A meek teenager discovers she's immortal and is unleashed in a hidden world where demons and mystical creatures exist, with the sole purpose of taking earth's resources. Arcs exist to protect mortals and immortals, but not without a fight. Imogen Truman is a seventeen year old dealing with the death of her father and of becoming an adult. She travels to Australia, Brazil, India, France and UK, to discover she is immortal. A 500 year old Arc-Hector Slorick trains her to defeat ancient human like beast known as Paignons. The Paignon King, Von Strickenstein wants to strip her of her powers. She finds herself falling in love with an aristocrat-Rupert De Guais and is faced with elements of conflict, love, seduction, betrayal, innocence and death. She soon realises that she is very different from other Arcs, but just how different? A compelling action, urban fantasy story with teenage metaphors entwined with Brazilian jiu-jitsu and mixed martial arts. **DON'T WAIT TO BE SAVED!**

Bestselling and critically acclaimed author Tracy Brown, delivers the final hard-hitting installment in her White Lines series.

The gifted musician Eva De Plain becomes an unwitting pawn in a struggle for a priceless Thomas Moran painting, a treasure which holds the powers of salvation. Eva's creativity propels her on a journey of love and devastation from Mexico City to Augusta, Georgia, all the while being hunted by an ambitious psychopath bent on her

destruction. This thriller involves pro golf athletes, art business insiders, and a savvy real estate tycoon, as lives from varying backgrounds intersect to influence each other. As the years go by, alliances are formed, but who can be trusted in the long run? The final battle between good and evil is a twist-and-turn hairpin ride occurring on and off the golf course during the famed Masters Tournament, and destruction is only a knife blade away. This stand-alone thriller is from Mark Sublette, best known for his ongoing Charles Bloom Murder Mystery art series set in the Southwest.

One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy

Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record No Sleep 'Til Hammersmith and would earn a Grammy nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. *White Line Fever*, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

A wide array of writers pen their thoughts on cocaine, including Irvine Welsh, Bret Easton Ellis, William S. Burroughs, Timothy Leary, Sigmund Freud, Arthur Conan Doyle, and many others. Original.

What would you do if your sister was in trouble? Wouldn't you do anything you could to help? In *Emerald Waters*, *White Lines*, Dalton Blake figures there is only one way he

can possibly help his only sister, Beverly, break free from fair-weather friends and a cycle of dependence on drugs. He sets aside the fame and spotlight of his career as a rock star to sail away "literally" on a three-month trip with Bev aboard Freedom Highway, the boat named for his band. Bev has her own motivations for going along. Facing foreclosure and homelessness, she figures this trip will be a great way to con her rich and famous little brother into giving her a loan that she may or may not ever repay. Dalton knows hurricane season is just starting, but he's been sailing for a long time, and he knows how to navigate rough weather. Or so he thinks. Dalton and Bev get more than they ever bargained for from their get well sail. When things get ugly, Dalton is forced to battle three deadly fronts simultaneously in what becomes a flat-out fight against time and circumstance where one of them will not make it back. Come sail the high seas with Dalton, Beverly, and Freedom Highway for the trip of a lifetime in Emerald Waters, *White Lines*."

An account of the Chicago World's Fair of 1893 relates the stories of two men who shaped the history of the event--architect Daniel H. Burnham, who coordinated its construction, and serial killer Herman Mudgett.

The recollections of an undercover federal narcotic agent working in many dangerous environments and role playing with extremely dangerous characters. Civil War soldiers faced many threats: bullets, cannon balls, bayonets, scurvy, dysentery, malaria, mumps, and measles. Yet, Robert E. Lee's immortal Army of Northern Virginia lost 70,000 men to an invisible threat, one not understood until forty years after the guns fell silent. That menace was hookworm, which bled the Deep South dry, not just during the war but for generations before and after. Now for the first time, a book-length exploration of this menace clearly shows its effects not just in the American South but throughout the world. Full justice is done to the Hookworm Heroes who raised half the country from being enfeebled "poor white trash," to the productive and healthy men and women of the South today. A biologist's view of Pickett's Charge casts a whole new light on both commanders and the men who faced the Union guns, opening a window of

Developed as a response to Modernist art and literature, this collection of poetry and art challenges the way we appreciate artistic genre. Instead of creating art inspired by poetry or the poetry inspired by art, this work melds that two into a cohesive work, with neither being the progenitor of the other. It examines the history of blackness and looks at that history through a modern lens, changing how we see our heroes, how we see ourselves and how we see society. It questions how we communicate and how we amuse ourselves. It redraws our innate sense of beauty. It examines gender roles and abuse. Created by a mother and daughter team, this book of poetry provides image to imagery. With Katerina Canyon's poems and Aja Canyon's illustrations, this work is a conversation between them as they examine what it means to operate within the world as black women.

Ex-cop Frank Harper is wondering if his missteps in a recent case caused the death of an innocent family. Meanwhile, a Dayton drug task force is struggling to contain hostile street gangs. When Frank steps in to investigate the family's deaths, can he avoid a desperate standoff between warring factions that may cost him his life?

The Killer: he strikes without warning, killing brutally with no remorse. Roaming the motorways looking for his next victim, even he doesn't know where and when his next murder will be. The Hunter: determined to hunt the Killer down, jeopardising his own police career in the process. The Searcher: obsessive, lonely, misunderstood, the Searcher spends his nights scouring the motorway for unwanted objects, his only contact with the outside world. A final confrontation brings the Killer, the Hunter and the Searcher together in a chilling finale.

In *As the Broken White Lines Become One*, Michael Gehring recounts his spiritual journey through the landscape of late-twentieth-century southern American Christianity. This account depicts how and why he drifted away from the Roman Catholic Church, fellowshipped for a while with the Assemblies of God, sojourned for a prolonged time as an outsider to the institutional church, and eventually found a theological home within United Methodism. What follows is a spiritual journey with a lot of turns. The work is not intended to be a complete autobiography. Significant biographical details and relationships are not included as this narrative focuses on the shifting and sifting grounds of American Christian denominations. This chronicle primarily concerns the spiritual journey that led him to United Methodism and what it was like, not only to choose it, but also to inhabit it.

Who Rides the White Horse Hi my friend, after you've read this book you may not want to consider me a friend. I'm learning to accept that. There was a time that when I met

someone like me the way I am now. I felt the same way as many of you will. Even though you won't be able to prove me wrong, you're going to hate me for the way I tell the truth. Yes I know I seem to act and sound cocky. I'm hoping that some one can knock old Ray off his high horse with a stronger sense of truth than mine. It's been a few years now and no one yet has done that. My pledge is that should some one prove anything that I have said to be a lie at the very least I'll have to publically apologize. If my word is worth anything it's now on the line. My name is Ray Ralph. I'm the author of Christ, Christianity, and Christians Welcome to the real world. For most of you who are about to read this book, It will most likely not live up to your expectations. The majority of you who read these types of books will be expecting more of the same old same old. These days preachers of all faiths prepare their sermons for their next worship day. You will attend the service out of tradition, and habit more than anything else. It's your responsibility, your duty to honor God with your presence. You'll show up at the church dressed in your Sunday best whether you have services on Sunday, Saturday, or any other day. You'll find your seat, make yourself as comfortable as you can, some of those seats are as comfortable as easy chairs, and some are bring your own pillows. Then you muddle through the next few hours give or take. Whatever the sermon is about, you usually don't have a say, and yet you'll suppose ably accept it as Gods Word. What was said actually didn't make sense but hey, the sermon was good the pastor who told it is your friend. Gods chosen representative. They don't make mistakes

and if they do there so insignificant it doesn't matter. Like many of you I was raised a Christian and as I was growing up I heard the word of God told to me the same way, over and over for over 50 years. Myself I had never read a book of the Bible in my life. I used the same excuse as many of you; it's just too hard to understand. All those years I just took for granted that what my preachers were telling me was Gods Word. My preachers wouldn't lie. I stood up for my faith whatever the consequences. Now that I think back upon many of my conversations with other faiths it didn't matter that what I was saying was totally wrong, as far as I was concerned I was right and they were wrong. What I couldn't figure out was why everyone else couldn't see that my faith was the true faith. I could see their faiths short comings, but I couldn't see mine. Then one morning it happened, TheReallyTruth. You are now about to read Christ, Christianity, and Christians. This Roller Coaster Ride I call TheReallyTruth is rolling, ride with your eyes and mind wide open. Remember to show this book to your pastor's asking them to put Ray in his place. Should you and or your faith disagree with what I say, they should be able to do that? Thank You and Enjoy!... Sincerely Ray Ralph ...

The Black and White Lines is Shi Collantes fourth book. These words are written in the darkest ink- with the most sting. There is nothing beautiful with the sound you make when you cry without shedding a single tear. This is a massacre of the mind, and the decaying of a soul. These are the things that are never coming back. This is strength.

These are fragments of what the world broke. This is for the most loved lies. Growing up, Ruth was on track for an ideal life – she had the grades, friends, great sporting potential, and a strong bond with her sister. However, when she was 14, her perfect life began to crack. After suffering an injury, Ruth began seeking control in other areas of her life to combat growing feelings of depression. Having recovered physically, but not mentally, she eventually quit the game she loved so much. Having been let down repeatedly by the authorities – including during a stay in a mental health hospital – she sought support and understanding from authority figures and role models. And as she battled through the next few years, Ruth rediscovered football as a way to keep grounded during the most chaotic times in her life. Now an active campaigner for mental health awareness and training, especially in sport, Ruth is a proud ambassador and advisor for The Shaw Mind Foundation and Mental Health Football Association. The drama continues in *WHITE LINES 2: BORN* by Essence bestselling author Tracy Brown. Life with Born seems good, but all his love can't save Jada from a crack addiction. Completely strung out, Jada will stop at nothing to get the white lines she endlessly craves—even if it means selling her body for drugs and cash. But how far can Jada fall before she truly hits bottom?

Art Savvy is a systematic approach to understanding art. It gives you methods to assess a design and really see what the artist was doing. Unlike chaotic art writings, terms are clearly defined, categorized, organized and illustrated. It is designed to answer questions like: What things will allow me to understand art? What are the basic elements? What is concept art? Can you "read" a work of abstract art? Visual literacy is the ability to interpret, negotiate, and make meaning from information presented in art work. Art Savvy gives you this.

Defining Terms: Often art terms are not clearly defined, are used interchangeably or get mixed up with other types of analysis. For a thorough exploration of all aspects of art, photos of great works are referenced with color keyed notations to illustrate the 5 easy pieces: 1. Design Elements- Visual grammar, line, shape, form, mass etc. - definitions & how to see them. 2. Organization Principles- How elements are arranged and how this effects the concept. 3. Style- Relation to other groups of work and formulas for design. 4. Technique- How methods and materials are used to impact the concept. 5. Concept- What this piece about. What major themes and elements were used. Assessment techniques in each

section of Art Savvy will train your eye to always see these 5 aspects of any artwork. It is not attempting judgments of relevance, philosophy, spiritual meanings and other ethereal aspects that a work may convey. This text poses the question: "What is the basic concept here?" but sticks to pure analysis and leaves all judgment to you and the experts. This field guide is a mini textbook on design principles that will let you understand art!

LINES On the surface, it appears that Sunny has got it all—looks, money, a beautiful home, a healthy daughter, and friends who love her. But Sunny has a secret—something she hasn't even told her best friend. The truth is Sunny is unhappy. She still misses her beloved Dorian, and worries that no other man will ever captivate her the way he did. She dated some very powerful and successful men since Dorian's death. But will she ever find love again? It's not long before Sunny is chasing those white lines again. And, when the truth finally explodes, will Sunny be able to put her life back together again? "Readers who like delving into complex relationships and characters creeping behind one another's back will be drawn in." - Library Journal

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary

Tracy Brown. On the surface, Jada's life is back on track. She's battled her demons, her son is a permanent part of her life-and yet, it still feels like she's on shaky ground. What she really needs to settle her soul is to have Born back in her life-and in her arms-again. But reuniting with the man she loves is proving to be the hardest thing she's ever fought for. And when a brutal and shocking event tests the foundation of Jada and Born's resolve, it will take every drop of willpower they possess to stay on top.

Winning the state championship in football-crazed Texas is the holy grail for high school coaches. Newton, Texas, is a sleepy little town nestled in the piney woods of southeastern Texas where the residents live for what they lovingly call "Friday night church." In December 2018 a video of the Newton Eagle coach went viral on sports and non-sports platforms as millions of people watched. In his emotional postgame interview, W.T. Johnston recounted how he had been given only a few months to live. But during his long coaching career, every one of his teams heard the same message. "I told them I was going to teach them football, but I was going to teach them something more important. How to live until you die." This is the story of a remarkable coach and the miracle that allowed him to pursue championship dreams. Between the White Lines is a story of courage, faith, and community that will inspire and challenge you. Jada left home at the age of sixteen, running from her own demons and the horrors of physical abuse inflicted by her mother's boyfriend. She partied hard, and life seemed good when she was with Born, the neighborhood kingpin whose name was synonymous with money, power, and respect. But all his love couldn't save her from a crack addiction. Jada goes from crack addict and prostitute to survivor and back again before she finds the strength to live for herself and come out on top.
