

Wild Rover No More Being The Last Recorded Account Of The Life Times Of Jacky Faber Bloody Jack Adventures

The story of Ireland—its graces and shortcomings, triumphs and sorrows—is told by ballads, dirges, and humorous songs of its common people. Music is a direct and powerful expression of Irish folk culture and an aspect of Irish life beloved throughout the rest of the world. Incredibly, the largest single gathering of Irish folk songs had been almost inaccessible because, originally newspaper based, it was available in only three libraries, in Belfast, Dublin, and Washington D.C. Sam Henry's "Songs of the People" makes the music available to a wider audience than the collector ever imagined. Comprising nearly 690 selections, this thoroughly annotated and indexed collection is a treasure for anyone who performs, composes, studies, collects, or simply enjoys folk music. It is valuable as an outstanding record of Irish folk songs before World War II, demonstrating the historical ties between Irish and Southern folk culture and the tremendous Irish influence on American folk music. In addition to the songs themselves and their original commentary, Sam Henry's "Songs of the People" includes a glossary, bibliography, discography, index of titles and first lines, melodic index, index of the original sources of the songs and information about them, geographical index of sources, and three appendixes related to the original song series in the Northern Constitution.

The Irish are renowned for their unrivaled capacity to spin a yarn and tell a story. They have a singular gift for gab and delight in the art of conversation. Being Irish means finding both humor and insight on life's roller coaster ride of highs and lows. Indeed, the Irish narrative is chock-full of wit, fellowship, and merriment, but it is also deeply rooted in a revolutionary past of severe hardship. This volume is an Irish treasure trove of words and sentiments for any and all occasions that both entertains and informs. Here are over 500 quotes that fall into the following categories: Blessings and Toasts; Drinking, Humorous, and Specialty Toasts; Saint Patrick, Saint Brigid, and Special Prayers, Curses, Proverbs, and Sayings; Poetry and Rhymes; He Said, She Said; and Ballads and Songs.

On the heels of the stunning success of the award-winning Brooklyn Noir, here comes the second volume of this groundbreaking series of original noir anthologies. The city of Chicago has spent much time and money over the last decade marketing itself as a tourist-friendly destination for the whole family. The stories in this anthology reclaim a Chicago where people struggle to survive and where, for many, crime is the only means for their survival - a Chicago once depicted by James Farrell and Nelson Algren.

A celebration of the work of the late Academy Award-nominated author and screenwriter collects her writings on topics ranging from journalism and feminism to food and aging, in a volume complemented by her notorious Wellesley commencement address and her recent blogs about death.

Research librarian Nan Galvin's days were fairly ordinary...until she came across a box of letters. They were glimpses into the life of the mother she hardly knew—which made her question everything she knew about herself. Now, Nan desperately needs the truth. And so she travels to Ireland, with its rolling green hills...and drop-dead gorgeous Irishmen! Songwriter Riley Quinn isn't looking for The One. After all, a musician isn't meant to settle down. Of course, that was before he met the American girl who makes his blood burn like fire. He can't get enough of her. She's his muse, his lover, his woman. And in a few days, she'll be going home...

? The plays of Eugene O'Neill testify to his continued search for new dramatic strategies. The author explores the Nobel Prize winner's attempts at creating a new Modern play. He shows how, moving away from melodrama or "the problem play," O'Neill revisited the classical frames of drama and reinvented theater aesthetics by resorting to masks, the chorus, acoustics, silence or immobility for the creation of his dramatic works.

Originally published in 1977. The Travellers, from those living in bow-tents and horse-drawn caravans to those dwelling in motor caravans and permanent homes, are an important source of traditional music. Their society means that songs that have died out in more settled communities are preserved among them. Ewan MacColl and Peggy Seeger, widely known as two of the founding singers of the British and American folk revivals, here display a vast fund of folklore scholarship around the songs of British travelling people. Resulting from extensive collecting in southern and southeastern England and central and northeastern Scotland in the 1960s and 70s, this book contains 130 songs with music and comprehensive notes relating them to folkloristic and historical points of interest. It includes traditional ballads and ballads of broadside origin, bawdy, tragic and humorous songs about love, work and death. Most are in English or in Scots dialect with four in Anglo-Romani.

Celebrating the wonderful variety of songs, shanties, ballads, ditties and anthems that wind through our lives and bring us together, Auld Lang Syne is a timeless collection for all to cherish. Our memories are bursting with half-remembered songs. They stick with us in a way that no other words do. Just the first few notes of a tune can bring a sports stadium full of people to their feet or kindle memories of starlit nights around a campfire, or a bedtime lullaby soothing us to sleep. But so often after those first few lines we're left humming until the chorus comes back in. With this book you need never miss a line again. Inside you'll find: * Beloved songs from across the English-speaking world, including tunes from Australia, America, Canada, Ireland as well as the UK * Lesser-known gems among the firm favourites * Short accompanying text explaining the origins and stories behind the lyrics

LUCKY GUY marks a return to Nora Ephron's journalistic roots. The charismatic and controversial tabloid columnist Mike McAlary covered the scandal- and graffiti-ridden New York of the 1980s. From his sensational reporting of New York's major police corruption to the libel suit that nearly ended his career, the play dramatizes the story of McAlary's meteoric rise, fall and rise again, ending with his coverage of the Abner Louima case for which he won the Pulitzer Prize, shortly before his untimely death on Christmas Day, 1998.

Reduced to begging and thievery in the streets of London, a thirteen-year-old orphan disguises herself as a boy and connives her way onto a British warship set for high sea adventure in search of pirates.

Fueled with in-depth research and personal recollections, Hooligan's Alley presents a historic novel embracing generations of early European immigrants and their amazing struggles. In the style of a novel, author Joanna Kelly tells the true story of Wilhelmina Huebner Metting, an orphaned farm girl who uprooted her life in Germany to search for an aunt living far away in America. Her quest took her to New York's infamous Hell's Kitchen, an area of overcrowded slums, lumberyards, slaughterhouses, factories, and immigrants troubled by poverty and violence. There, seventeen-year-old Wilhelmina started a seamstress business and kept cows on a vacant city lot. Wilhelmina was, above all things, a passionate social reformer. She encountered American society first during the Civil War, a time of great social unrest. Her involvement with the Colored Orphan Asylum put her in the center of the New York City Draft Riots, the largest

uprising in the history of the United States. Wilhelmina's story inspired Kelly, who fleshed out the few hard facts she could find with a lovingly researched fictional visit to a long-lost time and place in America's history. "Joanna Kelly...draws special strength from her Quaker faith as well as her insatiable thirst for history in writing her first novel, *Hooligan's Alley*. She is a gifted writer who explores her love of music, wildflowers, and passion for family in weaving this remarkable series of adventures that will set your heart to racing, while stretching your own recollections and imagination. *Hooligan's Alley* is a must-read for New Yorkers and history lovers, and everyone who cares about origins and family."

—E. Barrie Kavasch best-selling author of *The Medicine Wheel Garden*

Eddie Bosham (aka Charlie Boylan) is in prison on a murder charge. But he's not worried. He's innocent, and, anyway, he has hidden proof of a ghastly scandal that could bring down the monarchy. Taking up his memoirs from where we left him, marooned on the Galapagos Islands, we find Eddie offering a young Charles Darwin an explanation of why the finches on the islands vary. In Texas, staunchly loyal to whichever side will win, he spies for General Santa Anna at the Alamo and, with the help of Emily Morgan, the ravishingly beautiful Yellow Rose of Texas, for Sam Houston at San Jacinto. Eddie works the Mississippi riverboats as a cardsharp. Caught cheating, he is forced to jump ship and inadvertently stumbles across the secret that will launch the Californian Gold Rush. Finally, having traversed the girth of a nation, his disgraceful saga ends, back east, at a highly inflammatory revivalist meeting.

A first-rate collection of words to more than 1,000 songs, loosely categorised as folk songs...grouped by general themes and indexed by title. Lyrics and guitar chords.

Over 200 great songs arranged for the five-string banjo complete with lyrics for each song. Includes folk songs, sentimental favourites, song of the sea, fiddle tunes, and much more.

The Sands of the Two Queens is a novel set in Yemen in 1993. It is the story of a group of expatriates - Americans, British and Irish - who work at an oil and gas production facility in the desert near the ancient city of Marib. The facility and producing fields are located in the midst of bedouin territory. The bedouins are loyal only to their tribes and recognize no government from any country. They are constantly at odds with the central government in Sana'a who try to control their activities. The bedouins have been smugglers since time began and when the government tries to interfere with their smuggling operations the bedouin tribes fight back. The expatriate oil and gas workers are caught in the middle and are used by the bedouins as bargaining chips to obtain concessions from the government.. Bedouins hijack the oil company vehicles, disrupt the operations and even kidnap the expats to hold for ransom. The irony is the bedouins do not hate the expats. In fact many bedouins are actually employed by the company. They treat the expats as guests while they are in custody. They look upon the expats and the production facility as a gift from Allah. The expats are their friends and were sent here by Allah, the merciful, the benevolent, to be used by the bedouin tribes as is their wish.

TINKER, TAILOR, SOLDIER, SPY The first novel in John le Carré's celebrated and New York Times bestselling Karla trilogy featuring George Smiley, Tinker, Tailor, Soldier, Spy is a heart-stopping tale of international intrigue. The man he knew as "Control" is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement-especially when a pretty, would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small, loyal cadre, Smiley recognizes the hand of Karla—his Moscow Centre nemesis—and sets a trap to catch the traitor. *THE HONOURABLE SCHOOLBOY* As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned and New York Times bestselling Karla Trilogy, the follow-up to *Tinker, Tailor, Soldier, Spy*. *SMILEY'S PEOPLE* Tell Max that it concerns the Sandman... A very junior agent answers Vladimir's call, but it could have been the Chief of the Circus himself. No one at the British Secret Service considers the old spy to be anything except a senile has-been who can't give up the game—until he's shot in the face at point-blank range. Although George Smiley (code name: Max) is officially retired, he's summoned to identify the body now bearing Moscow Centre's bloody imprimatur. As he works to unearth his friend's fatal secrets, Smiley heads inexorably toward one final reckoning with Karla—his dark "grail." In *Smiley's People*, master storyteller and New York Times bestselling author of *The Spy Who Came in from the Cold* and *Our Kind of Traitor* John le Carré brings his acclaimed Karla Trilogy, to its unforgettable, spellbinding conclusion. John le Carré's memoir, *The Pigeon Tunnel: Stories from My Life*, will be available from Viking in September 2016

Jacky Faber is framed as passing confidential U.S. information to the British. Forced to flee Boston, she goes undercover as a governess for a prominent Puritan family. When outed by a nosy postmaster, she deserts the respectability of her position, dons a leotard and slippers, and poses as a Russian tightrope walker in a traveling circus. But the law soon catches up with her, and prospects do not look good. Through her many adventures, Jacky has always found the ingenuity to escape dire situations, but this time it looks like Puss in Boots has run out of lives. . . and her happily-ever-after will be cut short at the foot of the gallows.

The vivacious Jacky Faber returns in the tenth tale in L. A. Meyer's *Bloody Jack Adventures*, a rip-roaring young-adult series applauded for its alluring combination of adventure, romance, history, and humor. Once again under the thumb of British Intelligence, Jacky is sent to Spain to spy for the Crown during the early days of the nineteenth-century Peninsular War. She finds herself in the company of guerilla freedom fighters, poses for the famous artist Goya, runs with the bulls, is kidnapped by the Spanish Inquisition, and travels with a caravan of gypsies...all while hoping to one day reunite with her beloved Jaimy Fletcher.

This much-needed book provides valuable insights into themes and genres in popular song in the period c. 1600-1900. In particular it is a study of popular ballads as they appeared on printed sheets and as they were recorded by folk song collectors. Vic Gammon displays his interest in the way song articulates aspects of popular mentality and he relates the discourse of the songs to social history. Gammon discusses the themes and narratives that run through genres of song material and how these are repeated and reworked through time. He argues that in spite of important social and economic changes, the period 1600-1850 had a significant cultural consistency and characteristic forms of popular musical and cultural expression. These only changed radically under the impact of industrialization and urbanization in the nineteenth century. The book will appeal to those interested in folk song, historical popular music (including church music), ballad literature, popular literature, popular culture, social history, anthropology and sociology.

Harper's informs a diverse body of readers of cultural, business, political, literary and scientific affairs.

A sci-fi convention gets a dose of true crime in this Edgar Award-winning mystery by the New York Times bestselling author of the *Ballad* novels. When Virginia Tech professor James Owen Mega wrote a fictional account of his real-life research, he hardly expected it to get published. But when a publisher changed the title of his novel to *Bimbos of the Death Sun*, James—under the pen name Jay Omega—becomes an overnight sci-fi star. Invited to the annual fan convention *Rubicon*, James is both a fish out of water and a Guest of Honor among the

Trekkies and sword-wielding cosplayers. But he's not the only VIP at the overrun hotel. Revered fantasy author Appin Dungannon never misses a Rubicon—or a chance to belittle his legions of devotees. But when Dungannon turns up dead, police wonder if a die-hard fan finally turned to murder. As the list of suspects grows and hucksters hunt for the victim's autograph, James devises an ingenious way to catch a killer.

This work is a fresh look at the Maps of the Wilderland in *The Hobbit*, leading to the discovery that Professor Tolkien drew the imaginary maps from the Map of Wales back to front, or in reverse. The maps of the Shire in *The Lord of The Rings* are drawn likewise, of England. "They are on their way to visit the land of their fathers, away east beyond Mirkwood," put in Gandalf... Gandalf's talk of the 'land of their fathers' is, by translation of its national anthem, Professor J.R.R. Tolkien's hidden clue to the geography of Wales, which we learn the Professor loved, including its language. The focal point of *The Hobbit*, the Lonely Mountain, is identified as Cadair Idris of North-West Wales. Many of the topographical features of the Mountain coincide. The volcano-mouth Lake of the Lonely Mountain so resembles Llyn Cau of Cadair Idris. The marvel is that the lake has been overlooked so long: not only by Smaug the Dragon, but also by most commentators on *The Hobbit*. Which reader remembers there is a lake at all? Stephen interprets many of the allusions borrowed by Tolkien in his fantastic tale, including Beorn at the Carrock, the herons of Wales at Lake Town, and dragon fire at the Withered Heath. The work is divided into nine parts, with three site groupings. His unique focus on Tolkien's map-making methodology will make his book relevant not only to Tolkien fans worldwide, but those interested in geography too.

Jacky Faber makes waves, even when docked in her adopted city of Boston to attend to the business of Faber Shipping Worldwide. With big dreams and perhaps too much exuberance for the Puritan populace, she quickly finds herself at odds with the Women's Temperance Union and a town roiling over the arrival of hundreds of Irish laborers, brought in on Jacky's Lorelei Lee. Thwarted at every turn by her enemies, Jacky is forced to acknowledge her shortcomings—and possibly lose her beloved Jaimy Fletcher. Will the impulsive Jacky Faber finally get her comeuppance?

A timeless middle-grade story of football, friendship and determination from acclaimed author Rebecca Stevens. Lily has a job at the munitions factory and a goalkeeper's spot with a new women's football team, the Rockets. When the war ends, the girls lose their jobs and their football. But Lily refuses to give up her dream ...

From 1978 to 1998, the United States Justice Department took on the mafia and corrupt unions using all available tools and even enhanced some old laws a new agency and new laws. It was open season on organized crime and labor racketeers. A letter to the president of the United States effectively launched the Office of Labor Racketeering and Organized Crime with a bag of tools, which included the RICO statute, the Inspector General Act, organized crime bill, Presidential Commission on Organized Crime . . . and a hundred agents. After James Rydal Hoffa, president of Teamsters International, disappeared in 1975, there were no definitive answers as to what happened for years. Still today, there are unanswered questions to the mystery, like, where is the body? I was put into an unrelenting position to find out. Everybody has a story. This is my story a true story.

In the second part of John le Carré's *Karla Trilogy*, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned *Karla* trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

Just when it looks like Jacky Faber and her beloved Jaimy will finally find their romance, Jacky is accused of treason and must flee Boston while her friends attempt to clear her name. Of course that means wild adventures for our fun-loving heroine, who manages to secure a job as a governess and run away with the circus. The highly anticipated grand finale of the *Bloody Jack Adventures*. "

This volume is a monument among ballad books containing 158 of the most popular Irish ballads and songs which echo and resound throughout the pubs of Ireland and indeed throughout the world by Ireland's leading folk groups. Along with notes on many of the ballads, this book features a fine collection of unique photographs, drawings and engravings depicting scenes of Ireland's bygone days. Contents include, "The Town I Loved So Well," "The Wild Rover," "The Rose of Tralee," "The Cliffs of Doneen," "Cockles and Mussels," "The Patriot Game," "A Nation Once Again," "Old Maid in a Garrett," "Nora," "James Connolly," "I'll Tell Me Ma" and many more.

The final chilling installment of the *Wild Strawberry Trilogy*: Summer ran. Her lungs felt like they were bursting, her heart was pumping, each beat causing searing pain in her hand where she had been bitten. Her face, usually pale from living so long underground, was flushed with exertion; her long blonde hair swept out behind her as she ran... It is the end of everything...

Kieron, a mysterious drifter, meets Ailish, a singer who is happily divorced. Ailish is very suspicious of him, but somehow they get close. Raymond is an old flame of Ailish's. She does not recognize him, but she feels like she knows him. Then there is Oisín, whom Ailish has a longing for. A huge event brings them all together. Enjoy figuring it all out.
