mastering persuasion and closing the sale.

What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one-the Challenger- delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

A dog describes being mistreated by a cruel master but then later being taken in by a kind family.

Freddy is torn between her need for a normal adolescent dating life and the responsibility she has always felt for her mentally challenged Uncle Joey. When Joey is accused of the murder of a local 6 year old girl, Freddy works to clear his name. But can she accomplish this without alienating the man she loves? A real page-turner; you will be riveted to the mystery as well as the circuitous paths Freddy's love life takes on her way to maturity. An excellent choice for a book club!

THE CLASSIC NATIONAL BESTSELLER "A wonderful, splendid book—a book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future." —Howard Fast Historian Howard Zinn's A People's History of the United States chronicles American history from the bottom up, throwing out the official narrative taught in schools—with its emphasis on great men in high places—to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, it is the only volume to tell America's story from the point of view of—and in the words of—America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As Zinn shows, many of our country's greatest battles—the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality—were carried out at the grassroots level, against

bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States* features insightful analysis of the most important events in our history. This edition also includes an introduction by Anthony Arnove, who wrote, directed, and produced *The People Speak* with Zinn and who coauthored, with Zinn, *Voices of a People's History of the United States*.

Six Dollar Family From Six Dollars to Six Figures Createspace Independent Publishing Platform

Terrie and Doug Oxtal gave their lives to a dream. After over 35 years of marriage the result of their devotion to four children and each other, life was perfect until the day they left the hospital with only their youngest son Andrew's jacket. The unspeakable grief that took over their lives is captured in letters written to Andrew where the love spills on to every page. The journey is there, the love is there, the sense of loss is there between the lines of shock and pain, with a true understanding of compassion. The Oxtal family knows Andrew has gone home, and they live with him in their hearts, until they meet again. For those who have suffered the loss of a child, this mother's letters will take you to a place so familiar they won't make you feel alone. For those who have not lost a child, this book will take you to a place where love is all that matters.

Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. *Waltzing Australia* recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

Karla Gray is an ordinary young woman that is taken from her mundane life into a world of blood lust as she begins to struggle with a unique ability. Karla is a Shielder; an exceptional fighter born with the rare ability to project a Shield for protection. However, Shielders are not the only kind that possesses such a talent. The Shielders battle a war that has been raging for centuries against Starkorfs, who harvest humans and Shielders alike to obtain a near immortality. Alongside the charming Lucas and selfless Paul, Karla must unravel the purpose of her curse and battle an unknown presence manipulating her thoughts; a mysterious woman who may be dormant for now, but has every intention of possessing Karla- mind, body, and soul. Within this new reality that Karla faces the search for the Three Immortal Blades begins.

P. T. Barnum, the great American showman of the 19th century, wrote this short book about making and keeping money. He certainly had life experiences that qualify him for the subject--he started a small newspaper in his twenties, bought and transformed a museum into a showplace for curiosities, built a circus empire that gave performances in America and Europe, promoted a performing tour of a singer, fell into debt in the 1850s and pulled himself out by lecture tours, was a mayor, and founded a hospital. Excerpts: "Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. ... True economy consists in always making the income exceed the out-go." "Unless a man enters upon the vocation intended for him by nature, and best suited to his peculiar genius, he cannot succeed. I am glad to believe that the majority of persons do find their right vocation. Yet we see many who have mistaken their calling..." His advice is indicated by the chapter titles: DON'T MISTAKE YOUR VOCATION, SELECT THE RIGHT LOCATION, AVOID DEBT, PERSEVERE, WHATEVER YOU DO, DO IT WITH ALL YOUR MIGHT, USE THE BEST TOOLS, DON'T GET ABOVE YOUR BUSINESS, LEARN SOMETHING USEFUL, LET HOPE PREDOMINATE, BUT BE NOT TOO VISIONARY, DO NOT SCATTER YOUR POWERS, BE SYSTEMATIC, READ THE NEWSPAPERS, BEWARE OF "OUTSIDE OPERATIONS", DON'T INDORSE WITHOUT SECURITY, ADVERTISE YOUR BUSINESS, "DON'T READ THE OTHER SIDE", BE POLITE AND KIND TO YOUR CUSTOMERS, BE CHARITABLE, DON'T BLAB, PRESERVE YOUR INTEGRITY.

"Wish you could find giggle-inducing tween books for girls?" "Tired of young teen fiction that drags you down? Then try..." *The Day I Washed My Face in the Toilet* A laugh-out-loud novel that's perfect for girls and young teens! All 14-year-old Monica Bloomfield wants is to spend August at a science camp far away from her idiot sister and weird little brother. Trouble is, Monica's being dragged into the wedding party of her crabby old great aunt who lives in England-and if she wants to earn that science camp, she has to keep her siblings in line for the entire trip, plus convince her crazy Grandma to move into a nursing home pronto. Monica's determined to succeed, but things start out badly-and go downhill fast. First, her hyperactive brother overdoses on caffeine right before their eight-hour flight to England. Then a botched wine-tasting party ends so badly that even a policeman is left speechless (and in need of a new uniform). Getting into science camp isn't going to be easy-especially with a rampaging bull, drunk parrot and the most gorgeous guy in the universe standing in her way. "The Day I Washed My Face In The Toilet" is a fast-paced tale about a girl trying to have a positive impact on her world and see social injustices corrected-with hilarious results, and one badly-mangled bridesmaid's dress. A Personal Note From The Author: Unfortunately, I came up with the title of this book-and a pretty big chunk of the plot-line-the day I washed my face in a toilet. In my defense, we were living in the middle of nowhere, and a brutal storm had left us with no hydro, no heat, no lights and no running water for almost a week. I was cold and grimy, and by the fifth day I snapped. I pulled the top off the toilet tank and peered in. The water had been sitting there for days, so it smelled really funky. Also, every chain and bobbly thing in there was covered with a thick layer of (and here, I'm using the scientific term) bleck. Still, I was desperate. So I used the slimy toilet tank water and had what was probably the fastest sponge bath on record. Sadly, the curry incident happened to me, too. Shortly before I boarded an eight-hour flight from England to Canada, a friend took me out for a huge curry feast. I'd never had curry, and my intestines weren't sure what to do with the stuff, so they promptly rejected it. I developed a massive case of explosive curry farts. I kept my coat zipped up for the entire flight home, hoping that would hide the smell. It didn't. Toxic gasses trickled out through the neck of the coat, assaulting me and all of the passengers who were stuck sitting around me. Ironically, the coat made the problem worse, because it made me sweat-I was leaking curry vapors out of every pore of my body. This book is a labor of love-but it's laced with some of my most cringe-worthy experiences, too! "If you're on the look-out for great books for girls or young teens-and you don't need vampires or zombies to make you happy-then this one's for you!" Want to read more? Just scroll up and click the Look Inside feature on the top left hand side of the page.

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be

willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

You may know Dude Perfect from their mind-blowing, world record-breaking, viral trick shot videos and hilarious Overtime videos! NOW, with the guys' new, massive, photo-intensive book Dude Perfect 101 Tricks, Tips, and Cool Stuff, you'll experience a behind-the-scenes look at their stunts and their personal lives, PLUS step-by-step instructions so you can attempt their tricks at home! At Dude Perfect, we do everything we can to bring families closer together, and that's why we're excited to share this book with you. Follow our step-by-step instructions to have your own Dude Perfect-style fun! Tweens and teens, ages 8 to 12, will enjoy complete panda-monium with this in-depth look at Dude Perfect: five guys who are kickin' it, throwin' it, tossin' it, and shootin' it for more than 55 million YouTube subscribers and more than twelve billion views. With an oversize format and fun, informative graphics, Dude Perfect 101 Tricks, Tips, and Cool Stuff includes . . . The Pink Pelican is the story of a young man's obsessive journey to Crete trying to win back a lost love and falling into himself. This book also contains a collection of stories and poetry about death, dreams and clowns.

Modern-day pirates took more than Jori Virtanen's friends; they stole his face. Not only does the twenty-four-year-old former model have to confront months of reconstructive surgery, he discovers his previous life was as superficial as his looks. Up-and-coming talk show host Olivia Howard wants an interview. She, like the rest of the press, expects a hero, but Jori knows the truth. His beauty masks a beast. In seclusion and evading the press, Jori struggles to make a new life as an artist. But he can't hide from himself; more than his face is damaged. How can Jori possibly make amends for all that he's broken? When Olivia finally tracks him down, he must decide if he can trust her. Could this unlikely woman be a key to freeing his heart and healing the beast?

Will this be one of those books that will change your life and start you on your entrepreneurial journey? There's only one way to find out ...Starting a business has never been made this easy!

"Social Mastery Made Simple is a comprehensive social skills program developed for children and adolescents with learning disabilities. Students will learn every aspect of social interaction, from the simple to the complex"--Back cover.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Tribber. In the Middle Realm, Tribbers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it..

Is your special friend always waiting at the door for you with a wagging tail and an unconditional look of happiness? Is your favorite lap warmer always ready to keep you company on dark and stormy nights? No matter if your friend is furry, finned, feathered, or leathered, no doubt your pet plays an important role in your life and your family. In fact, your pet may be your family. But after the inevitable happens and you sob your last good-bye, will you see your pet again? In Heaven? Does your pet have a soul? Will your pet go to Heaven? This fun and light-hearted look at a seriously sad subject reveals many perspectives about Spot's stairway to Heaven, Fluffy's final resting place, and birds of Paradise. Will your pet rabbit rest in peace, or will your fish float forever in the septic tank? In addition to their own blend of passionate and compassionate diva dialogue, the four writers quote devoted pet owners, clergy, friends, family, and even those who just aren't "pet people." From the variety of perspectives and opinions, this is a heart-warming, tail-wagging conversation sure to keep you smiling from now until then...
