R.H. Sin's second volume continues the passion and vigor of his previous publication. His stanzas inspire strength through the pure emotional energy and the vulnerability of his poems. Relationships, love, pain, and fortitude are powerfully rendered in his poetry, and his message of perseverance in the face of emotional turmoil cuts to the heart of modern-day life. R.H. Sin's poems are often only a few lines long, and yet the emotional punch of his language gives these words an enduring power beyond the short page. He doesn't back away from the pains and struggles of life and love, and yet his determined, unapologetic voice provides a measure of comfort and a message of perseverance that is at once realistic and indomitable. This blend of determination and painful vulnerability gives his poetry a distinctive, engaging flavor.

Great Food Made Simple Here's the breakthrough one-stop cooking reference for today's generation of cooks! Nationally known cooking authority Mark Bittman shows you how to prepare great food for all occasions using simple techniques, fresh ingredients, and basic kitchen equipment. Just as important, How to Cook Everything takes a relaxed, straightforward approach to cooking, so you can enjoy yourself in the kitchen and still achieve outstanding results. Praise for How to Cook Everything by Mark Bittman: "In his introduction to How to Cook Everything, Mark Bittman says, 'Anyone can cook, and most everyone should.' Now, hopefully everyone will -- this work is a rare achievement. Mark is in that pantheon of a few gifted cook/writers who make very, very good food simple and accessible. I read his recipes and my mouth waters. I read his directions and head for the kitchen. Bravo, Mark, for taking us away from take-out and back to the fun of food." -- Lynne Rossetto Kasper, host of the international public radio show "The Splendid Table with Lynne Rossetto Kasper" "Mark Bittman is the best home cook I know, and How to Cook Everything is the best basic cookbook I've seen." -- Jean-Georges Vongerichten, award-winning chef/owner of Jean-Georges "Useful to the novice cook or the professional chef, How to Cook Everything is a tour de force cookbook by Mark Bittman. Mark lends his considerable knowledge and clear, concise writing style to explanations of techniques and quick, classic recipes. This is a complete, reliable cookbook." -- Jacques Pepin, chef, cookbook author, and host of his own PBS television series "Sometimes all the things that a particular person does best come together in a burst of synergy, and the result is truly marvelous. This book is just such an instance. Mark Bittman is not only the best home cook we know, he is also a born teacher, a gifted writer, and a canny kitchen tactician who combines great taste with eminent practicality. Put it all together and you have How to Cook Everything, a cookbook that will inspire American home cooks not only today but for years to come." -- John Willoughby and Chris Schlesinger, coauthors of License to Grill

August 2019 saw numerous commemorations of the year 1619, when what was said to be the first arrival of enslaved Africans occurred in North America. Yet in the 1520s, the Spanish, from their imperial perch in Santo Domingo, had already

brought enslaved Africans to what was to become South Carolina. The enslaved people here quickly defected to local Indigenous populations, and compelled their captors to flee. Deploying such illuminating research, *The Dawning of the Apocalypse* is a riveting revision of the “creation myth” of settler colonialism and how the United States was formed. Here, Gerald Horne argues forcefully that, in order to understand the arrival of colonists from the British Isles in the early seventeenth century, one must first understand the “long sixteenth century”—from 1492 until the arrival of settlers in Virginia in 1607. During this prolonged century, Horne contends, “whiteness” morphed into “white supremacy,” and allowed England to co-opt not only religious minorities but also various nationalities throughout Europe, thus forging a muscular bloc that was needed to confront rambunctious Indigenous and Africans. In retelling the bloodthirsty story of the invasion of the Americas, Horne recounts how the fierce resistance by Africans and their Indigenous allies weakened Spain and enabled London to dispatch settlers to Virginia in 1607. These settlers laid the groundwork for the British Empire and its revolting spawn that became the United States of America.

An instant New York Times bestseller From the bestselling author of *The Cost of These Dreams* The story of how Julian Van Winkle III, the caretaker of the most coveted cult Kentucky Bourbon whiskey in the world, fought to protect his family's heritage and preserve the taste of his forebears, in a world where authenticity, like his product, is in very short supply. As a journalist said of Pappy Van Winkle, "You could call it bourbon, or you could call it a \$5,000 bottle of liquified, barrel-aged unobtainium." Julian Van Winkle, the third-generation head of his family's business, is now thought of as something like the Buddha of Bourbon - Booze Yoda, as Wright Thompson calls him. He is swarmed wherever he goes, and people stand in long lines to get him to sign their bottles of Pappy Van Winkle Family Reserve, the whiskey he created to honor his grandfather, the founder of the family concern. A bottle of the 23-year-old Pappy starts at \$3000 on the internet. As Julian is the first to say, things have gone completely nuts. Forty years ago, Julian would have laughed in astonishment if you'd told him what lay ahead. He'd just stepped in to try to save the business after his father had died, partly of heartbreak, having been forced to sell the old distillery in a brutal downturn in the market for whiskey. Julian's grandfather had presided over a magical kingdom of craft and connoisseurship, a genteel outfit whose family ethos generated good will throughout Kentucky and far beyond. There's always a certain amount of romance to the marketing of spirits, but Pappy's mission statement captured something real: "We make fine bourbon - at a profit if we can, at a loss if we must, but always fine bourbon." But now the business had hit the wilderness years, and Julian could only hang on for dear life, stubbornly committed to preserving his namesake's legacy or going down with the ship. Then something like a miracle happened: it turned out that hundreds of very special barrels of whiskey from the Van Winkle family distillery had been saved by the multinational conglomerate that bought it. With no idea what they had, they offered to sell it to Julian, who scrambled to beg and borrow the funds. Now he could bottle a whiskey whose taste captured his family's legacy. The result would immediately be hailed as the greatest whiskey in the world - and would soon be the hardest to find. But now, those old barrels were used up, and Julian Van Winkle faced the challenge of his lifetime: how to preserve the taste of Pappy, the taste of his family's heritage, in a new age? The amazing Wright Thompson was invited to be his wingman as he set about to try. The result is an extraordinary testimony to the challenge of living up to your legacy and the
