God's Wisdom and Words of Knowledge are threaded throughout His Word. It is imperative that we understand what God is saying to us if we are to grow in our Christianity. We have no real wisdom of ourselves. To depend on God and His Word is wisdom in itself. Our God is gracious and merciful even when we don't deserve it. But imagine what our lives would be like if we trusted Him in all our issues, to give us the wisdom and knowledge we need. He certainly knows more than we do. "If any of you lacks wisdom, let him ask of God",

This book authoritatively defines the Word of Wisdom as much more than a simple health code while answering questions about the circumstances that led to its revelation and providing explanations on how it answered both current questions in Joseph Smith's day, and critically important issues in ours. The author tackles the question of Joseph Smith's own adherence to the Word of Wisdom and vividly traces both the consistent and the changing ways it has been taught and applied throughout LDS history.

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth)

with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

The cutting edge of neurolinguistics meets the spiritual wisdom of the ages in a handbook of key words that literally rewire our brains. New discoveries in biology and the neurosciences are revealing how the structure of language-the words we think and speak-can actually change the way the neurons in our brains and hearts connect. But our ancestors understood this connection intuitively, thousands of years ago. They created specific word-patterns to provide comfort, healing, strength, and inner power in difficult times, and they encoded these powerful words in prayers, chants, mantras, hymns, and sacred writings to preserve them for future generations. Now beloved teacher and thought leader Gregg Braden cracks the code and puts these powerful words in your hands. Perfect as a pocket guide, a reference for spiritual study, or a gift to someone you love, this elegant, compact book contains Wisdom Codes that cut to the core of life's greatest tests, most challenging demands, and hardest lessons. You'll find chapters devoted to healing from loss and grief, facing your unspoken fears, finding certainty in the face of uncertain choices, and finding forgiveness, as well as ancient parables that offer a "fast track" to unraveling life's deepest mysteries. Each Wisdom Code-distilled from a quote, a scripture passage, or a parable-is accompanied by a brief discussion of what the code means, why it's important, and how to apply it in your life.
