

## Woman Of Mettle Biblical Fiction

Biblical tales retold as episodes in humanity's battle with the ravenous dead. Now, get five novels in a single volume: *Death Has Come up into Our Windows* *What Our Eyes Have Witnessed* *Strangers in the Land* *No Lasting Burial I Will Hold My Death Close* (and an exclusive excerpt from *By a Slender Thread*)

**DEATH HAS COME UP INTO OUR WINDOWS (Book 1)** It is 587 BC. A vast army lies encamped about Yirmiyahu's city, and a rebellious king has closed the city gates, locking in the living and the dead together. Now, the things Yirmiyahu sees and the things he must do will call into question every promise he has made, every duty he has sworn -- to his wife, his God, and his city.

**WHAT OUR EYES HAVE WITNESSED (Book 2)** Regina endures a death-in-life as a sex slave in the Subura, the ancient world's most terrible ghetto -- until a strange man sees her suffering and gives her a coat, a new name, and a new life. The man is Polycarp, and he has the Gift of gazing into the eyes of the hungry dead and granting them rest -- a Gift that comes at a terrible cost. And ancient Rome may burn him for it.

**STRANGERS IN THE LAND (Book 3)** Four must stand against the dead: The aging prophetess Devora. Hurriya, the slave girl. Zadok, a legend among warriors. And the widower Barak, who has sworn to defend his homeland from a migration of walking corpses greater than has ever been seen. In this retelling of a tale from Judges, the strangers in the land must stand together if they are to rid the land of its blight.

**NO LASTING BURIAL (Book 4)** A man wanders out of the desert one day and finds a village in ruins after a night of the walking dead. The survivors have thrown the snarling corpses into the Sea of Galilee, only to starve as the ghoulish sea yields no fish. Will the stranger's coming bring back the fish, or the hungry dead?

**I WILL HOLD MY DEATH CLOSE (Book 5)** Marked for sacrifice by her own father.... A young woman must rely on only her wits and troubled memories of her mother's faith to survive. Jephthah's daughter flees to the hills, knowing her father and his stone blade may appear at any time to claim her -- while the unburied dead of her people also hunt her in the low ravines. The centuries to come will not remember her name. But generations of young women will climb those hills to remember her.

"Heartbreaking and wonderful." - Conflictium "Stant Litore has been doing fascinating phantasmagorical things with zombies in biblical times." - Jeff Vandermeer, author of *Annihilation* "I find myself riveted to Stant's prose, not only because I'm eager to find out the characters' fate but because his words are so beautiful. The story has stayed with me days after reading it. I highly recommend." - Denise Grover Swank, author of *The Curse Keepers* "The *Zombie Bible* is philosophy played out in bleak landscapes. It's psychology set to the harsh strains of Prokofiev. Litore's prose is lean and hungry; his characters are faceted all-round like various colored stones; his scenes pulse with blood and life, ring with metal or reek of sweat and undeath." - Marc McDermott "Litore's vibrant writing rips the lid off of the King James version and reveals to us a world of

intense human hopes, dreams and pathos. You've never seen anything like this before." - Richard Ellis Preston, Jr., author of Romulus Buckle and the City of the Founders "To say I loved this book would be an understatement. I could not put it down." - The Seattle Post-Intelligencer

"CYBER STALKER: A VICTIM'S STORY," is the true story of Brian Davis, a an aspiring writer whose career was beginning to look promising; three book deals, an on line magazine that was receiving favorable reviews. Then one day in October of 2010, a woman whom he'd thought was a friend turned against him - over a simple misunderstanding - and began an 18 month long cyber-assault on him in public domain, email, postal mail, and by telephone, using intentions of bodily harm and even death threats to intimidate him further. But she didn't stop there; realizing quickly she couldn't ruin his reputation on her own merits, she coerced other writers in her social circle into joining her in her assault - through promises of money, publicity, and even sexual favors - and eventually destroying his reputation - and even invading his private life - and changing the way he perceived the internet - and on line acquaintances - forever. Based on fact, intercepted emails, recorded phone conversations, and private investigations, CYBER STALKER: A VICTIM'S STORY is a testament to one man's fight against impossible odds - the power of the internet - and the cyber stalkers and on line predators that use that power for their own gain - as well as a hunting ground for innocent victims.

Paul Borgman opens our eyes to new ways of looking at the inherent drama in the stories of Genesis and helps us gain insight into God and his ways.

by Alice DiNizo for Readers' Favorite The incredible steamship named Titanic sank on her maiden voyage across the Atlantic on April 15, 1912, and books have been written and movies produced about this tragic steamship disaster. Troy Veenstra has written "Titanic: Echo of the Dying Confession" which covers the Titanic's demise but with a different slant. In journal format, the narrator of this chilling version tells of how he sought revenge for his father's tragic loss of his ownership of the famed White Star Lines when the White Star board sells the shipping line to American millionaire J.P. Morgan. The narrator is angered, incensed that his father, whom he worshiped, is treated badly by business associates and the building of the super steamships, the Olympic, the Titanic, and the Gigantic are to be built. The rest is well-known history.

"Titanic: Echo of the Dying Confession" is a unique work of fiction about the Titanic. Using italics to convey conversation, the author has the narrator transcribing his thoughts as he is dying. Once young, the narrator is now an old and grieving man as he sits on his ocean-side estate and gazes upon the Atlantic Ocean which he refers to as a "massive rolling grave site". He thinks of the revenge he sought and the pain it caused those who perished. This journal is long, descriptive and very Victorian, as befits the memories of a gentleman born in 1856. On page 199, the narrator says that his memoirs as contained in this story are "the longest confession of one man's transgressions ever written upon paper. But the writing is just how a man of those times would express himself, and the characters of both fictional and real people of the Titanic are true to the times and to history. Titanic fans and most of the others will love reading "Titanic: Echo of the Dying Confession."

The figure of the violent man in the African American imagination has a long history. He can be found in 19th-century bad man ballads like "Stagolee" and "John Hardy," as well as in the black convict recitations that influenced "gangsta" rap. "Born in a Mighty Bad Land" connects this figure with similar characters in African American fiction. Many writers -- McKay and

Hurston in the Harlem Renaissance; Wright, Baldwin, and Ellison in the '40s and '50s; Himes in the '50s and '60s -- saw the "bad nigger" as an archetypal figure in the black imagination and psyche. "Blaxploitation" novels in the '70s made him a virtually mythical character. More recently, Mosley, Wideman, and Morrison have presented him as ghetto philosopher and cultural adventurer. Behind the folklore and fiction, many theories have been proposed to explain the source of the bad man's intra-racial violence. Jerry H. Bryant explores all of these elements in a wide-ranging and illuminating look at one of the most misunderstood figures in African American culture.

In the tradition of Daniel Wallace's *Big Fish* and Eowyn Ivey's *The Snow Child*, a gorgeously written and fable-like novel recasting Noah's Ark as a story of relationships, courage, resilience, and hope. "Variously romantic, symbolic, philosophical, feminist, and fanciful, this is an atmospheric tale that meanders to a sweetly rousing conclusion. . . . Forget the ark, forget the patriarch. It's the women who tend to triumph in this modern take on an Old Testament parable." – Kirkus Reviews In loving Noah, his wife never imagined she'd end up in this gray and wet little town where it's been raining for as long as anyone can remember. Newly appointed as pastor, Noah is determined to bring the eccentric townspeople back to the church, but the members of his congregation only want to keep their homes afloat. As the water swallows up the houses, the renowned zoo, and the single highway out of town, Noah, his wife, and their new neighbors must confront not only the savage forces of nature but also the fragile ties that bind them to one another. Poignant and whimsical, playful and wise, *Noah's Wife* challenges our expectations of love, commitment, and redemption. By reimagining this classic story in a new and modern light, the novel asks: how do we know when to stay and when it's time to go?

Each page of this creative journal guides you to write out specific Bible study thoughts, ideas, questions, and more. . .which then creates a specific "map" for you to follow as you dig deep into God's Word.
