It's time to sleep, it's time to sleep, the fishes croon in waters deep. The songbirds sing in trees above, "It's time to sleep, my love, my love." As children prepare for bed, the world around them is also settling down for the night. Animals who live in the jungle, the forest, the sea—all whisper to their babies a soft refrain: It's time to sleep, my love. As comforting as a soft blanket and warm as a goodnight hug, Eric Metaxas's lullaby is lovingly brought to life by bestselling artist Nancy Tillman (*On the Night You Were Born*), whose illustrations celebrate the wonders of the natural world, and the bonds of family. *It's Time to Sleep, My Love* is a 2009 Bank Street - Best Children's Book of the Year.

A young alchemist turns to dark magic when a deadly plague sweeps through her homeland, in this epic fantasy from New York Times bestselling author Beth Revis. Seventeen-year-old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind: master the trade of medicinal alchemy. A scholarship student matriculating with the children of Lunar Island's wealthiest and most powerful families, Nedra doesn't quite fit in with the other kids at Yugen. Until she meets Greggori "Grey" Astor. Grey is immediately taken by the brilliant and stubborn Nedra, who he notices is especially invested in her studies. And that's for a good reason: a deadly plague has been sweeping through the north, and it's making its way toward the cities. With her family's lives--and the lives of all of Lunar Island's citizens--on the line, Nedra is determined to find a

cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Soon, she finds herself diving into alchemy's most dangerous corners--and when she turns to the most forbidden practice of all, necromancy, even Grey might not be able to pull her from the darkness.

Stella Ainsworth has settled for suburban peace with a pedantic husband, a dissatisfied daughter and a clutch of beloved grandchildren - who all take her presence in their lives for granted. Then Cameron Keene, her boyfriend from her teenage years who'd left for America to become a rock icon of the Sixties, returns to England. Much to Stella's astonishment, Cameron announces in an interview that his most famous song, which became a legendary love anthem across the world, was written about Stella, and that he has come back to find her. What Became of You, My Love? explores the power of music to take us back to our youth, and asks if we can ever relive those giddy times when everything seemed possible.

A remarkable novel of suffering, love, and healing—the story of three generations of women on an unlikely journey to a Croatian island and a secret that needs to be told—from the internationally best-selling author of *To the End of the Land* “A magnificent book . . . The way Grossman writes about these regions is unique, with a deep understanding of our experience.” —Josip Mlaki?, *Express (Croatia)* *More Than I Love My Life* is the story of three strong women: Vera, age ninety; her daughter, Nina; and her granddaughter, Gili, who at thirty-nine is a

filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter pair, though Gili—abandoned by Nina when she was just three—has always been close to her grandmother. With Gili making the arrangements, they travel together to Goli Otok, a barren island off the coast of Croatia, where Vera was imprisoned and tortured for three years as a young wife after she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey—filtered through the lens of Gili’s camera, as she seeks to make a film that might help explain her life—lays bare the intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. *More Than I Love My Life* was inspired by the true story of one of David Grossman’s longtime confidantes, a woman who, in the early 1950s, was held on the notorious Goli Otok (“the Adriatic Alcatraz”). With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman’s fearless examination of the human heart, this swift novel is a thrilling addition to the oeuvre of one of our greatest living novelists, whose revered moral voice continues to resonate around the world.

The creators of *You Are My I Love You* pen an ode to students and their teachers, just in time for back to school. Whether parent and child or grandparent and grandchild, Maryann's tender, playful text and Satomi's childlike, colorful illustrations are nothing less than odes to these universal bonds. Now the two shine their spotlight on students and teachers, enriching each other through storytelling, art, music, and of course, guidance. Perfect and reassuring for the youngest of students, *You Are My Wonders* is sure to be a hit at story time at home or in the classroom.

A provocative and raw debut collection of short fiction reminiscent of Junot Diaz's *Drown*. A Black man's life, told in scenes—through every time he's been called nigger. A Black son who visits his estranged white father in Los Angeles just as the '92 riots begin. A Black Republican, coping with a skin disease that has turned him white, is forced to reconsider his life. A young Black man, fetishized by an older white woman he's just met, is offered a strange and tempting proposal. The nine tales in *Give My Love to the Savages* illuminate the multifaceted Black experience, exploring the thorny intersections of race, identity, and Black life through an extraordinary cast of characters. From the absurd to the starkly realistic, these stories take aim at the ironies and contradictions of the American racial experience. Chris Stuck traverses the dividing lines, and attempts to create meaning from them in unique and unusual ways. Each story considers a marker of our current culture, from uprisings and sly and not-so-sly racism, to Black fetishization and conservatism, to the obstacles placed in front of Black masculinity and Black and interracial relationships by society and circumstance. Setting these stories across America, from Los Angeles, Phoenix and the Pacific Northwest, to New York and Washington, DC, to the suburbs and small Midwestern towns, Stuck uses place to expose the absurdity of race and the odd ways that Black people and white people converge and retreat, rub against and bump into one another. Ultimately, *Give My Love to the Savages* is the story of America. With biting humor and careful honesty, Stuck riffs on the dichotomy of love and barbarity—the yin and yang of racial experience—and the difficult and uncertain terrain Black Americans must navigate in pursuit of their desires.

A sweeping story of three generations of women, crossing from London to Ireland and back again, and the enduring effort to retrieve the secrets of the past It's London, 1960, and Aoife Kelly—once the sparkling object of young men's affections—runs pubs with her brusque, barking husband, Cash. Their courtship began in wartime London, before they returned to Ireland with their daughters in tow. One of these daughters—fiery, independent-minded Rosaleen—moves back to London, where she meets and begins an affair with the famous sculptor Felix Lehmann, a German-Jewish refugee artist over twice her tender eighteen years. When Rosaleen finds herself pregnant with Felix's child, she is evicted from her flat, dismissed from her job, and desperate to hide the secret from her family. Where, and to whom, can she turn? Meanwhile, Kate, another generation down, lives in present-day London with her young daughter and husband, an unsuccessful musician and destructive alcoholic. Adopted and floundering to find a sense of herself in the midst of her unhappy marriage, Kate sets out to track down her birth mother, a search that leads her to a Magdalene Laundry in Ireland and the harrowing history that it holds. Stirring and nostalgic at moments, visceral and propulsive at others, *I Couldn't Love You More* is a tender, candid portrait of love, sex, motherhood, and the enduring ties of family. It is impossible not to fall under the spell of this tale of mothers and daughters, wives and muses, secrets and outright lies.

Many advertisements these days make us feel as if we have an intimate, even passionate relationship with a product. But as Jean Kilbourne points out in this fascinating and shocking exposé, the dreamlike promise of advertising always leaves us hungry for more. We can never be satisfied, because the products we love cannot love us back. Drawing upon her knowledge of psychology, media, and women's issues, Kilbourne offers nothing less than a new understanding of a ubiquitous phenomenon in our culture. The average American is exposed to over 3,000 advertisements a day and watches three years' worth of television ads over the course of a lifetime. Kilbourne paints a gripping portrait of how this barrage of advertising drastically affects young people, especially girls, by offering false promises of rebellion, connection, and control. She also offers a surprising analysis of the way advertising creates and then feeds an addictive mentality that often continues throughout adulthood.
