

Who Was Clara Barton

In the tradition of his own bestselling masterpieces *The Story of Civilization* and *The Lessons of History*, Pulitzer Prize–winning historian Will Durant traces the lives and ideas of those who have helped to define civilization, from its dawn to the beginning of the modern world. *Heroes of History* is a book of life-enhancing wisdom and optimism, complete with Durant's wit, knowledge, and unique ability to explain events and ideas in simple, exciting terms. It is the lessons of our heritage passed on for the edification and benefit of future generations—a fitting legacy from America's most beloved historian and philosopher. Will Durant's popularity as America's favorite teacher of history and philosophy remains undiminished by time. His books are accessible to readers of every kind, and his unique ability to compress complicated ideas and events into a few pages without ever "talking down" to the reader, enhanced by his memorable wit and a razor-sharp judgment about men and their motives, made all of his books huge bestsellers. *Heroes of History* carries on this tradition of making scholarship and philosophy understandable to the general reader, and making them good reading, as well. At the dawn of a new millennium and the beginning of a new century, nothing could be more appropriate than this brilliant book that examines the meaning of human

civilization and history and draws from the experience of the past the lessons we need to know to put the future into context and live in confidence, rather than fear and ignorance.

Dear Miss Clara Barton: Our classes in The History of the United States are studying about you, and we want to know more. Our teacher says she has seen you. That you live in, or near Washington, District of Columbia, and that, although very busy, she thought you might be willing to receive a short letter from us, and I write to ask you to be so kind as to tell us what you did when you were a little girl like us. All of us want to know. I am almost thirteen. If you could send us a few words, we should all be very happy. I write for all. Your little girl friend, Mary St. Clare, * * * New Yo

Profiles the life and accomplishments of Clara Barton, a teacher who organized efforts to bring nursing care to wounded soldiers during the Civil War and who went on to become the founder of the American Red Cross.

Clara Barton (1821-1912) was a social activist who served as a nurse during the U.S. Civil War and who founded the American Red Cross. Originally published in 1918 as a portion of the author's larger "Clara Barton, Humanitarian," this paperback edition describes Barton's early life and teaching career, her tireless efforts in the U.S. Civil War, her founding of the American Red Cross, and her selfless service in

such strife-torn arenas as the Franco-Prussian War, the Johnstown Floods, the Russian Famine, the South Carolina Tidal Wave, Armenia, the Spanish-American War and the Galveston Tidal Wave. Highlights the life and accomplishments of the teacher who organized efforts to bring nursing care to wounded soldiers during the Civil War and who went on to become the founder of the American Red Cross.

Presents an introduction to the life and achievements of Clara Barton, from her childhood in Massachusetts and her early career as a schoolteacher to her accomplishments as a field nurse during the Civil War and her founding of the American Red Cross.

*Includes pictures *Includes excerpts of Barton's writing *Includes a bibliography for further reading "I may be compelled to face danger, but never fear it, and while our soldiers can stand and fight, I can stand and feed and nurse them." - Clara Barton The Civil War was the deadliest conflict in American history, and had the two sides realized it would take 4 years and inflict over a million casualties, it might not have been fought. Since it did, however, Americans have long been fascinated by the Civil War, marveling at the size of the battles, the leadership of the generals, and the courage of the soldiers. For over 150 years, the war has been subjected to endless debate among civilians,

historians, and the generals themselves. The Civil War is often considered one of the first modern wars, and while technology affected what happened on the battlefield, technology and new methods also improved the way soldiers were cared for away from the front lines. Civil War medicine is understandably (and rightly) considered primitive by 21st century standards, but the ways in which injured and sick soldiers were removed behind the lines and nursed were considered state-of-the-art in the 1860s, and nobody was more responsible for that than Clara Barton, the "Florence Nightingale of America." Barton had been an educator and clerk before the Civil War broke out in 1861, but almost immediately, she went to work attempting to nurse injured Union soldiers and ensure army hospitals were properly supplied. By 1862, she was shadowing Union armies near Washington to bring supplies, clean field hospitals, and directly nurse wounded soldiers herself. In short order, she was recognized as the "Angel of the Battlefield." In the wake of the war, she gave speeches about her experiences and even went abroad to serve in a similar capacity during the Franco-Prussian War, and eventually she brought back the tenets of the International Red Cross to found the American Red Cross. Under her leadership, the organization would assist not just during wars, but also during natural disasters and other humanitarian crises, roles that the American

young nurse's first mission field. She founded the American Red Cross.

Highlights the life of the nurse who served on the battlefields of the Civil War and later founded the American Red Cross.

Die Geschichte des Roten Kreuzes der Vereinigten Staaten von Amerika und seine Einsätze im Ausland während der Zeit von 1880 - 1900.

This book is a concise, interpretive account of the life of Clara Barton from her childhood in Massachusetts through her feats of heroism during the Civil War, her founding of the American Red Cross, which she led for 20 years, and her bitterly contested ejection from office which clouded her last decade. Clara Barton

(1821-1912) led a life in the service of humanity.

Undoubtedly heroic and undoubtedly generous in her impulse to aid others, she nonetheless remained a self-centered individual who could brook neither criticism nor ingratitude. Her life story is told here with sympathy and understanding without sacrificing candor or honesty.

Describes the life and accomplishments of Clara Barton, a teacher who organized efforts to bring nursing care to wounded soldiers during the Civil War and who went on to become the founder of the American Red Cross.

A biography focusing on the youth of the nurse who organized the American Red Cross in Washington, D.C., in 1881.

Clarissa "Clara" Barton was a shy girl who grew up to become a teacher, nurse, and humanitarian. At a time when few women worked outside the home, she became the first woman to hold a government job, as a patent

Download Ebook Who Was Clara Barton

clerk in Washington, DC. In 1864, she was appointed “lady in charge” of the hospitals at the front lines of the Union Army, where she became known as the “Angel of the Battlefield.” Clara Barton built a career helping others. She went on to found the American Red Cross, one of her greatest accomplishments, and one of the most recognized organizations in the world.

We're reissuing the trilogy with brand-new covers sporting a space age 10th Anniversary logo. Now a new generation of readers can experience the fun and adventure that won these books rave reviews and loyal fans!

Through *Battle Dispatches, Letters, and Other Records, Discovering the Wartime Service of America's Most Famous Nurse* "I always tried to succor the wounded until medical aid and supplies could come up--I could run the risk; it made no difference to anyone if I were shot or taken prisoner." So recorded Clara Barton, the most famous woman to emerge from the American Civil War. In an age when few women worked in hospitals, much less at the front, Barton served in at least four Union armies, providing food and assistance to wounded soldiers on battlefields stretching from Maryland to South Carolina. Thousands of soldiers benefit-ed from her actions, and she is unquestionably an American heroine. But how much do we really know about her actual

Download Ebook Who Was Clara Barton

wartime service? Most information about Barton's activities comes from Barton herself. After the war, she toured the country recounting her wartime experiences to overflowing audiences. In vivid language, she described crossing the Rappahannock River under fire to succor wounded Union soldiers at Fredericksburg, transporting critical supplies to field hospitals at Antietam, and enduring searing heat and brackish water on the sun-scorched beach-es of South Carolina. She willingly braved hardship and danger in order to help the young men under her care, receiving in return their love and respect. Most of Barton's biographers have accepted her statements at face value, but in doing so, they stand on shaky ground, for Barton was a relentless self-promoter and often embellished her stories in an effort to enhance her accomplishments. In *Clara Barton's Civil War: Between Bullet and Hospital*, distinguished historian Donald Pfanz revisits Barton's claims, comparing the information in her speeches with contemporary documents, including Barton's own wartime diary and letters. In doing so, he provides the first balanced and accurate account of her wartime service--a service that in the end needed no exaggeration.

Discusses the life and work of Clara Barton, a nurse during the Civil War and founder of the American Red Cross.

From bestselling author Patricia Polacco's family tree -- the true story of young Clara Barton. Animals and flowers were Clara's best friends. She had a special way with critters and found joy in the beauty that sprang from the soil. But whenever Clara talked, her words didn't

Download Ebook Who Was Clara Barton

come out right. As hard as she tried, she could not get over her lisp. Clara's older brother Davie understood that his sister was gifted. When folks made fun of Clara's stilted words, Davie was always at her side reminding her that she had a talent for healing creatures. Davie told his sister, "Some day you are going to be a very great lady." And that's exactly what happened. Clara Barton became one of the most famous medical practitioners of all time, and founded the American Red Cross.

A biography of the timid, petite teacher who courageously nursed wounded Union soldiers during the Civil War and later founded the American Red Cross. A biography of the girl who became known as a fearless battlefield nurse during the Civil War and the founder of the American Red Cross.

A biography telling the life story of Clara Barton, who served as a Civil War nurse, and started the American Red Cross. Written in graphic-novel format.

Known as the "Angel of the Battlefield" for her efforts during the American Civil War, Clara Barton is remembered today as a pioneering nurse and

Download Ebook Who Was Clara Barton

humanitarian. By the end of the 19th century, she was one of the most highly regarded American women on the planet, having brought relief to those suffering in wars and disasters the world over. Frightened as a child, insecure as an adult, and perpetually worried about her image, Barton was a thoroughly modern hero beset by difficulties, including those of her own making. In *Clara Barton: Humanitarian*, read about this brave nurse and founder of the American Red Cross.

When the Civil War broke out, Clara Barton wanted more than anything to be a Union soldier, an impossible dream for a thirty-nine-year-old woman, who stood a slender five feet tall. Determined to serve, she became a veritable soldier, a nurse, and a one-woman relief agency operating in the heart of the conflict. Now, award-winning author Stephen B. Oates, drawing on archival materials not used by her previous biographers, has written the first complete account of Clara Barton's active engagement in the Civil War. By the summer of 1862, with no institutional affiliation or official government appointment, but impelled by a sense of duty and a need to heal, she made her way to the front lines and the heat of battle. Oates tells the dramatic story of this woman who gave the world a new definition of courage, supplying medical relief to the wounded at some of the most famous battles of the war -- including Second Bull Run, Antietam, Fredericksburg, Battery Wagner, the Wilderness, Spotsylvania, and Petersburg. Under fire with only her will as a shield, she worked while ankle deep in gore, in hellish makeshift battlefield hospitals -- a bullet-riddled farmhouse, a crumbling mansion, a

Download Ebook Who Was Clara Barton

windblown tent. Committed to healing soldiers' spirits as well as their bodies, she served not only as nurse and relief worker, but as surrogate mother, sister, wife, or sweetheart to thousands of sick, wounded, and dying men. Her contribution to the Union was incalculable and unique. It also became the defining event in Barton's life, giving her the opportunity as a woman to reach out for a new role and to define a new profession. Nursing, regarded as a menial service before the war, became a trained, paid occupation after the conflict. Although Barton went on to become the founder and first president of the Red Cross, the accomplishment for which she is best known, *A Woman of Valor* convinces us that her experience on the killing fields of the Civil War was her most extraordinary achievement.

In graphic novel format, discusses the life and accomplishments of Clara Barton, a teacher who served as a nurse during the Civil War and who fought for the establishment of the American Red Cross.

Traces the life of the Civil War nurse who cared for wounded soldiers and earned the title, "Angel of the Battlefield."

Widely known today as the "Angel of the Battlefield," Clara Barton's personal life has always been shrouded in mystery.

In *Clara Barton, Professional Angel*, Elizabeth Brown Pryor presents a biography of Barton that strips away the heroic exterior and reveals a complex and often trying woman.

Based on the papers Clara Barton carefully saved over her lifetime, this biography is the first one to draw on these recorded thoughts. Besides her own voluminous correspondence, it reflects the letters and reminiscences of lovers, a grandniece who probed her aunt's venerable facade, and doctors who treated her nervous disorders. She emerges

Download Ebook Who Was Clara Barton

as a vividly human figure. Continually struggling to cope with her insecure family background and a society that offered much less than she had to give, she chose achievement as the vehicle for gaining the love and recognition that frequently eluded her during her long life. Not always altruistic, her accomplishments were nonetheless extraordinary. On the battlefields of the Civil War, in securing American participation in the International Red Cross, in promoting peacetime disaster relief, and in fighting for women's rights, Clara Barton made an unparalleled contribution to American social progress. Yet the true measure of her life must be made from this perspective: she dared to offend a society whose acceptance she treasured, and she put all of her energy into patching up the lives of those around her when her own was rent and frayed.

A brief biography of the woman who overcame her shyness to become a teacher, a nurse during the Civil War, and founder of the American Red Cross.

In dark skirts and bloodied boots, Clara Barton fearlessly ventured on to Civil War battlefields to tend to wounded soldiers. She later worked with civilians in Europe during the Franco-Prussian War, lobbied legislators to ratify the Geneva conventions, and founded and ran the American Red Cross. The American Red Cross from Clara Barton to the New Deal tells the story of the charitable organization from its start in 1881, through its humanitarian aid during wars, natural disasters, and the Depression, to its relief efforts of the 1930s. Marian Moser Jones illustrates the tension between the organization's founding principles of humanity and neutrality and the political, economic, and moral pressures that sometimes caused it to favor one group at the expense of another. This expansive book narrates the stories of:

- U.S. natural disasters such as the Jacksonville yellow fever epidemic of 1888, the Sea Islands hurricane of 1893, and the
