Can you imagine the sound of hooves telling you to stop working, come out and play? Coloring is a form of imaginative play. You use your imagination to conjure worlds and then you use your skills and creativity to transfer those worlds into sheets of paper. It's fun brain game that you can do without leaving your home or office. Do some coloring today!

Color your way into quiet times with God through this collection of Bible verse coloring book pages. As you color, you will dwell on a verse for much longer than you would if you were reading through it. You might just find the passage of scripture makes its way further into your heart and mind once you have spent more time with it. Color, and through coloring, bring these words of truth to life in new ways and let God bring peace to a few moments of your busy day.

The books in this delightful series make learning a new vocabulary fun and easy by combining it with coloring pictures--something that virtually every young child loves to do. While they color, kids learn eighty everyday words, such as the names of the seasons, various animals, parts of the body, articles of clothing, and more. The coloring books contain: 59 full-page illustrations, alphabetically organized Culturally appropriate subjects, such as labandera, showing the flags of Spain and Mexico or l'immeuble, showing a typical Parisian apartment building. A glossary featuring translations and a pronunciation guide A review puzzle to test how much has been learned The books in the Let's Learn Coloring Book series are a great resource for parents, teachers, and care-givers who want to foster a love of language in children, and a valuable tool for reinforcing at home the language study kids get in school.

A gripping young adult suspense novel drenched in color, mystery, and lies; set in the sense-blending world of Synesthesia. New York Times and USA Today bestselling author CJ Lyons grabs you and won't let go, keeping you guessing until the very last page of *The Color of Lies*. When you can see emotions in color, motives become black and white. Even murder. High school senior Ella Cleary has always been able to read people. And for good reason: she has a rare medical condition called synesthesia that scrambles the senses, allowing Ella to see colors that reveal people's true emotions. Everyone but Alec's. Alec is a mystery to Ella, a handsome, enigmatic young journalist who makes her feel normal for the first time in her life ... until he reveals the real reason he sought her out. He wants to learn the truth behind her parents' deaths. And Ella's world turns upside down when Alec tells her their deaths were not an accident. After learning her entire life is based on a lie, Ella doesn't know who she can trust or even who she truly is. With family secrets slowly revealed and the evidence mixing fact and fiction, the only way for Ella to learn the truth about her past is to find a killer. *The Color of Lies*: Clean YA suspense with themes of mystery, romance, and friendship—a must-read for readers ages 13 and up By New York Times and USA Today bestselling thriller writer CJ Lyons, whose adult suspense novels have sold over 2 million copies in print and digital Features the little-known and fascinating condition synesthesia, in which people may see sounds, taste words, or feel sensations on their skin when they smell certain scents Perfect for fans of Caroline B. Cooney, Ally Carter, and Jennifer Brown Love quote Colouring Book For Everyone. Spend some quiet time with adult coloring book. This romantic adult coloring book is a great way to relax and unwind. These sweet pages are full of beautiful designs, flowers, butterflies, romantic words, and more! Color each page and give them as beautiful gifts for loved ones to enjoy! amidst the daily stresses of life.

When you buy this book you get an electronic version (PDF file) of the interior of this book. The perfect coloring book for every child that loves ghosts. 40 coloring pages haunted by ghosts. Art is like a rainbow, never-ending and brightly colored. Feed the creative mind of your child and have fun! Each picture is printed on its own 8.5 x 11 inch page so no need to worry about smudging. Is your child excited to draw or color, but not so much to read? Both you and your child will love this book! Exciting Sight Words Coloring is not just any kid's coloring book! Each coloring page focuses on either a high-frequency word or a sight word. The focus word is a part of the coloring picture. The children color in and around the word, looking and reading the word over again and again, improving reading and spelling skills at the same time! With each new page, the children practice basic counting skills by simply counting the focus words on each page. Exciting Sight Words Coloring also supports creative thinking. The children are prompted to think of sentences or stories using both the focus word and the picture they are coloring. Last but not least benefit of this book is the coloring itself. Coloring supports child's fine motor skills development, aids in hand-eye coordination, but also develops the skill of patience and learn to focus on details. This book is a part 2 of the Exciting Sight Words Coloring Book series. It contains the second part (50) of the 100 high-frequency and sight word coloring pages. It is great for beginning readers, Kindergarten through First Grade. Exciting Sight Words Coloring part 1 is also available on Amazon.com.
