Winner of the American Library Association's Asian/Pacific American Award for Literature For readers of The Librarian Of Auschwitz, This Light Between Us is a powerfully affecting story of World War II about the unlikelyst of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington is disgusted when he’s forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a boy. In spite of Alex’s reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally-bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a

testament to the endurance of love and humanity under the darkest possible conditions. Told in short, gripping chapters, this is an unforgettable true story of survival. The author was featured in Steven Spielberg's Survivors of the Shoah Visual History Foundation. At just 15, her mother, and brother were taken from their Romanian town to the Auschwitz-II/Birkenau concentration camp. When they arrived at Auschwitz, a soldier waved Elly to the right; her mother and brother to the left. She never saw her family alive again. Thanks to a series of miracles, Elly survived the Holocaust. Today she is dedicated to keeping alive the stories of those who did not. Elly appeared on CBS's 60 Minutes for her involvement in bringing an important lawsuit against Volkswagen, whose German factory used her and other Jews as slave laborers.

Insights gleaned from more than one hundred original interviews shed new light on history's most notorious death camp, with the testimonies of survivors providing a detailed portrait of the camp's inner workings.

Outcry - Holocaust Memoirs, a profoundly moving autobiography Manny Steinberg spent his teens in Nazi camps in Germany and Poland, miraculously surviving while millions perished. This is his story. Born in 1925 in the Jewish ghetto in Radom (Poland), Manny Steinberg soon realized that people of Jewish faith were increasingly being regarded as outsiders. When the Nazis invaded in September 1939 the nightmare started. The city's Jewish population had no chance of escaping and was faced with starvation, torture, sexual abuse and ultimately deportation. Outcry is the candid account of a teenager who survived four Nazi camps: Dachau, Auschwitz, Vaihingen and Neckagerach. While being subjected to torture and degradation, he agonized over two haunting questions: "Why the Jews?" and "How can the

world let this happen?" These questions remain hard to answer. Manny's brother Stanley had jumped off the cattle wagon on the way to the extermination camp where his mother and younger brother were to perish. Desperately lonely and hungry, Stanley stood outside the compound hoping to catch a glimpse of Manny and their father. Once he discovered that they were among the prisoners, he turned himself in. The days were marked by hunger, cold, hard labor, and fear. Knowing that other members of the family were in the same camp kept them alive. Since acknowledging each other would have meant death, they pretended to be complete strangers. The author relates how he was served human flesh and was forced to shave the heads of female corpses and pull out their teeth. Cherishing a picture of his beloved mother in his wooden shoe, he miraculously survived the terror of the German concentration camps together with his father and brother. When the Americans arrived in April 1945, Manny was little more than a living skeleton, with several broken ribs and suffering from a serious lung condition, wearing only a dirty, ragged blanket. This autobiography was written to fulfill a promise Manny Steinberg made to himself during his first days of freedom. By publishing these Holocaust memoirs, the author wants to ensure that the world never forgets what happened during WWII. The narrative is personal, unencumbered and direct. Outcry touches the reader with its directness and simplicity. The story is told through the eyes of an old man forcing himself to relive years of intense suffering. It is an account of human cruelty, but also a testimony to the power of love and hope. Memoirs worthy of being adapted for the big screen. "I read this book with a very heavy heart and tears running down my face. For Manny's endurance and his brother Stanley to be so tested is truly a testament to life!" "Very well written as it goes straight to the reader's heart!" "Manny Steinberg shares his extraordinary teenage

story of surviving four concentration camps in an account noteworthy for its straightforward, unencumbered narrative. His is a story almost everyone can imagine happening to themselves - no less harrowing than more dramatic renditions of Holocaust survival, but somehow more compelling, and universal, for the unembellished simplicity of his style." "Manny's story is told so well and his perseverance is so strong that you are uplifted and reminded of the strength of the human spirit."

'She touched the photograph in its gilt frame that was always on her desk, of a young, thin woman with very short hair and a baby in her arms. She had one last story to tell. Theirs. And it began in hell on earth.' It is 1942 and Eva Adami has boarded a train to Auschwitz. Barely able to breathe due to the press of bodies and exhausted from standing up for two days, she can think only of her longed-for reunion with her husband Michal, who was sent there six months earlier. But when Eva arrives at Auschwitz, there is no sign of Michal and the stark reality of the camp comes crashing down upon her. As she lies heartbroken and shivering on a thin mattress, her head shaved by rough hands, she hears a whisper. Her bunkmate, Sofie, is reaching out her hand... As the days pass, the two women learn each other's hopes and dreams – Eva's is that she will find Michal alive in this terrible place, and Sofie's is that she will be reunited with her son Tomas, over the border in an orphanage in Austria. Sofie sees the chance to engineer one last meeting between Eva and Michal and knows she must take it even if means befriending the enemy... But when Eva realises she is pregnant she fears she has endangered both their lives. The women promise to protect each other's children, should the worst occur. For they are determined to hold on to the last flower of hope in the shadows and degradation: their precious children, who they pray will live to tell their story when they no

The concentration camp at Auschwitz-Birkenau was the site of the single largest mass murder in history. Over one million mainly Jewish men, women, and children were murdered in its gas chambers. Countless more died as a result of disease and starvation. 'Auschwitz Death Camp' is a chilling pictorial record of this infamous establishment. Using some 250 photographs together with detailed captions and accompanying text, it describes how Auschwitz evolved from a brutal labor camp at the beginning of the war into what was literally a factory of death. The images show how people lived, worked and died at Auschwitz. The book covers the men who conceived and constructed this killing machine, and how the camp provided a vast labor pool for various industrial complexes erected in the vicinity. 'Auschwitz Death Camp' is shocking proof of the magnitude of horror inflicted by the Nazis on innocent men, women and children. Such evil should not be forgotten lest it reappear.

Historian Gilbert has researched and prepared 316 maps to trace each phase of the Holocaust, beginning with the anti-Semitic violence of prewar Germany to the expulsion of Jews from towns and villages, the establishment of ghettos, and the setting up of the death camps, and including acts of resistance and revolts, areas of Jewish partisan activity, killings of children and non-Jews, the flight of survivors. Explanatory text accompanies the maps, chronicling the details and explaining the sources--many of which are records the Nazis themselves kept. Annotation copyright by Book News, Inc., Portland, OR

Poignant Holocaust Survivor Story, offering a unique perspective on the lessons of the Holocaust for future generations. Holocaust survivor stories need to be kept alive. Every year, survivors with unique testimonies are passing away. Soon, we will no longer be able to hear first-hand from the people who survived the Holocaust. Books and video testimonials will be the only ways to get to know their moving stories. Joseph Schupack has fulfilled a vow to those who did not survive: to write his Holocaust

memoirs and offer a unique perspective on the lessons of the Holocaust for future generations. In *The Dead Years*, Joseph Schupack (1922- 1989) describes his life in Radzyn-Podlaski, a typical Polish shtetl from where he was transported to the concentration camps of Treblinka, Majdanek, Auschwitz, Dora / Nordhausen and Bergen-Belsen during the Second World War. We witness how he struggled to remain true to his own standards of decency and being human. Considering the premeditated and systematic humiliation and brutality, it is a miracle that he survived and came to terms with his memories. *The Dead Years* is different from most Holocaust survivor stories. Not only is it a testimony of the 1930s in Poland and life in the Nazi concentration camps - it also serves as a witness statement. This Holocaust book contains a wealth of information, including the names of people and places, for researchers and those interested in WW2, or coming from Radzyn-Podlaski and surroundings. The book takes us through Joseph Schupack's pre-war days, his work in the underground movement, and the murder of his parents, brothers, sister and friends. *The Dead Years* is deeply personal and moving. We witness how people in the depths of misery shared their last morsel of food, how they were prepared for any sacrifice. There are many examples of brotherly love that grew out of empathetic pain. Finally freed, Schupack encountered rampant anti-Semitism when he tried to reclaim his possessions in Poland after the end of the war. For the Poles in his home town, the best Jews were the ones who did not return. A new, strictly anti-Semitic organization

had been founded and its primary goal was the liquidation of all Jews returning from hiding or concentration camps. Decades after WWII, the author, mentally scarred by his war experiences, confronted his demons. "Like a stranded man among the stranded, like a sufferer bound to all sufferers, I stood alone in front of the shambles of my life which had stopped when I was seventeen years old and from which nothing could be salvaged or repaired." We are grateful that Schupack confided his memories to paper, so we never forget.

THE SUNDAY TIMES AND INTERNATIONAL BESTSELLER 'Superb' ANDREW ROBERTS In this classic book, highly acclaimed author and broadcaster Laurence Rees tells the definitive history of the most notorious Nazi institution of them all. We discover how Auschwitz evolved from a concentration camp for Polish political prisoners into the site of the largest mass murder in history - part death camp, part concentration camp, where around a million Jews were killed. Auschwitz examines the mentality and motivations of the key Nazi decision makers, and perpetrators of appalling crimes speak here for the first time about their actions. Drawing on Rees's landmark documentary and material from the Russian archives, which challenged many previously accepted arguments, this book reveals significant and disturbing facts - from the operation of a brothel to the corruption that was rife throughout the camp. This is the story of murder, brutality, courage, escape and survival, and a powerful account of how human tragedy of such immense scale could have happened.

The unforgettable story of two unsung heroes of World War II: sisters Janny and Lien Brilleslijper who joined the Dutch Resistance, helped save dozen of lives, were captured by the Nazis, and ultimately survived the Holocaust. Eight months after Germany's invasion of Poland, the Nazis roll into The Netherlands, expanding their reign of brutality to the Dutch. But by the Winter of 1943, resistance is growing. Among those fighting their brutal Nazi occupiers are two Jewish sisters, Janny and Lien Brilleslijper from Amsterdam. Risking arrest and death, the sisters help save others, sheltering them in a clandestine safehouse in the woods, they called "The High Nest." This secret refuge would become one of the most important Jewish safehouses in the country, serving as a hiding place and underground center for resistance partisans as well as artists condemned by Hitler. From The High Nest, an underground web of artists arises, giving hope and light to those living in terror in Holland as they begin to restore the dazzling pre-war life of Amsterdam and The Hague. When the house and its occupants are eventually betrayed, the most terrifying time of the sisters' lives begins. As Allied troops close in, the Brilleslijper family are rushed onto the last train to

Auschwitz, along with Anne Frank and her family. The journey will bring Janny and Lien close to Anne and her older sister Margot. The days ahead will test the sisters beyond human imagination as they are stripped of everything but their courage, their resilience, and their love for each other. Based on meticulous research and unprecedented access to the Brilleslijpers' personal archives of memoirs and photos, *Sisters of Auschwitz* is a long-overdue homage to two young women's heroism and moral bravery—and a reminder of the power each of us has to change the world.

In this astonishing story that “reads like a thriller and is so, so timely” (BuzzFeed) Ariana Neumann dives into the secrets of her father's past: “Like Anne Frank's diary, it offers a story that needs to be told and heard” (Booklist, starred review). In 1941, the first Neumann family member was taken by the Nazis, arrested in German-occupied Czechoslovakia for bathing in a stretch of river forbidden to Jews. He was transported to Auschwitz. Eighteen days later his prisoner number was entered into the morgue book. Of thirty-four Neumann family members, twenty-five were murdered by the Nazis. One of the survivors was Hans Neumann, who, to escape the German death net, traveled to Berlin and hid in plain sight under the Gestapo's eyes. What Hans experienced was so unspeakable that, when he built an industrial empire in Venezuela, he couldn't bring himself to talk about it. All his daughter Ariana knew was that something terrible had happened. When Hans died, he left Ariana a small box filled with letters, diary entries, and other memorabilia. Ten years later Ariana finally summoned

the courage to have the letters translated, and she began reading. What she discovered launched her on a worldwide search that would deliver indelible portraits of a family loving, finding meaning, and trying to survive amid the worst that can be imagined. A “beautifully told story of personal discovery” (John le Carré), *When Time Stopped* is an unputdownable detective story and an epic family memoir, spanning nearly ninety years and crossing oceans. Neumann brings each relative to vivid life, and this “gripping, expertly researched narrative will inspire those looking to uncover their own family histories” (Publishers Weekly).

World War II Auschwitz Auschwitz is a monument to the barbaric inhumanity of the Nazi regime. It is the site where more than one million people were systematically tortured and killed in support of Adolf Hitler's determination to eradicate entire populations that he viewed as racially impure. Dr. Josef Mengele conducted horrific experiments on live victims, treating his subjects as if they weren't human. The Jews, homosexuals, Communists, Jehovah's Witnesses, and the mentally and physically disabled were less than human to the Nazis. The "Final Solution," a cornerstone of Nazi ideology, enacted a devastating sentence upon people whose only crime was their ethnic origin or their religious and political beliefs. But the voices of Auschwitz continue to be heard. Anne Frank's diary speaks for all the innocent who were sent there. Elie Wiesel spent his life speaking out against the horrors he and others endured at Auschwitz. The recorded histories of the survivors of the camps keep the memories alive for generations whose

Access Free World War II Auschwitz A History From Beginning To End

only knowledge of the Holocaust would otherwise be through a school assignment to read The Diary of Anne Frank or by watching a movie like Schindler's List. Auschwitz holds a bizarre fascination for those who hear about it; how could such evil thrive? How could an entire nation surrender to the rantings of a diabolical man who sought revenge against the followers of a religion? The names reverberate in a gallery of maniacs who purported to be leaders: Hitler, Goebbels, Mengele, Goering, Himmler, and the countless others who supported them. Inside you will read about... - Adolf Hitler and the Preservation of the Aryan Race - The Nazis in Charge - The Final Solution to the Jewish Question - The Angel of Death - Life in Auschwitz - Liberation and Judgment And much more! Germany today is staunch in its refusal to allow Nazism to thrive. The nation that built Auschwitz and employed its Final Solution is now the country that has enacted legislation to prevent the Holocaust from being repeated. But hatred is contagious. As Martin Luther King, Jr. once observed, Adolf Hitler operated within the law when he committed his vile acts. They were laws that he created. Evil can triumph if people allow it to do so. Today, Auschwitz is a museum where people can see for themselves the terrible extent to which humanity can hate. But Auschwitz is also a warning to subsequent generations. Do not be fooled into thinking that any ethnic group, any nation, any religion is safe. When demagoguery and prejudice are allowed to legislate their evil, genocide becomes a solution to a problem rather than an unthinkable act. It happened once; it can happen again. The survivors and the victims

alike want their story to be told, lest we forget.

What would your life be like if you were a Jewish person living in Nazi Germany in 1940? You might be forced to leave your home with only what you and your family could carry. You might even be killed by members of the Nazi party. The Holocaust is a grim period in human history. More than 11 million people, including 6 million Jewish people, died at the hands of the Nazis. In *The Holocaust: Racism and Genocide in World War II*, readers ages 12 to 15 learn about the long history of anti-Semitism, the rise of Adolf Hitler and the Nazi party, the increasing persecution of Jewish people and other populations, and the events of "The Final Solution," the attempt to exterminate an entire race of people through industrialized death camps. Projects such as writing letters in the voices of teenagers of different races who lived in the 1930s help infuse the content with realism and the eternal capacity for hope. In-depth investigations of primary sources from the period allow readers to engage in further, independent study of the times. Additional materials include links to online primary sources, a glossary, a list of current reference works, and Internet resources.

In *Hitler's Shadow War*, World War II scholar Donald M. McKale contends that the persecution and murder of the Jews, Slavs, and other groups was Hitler's primary effort during the war, not the conquest of Europe. According to McKale, Hitler and the Nazi leadership used the military campaigns of the war as a cover for a genocidal program that centered on the Final Solution. Hitler continued to commit extensive manpower and

materials to this "shadow war" even when Germany was losing the battles of the war's closing years.

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story -- a tale as gripping as it is moving -- which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.

Written in Auschwitz itself, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany, translated for the first time ever into English. "We

know that there is only one ending to this, only one liberation from this barbed wire hell: death." --Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated--Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel... Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior--both good and evil--people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power "What can I say but wow!!!" As an increasingly polarized America fights over the legacy of racism, Susan Neiman, author of the contemporary philosophical classic *Evil in Modern Thought*, asks what we can learn from the Germans about confronting the evils of the past. In the wake of white nationalist attacks, the ongoing debate over reparations, and the controversy surrounding Confederate monuments and the contested memories they evoke, Susan Neiman’s *Learning from the Germans* delivers an urgently needed perspective on how a country can come to terms with its historical wrongdoings. Neiman is a white woman who came of age in the civil rights–era South and a Jewish woman who has spent much of her adult life in Berlin. Working from this unique perspective, she combines philosophical reflection, personal stories, and interviews with both Americans and Germans who are grappling with the evils of their own national histories. Through discussions with Germans, including Jan Philipp Reemtsma, who created the breakthrough Crimes of the Wehrmacht exhibit, and Friedrich Schorlemmer, the East German dissident preacher, Neiman tells the story of the long and difficult path Germans faced in their effort to atone for the crimes of the Holocaust. In the United States, she interviews James Meredith about his battle for equality in Mississippi and

Bryan Stevenson about his monument to the victims of lynching, as well as lesser-known social justice activists in the South, to provide a compelling picture of the work contemporary Americans are doing to confront our violent history. In clear and gripping prose, Neiman urges us to consider the nuanced forms that evil can assume, so that we can recognize and avoid them in the future.

This book is an original and comparative study of reactions in West and East Africa to the persecution and attempted annihilation of Jews in Europe and in former German colonies in sub-Saharan Africa during the Second World War. An intellectual and diplomatic history of World War II and the Holocaust, *Africans and the Holocaust* looks at the period from the perspectives of the colonized subjects of the Gold Coast, Nigeria, Sierra Leone, Kenya, Tanganyika, and Uganda, as well as the sovereign peoples of Liberia and Ethiopia, who wrestled with the social and moral questions that the war and the Holocaust raised. The five main chapters of the book explore the pre-Holocaust history of relations between Jews and Africans in West and East Africa, perceptions of Nazism in both regions, opinions of World War II, interpretations of the Holocaust, and responses of the colonized and sovereign peoples of West and East Africa to efforts by Great Britain to resettle certain categories of Jewish refugees from Europe in the two regions before and during the Holocaust. This book will be of use to students and scholars of African history, Holocaust and Jewish studies, and international or global history.

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. *I Escaped from Auschwitz* is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the

The Last Train is the harrowing true story about young brothers Paul and Oscar Arato and their mother, Lenke, surviving the Nazi occupation during the final years of World War II. Living in the town of Karcag, Hungary, the Aratos feel insulated from the war -- even as it rages all around them. Hungary is allied with Germany to protect its citizens from invasion, but in 1944 Hitler breaks his promise to keep the Nazis out of Hungary. The Nazi occupation forces the family into situations of growing panic and fear: first into a ghetto in their hometown; then a labor camp in Austria; and, finally, to the deadly Bergen Belsen camp deep in the heart of Germany. Separated from their father, 6-year-old Paul and 11-year-old Oscar must care for their increasingly sick mother, all while trying to maintain some semblance of normalcy amid the horrors of the camp. In the spring of 1945, the boys see British planes flying over the camp, and a spark of hope that the war will soon end ignites. And then, they are forced onto a dark, stinking boxcar by the Nazi guards. After four days on the train, the boys are convinced they will be killed, but through a twist of fate, the train is discovered and liberated by a battalion of American soldiers marching through Germany. The book concludes when Paul, now a grown man living in Canada, stumbles upon photographs on the internet of his train being liberated. After writing to the

man who posted the pictures, Paul is presented with an opportunity to meet his rescuers at a reunion in New York -- but first he must decide if he is prepared to reopen the wounds of his past.

because of a racist regime that believed that some human beings simply did not deserve to live -- not because of what they had done, but because of who they were. Laurence Rees has spent twenty-five years meeting the survivors and perpetrators of the Third Reich and the Holocaust. In this sweeping history, he combines this testimony with the latest academic research to investigate how history's greatest crime was possible. Rees argues that while hatred of the Jews was at the epicenter of Nazi thinking, we cannot fully understand the Holocaust without considering Nazi plans to kill millions of non-Jews as well. He also reveals that there was no single overarching blueprint for the Holocaust. Instead, a series of escalations compounded into the horror. Though Hitler was most responsible for what happened, the blame is widespread, Rees reminds us, and the effects are enduring. *The Holocaust: A New History* is an accessible yet authoritative account of this terrible crime. A chronological, intensely readable narrative, this is a compelling exposition of humanity's darkest moment.

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he

could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story—a tale as gripping as it is moving—which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.

How will one girl survive the horrors of Auschwitz on her own? Poland, 1944. The train slowed and halted with a squeal of the brakes. It felt like they waited in the carriage for an eternity, but eventually, the heavy doors opened, directly into the chaos outside. Sarah Leibovits, a 16-year-old Jewish girl, was a passenger on the train, together with her family. Within minutes, their horrific fate was sealed. The little family spent its final minutes together on the platform at Auschwitz, before its members were dispersed in all directions, and each was left alone to their own fate. Isolated from her family, Sara was left alone to face the many physical

A powerful chronicle of the women who used their sewing skills to survive the Holocaust, stitching beautiful clothes at an extraordinary fashion workshop created within one of the most notorious WWII death camps. At the height of the Holocaust twenty-five young inmates of the infamous Auschwitz-Birkenau concentration camp—mainly Jewish women and girls—were selected to design, cut, and sew beautiful fashions for elite Nazi women in a dedicated salon. It was work that they hoped would spare them from the gas chambers. This fashion workshop—called the Upper Tailoring Studio—was established by Hedwig Höss, the camp commandant's wife, and patronized by the wives of SS guards and officers. Here, the dressmakers produced high-quality garments for SS social functions in Auschwitz, and for ladies from Nazi Berlin's upper crust. Drawing on diverse sources—including interviews with the last surviving seamstress—The

Dressmakers of Auschwitz follows the fates of these brave women. Their bonds of family and friendship not only helped them endure persecution, but also to play their part in camp resistance. Weaving the dressmakers' remarkable experiences within the context of Nazi policies for plunder and exploitation, historian Lucy Adlington exposes the greed, cruelty, and hypocrisy of the Third Reich and offers a fresh look at a little-known chapter of World War II and the Holocaust.
