

## Who Was Abigail Adams

This volume affords a visual documentation of the most varied political career in American history and exemplifies the work of the principal American portraitists from the days of Copley and Stuart to the dawn of the Daguerrean era. Included in the 159 illustrations are all the known life portraits, busts, and silhouettes of John Quincy and Louisa Catherine Adams, along with important replicas, copies, engravings, and representative likenesses of their siblings. The book is organized into seven chapters which generally coincide with the major divisions of John Quincy Adams' political career. Within each chapter are discussed the artists, their relationships with the Adams's, and the provenance of each of their works. A chronology of John Quincy Adams' life for each period accompanies the chapter to which it pertains. Information about the size of each likeness, the inscriptions if any, the date executed, and present ownership where known is summarized in the List of Illustrations. The Adams's, as they watched themselves age over the years in the marble, ink, or oil of the artists who portrayed them, recorded much by way of commentary on the artistic talent and process at hand. The author makes use of the diaries and correspondence preserved in the Adams Papers, thus combining a learned appreciation with an intimate glimpse of Adams's as they saw themselves.

An 8x8 book with 2 sticker sheets based on an episode from the PBS KIDS animated television series *Xavier Riddle and the Secret Museum* starring Abigail Adams. Based on the children's book series *Ordinary People Change the World* by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series will introduce kids to inspiring historical figures and the character virtues that helped them succeed. When Yadina, Brad, and Xavier need help solving a problem, they head to the Secret Museum for help! They're sent back in time to 1754 to meet one of the United States' Founding Mothers: Abigail Adams. This episode-based 8x8 will focus on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves.

1773: The Massachusetts colony is torn between patriots who want independence from British rule and loyalists who support the King. At the center is the educated and beautiful Abigail Adams-wife of John Adams, a leader of the Sons of Liberty, the secret organization opposing the Crown. And when her husband is accused of murder, she must work to clear his name.

Quickly turn to the inside front cover to read more of one of your favorite Christian heroes. You'll be amazed at what has been left out of our history books! This story is about Abigail Adams.

Presents a biography of Abigail Adams (1744-1818), wife of the second president of the United States, John Adams, and mother of the sixth, John Quincy Adams. This work tells not only of her extraordinary life but of the major political and social developments of the time. Adams's life is one of the most documented of

the first ladies: she is remembered for the many letters she wrote to her husband while he stayed in Philadelphia, Pennsylvania, during the Continental Congresses. John frequently sought the advice of Abigail on many matters, and their letters are filled with intellectual discussions on government and politics. The letters serve as eyewitness accounts of the American Revolutionary Warhome front.

The letters of John and Abigail Adams are laid bare here, chronicling their long love affair, political opinions, and humor in 226 letters and diary entries and providing an intimate glimpse of early American history. Simultaneous. In this inspiring tribute, award-winning author Barb Rosenstock and New York Times bestselling artist Elizabeth Baddeley tell the true story of one of America's greatest founding mothers: Abigail Adams. Everyone knew Abigail was different. Instead of keeping quiet, she blurted out questions. Instead of settling down with a wealthy minister, she married a poor country lawyer named John Adams. Instead of running from the Revolutionary War, she managed a farm and fed hungry soldiers. Instead of leaving the governing to men, she insisted they "Remember the Ladies." Instead of fearing Europe's kings and queens, she boldly crossed the sea to represent her new country. And when John became President of the United States, Abigail became First Lady, and a powerful advisor. Leave it to Abigail--an extraordinary woman who surprised the world. The correspondence of a Founding Father and his brilliant wife The Letters of John and Abigail Adams provides an insightful record of American life before, during, and after the Revolution; the letters also reveal the intellectually and emotionally fulfilling relationship between John and Abigail that lasted fifty-four years and withstood historical upheavals, long periods apart, and personal tragedies. Covering key moments in American history - the Continental Congress, the drafting of the Declaration of Independence, the Revolutionary War, and John Adams's diplomatic missions to Europe - the letters reveal the concerns of a couple living during a period of explosive change, from smallpox and British warships to raising children, paying taxes, the state of women, and the emerging concepts of American democracy. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Abigail Adams was an extraordinary woman who witnessed the gathering storm of the American Revolution and saw the battle of Bunker Hill from a hilltop near her home. Through her letters to friends and family, Abigail Adams lives in history--and now in this award-winning biography by Natalie Bober. Black & white illustrations . Shares the light perspectives of the second president's wife on a wide range of subjects as drawn from her personal writings, categorizing entries under such subjects as human nature, politics, and family life while providing accompanying biographical and source information.

A portrait of the supportive wife of President John Adams details the life of this

extraordinary woman who used her love for learning, for her family, and for her country to shape the early history of the United States.

The creators of *A Picture Book of Dolley and James Madison* explore the lives of another president and first lady: John Adams, who was America's first vice president and second president; and Abigail Adams, his "fellow Laborer" and most trusted adviser.

Reveals how the European travels of John and Abigail Adams helped define what it meant to be an American From 1778 to 1788, the Founding Father and later President John Adams lived in Europe as a diplomat. Joined by his wife, Abigail, in 1784, the two shared rich encounters with famous heads of the European royal courts, including the ill-fated King Louis XVI and Queen Marie-Antoinette, and the staid British Monarchs King George III and Queen Charlotte. In this engaging narrative, *A View from Abroad* takes us on the first full exploration of the Adams's lives abroad. Jeanne E. Abrams reveals how the journeys of John and Abigail Adams not only changed the course of their intellectual, political, and cultural development—transforming the couple from provincials to sophisticated world travelers—but most importantly served to strengthen their loyalty to America. Abrams shines a new light on how the Adamses and their American contemporaries set about supplanting their British origins with a new American identity. They and their fellow Americans grappled with how to reorder their society as the new nation took its place in the international transatlantic world. After just a short time abroad, Abigail maintained that, "My Heart and Soul is more American than ever. We are a family by ourselves." The Adamses' quest to define what it means to be an American, and the answers they discovered in their time abroad, still resonate with us to this day.

In this book, Edith B. Gelles asserts that Abigail Adams' vivid, insightful letters are "the best account that exists from the pre to the post-Revolutionary period in America of a woman's life and world." Adams' spontaneous, witty letters serve dual purposes for the modern reader: it provides an intriguing first hand account of pivotal historical events and it shows how these events from the Boston Tea Party to the War of 1812 entered the private sphere. Included in the book is a chronology, notes and reference section and a selected bibliography. This book will be a must for all scholars of American literature, history and politics seeking to understand this literary figure.

Profiles the life and accomplishments of First Lady Abigail Adams, especially her work on behalf of women's rights and education; includes study and discussion questions.

Chronicles the life and achievements of the nation's second First Lady and advocate for women's rights.

Presents the life and accomplishments of the wife of the second president of the United States, a dedicated wife and mother who played an important role in the birth of the nation.

Abby and her stepbrother, Doc, must persuade Abigail Adams to disband her newly acquired crew of Caribbean pirates and return as First Lady of the White House.

A biography of the First Lady who used her letters to influence the laws of the new nation and improve the lives of American women.

The Pulitzer Prize-winning, best-selling author of *Founding Brothers and His Excellency* brings America's preeminent first couple to life in a moving and illuminating narrative that sweeps through the American Revolution and the republic's tenuous early years. John and Abigail Adams left an indelible and remarkably preserved portrait of their lives together in their personal correspondence: both Adamses were prolific letter writers (although John conceded

that Abigail was clearly the more gifted of the two), and over the years they exchanged more than twelve hundred letters. Joseph J. Ellis distills this unprecedented and unsurpassed record to give us an account both intimate and panoramic; part biography, part political history, and part love story. Ellis describes the first meeting between the two as inauspicious—John was twenty-four, Abigail just fifteen, and each was entirely unimpressed with the other. But they soon began a passionate correspondence that resulted in their marriage five years later. Over the next decades, the couple were separated nearly as much as they were together. John's political career took him first to Philadelphia, where he became the boldest advocate for the measures that would lead to the Declaration of Independence. Yet in order to attend the Second Continental Congress, he left his wife and children in the middle of the war zone that had by then engulfed Massachusetts. Later he was sent to Paris, where he served as a minister to the court of France alongside Benjamin Franklin. These years apart stressed the Adamses' union almost beyond what it could bear: Abigail grew lonely, while the Adams children suffered from their father's absence. John was elected the nation's first vice president, but by the time of his reelection, Abigail's health prevented her from joining him in Philadelphia, the interim capital. She no doubt had further reservations about moving to the swamp on the Potomac when John became president, although this time he persuaded her. President Adams inherited a weak and bitterly divided country from George Washington. The political situation was perilous at best, and he needed his closest advisor by his side: "I can do nothing," John told Abigail after his election, "without you." In Ellis's rich and striking new history, John and Abigail's relationship unfolds in the context of America's birth as a nation. Abigail Adams was the wife of John Adams, the nation's second president. Abigail had strong opinions about war, politics, and the rights of women—and she wasn't shy about expressing them. Few women in her time were as outspoken. Abigail Adams helped mold John Adams's ideas—and so too our history. TIME For Kids® Biographies help make a connection between the lives of past heroes and the events of today. In Abigail's times, women were second-class citizens who were given little education and had few rights. Abigail wanted men and women to have equal rights. Her words have inspired women for centuries, and today many of Abigail's ideas have finally taken hold.

Illustrated biographies featuring a range of fascinating figures from history (and current figures, too!) provide great information and entertainment through short chapters and illustrations that will appeal to reluctant readers as well as middle readers in general. Original.

Winner of the Bancroft Prize The New York Times Book Review, Editor's Choice American Heritage, Best of 2009 In this vivid new biography of Abigail Adams, the most illustrious woman of the founding era, Bancroft Award-winning historian Woody Holton offers a sweeping reinterpretation of Adams's life story and of women's roles in the creation of the republic. Using previously overlooked documents from numerous archives, Abigail Adams shows that the wife of the second president of the United States was far more charismatic and influential than historians have realized. One of the finest writers of her age, Adams passionately campaigned for women's education, denounced sex discrimination, and matched wits not only with her brilliant husband, John, but with Thomas Jefferson and George Washington. When male Patriots ignored her famous appeal to "Remember the Ladies," she accomplished her own personal declaration of independence: Defying centuries of legislation that assigned married women's property to their husbands, she amassed a fortune in her own name. Adams's life story encapsulates the history of the founding era, for she defined herself in relation to the people she loved or hated (she was never neutral), a cast of characters that included her mother and sisters; Benjamin Franklin and James Lovell, her husband's bawdy congressional colleagues; Phoebe Abdee, her father's former slave; her financially naïve husband; and her son John Quincy. At once epic and intimate, Abigail Adams, sheds light on a complicated, fascinating woman, one of the most beloved figures of American history.

Chronicles the life and achievements of the wife of the second president of the United States. Adams is remembered for the many letters she wrote to her husband while he stayed in Philadelphia, Pennsylvania, during the Continental Congresses. John frequently sought the advice of Abigail on many matters, and their letters are filled with intellectual discussions on government and politics. The letters serve as eyewitness accounts of the American Revolutionary War home front.

For readers of the historical works of Robert K. Massie, David McCulough, and Alison Weir comes the first biography on the life of Abigail Adams and her sisters. “Never sisters loved each other better than we.”—Abigail Adams in a letter to her sister Mary, June 1776 Much has been written about the enduring marriage of President John Adams and his wife, Abigail. But few know of the equally strong bond Abigail shared with her sisters, Mary Cranch and Elizabeth Shaw Peabody, accomplished women in their own right. Now acclaimed biographer Diane Jacobs reveals their moving story, which unfolds against the stunning backdrop of America in its transformative colonial years. Abigail, Mary, and Elizabeth Smith grew up in Weymouth, Massachusetts, the close-knit daughters of a minister and his wife. When the sisters moved away from one another, they relied on near-constant letters—from what John Adams called their “elegant pen”—to buoy them through pregnancies, illnesses, grief, political upheaval, and, for Abigail, life in the White House. Infusing her writing with rich historical perspective and detail, Jacobs offers fascinating insight into these progressive women’s lives: oldest sister Mary, who became de facto mayor of her small village; youngest sister Betsy, an aspiring writer who, along with her husband, founded the second coeducational school in the United States; and middle child Abigail, who years before becoming First Lady ran the family farm while her husband served in the Continental Congress, first in Philadelphia, and was then sent to France and England, where she joined him at last. This engaging narrative traces the sisters’ lives from their childhood sibling rivalries to their eyewitness roles during the American Revolution and their adulthood as outspoken wives and mothers. They were women ahead of their time who believed in intellectual and educational equality between the sexes. Drawing from newly discovered correspondence, never-before-published diaries, and archival research, *Dear Abigail* is a fascinating front-row seat to history—and to the lives of three exceptional women who were influential during a time when our nation’s democracy was just taking hold. Advance praise for *Dear Abigail* “In a beautifully wrought narrative, Diane Jacobs has brought the high-spirited, hyperarticulate Smith sisters, and the early years of the American republic, to rich, luminous life. . . . A stunning, sensitive work of history.”—Stacy Schiff, Pulitzer Prize-winning author of *Cleopatra* “Jacobs is a superb storyteller. In this sweeping narrative about family and friendship during the American Revolution, Abigail Adams emerges as one of the great political heroines of the eighteenth century. I fell in love with her all over again.”—Amanda Foreman, *New York Times* bestselling author of *A World on Fire* “Beauty, brains, and breeding—Elizabeth, Abigail, and Mary had them all. This absorbing history shows how these close-knit and well-educated daughters of colonial America become women of influence in the newly begotten United States. Jacobs’s feel for the period is confident; so is her appreciation of the nuances of character.”—Daniel Mark Epstein, author of *The Lincolns: Portrait of a Marriage*

Using simple language that beginning readers can understand, this lively, inspiring, and believable biography looks at the childhood of Abigail Adams. Illustrated throughout. This book introduces young readers to the life of Abigail Adams, beginning with her childhood in Weymouth, Massachusetts. Readers will become familiar with her independent personality as they learn about her love of learning, her marriage to John Adams, and her life as a mother. Details of Mrs. Adams's time as a political wife include her courage facing the hardships of the American Revolution, while her husband served in the Continental Congress, and the many letters they exchanged throughout their lives. Mrs. Adams's years as the vice president's wife

and as First Lady, including their move into the White House, are also discussed. Full-color photos accompany the easy-to-read text. Extras include a sidebar, a timeline, fun facts, an index, and a glossary. Checkerboard Library is an imprint of ABDO Publishing Company. Abigail Adams was the equal of her husband, President John Adams, in many ways. She had strong views about women's rights and slavery, and she let him know exactly how she felt. Her strength and wisdom left a lasting mark on the fledgling U.S. Creates an authoritative portrait of Abigail Adams that captures her diverse roles as a prolific writer, First Lady, fighter for independence and equality, abolitionist, mother, and wife and confidante of John Adams, based on her letters. Reprint. 75,000 first printing. Wife of one president and mother of another, Abigail Adams was an extraordinary woman living at an extraordinary time in American history. A tireless letter writer and diarist, her penetrating and often caustic impressions of most of the major persons of her day--including Ben Franklin, George and Martha Washington, Thomas Jefferson, Alexander Hamilton, and King George III, among others--provide one of the best first-hand accounts of the American Revolution. This biography, researched and written over a fourteen-year period, is a fascinating portrait of a brilliant woman at the center of the founding of the American republic.

Abigail Adams was an unusually accomplished letter writer. Spirited and insightful, her correspondence offers a unique vantage on historical events in which her family played so prominent a role, while bringing vividly to life the everyday experience of American women in the eighteenth and early nineteenth centuries. Here are 430 letters—more than a hundred published for the first time—to John Adams, John Quincy Adams, Thomas Jefferson, Mercy Otis Warren, James and Dolley Madison, and Martha Washington, among many others. Including her famous call to “Remember the Ladies,” letters from the 1760s and 1770s offer an unrivalled portrait of the American Revolution on the home front. Travel to Europe in the 1780s opens a grand new field for her talents as social commentator and political advisor while her roles as vice presidential and presidential wife place her at the very heart of the nation’s founding. Also included are a chronology of Adams’s life, detailed notes, and extensively researched family trees. This volume is published simultaneously with *John Adams: Writings from the New Nation 1784–1826*, the third and final volume in the *Library of America John Adams* edition. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The *Library of America* series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Abigail Adams holds an honored place in American history, not only for being a First Lady of the United States, but for the invaluable letters she left behind. Through her writings, people today can experience what it was like to be a woman, a mother, and an American in the early days of the United States. This fascinating look at Abigail's life uses primary sources to expose the wit, intelligence, and opinions of this early advocate for women's rights. Sidebars, fact boxes, and a timeline further provide evidence that this "founding mother" is a must-know.

Spanning nearly forty years, the letters collected in this volume form the most

significant correspondence—and reveal one of the most intriguing and inspiring partnerships—in American history.
